This book is intended for: •Upper-level undergraduate and graduate students of vehicle engineering •Practicing engineers •Designers •Researchers •Educators

**Reliable Used Luxury Cars Under \$10,000** Nov 25 2021 Buy a world-class luxury car for under \$10,000. For about five thousand dollars, you can drive a top-of-the-line flagship luxury car that is classier, faster, and more comfortable than most brand new cars. The only downside may be that your friends think you have too much money to spend, because no one will be able to guess you only paid five thousand for a car that cost seventy thousand new Don't settle. Used luxury cars aren't scary, if you know which ones to buy and which ones to avoid, and how to choose them, buy them, and maintain them. The only thing better than cruising around in the comfort of a seventy thousand dollar car is knowing that you paid under ten thousand dollars for it. This book is an in-depth guide to: Why used luxury cars are underpriced ("the Uncle Howard effect") Why you shouldn't buy a used luxury car from the corner car lot Why you shouldn't spank yourself for wanting a luxury car Which used luxury cars are the best deals and which ones you must avoid just as assiduously as you'd avoid making eye contact with a clown What years, configurations, and options to choose on each car What specific pitfalls to avoid with each recommended car How to get

parts and labor for a reasonable price, without compromising your sexual morals How to love life because you're driving an amazing luxury car and you paid only \$5,000 for it Doris bought her first used luxury car when she was still in high school, and has been obsessing over buying and selling used luxury cars since then. She loves cars, she loves bargains, and she loves helping people save money on car ownership. This book combines all three of her interests.
