*Buddy* Aug 201 2021 Get to know the gorilla who was raised like a human in this "captivating" (School Library Journal) picture book classic inspired by a true story from the brilliant mind that brought you *The Fantastic Flying Books of Mr. Morris Lessmore*. Gertrude Lintz loved animals. And she had dozens, never mind that she lived in New York City. But one baby was her favorite, and she took care of this baby just like any other mother would. Except there was one difference: The baby was actually a baby gorilla named Buddy. Gertrude raises Buddy like a civilized human, but can—or, rather, should—wild animals be civilized? Based on the true story of Gertrude Lintz, the most famous dog breeder of the 1930s, Buddy is a moving, high-spirited adventure about a gorilla's life in the city, and how the urban jungle can't really compare to a real one.

Graphic Novelties Nov 04 2022 Mabelle Maxwell is a sarcastic introvert who is focused on making a name for herself in her beloved comic book community. Nolan Cross is a headstrong country boy who insists the only thing he needs in life is to work his very own piece of land. When a mutually beneficial arrangement presents itself, neither can resist, even if it means temporarily living under the same roof. Mabelle knows better than to fall for a smooth talking cowboy. Nolan has never been one to back down from a challenge. In the small southern town of Wild Peach, country is more than just a state of mind. It's a way of life and sometimes, listening to your heart can turn everything inside out.

*A Dog's Journey Movie Tie-In* Oct 11 2020 Soon to be a Major Motion Picture! Audiences are invited along on A Dog's Journey, the next chapter of the beloved bestselling series by author W. Bruce Cameron. The family film told from the dog's perspective serves as the much-anticipated follow-up to the soulful story of one devoted dog who finds the meaning of his own existence through the lives of the humans he teaches to laugh and love. After searching for his purpose through several eventful lives, Buddy is sure that he has found and fulfilled it. Yet as he watches curious baby Clarity get into dangerous mischief, he is certain that this little girl is very much in need of a dog of her own. When Buddy is reborn, he realizes that he has a new destiny. He's overjoyed when he is adopted by Clarity, now a vibrant but troubled teenager. When they are suddenly separated, Buddy despairs—who will take care of his girl? Directed by Gail Mancuso (TV's Modern Family, Roseanne), A Dog's Journey is once again produced by Gavin Polone (A Dog's Purpose, Zombieland). Mancuso directs from an adapted screenplay by Cameron & Cathryn Michon and Wally Wolodarsky & Maya Forbes, based on the book by Cameron. The film from Amblin Entertainment and Walden Media will be distributed by Universal Pictures. *Kids' Stuff* Sep 29 2019 To sort out who's who and what's what in the enchanting, vexing world of Barbie's (R) and Ninja Turtle's (R), Tinkertoy's (R) and teddy bears, is to begin to see what's become of childhood in America. It is this changing world, and what it unveils about our values, that Gary Cross explores in *Kids' Stuff*, a revealing look into the meaning of American toys through this century. Early in the 1900s toys reflected parents' ideas about children and their futures. Erector sets introduced boys to a realm of business and technology, while baby dolls anticipated motherhood and building blocks honed the fine motor skills of the youngest children. *Kids' Stuff* chronicles the transformation that occurred as the interests and intentions of parents, children, and the toy industry gradually diverged—starting in the 1930s when toymakers, marketing playthings inspired by popular favorites like Shirley Temple and Buck Rogers, began to appeal directly to the young. TV advertising, blockbuster films like Star Wars (R), and Saturday morning cartoons exploited their youthful audience in new and audacious ways. Meanwhile, powerful social and economic forces were transforming the nature of play in American society. Cross offers a richly textured account of a culture in which erector sets and baby dolls are no longer alone in preparing children for the future, and in which the toys that now crowd the racks are as perplexing for parents as they are beguiling for little boys and girls. Whether we want our children to be high achievers in a competitive world or playful and free from the worries of adult life, the toy store confronts us with many choices. What does the endless array of action figures and fashion dolls mean? Are children—or parents—the dupes of the film, television, and toy industries, with their latest fads and fantasies? What does this say about our time, and what does it bode for our future? Tapping a vein of rich cultural history, *Kids' Stuff* explores the serious business behind a century of playthings.

*The Upside* Apr 04 2020 The story of how Abdel Sellou (a charismatic ex-con) came to be the caretaker of Philippe Pozzo di Borgo (a paralyzed French aristocrat) inspired the award-winning French movie *Les Intouchables* (2012), which became an international phenomenon and broke records as one of the most successful French movies of all time. Now, *The Upside*, the American remake of *Les Intouchables*, starring Kevin Hart, Bryan Cranston, and Nicole Kidman will be released in both the US and the UK in January 2019. Abdel Sellou and Philippe Pozzo di Borgo were two people marginalized by society: Sellou a wisecracking, unemployed immigrant, just out on parole; Pozzo a man born to wealth and privilege, recently paralyzed from the neck down after a paragliding accident. How they came to help each other, and the unlikely friendship that became a lifeline for them both, is an uplifting story that's now been told and retold around the world.

The Seventh Function of Language Jun 18 2021 From the prize-winning author of HHHH, "the most insolent novel of the year" (L'Espresso Paris, 1980. The literary critic Roland Barthes dies—struck by a laundry van—after lunch with the presidential candidate François Mitterand. The world of letters mourns a tragic accident. But what if it wasn't an accident at all? What if Barthes was . . . murdered? In *The Seventh Function of Language*, Laurent Binet spins a madcap secret history of the French intelligentsia, starring such luminaries as Jacques Derrida, Umberto Eco, Gilles Deleuze, Michel Foucault, Judith Butler, and Julia Kristeva—as well as the hapless police detective Jacques Bayard, whose new case will plunge him into the depths of literary theory (starting with the French version of Roland Barthes for Dummies). Soon Bayard finds himself in search of a lost manuscript by the linguist Roman Jakobson on the mysterious "seventh function of language." A brilliantly erudite comedy that recalls Flaubert's *Parrot* and *The Name of the Rose*—with more than a dash of *The Da Vinci Code*—*The Seventh Function of Language* takes us from the cafés of Saint-Germain to the corridors of Cornell University, and into the duels and orgies of the Logos Club, a secret philosophical society that dates to the Roman Empire. Binet has written both a send-up and a wildly exuberant celebration of the French intellectual tradition.

*Music Business and Monkey Business* Sep 09 2020 This is how simple the complicated music business can be! I was sitting "shooting the bull" with the A&R man at Epic Records one day. He said, "You know what I would really like to find is a white kid that sings the blues like a black guy." I said, "I know a kid like that," or words to that effect. I then told him what I knew about Tim Williams. Tim was starving to death trying to run a Coffee House in Santa Barbara. He was only nineteen-years old, but very good. The problem was that I had no idea what to do with a Blues singer. Suddenly there was an answer to the question. The A&R man said, "Bring him down!" which meant to his office in Hollywood. When the day came to go to Hollywood we went in my car. I didn't think he had one that would make it down and back. He showed up in a pair of dark brown corduroy pants and a dark polo-type shirt, both clean, but covered with white lint. I was embarrassed to "showcase" him that way, but it could have been a sensitive subject so away we went. I didn't have a clue what to expect when we arrived at the office. In the now familiar get-to-the-point fashion the man said, "Let's hear something" after a few minutes of waiting. Tim opened his guitar case, took out his twelve string guitar and began playing as if the outcome didn't make a damn bit of difference to him. Mr. A&R man asked him to do some old standard, then something original that Tim had written. Then suddenly he said, "Sounds good, let's do a thing, make a record!" Just like that!

*The Keeper of Night* Jun 06 2020 "Sharp and seductive...a fantasy with teeth." —Julie C. Dao, author of *Forest of a Thousand Lanterns* A girl of two worlds, accepted by none... A half Reaper, half Shinigami soul collector seeks her destiny in this haunting and compulsively readable dark fantasy duology set in 1890s Japan. Death is her destiny. Half British Reaper, half Japanese Shinigami, Ren Scarborough has been collecting souls in the London streets for years. Expected to obey the harsh hierarchy of the Reapers who despise her, Ren conceals her emotions and avoids her tormentors as best she can. When her failure to control her Shinigami abilities drives Ren out of London, she flees to Japan to seek the acceptance she's never gotten from her fellow Reapers. Accompanied by her younger brother, the only being on earth to care for her, Ren enters the Japanese underworld to solve the Goddiz of Death...only to learn that here, too, she must prove herself worthy. Determined to earn respect, Ren accepts an impossible task—find and eliminate three dangerous Yokai demons—and learns how far she'll go to claim her place at Death's side. Don't miss the must-read sequel coming in 2022!

The Pine Islands Sep 21 2021 SHORTLISTED FOR THE MAN BOOKER INTERNATIONAL PRIZE 2019 AN INTERNATIONAL BESTSELLER "Readers who like quiet, meditative works will enjoy this strangely affecting buddy story." —Publishers Weekly "Rather than tying up the loose ends, she leaves them beautifully fluttering in the wind, and you do not feel lost in that experience. The writing is poetic and it's worth savouring." —Angela Caravan, *Shrupnel* A bad dream leads to a strange poetic pilgrimage through Japan in this playful and profound Booker International-shortlisted novel. Gilbert Silverstein, eminent scholar of beard fashions in film, wakes up one day from a dream that his wife has cheated on him. Certain the dream is a message, and unable to even look at her, he flees - immediately, irrationally, inexplicably - for Japan. In Tokyo he discovers the travel writings of the great Japanese poet Basho. Moved to cure his malaise, he decides to find solace in nature the way Basho did. Suddenly, from Gilbert's directionless crisis there emerges a purpose: as a pilgrimage in the footsteps of the poet to see the moon rise over the pine islands of Maushima. Although, of course, unlike the great poet, he will take a train. Along the way he falls into step with another pilgrim: Yosa, a young Japanese student clutching a copy of *The Complete Manual of Suicide*. Together, Gilbert and Yosa travel across Basho's disappearing Japan, one in search of his perfect ending and the other a new beginning. Serene, playful, and profound, *The Pine Islands* is a story of the transformations we seek and the ones we find along the way.

*This Life Electric* Apr 16 2021 The Haven—a magical place with a kaleidoscopic crowd. A place to lose yourself in. A place to find what you've always been looking for. Will, who desperately tried to outrun his past, still finds himself gripped by its long shadow. A chance encounter with Donny, the charismatic owner of The Haven, brings him back to Singapore to face the abandoned relationship and regrets he thought he had left far behind. Will gets swept up in Donny's mission to crack the mystery of why Instagram queen Caroline Yum has dropped off the grid without a word. Little does Will know that Caroline will come looking for him, spurred on by the enigmatic Lucien and the cheeky and spirited "Maidm Mischief". This *This Life Electric*, a fun, layered and poignant novel about stepping out of one's own head and into the noisy world, unfolds the choices made by the people of The Haven, the friendships they cherish and the changes each dare to make. Welcome to The Haven. Come, step inside.

String Too Short to Tie Jan 02 2020 Told with humor and affect, *String Too Short* to Tie tells the story of the powerful ties of land and family. The author, called Dalinda in this memoir, rumbles down the dusty Texas road where she grew up, struggling with ambivalence toward proud family and friends who stayed while she left. Life has changed since the bustling time of the '50s and '70s when Buddy Holly was a sensation down the road in Lubbock and her rural town of Tumbleweed bustled with energy, plentiful water, and her beloved farm families prospered. What will she and her classmates have in common as they work to plan their 50th class reunion? How will they feel about the Midwestern teacher she became versus the Texas farm girl they knew? How will she ever work with her headstrong sister to figure out how to honor their family farm? Laugh and cry as Dalinda works to resolve conflicting values over land, entitlement and lifestyle, unearthing small nuggets of delight and redemption that come when each of us tumble back home and remember a time when we were all "raised with guilt and red Jell-O."
