Claws for Suspicion Oct 03 2020 When someone from her past comes to town to cause trouble, Kari Stuart and her sassy kitten Queenie will have to work hard to protect the Serenity Sanctuary in this new Catskills Pet Rescue Mystery. Kari Stuart is finally starting to relax into her role as the new owner of the Serenity Sanctuary and is looking forward to the various fun autumn activities in the beautiful Catskills town of Lakeview, like the annual Oktoberfest celebration. It's time for friends and quality bonding with handsome vet Angus McCoy. Until the unexpected arrival of her unpleasant ex-husband, Charlie Smith. He comes bearing a shocking revelation—the paperwork on their divorce never went through, and they are still married. Worse yet, he thinks this entitles him to half of her lottery winnings—although he'll happily take partial ownership of the sanctuary instead. Kari isn't sure if he's telling the truth, or if it's just another one of Charlie's lies. But things go from bad to worse when an unexpected death makes Kari the main suspect in a murder investigation. Will she and Queenie be able to find the real killer and keep the home they've built at the sanctuary safe, or is their string of luck finally tapped out?

Suspicion Sep 02 2020 "If Alfred Hitchcock had directed Downton Abbey, the result would have been this book. Alexandra Monir takes us on a gripping, nonstop thrill ride with just the right amount of supernatural and an ending that you definitely won't suspect. I devoured it in one sitting." —Jessica Brody, bestselling author of the Unremembered trilogy "Take The Princess Diaries and add magic, murder and mystery, and you've got SUSPICION." —Amy Plum, author of the of the international bestselling Die For Me series "There's something hidden in the maze." Seventeen-year-old Imogen Rockford has never forgotten the last words her father said to her, before he, her mother, and the gardens of her family's English country manor were consumed by a blazing fire. For seven years, images of her parents' death have haunted Imogen's dreams even as she moved away and attempted to start over. But some attachments prove impossible to shake—including her love for her handsome former neighbor Sebastian Stanhope. When a letter arrives that forces Imogen to return to her family's estate, she quickly discovers the dark secrets that her father warned her about. At their center is Imogen herself—and Sebastian, the boy she never stopped loving. Combining spine-tingling mystery, romance, and unforgettable characters, Suspicion is an action-packed thrill ride. "Intensely dramatic, fast-paced, and twisty, Monir's mystery ticks every gothic suspense box. The combination of paranormal elements with a star-crossed romance between almost-royals should keep readers rapt." —Booklist

The Art of Legislating Aug 01 2020 Any contemporary state presents itself as committed to the "rule of law", and this notion is perhaps the most powerful political ideal within the current global discourse on legal and political institutions. Despite being a contested concept, the rule of law is generally recognised as meaning that government is bound in all its actions by fixed and public rules, and that these rules respect certain formal requirements and are enforced by an independent judiciary. This book focuses on formal legality and the question of how to achieve good laws—a topic that was famously addressed by the 18th century enlightened thinkers, but also by prominent legal scholars of our time. Historically, the canon of "good legislation" demanded generality, publicity and accessibility, and comprehensibility of laws; non-retroactivity; consistency; the possibility of complying with legal obligations and prohibitions; stability; and congruency between enacted laws and their application. All these are valuable ideals that should not be abandoned in today's legal systems, particularly in view of the silent revolution that is transforming our legality-based "states of law" into jurisdictional states. Such ideals are still worth pursuing for those who believe in representative democracy, in the rule of law and in the dignity of legislation. The idea for the book stemmed from the author's parliamentary and governmental experience; he was responsible for the Government of Spain's legislative co-ordination from 1982 to 1993, which were years of intensive legislative production. The more than five hundred laws (and thousands of decrees) elaborated in this period profoundly changed all sectors of the legal order inherited from Franco's dictatorship, and laid the foundations of a new social and democratic system. For an academic, this was an exciting experience,

which offered a unique opportunity to put the theory of legislation to the test. Reflecting and elaborating on this experience, the book not only increases scholarly awareness of how laws are made, but above all, improves the quality of legislation and as a result the rule of law.

Suspicion Sep 21 2019 Lie to your daughter. Betray your friend. Trust no-one. His nightmare began with a quick handshake and a friendly smile... Danny Goodman would do anything for his teenage daughter Abby. So when his wife dies, and he can no longer afford the school she adores, he borrows money from Thomas Galvin, a well-known millionaire, and the father of Abby's best friend. But on the day he takes the loan, the authorities turn up at his door. Thomas Galvin is a wanted criminal – and they need Danny's help to bring him down. Now Danny is in an impossible dilemma. Under Suspicion, With Child Mar 20 2022 As a cop, his job was to capture the killer who'd stirred fear in the citizens of fog-shrouded Raven's Cliff. But Andrei Lagios had his own agonizing reasons for bringing this criminal to justice. And the return of beautiful, pregnant Jocelyne Baker was a distraction he couldn't afford. Yet the moment her life—and that of her unborn child—was threatened, he insisted on working undercover and being her personal bodyguard. Getting close to Jocelyne stirred a desire that pushed aside his pain. But the unrevealed secrets of her well-guarded past made him suspect there was more to this homecoming than she claimed....

Kiss the Girls and Make Them Cry Dec 25 2019 AN ELECTRIFYING NEW THRILLER FROM 'QUEEN OF SUSPENSE' MARY HIGGINS CLARK . . . When investigative journalist Gina Kane receives an email from a 'CRyan' describing her 'terrible experience' while working at REL, a high-profile television news network, including the comment 'and I'm not the only one,' Gina knows she has to pursue the story. But when Ryan goes silent, Gina is shocked to discover the young woman has died tragically in a Jet Ski accident while on holiday. Meanwhile, REL counsel Michael Carter finds himself in a tricky spot. Several female employees have come forward with allegations of sexual misconduct. Carter approaches the CEO, offering to persuade the victims to accept settlements in exchange for their silence. It's a risky endeavor, but it could well make him rich. As more allegations emerge and the company's IPO draws near, Carter's attempts to keep the story from making headlines are matched only by Gina Kane's determination to uncover the truth. Was Ryan's death truly an accident? And when another accuser turns up dead, Gina realizes someone—or some people—will go to depraved lengths to keep the story from seeing the light. The novels of Mary Higgins Clark are perfect for fans of Sabine Durant, Shari Lapena and everyone who loves a good mystery... *** Praise for Mary Higgins Clark *** 'I adore Mary Higgins Clark' Karin Slaughter 'Trust Mary Higgins Clark to know what frightens us to death' New York Times 'Clark plays out her story like the pro that she is . . . flawless' Daily Mirror 'Should come with a warning: start in the evening and you'll be reading late into the night' USA Today

Crime And Punishment Jun 30 2020 A few words about Dostoevsky himself may help the English

reader to understand his work. Dostoevsky was the son of a doctor. His parents were very hard-working and deeply religious people, but so poor that they lived with their five children in only two rooms. The father and mother spent their evenings in reading aloud to their children, generally from books of a serious character. Though always sickly and delicate Dostoevsky came out third in the final examination of the Petersburg school of Engineering. There he had already begun his first work, "Poor Folk." This story was published by the poet Nekrassov in his review and was received with acclamations. The shy, unknown youth found himself instantly something of a celebrity. A brilliant and successful career seemed to open before him, but those hopes were soon dashed. In 1849 he was arrested.

Friday Barnes, Girl Detective Oct 15 2021 Imagine if Sherlock Holmes was an eleven-year-old girl! When Friday Barnes, girl genius, solves a bank robbery, she uses the reward money to send herself to Highcrest Academy, the most exclusive boarding school in the country—and discovers it's a hotbed of crime! Soon she's investigating everything from disappearing homework to the terrifying Yeti haunting the school swamp. But the biggest mystery yet is Ian Wainscott, the handsomest (and most arrogant) boy in school who inexplicably hates her. Will the homework be found? Can they ever track down the Yeti? And why is Ian out to ruin her? With black-and-white art throughout, *Friday Barnes, Girl Detective* is the launch of an exciting new mystery series that "will keep readers laughing from start to finish." (Publishers Weekly)

Stuck Jul 20 2019 Vaccine reluctance and refusal are no longer limited to the margins of society. Debates around vaccines' necessity -- along with questions around their side effects -- have gone mainstream, blending with geopolitical conflicts, political campaigns, celebrity causes, and "natural" lifestyles to win a growing number of hearts and minds. Today's anti-vaccine positions find audiences where they've never existed previously. *Stuck* examines how the issues surrounding vaccine hesitancy are, more than anything, about people feeling left out of the conversation. A new dialogue is long overdue, one that addresses the many types of vaccine hesitancy and the social factors that perpetuate them. To do this, *Stuck* provides a clear-eyed examination of the social vectors that transmit vaccine rumors, their manifestations around the globe, and how these individual threads are all connected.

Above Suspicion Nov 23 2019 The first instalment in the bestselling Anna Travis series from the BAFTA-winning writer Lynda La Plante, author of *Widows*, now a major motion picture *Young Anna Travis* has been assigned to her first murder case - a series of killings that has shocked even the most hardened of detectives. They started eight years ago - now the body count is up to six. The method of killing is identical, the backgrounds of the girls identical - all drug-users and prostitutes. Then a seventh body is found. The modus operandi is the same - but the victim is a young student with the 'face of an angel'. The profile of the murderer has changed dramatically. Determined to earn the respect of her male colleagues, Anna stumbles on a vital piece of information which links one man to the killings, a much-loved actor on the brink of international stardom. His arrest would create a media frenzy. But if he were found innocent, his wouldn't be the only career over - Anna's hard fought for reputation would be destroyed once and for all ... 'Lynda La Plante practically invented the thriller. *Above Suspicion* blew me away - it grabs you and doesn't let go until the last page' KARIN SLAUGHTER 'La Plante is building up an interesting body of writing that is underrated... Anna proves a resourceful and believable heroine and heralds the launch of a major new character' GUARDIAN 'The prime suspect here is an adored actor, poised to hit the big time. Could he really be behind a string of grisly murders? It's up to Anna Travis, La Plante's gutsy new heroine, to find out' MAIL ON SUNDAY 'Like Jane Tennison, Anna Travis has to work a world which is still rampantly chauvinistic... it is a novel to read about the complexity of relationships, as well as for its compelling plot' DAILY EXPRESS

Policing Suspicion Dec 05 2020 Policing Suspicion is an innovative examination of policing practices and the impact of these on patterns of arrest and prosecution in London, 1780-1850. The work establishes and defines the idea of 'proactive policing' in historical context: where police officers exercised discretion to arrest defendants on suspicion that they had recently committed, or were about to commit, an offence. Through detailed examination of primary sources, including the Old Bailey Proceedings, newspaper reports, instructions for police officers, archival records of policing practices and Select Committee reports, the book examines the reasons given for arrests, and the characteristics of those arrested. Suggesting that individual police officers made active choices using their discretion, the book highlights how policing practices affected the received record of criminal activity. It also explores continuities and changes in policing practices before and after the establishment of the Metropolitan Police force in 1829, examining the expectations placed on the various officials responsible for law enforcement. The book contends that policing practices, and proactive officers themselves, contributed to the prevalence of criminal stereotypes. Beyond the historical, the book is situated within criminological frameworks around policing and preventive justice, noting parallels between historical policing based on suspicion and contemporary police powers such as stop and search. Speaking to issues of wider significance for criminologists by examining interactions between the police and suspects, and reflecting on police decision making processes, the book offers an original approach to those researching both the history of crime and policing, and criminology and criminal justice more broadly.

Under Suspicion Oct 27 2022 The public generally regards the media with suspicion and distrust. Therefore, the media's primary concern is to regain that trust through the production of sincerity. Advancing the field of media studies in a truly innovative way, Boris Groys focuses on the media's affect of sincerity and its manufacture of trust to appease skeptics. Groys identifies forms of media sincerity and its effect on politics, culture, society, and conceptions of the self. He relies on different philosophical writings thematizing the gaze of the other, from the theories of Heidegger, Sartre, Mauss, and Bataille to the poststructuralist formulations of Lacan and Derrida. He also considers media "states of exception" and their creation of effects of sincerity—a strategy that feeds the media's predilection for the extraordinary and the sensational, further fueling the public's suspicions. Emphasizing the media's production of emotion over the presentation (or lack thereof) of "facts," Groys launches a timely study boldly challenging the presumed authenticity of the media's worldview.

Until the Night Jun 11 2021 It's not unusual for John Cardinal to be hauled out of a warm bed on a cold night in Algonquin Bay to investigate a murder. And at first this dead body, sprawled in the parking lot of Motel 17, looks pretty run of the mill: the corpse has a big footprint on his neck, and the likely suspect is his lover's outraged husband. But the lover has gone missing. And then Delorme, following a hunch, locates another missing woman, a senator's wife from Ottawa, frozen in the ruins of an abandoned hotel way back in the woods. Spookily, she was chained up and abandoned wearing a new winter parka and boots, with a thermos beside her--as if her murderer was giving her a whisper of a chance at survival. Neither Delorme nor Cardinal can imagine where their investigation will lead: into a decades-old injustice committed in the high Arctic; into the swingers' world inhabited by an ex-rock star who owns a pub in Algonquin Bay as well as private members' clubs in Toronto and Ottawa; into the insecurity that afflicts Delorme the woman and the cop; and into the deep bond between Delorme and Cardinal, which is at real risk of coming undone. In *Until the Night*, Giles Blunt outdoes himself, creating a masterpiece of crime fiction that will not only haunt his fans and readers, but

delight and amaze them too.

Under Suspicion Apr 28 2020 Two men on the same side of the law-with two different objectives. While investigating the same case, the situation turns deadly. Jim Harper has been Sheriff of Lewis County for three decades. But when a drug investigation shatters the harmony of his County, he finds his community questioning his abilities. Alan Bradley is a hard driving Special Agent of the Drug Enforcement Agency. A tip leads Bradley to Lewis County where he suspects a drug dealer is hiding. The Phantom file is a mysterious case on the DEA docket, and solving it would make Bradley a hero. Problems arise, which lead to mistakes and he finds himself unprepared. In order to preserve his credibility, he spin doctors the situation. He resurrects a ghost from Lewis County's past-D.B. Cooper! The public's reaction to the story of this hijacker couldn't be predicted as everyone is caught up in its wake. They clash but there can only be one winner, and it'll be at the expense of the other. Who will find that truth first?

You Don't Own Me May 22 2022 The extraordinary new novel from the grande dame of suspense, Mary Higgins Clark, and Alafair Burke. Mary Higgins Clark published her first suspense thriller in 1974, and has been writing ever since. Each of her 51 books has been a bestseller and all of her novels remain in print, with her debut, *Where are the Children*, now in its seventy-fifth printing. In 2014, Clark joined forces with novelist Alafair Burke to begin the *Under Suspicion* series, about television producer Laurie Moran and her crew tracking down and solving unsolvable cold-cases. Under Suspicion Nov 16 2021 When Friday Barnes cracked the case of Highcrest Academy's mysterious swamp-yeti, the last thing she expected was to be placed under arrest. Now with the law on her back and Ian Wainscott in her face, Friday is not so sure boarding school was the smartest choice. From a missing or not-so-missing calculator to the appearance of strange holes in the school field, she is up to her pork-pie hat in crimes-and she swears not all of them are hers. There's also new boy Christopher, who has taken quite a shine to Friday, to contend with.

I've Got You Under My Skin Jan 18 2022 In this gripping #1 New York Times bestseller from Queen of Suspense Mary Higgins Clark, a Manhattan ER doctor is brazenly murdered in front of his young son in a city playground. Five years later, his killer is still at large. When Laurie Moran's husband was brutally murdered, only three-year-old Timmy saw the face of his father's killer. Five years later his piercing blue eyes still haunt Timmy's dreams. Laurie is haunted by more—the killer's threat to her son as he fled the scene: "Tell your mother she's next, then it's your turn..." Now Laurie is dealing with murder again, this time as the producer of a true-crime, cold-case television show. The series will launch with the twenty-year-old unsolved murder of Betsy Powell. Betsy, a socialite, was found suffocated in her bed after a gala celebrating the graduation of her daughter and three friends. The sensational murder was news nationwide. Reopening the case in its lavish setting and with the cooperation of the surviving guests that night, Laurie is sure to have a hit on her hands. But when the estranged friends begin filming, it becomes clear each is hiding secrets...small and large. And a pair of blue eyes is watching events unfold, too...

Piece of My Heart Jul 24 2022 "Television producer Laurie Moran and her fiancé, Alex Buckley, the former host of her investigative television show Under Suspicion, are just days away from their midsummer wedding when Alex's seven-year-old nephew, Johnny, vanishes from the beach. Witnesses recall Johnny playing in the water and collecting shells near an ice cream shack, but when his new sitter turned her head, he had vanished. As the sun sets, Johnny's skim board washes up on shore, and everyone realizes that he could be anywhere, even in the ocean. Could the abduction be related to the wedding? Was Laurie's ten-year-old son, Timmy, the intended target? Or was Johnny abducted by a stranger? Laurie and Alex, along with Johnny's parents and Leo Farley, Laurie's father and a retired NYPD detective, are determined to track down every lead." -- Page [4] cover.

Automating Inequality Jun 18 2019 WINNER: The 2018 McGannon Center Book Prize and shortlisted for the Goddard Riverside Stephan Russo Book Prize for Social Justice The New York Times Book Review: "Riveting." Naomi Klein: "This book is downright scary." Ethan Zuckerman, MIT: "Should be required reading." Dorothy Roberts, author of *Killing the Black Body*: "A must-read." Astra Taylor, author of *The People's Platform*: "The single most important book about technology you will read this year." Cory Doctorow: "Indispensable." A powerful investigative look at data-based discrimination—and how technology affects civil and human rights and economic equity The State of Indiana denies one million applications for healthcare, foodstamps and cash benefits in three years—because a new computer system interprets any mistake as “failure to cooperate.” In Los Angeles, an algorithm calculates the comparative vulnerability of tens of thousands of homeless people in order to prioritize them for an inadequate pool of housing resources. In Pittsburgh, a child welfare agency uses a statistical model to try to predict which children might be future victims of abuse or neglect. Since the dawn of the digital age, decision-making in finance, employment, politics, health and human services has undergone revolutionary change. Today, automated systems—rather than humans—control which neighborhoods get policed, which families attain needed resources, and who is investigated for fraud. While we all live under this new regime of data, the most invasive and punitive systems are aimed at the poor. In *Automating Inequality*, Virginia Eubanks systematically investigates the impacts of data mining, policy algorithms, and predictive risk models on poor and working-class people in America. The book is full of heart-wrenching and eye-opening stories, from a woman in Indiana whose benefits are literally cut off as she lays dying to a family in Pennsylvania in daily fear of losing their daughter because they fit a certain statistical profile. The U.S. has always used its most cutting-edge science and technology to contain, investigate, discipline and punish the destitute. Like the county poorhouse and scientific charity before them, digital tracking and automated decision-making hide poverty from the middle-class public and give the nation the ethical distance it needs to make inhumane choices: which families get food and which starve, who has housing and who remains homeless, and which families are broken up by the state. In the process, they weaken democracy and betray our most cherished national values. This deeply researched and passionate book could not be more timely.
