Modern Essentials HANDBOOK Dec 06 2022 The premier introduction to essential oils, and how to safely and effectively use them.

Study Guide for Essentials of Nursing Research Apr 05 2020 Study Guide for Essentials of Nursing Research is a companion to Essentials of Nursing Research. It reinforces key concepts covered in the textbook through a variety of question types and exercises that make it easy to remember essential information and build critical-thinking skills. Application exercises help you read, comprehend, and critique nursing studies. You will answer Questions of Fact, which guide you in reading the eight research articles in the study guide's appendices, and Questions for Discussion, which aid you in assessing the merits of various aspects of the studies. Study questions pose queries about research studies that make you think critically about research reports and how to conduct research. Matching exercises challenge your ability to link related terms and concepts. Completion exercises test your memory and are a great refresher before an exam. Includes eight full research articles and answers to selected study guide exercises. "**Study Guide for Essentials for Nursing Practice** Feb 02 2020 Corresponding to the chapters in Essentials for Nursing Practice, 9th Edition, Study Guide for Essentials for Nursing Practice reinforces your understanding of key nursing ideas. Each chapter includes a Preliminary Reading, Case Study questions, a Chapter Review, Study Group Questions, and directions to help you create your own personalized Study Chart for the chapter. In addition, each Chapter Review includes many different kinds of questions to keep learning the material interactive and fun! Answers and rationales included on the Essentials for Nursing Practice Evolve. Each chapter includes a case study with related questions allowing students to apply what they've learned. Chapter review questions include matching, short answer, multiple choice, and true/false questions provide students with evaluation and test-taking practice. Study group questions make it easier for students to review material with their peers site. Skills performance checklists help you measure your mastery of important nursing procedures. Study charts in select chapters help provide focus and structure for students reviewing the material and key concepts. NEW! Content completely updated to match Nursing Essentials 9th Edition. NEW! Chapter on Complementary and Alternative Therapies, addresses content that is now included on the NCLEX® exam. NEW! Preliminary Readings sections provide you with an easy reference point to the related text chapter.

Essentials of Children's Literature Mar 17 2021 This brief, affordable, straightforward book-packed with rich resources-is a true compendium of information about children's literature and how to use children's literature in the classroom. It is designed to awaken, reawaken, and motivate students to share literature with children. In clear, concise, direct narrative using recommended book lists, examples, figures, and tables in combination with prose, this book conveys the body of knowledge about children's literature and about teaching literature to children. The Seventh Edition of this best-selling book adds a new co-author, Kathy G. Short, to the well-known author team of Carol Lynch-Brown and Carl M. Tomlinson.

Essentials of Investments with S&P card + Connect Plus Jan 27 2022 This textbook emphasizes asset allocation while presenting the practical applications of investment theory. The authors have eliminated unnecessary mathematical detail and concentrate on the intuition and insights that will be useful to practitioners throughout their careers as new ideas and challenges emerge from the financial marketplace.

Essentials of Human Communication Nov 05 2022 A brief text with a strong focus on skill development Essentials of Human Communication shows how human communication skills apply to the real-world and the workplace. The text presents the fundamental skills of interpersonal, small group, and public communication while emphasizing human communication skills, cultural awareness, listening, critical thinking, ethics, and social media communication. MyCommunicationLab is an integral part of the DeVito program. Key learning applications include MediaShare, an eText, and a study plan. A better teaching and learning experience This program will provide a better teaching and learning experience—for you and your students. Here's how: Personalize Learning— MyCommunicationLab is online learning. MyCommunicationLab engages students through personalized learning and helps instructors from course preparation to delivery and assessment. Improve Critical Thinking— Critical thinking principles are integrated into the text and in the marginal questions, self-tests, and boxes. Engage Students—Real-world examples appear throughout the text. Apply Ethics—Real-life ethical issues are discussed. Support Instructors— A full set of supplements, including MyCommunicationLab, provides instructors with all the resources and support they need. Note: MyCommunicationLab does not come automatically packaged with this text. To purchase MyCommunicationLab, please visit: www.mycommunicationlab.com or you can purchase a ValuePack of the text + MyCommunicationLab (at no additional cost): ValuePack ISBN-10: 0205940889 / ValuePack ISBN-13: 9780205940882.

Essentials of Business Communication Jun 19 2021 ESSENTIALS OF BUSINESS COMMUNICATION, 9TH EDITION presents a streamlined approach to business communication that includes unparalleled resources and author support for instructors and students. ESSENTIALS OF BUSINESS COMMUNICATION provides a four-in-one learning package: authoritative text, practical workbook, self-teaching grammar/mechanics handbook, and premium Web site. Especially effective for students with outdated or inadequate language skills, the Ninth Edition offers extraordinary print and digital exercises to help students build confidence as they review grammar, punctuation, and writing guidelines. Textbook chapters teach basic writing skills and then apply these skills to a variety of e-mails, memos, letters, reports, and resumes. Realistic model documents and structured writing assignments help students build lasting workplace skills. The Ninth Edition of this award-winning text features increased coverage of electronic messages and digital media, redesigned and updated model documents to introduce students to the latest business communication practices, and extensively updated exercises and activities. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Essentials of Sociology Aug 22 2021

Essentials of International Relations Apr 29 2022 Essentials of International Relations covers the field's core concepts and offers professors the freedom to supplement their courses with additional texts from the Norton Series in World Politics. This second edition features new chapters on globalizing issues, addressing scarcity of resources, growing populations and cross-cultural ethics. An accessible and authoritative coverage, this text should provide students with the analytical tools they need for study in this dynamic field.

Essentials of Genetics, Global Edition Feb 25 2022 For all introductory genetics courses A forward-looking exploration of essential genetics topics Known for its focus on conceptual understanding, problem solving, and practical applications, this bestseller strengthens problem-solving skills and explores the essential genetics topics that today's students need to understand. The 9th Edition maintains the text's brief, less-detailed coverage of core concepts and has been extensively updated with relevant, cutting-edge coverage of emerging topics in genetics. The full text downloaded to your computer With eBooks you can: search for key concepts, words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf (available as a free download), available online and also via the iPad and Android apps. Upon purchase, you'll gain instant access to this eBook. Time limit The eBooks products do not have an expiry date. You will continue to access your digital ebook products whilst you have your Bookshelf installed.

The Bare Essentials Oct 12 2020 The key to effective writing instruction is plenty of practice and immediate feedback. This book is known for clear explanations and a multitude of practice opportunities. This edition has updated many examples in the text and has moved the work towards a more flexible format that will provide a number of options for teaching and learning. The foundational core concept pieces - grammar rules and essentials of English writing skills - continue to be provided and the workbook exercises have now been included in the textbook.

Essentials of Genetics, Books a la Carte Edition May 31 2022

Essentials of Organizational Behavior Jan 03 2020 ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- For one-semester undergraduate and graduate level courses in Organizational Behavior. Concise fundamentals for students. Ultimate flexibility for instructors. This bestselling, brief alternative for the OB course covers all the key concepts needed to understand, predict, and respond to the behavior of people in real-world organizations. This text also includes cutting-edge topics and streamlined pedagogy to allow maximum flexibility in designing and shaping your course. The eleventh edition contains expanded and updated coverage on international issues, as well as new sections on the management of information, safety and emotions at work, risk aversion, self-determination theory, managing information, and downsizing. Accompanied by mymanagementlab! See the hands in the air, hear the roar of discussion—be a rock star in the classroom. mymanagementlab makes it easier for you to rock the classroom by helping you hold students accountable for class preparation, and getting students engaged in the material through an array of relevant teaching and media resources. Visit mymanagementlab.com for more information.

Essentials of the Earth Apr 17 2021

Cengage Advantage Books: Business Law Today: The Essentials Aug 02 2022 Interesting, clear, and applied, BUSINESS LAW TODAY: THE ESSENTIALS is your concise guide to the law and what it means in the business world—from contracts and secured transactions to warranties and government regulations. Easy to understand with an engaging writing style that is matched by vibrant visuals, BUSINESS LAW TODAY includes coverage of contemporary topics that impact not only the business world, but your life—from the USA Patriot Act's effect on constitutional rights to the national Do Not Call registry. Fascinating features and intriguing cases highlight the material's practicality. The text's companion website includes resources to help you study, such as sample answers to the end-of-chapter case problem features; videos clips for use with in-text video questions; Internet exercises; and interactive quizzes for every chapter. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Essentials of Sociology Sep 30 2019

Available with InfoTrac Student Collections <http://goengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Essentials of Entrepreneurship and Small Business Management, Global Edition Jun 07 2020 For courses in small business management, entrepreneurship, and new venture creation and/or management. The foundation to building a successful business Taking a practical, hands-on approach to entrepreneurship, this text equips students with the tools and critical-thinking skills they need for business success. Now in its 9th Edition, Essentials of Entrepreneurship and Small Business Management teaches students how to successfully launch and manage a business. By dissecting case studies, examining successes and failures in the context of the market, and observing the tactics used by today's most successful small business ventures, students can develop the skills that will give them a unique advantage in a hotly competitive environment.

Business Law Today Dec 26 2021 This 37-chapter text is designed to make business law and legal environment exciting and interesting for students. Cases are summarized. This text explicitly meets AACSB curriculum requirements. Many features focus on the global, political, ethical, social, environmental, and cultural context of business law. For Critical Analysis questions follow all cases, and now appear within most of the pedagogical features. An appendix to Chapter 1, chapter-ending Case Briefing Assignments, and a separate text-ending appendix provide ample opportunity for students to learn how to analyze case law. The Personal Law Handbook, included as an appendix, covers practical aspects of law such as family law, jury duty, housing law, and other topics. Two new pedagogical features emphasize technology and the Internet. Key content changes include the integration of material on lease contracts and Article 2A throughout all sales chapters, as well as the revision of negotiable instruments material to reflect law based on Revised Articles 3 and 4. This edition also contains a new chapter on employment discrimination (Ch. 33).

Essentials of Contemporary Management Nov 24 2021 Jones and George are dedicated to the challenge of "Making It Real" for students. As a team, they are uniquely qualified to write about the organizational challenges facing today's managers. No other author team in the management discipline matches their combined research and text-writing experience. Essentials of Management concisely surveys current management theories and research. Through a variety of real world examples from small, medium, and large companies the reader learns how those ideas are used by practicing managers. The organization of this text follows the mainstream functional approach of planning, organizing, leading, and controlling; but the content is flexible and encourages instructors to use the organization they are most comfortable with. The themes of diversity, ethics, and information technology are clearly evident through in-text examples, photographs, "unboxed" stories, and the end-of-chapter material - all areas of importance that truly serve to bring to life the workplace realities that today's student will encounter in the course of a career.

Business Essentials Mar 05 2020 Business Essentials' focus on practical skills, knowledge of the basics, and important developments in business makes for a brief book, but a rich experience. The recent events in domestic and global economies are presenting unprecedented challenges, excitement, and disappointments for business—and a need for a change in the Introduction to Business course and text. This text captures the widespread significance of these developments and presents their implications on businesses today. Essentials for Nursing Practice - Binder Ready Nov 12 2020 Binder-Ready Edition: This loose-leaf copy of the full text is a convenient, accessible, and customizable alternative to the bound book. With this binder-ready edition, you can personalize the text to match your unique study needs! Get a solid foundation in essential nursing principles, concepts, and skills! Essentials for Nursing Practice, 9th Edition combines everything you need from your fundamentals course and streamlines it into a format that's perfect for busy nursing students. The ninth edition retains many classic features, including chapter case studies, procedural guidelines, and special considerations for various age groups, along with new content including a chapter on Complementary and Alternative Therapies, interactive clinical case studies on Evolve, a new Reflective Learning section, and QSEN activities to encourage active learning. Thoroughly reviewed by nursing clinical experts and educators, this new edition ensures you learn nursing Essentials with the most accurate, up-to-date, and easy-to-understand book on the market. Progressive case studies are introduced at the beginning of the chapter and are then used to tie together the care plan, concept map, and clinical decision-making exercises. Focused Patient Assessment tables include actual questions to help you learn how to effectively phrase questions to patients as well as target physical assessment techniques. Nursing skills at the end of each chapter feature full-bleed coloring on the edge of the page to make them easy to locate. Safety guidelines for nursing skills sections precede each skills section to help you focus on safe and effective skills performance. Detailed care plans in the text and on Evolve demonstrate the application of the 5-step nursing process to individual patient problems to help you understand how a plan is developed and how to evaluate care. Unexpected outcomes and related interventions for skills alert you to possible problems and appropriate nursing action. Patient Teaching boxes help you plan effective teaching by first identifying an outcome, then developing strategies on how to teach, and finally, implementing measures to evaluate learning. Care of the Older Adult boxes highlight key aspects of nursing assessment and care for this growing population. Key points neatly summarize the most important content for each chapter to help you review and evaluate learning. Evidence-Based Practice boxes include a PICO question, summary of the results of a research study, and a F description of how the study has affected nursing practice - in every chapter. Patient-Centered Care boxes address racial and ethnic diversity along with the cultural differences that impact socioeconomic status, values, geography, and religion. 65 Skills and procedural guidelines provide clear, step-by-step instructions for providing safe nursing care. 5-step nursing process provides a consistent framework for clinical chapters. Concept maps visually demonstrate planning care for patients with multiple diagnoses. NOC outcomes, NIC interventions, and NANDA diagnoses are incorporated in care plans to reflect the standard used by institutions nationwide. NEW! Chapter on Complementary, Alternative, and Integrative Therapies addresses new content now included on the NCLEX® exam. NEW! Clinical case studies guide you through creation of care plans and foster clinical thinking. NEW! UNIQUE! Reflective Learning section helps you better understand and reflect on your clinical and simulation experiences as you move through your first nursing course NEW! QSEN activities woven throughout help you process what you've learned and develop an eye for safety NEW! Updated standards and evidence throughout includes the newest INS and WOCN standards and mean you'll be delivering the best care possible.

Understanding Research Methods Dec 02 2019 A perennial bestseller since 1997, this updated tenth edition of Understanding Research Methods provides a detailed overview of all the important concepts traditionally covered in a research methods class. It covers the principles of both qualitative and quantitative research, and how to interpret statistics without computations, so is suitable for all students regardless of their math background. The book is organized so that each concept is treated independently and can be used in any order without resulting in gaps in knowledge--allowing it to be easily and precisely adapted to any course. It uses lively examples on contemporary topics to stimulate students' interest, and engages them by showing the relevance of research methods to their everyday lives. Numerous case studies and end-of-section exercises help students master the material and encourage classroom discussion. The text is divided into short, independent topic sections, making it easy for you to adapt the material to your own teaching needs and customize assignments to the aspect of qualitative or quantitative methods under study--helping to improve students' comprehension and retention of difficult concepts. Additional online PowerPoint slides and test bank questions make this a complete resource for introducing students to research methods. New to this edition: New topic section on design decisions in research Additional material on production of knowledge and research methods Significant development of material on ethical considerations in research Fresh and contemporary examples from a wide variety of real, published research Topic-specific exercises at the end of each section now include suggestions for further steps researchers can take as they build their research project.

Cawson's Essentials of Oral Pathology and Oral Medicine E-Book Sep 10 2020 This is a new edition of a classic textbook of oral pathology and oral medicine for dental students and candidates for postgraduate dentistry exams. Illustrated in colour throughout, the book offers a comprehensive introduction to the pathology of oral disease, its clinical manifestations and the principles of management. A final section deals with the medically compromised patient. Comprehensive coverage of both oral pathology and oral medicine in a single paperback volume Ideal for both undergraduate and post-graduate dentistry exams Lucid writing style provides easy access to essential information Illustrated in high quality throughout, with over 80 new full colour images Ample use of flow charts guide the student through the process of differential diagnosis for a range of conditions Classic text explaining the dental relevance of a range of systemic diseases Updated chapters on cancer and premalignancy, including new information on disease management. New section on healing of the normal tooth socket, and pathology of osseointegration and sinusitis. Includes discussion of controversial issues such as prophylaxis for infective endocarditis. Addition of new WHO disease classifications - such as premalignancy. New section on the relationship between the pathology of caries and its treatment. Usability of diagnostic flow charts improved by addition of icons to the relevant sections of text referring the reader to the flow chart. Many sections improved and updated, including cleft lip and palate, maxillary sinusitis and lichenoid reactions to amalgam restorations. New section on implants, implant related lesions and osseointegration.

Modern Essentials Oct 04 2022 This new eleventh edition of Modern Essentials is the complete guide for safely and effectively using essential oils. This is an independent look at the oils, blends, supplements, and personal care products of doTERRA essential oils.

Modern Essentials Handbook Mar 29 2022

Essentials of Economics Oct 24 2021 Schiller's Essentials of Economics is the market leader for the one-semester survey course, praised for its strong policy focus and core theme of seeking the best possible answers to the basic questions of WHAT, HOW, and FOR WHOM to produce. The 9th edition is benefitted by SmartBook, the first adaptive reading experience designed to engage students with the content in an active and dynamic way, as opposed to the passive and linear reading experience they are used to. As a result, students are more likely to master and retain important concepts in the survey course. As in previous editions, students are confronted early on with the reality that the economy doesn't always operate optimally, either at the macro or micro level, and are encouraged to examine the policy challenge of finding the appropriate mix of market reliance and government regulation that generates the best possible outcomes. In addition to the suite of resources available within Connect Economics, over 100 key topics are reinforced with interesting and innovative videos on YouTube, provided to help non-majors see the relevance of economics. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Nelson Essentials of Pediatrics, E-Book Jan 07 2023 Concise, readable, and up to date, Nelson Essentials of Pediatrics, 9th Edition, provides the must-know information you need in pediatrics from the name you trust. A readable, full-color format; high-yield, targeted chapters; and thorough content updates ensure strong coverage of core knowledge as well as recent advances in the field. This focused resource is ideal for medical students, pediatric residents, PAs, and nurse practitioners in various educational and practice settings, including pediatric residencies, clerkships, and exams. Covers normal childhood growth and development, as well as the diagnosis, management, and prevention of common pediatric diseases and disorders. Contains new coverage of COVID-19, Multisystem Inflammatory Syndrome in Children (MIS-C), and Vaping-Induced Lung Injury. Includes Pearls for Practitioners at the end of each section, as well as updated immunization schedules and an expanded discussion of trauma-informed care. Features well written, high-yield coverage throughout, following COMSEP curriculum guidelines relevant to your pediatric clerkship or rotation. Uses a full-color format with images and numerous new tables throughout, so you can easily visualize complex information. Provides real-world insights from chapter authors who are also Clerkship Directors, helping you gain the knowledge and skills necessary to succeed both in caring for patients and in preparing for clerkship or in-service examinations.

Essentials of Human Anatomy Sep 22 2021 Now in its 9th edition, this standard text offers a regional description of the human body that is very user-friendly, following logical dissection sequences. It provides students with all pertinent information on a region (such as the upper limb) in one chapter which includes its bones, muscles, joints, blood vessels, nerves, etc. in a compact and logical order. The book is fully illustrated and includes superb color plates. Among the complete textbooks of human anatomy, it is perhaps the most concise. For this edition the authors have included a new discussion of medical imaging techniques and have added many new diagnostic images. All their examples of imaging techniques are state-of-the-art quality and are related to the normal anatomy. They have also included a new section on terminology that will materially aid the student in understanding the common Greek and Latin prefixes, suffixes, and stems of anatomical terms. Finally, they have expanded the embryology section. As in all previous editions, refinements have been made throughout the book in both the text and the illustrations.

Essentials of Entrepreneurship and Small Business Management Aug 10 2020 Introduces the processes of new venture creation and the critical knowledge needed to manage a business once it is formed. This text offers complete coverage and a practical hands-on approach to entrepreneurship. Supported by supplementary material for the lecturer and student in both a CD-Rom and companion website.

Essentials of Sociology Jul 21 2021 Extremely reader friendly and packed with vivid examples, ESSENTIALS OF SOCIOLOGY, 9e takes real-world scenarios and shows you how to use sociology to analyze them. It combines comprehensive coverage, socially relevant analysis, and cutting-edge research into a concise 15 chapters. Hands-on exercises help sharpen critical thinking and problem solving skills as readers put sociological theory into practice. More visually engaging than ever, the Ninth Edition also maintains the book's signature emphasis on global issues. Available with InfoTrac Student Collections <http://goengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Basic Nursing Sep 03 2022 Basic Nursing provides complete coverage of nursing fundamentals in a concise, visually attractive format. Offering the basic principles, concepts, and skills needed by nursing students, it features a consistent and logical organization, with a clear writing style and numerous learning aids. Building on the strengths of the fourth edition, this revision has been thoroughly updated and revised to provide a more focused and engaging presentation.

Andreoli and Carpenter's Cecil Essentials of Medicine May 19 2021 Students, residents, and instructors swear by Andreoli and Carpenter's Cecil Essentials of Medicine because it presents just the right amount of information, just the right way. This updated edition has been revised to provide the most current, easy-to-digest review of internal medicine. Comprehensive yet concise, it focuses on the high-yield core knowledge important to those established in or just entering the field. Excellent images and photographs vividly illustrate the appearance and clinical features of disease. Full-color design makes absorbing and retaining information as effortless as possible. Highlights the core principles of medicine and how they apply to patient care. Focused revision reduces the number of pages from the previous edition, providing more high-yield core information in an accessible format. Clear, concise writing style facilitates comprehension, while new figures, tables, and end-of-chapter references enhance readability and retention. Consistent format provides clarity. Each section describes key physiology and biochemistry, followed by comprehensive accounts of the diseases of the organ system or field covered in the chapters. Brand-new chapters on Thrombosis and Head and Neck Infections ensure coverage of the topics most relevant to each reader's needs. Student Consult eBook version included with purchase. This enhanced eBook experience includes web-only extras, additional figures and tables, clinical photos, radiologic images, video procedures, imaging studies, and audio recordings, in addition to the fully searchable text and all of the images from the book. Your purchase entitles you to access the web site until the next edition is published, or until the current edition is no longer offered for sale by Elsevier, whichever occurs first. Elsevier reserves the right to offer a suitable replacement product (such as a downloadable or CD-ROM-based electronic version) should online access to the web site be discontinued.

Modern Essentials May 07 2020

Business Feb 13 2021 For Introduction to Business courses. This best-selling text by Ricky Griffin and Ronald Ebert provides students with a comprehensive overview of all the important functions of business. Each edition has introduced cutting-edge firsts while ensuring the underlying principles that guided its creation. Doing the Basics Best, were retained. The seventh edition focuses on three simple rules- Learn, Evaluate, Apply. - NEW- Chapter 2: Understanding the Environments of Business - This new chapter puts business operations in contemporary context, explaining the idea of organizational boundaries and describing the ways in which elements from multiple environments cross those boundaries and shape organizational activities. This chapter sets the stage as an introduction to some of the most important topics covered in the rest of the book, for example: - The Economics Environment includes the role of aggregate output, standard of living, real growth rate; GDP per capita; real GDP; purchasing power parity; and the Consumer Price Index. - The Technology Environment includes special attention to new tools for competitiveness in both goods and services and business process technologies, plus e

Keeping the Republic Jul 09 2020 Keeping the Republic gives students the power to examine the narrative of what's going on in American politics, distinguish fact from fiction and balance from bias, and influence the message through informed citizenship. Keeping the Republic draws students into the study of American politics, showing them how to think critically about "who gets what, and how" while exploring the twin themes of power and citizenship. Students are pushed to consider how and why institutions and rules determine who wins and who loses in American politics, and to be savvy consumers of political information. The thoroughly updated Eighth Edition considers how a major component of power is who controls the information, how it is assembled into narratives, and whether we come to recognize fact from fiction. Citizens now have unprecedented access to power – the ability to create and share their own narratives – while simultaneously being even more vulnerable to those trying to shape their views. The political landscape of today gives us new ways to keep the republic, and some high-tech ways to lose it. Throughout the text and its features, authors Christine Barbour and Gerald Wright show students how to effectively apply the critical thinking skills they develop to the political information they encounter every day. Students are challenged to deconstruct prevailing narratives and effectively harness the political power of the information age for themselves. Up-to-date with 2018 election results and analysis, as well as the impact of recent Supreme Court rulings, shifting demographics, and emerging and continuing social movements, Keeping the Republic, Eighth Edition is a much-needed resource to help students make sense of politics in America today. Carefully condensed from the full version by authors Christine Barbour and Gerald Wright, Keeping the Republic, Brief Edition gives your students all the continuity and crucial content, in a more concise, value-oriented package.
