Backstreet Boy Jul 02 2022 The book is a differentiated biography of former Indian skipper M S Dhoni that celebrates the total journey of the individual as a cricketer through various assorted articles that have been meticulously curated by the author. The author further draws marketing parallels in this book as he compares to Dhoni with a brand that has an inspiring and engaging story to tell and that needs to be shared. Although there are a number of biographies on Dhoni in the market, this book is very different in its approach and treatment and it surely reflects the unputdownable fan spirit of the author for the man who is the cynosure of this book. A truly interesting read for anyone who loves the game of cricket and has been mesmerized by Dhoni's aura time and again on and off the field.

A Jar of Pebbles Apr 18 2021 A Jar of Pebbles celebrates the ordinary, the absurd, and the exceptional. In these days and times, when pandemic-induced lockdowns have forced social distancing, this collection talks of the warmth and learning of human connections. Memories of growing up in a small town in the 80s and 90s predating the social media, and lessons from parents who never used a manual then, are tenderly captured for posterity. Simple snippets of human effort, and kindness are narrated with empathy and humour.

The anecdotes speak to the generation that did not have the Internet as well as to the generation that cannot live without it. The language is simple, straight from the heart, and not a claim to the grandiose. It is a soulful read in this busy world we live in today to inspire hope, share a laugh, and possibly pass on a bit of learning.

Captain Cool Sep 04 2022 'It must be my power, the bat speed I generate, and the swing of the bat...' Mahendra Singh Dhoni is as calm and unruffled a sportsman on the field as he is self-effacing off it. But 'brute strength', 'murderous form' and 'a man possessed' were some of the phrases that came to mind when, on 5 April 2005 in Visakhapatnam, he exploded onto international consciousness by becoming the first regular Indian 'keeper to score a one-day century. With his striking form on the day, his long locks visible beneath his helmet, red tints glinting in the sunlight, 'Mahi' Dhoni had transformed from a boy HAILING from an obscure small town to a sports legend with the aura of a rock star. And yet, Dhoni was no child prodigy, no overnight success. When he made his international debut at 23, he was already mature by Indian cricket standards-with five grinding years of domestic cricket behind him. How that legend came to be-and grew from game to game-is told here by noted sportswriter Gulu Ezekiel in his crackling but measured prose. *Captain Cool* is the story of MS Dhoni, Indian cricket's poster boy; it is also the heartwarming account of the life of a young man who won India the World Twenty20 in 2007, the 50-over World Cup title in 2011 and the Champions Trophy in 2013, but can still tell his throngs of admirers, 'I am the same boy from Ranchi'.

This book is highly useful for faculties and students. One can use this book as a study guide, knowledge test questions bank, practice test kit, quiz book, trivia questions . . . etc. The strategy used in this book is the same as that which mothers and grandmothers have been using for ages to

induce kids in the family to sip more soup (or some other nutritious drink). The children are told that some cherries (their favourite noodles or cherries) are hidden somewhere in the bowl, and that serves as an incentive for drinking the soup. In joint families, by the time the children are old enough to know the trick played by their grandma, there is usually another group of kids ready to fall for it! They excite the kids, but the real nutrition lies not in the noodles but in the soup. The problems given in this book are like those noodles/cherries while solving all these problems are nutritious soup. Now it is your choice to drink the nutritious soups or not!!!.

It is thoughtfulness of a person to accept the death in a dignified way & gracefully. The author has narrated these issues effectively, narrating his personal experiences and that of various instances of well known personalities. It is the sincere hope of the author that it opens up the eyes of those who are heading on in their life fiercely with a great speed without realizing the purpose of life. the game of cricket are probably the hallmarks of Mahendra Singh Dhoni's cricket. From hitting countless sixes in his school ground in the sleepy town of Ranchi to finishing a run chase with another towering six in a World Cup final against Sri Lanka, Dhoni's journey is undoubtedly one of the most iconic of our times. Many have tried to decode his mystique, and yet, every account seems to have fallen frustratingly short of capturing the essence of the man. Instead, in *Do Different*, we offer diverse perspectives on the man: from a fellow wicketkeeper and competitor reminiscing on Dhoni's early years; to MSD's first agent with his perspective on the journey of brand Dhoni; to an international fast bowler who played with MSD since his first-class days and then starred for him in the Indian Premier League. Nakshatra Book - Predict Using Nakshatra Pada Nov 25 2021 This Nakshatra Book has the most practical techniques using nakshatras that I have derived out of Karam Vipak Samhita and other classical texts. Also, my main focus to write this Nakshatra pad book is to bring out the hidden part of the karam Vipak Samhita to predict pending karma rather than Nakshatra techniques. I believe some knowledge works best when taught in a classroom format but you will find this nakshatra book extremely helpful in predicting pending karma through nakshatra padas. As you progress with the book, you will notice that I have used one technique in different manners to show variation to readers. And with every progressing chapter, the technique gets more advanced as I wanted to ease the reader into the energy of this book. I have tried to give as much information on each nakshatra as possible as when i teach- Its moreover a story format as that is the traditional way to teach any Subject in Hinduism.
