Rather than enjoying a fine book behind a mug of coffee in the afternoon, then again they juggled similar to some harmful virus inside their computer. **100 Questions For Jehovahs Witnesses** is comprehensible in our digital library an online entry to it is set as public as a result you can download it instantly. Our digital library saves in combined countries, allowing you to acquire the most less latency period to download any of our books past this one. Merely said, the 100 Questions For Jehovahs Witnesses is universally compatible similar to any devices to read.

*10 Questions and Answers on Jehovah's Witnesses* Jan 06 2023 Ten questions digging into the history and theology of the Jehovah's Witnesses cult divulge their heretical teachings, in some cases using JW teachings against themselves! Answers to JW views on the Holy Spirit and the Trinity, the veracity of their version of the Holy Bible, and analysis of their version of salvation illuminate their variance from Christianity. Tips for talking with a Jehovah's Witness, a glossary, a page of resources and much more included. Size: 8.5" x 5.5" unfolds to 33" long. Full-color illustrations and photographs. Fits inside most Bibles. Rose Publishing Product Code: 582X

**The A to Z of Jehovah's Witnesses** Mar 28 2022 This volume shows how World Wars I & II influenced Watch Tower attitudes to civil government, armed conflict, and medical innovations like blood transfusion, as well as to mainstream churches and the development of Jehovah's Witnesses' door-to-door evangelism. The theme of prophecy, the doctrine of the 144,000, end-time calculations, Armageddon, and the Witnesses' denial of hell are all considered in this work, which contains a chronology, an introductory essay, a bibliography, and 250 cross-referenced dictionary entries relating to key people and concepts. Originating from a small group of Bible students led by Charles Taze Russell

in the 1870s, the Watch Tower Society grew into an international society. After Russell's death in 1916, Franklin Rutherford was named his successor and gave the society a new name: 'Jehovah's Witnesses.'

**Apocalypse Delayed** Oct 11 2020 For almost thirty years, M. James Penton's *Apocalypse Delayed* has been the definitive scholarly study of the Jehovah's Witnesses. As a former member of the sect, Penton offers a comprehensive overview of this significant religious movement.

*Awakening of a Jehovah's Witness* Jul 08 2020 This tale of mind control, the use of fear to manipulate vulnerable people, and final escape from a suffocating cult environment is a revealing exposé of a secretive contemporary sect, as well as a true psychological thriller. Diane Wilson spent twenty-five precious years of her life, first becoming indoctrinated by the dogma of the Watchtower Society, and then struggling to free herself from its pervasive, intimidating clutches. In this probing, brutally honest assessment, Wilson describes how a childhood of psychological abuse and lack of self-confidence rendered her vulnerable to the seductive doctrines of the Jehovah's Witnesses. Yet as time went on and the society demanded rigid control over every aspect of her life, even her every thought, Wilson began to rebel. Her gradual awakening, at first unconsciously through physical and psychological ailments, and then consciously as a caring therapist helped her rediscover her true self, is a fascinating story. What she reveals about the goings-on within the closed Watchtower Society will shock the average person who assumes the polite, well-dressed people who pass out leaflets are much like any other conservative religious group. Wilson contends that membership in the Jehovah's Witnesses requires obedience bordering on psychological enslavement and complete suppression of individuality. Her engrossing memoir will be of great interest to former Witnesses, students of cult phenomena, and anyone who has ever had contact with Jehovah's Witnesses.

**Jehovah's Witnesses** Feb 24 2022 This is the first major study of the enigmatic religious society. By examining the Jehovah's Witnesses' dramatic recent expansion, Andrew Holden reveals the dependency of their quasi-totalitarian movement on the physical and cultural resources have brought about the privatization of religion, the erosion of community, and the separation of 'fact' from faith.

An Open Letter to a Jehovah's Witness Oct 23 2021 Understanding what Jehovah's Witnesses teach and believe is crucial to counteract their aggressive evangelism campaigns. Roy Zuck offers this letter in the absence of direct, compassionate literature to hand to them to explain Scriptural truth and the difference between their faith and Christianity. In booklet form, it is compassionate while clearly explaining the Deity of Christ and how the teachings of Jehovah's Witnesses contradict the Bible.

Between Resistance and Martyrdom Oct 30 2019 *Between Resistance and Martyrdom* is the first comprehensive historical study of the persecution of Jehovah's Witnesses during the Holocaust era. Refusing to perform military service under Germany's Third Reich due to their fundamental belief in nonviolence, Jehovah's Witnesses caught the attention of the highest authorities in the justice system, the police, and the SS. Although persecuted and banned from practicing their beliefs by the Nazi regime in 1933, the Jehovah's Witnesses' unified resistance has been largely forgotten. Basing his work on a wide range of sources, including documents and archives previously unconsidered as well as critical analyses of Jehovah's Witness literature and survivor interviews, Detlef Garbe chronicles the Nazis' relentless persecution of this religious group before and during World War II. The English-language edition of this important work features a series of original photographs not published in the German edition. These striking images bring a sense of individual humanity to this story and help readers comprehend the reality of the events documented. *Between Resistance and Martyrdom* is an indispensable work that will introduce an English-speaking audience to this important but lesser-known part of Holocaust history.

Jehovah's Witnesses Feb 12 2021 History and teachings of Jehovah's Witnesses organization.

**How to Respond to Jehovah's Witnesses** Sep 29 2019 Examines or compares the aspects of Jehovah Witness with Christianity

**Studies in the Scriptures** Mar 04 2020

**A People for His Name** Jul 20 2021 A history of The Watchtower Bible & Tract Society (Jehovah's Witnesses) from their origins in the 1870s up to the mid-1960s. Long out-of-print, now in a second edition. This title was originally published using the pen name "Timothy White."

**Reasoning from the Scriptures with the Jehovah's Witnesses** Jun 30 2022 Christians have great news to offer Jehovah's Witnesses. In this revised and updated version of the top-selling Reasoning from the Scriptures with the Jehovah's Witnesses (more than 90,000 copies sold), author and Bible expert Ron Rhodes helps readers delve into the Bible and use practical tools to share God's truths with those who come calling. Convenient side-by-side comparisons of the New World Translation and the Bible, along with answers to each doctrinal error espoused by the Witnesses Point-by-point lists of the favorite tactics and arguments used by the Witnesses—along with effective, biblical responses to each Questions you can ask to challenge the Jehovah's Witnesses' confidence in the Watchtower Society With easy-to-understand helps, concise information, direct comparisons of beliefs, and a compassionate presentation, this resource from Ron Rhodes is ideal for personal and church libraries and for any reader who wants to confidently share the gospel.

**20 Answers: Jehovah's Witnesses** Aug 09 2020 When discussing Christianity with Jehovah's Witnesses we might be presented with 'facts' or asked questions which we are uncertain about answering. This carefully and clearly written booklet provides the answers to those questions. Topics covered include the Divinity of Jesus, scripture, and the many other distinctive beliefs held by Jehovah's Witnesses.

Getting Through to Jehovah's Witnesses Dec 25 2021 Do you want to share the gospel with Jehovah's Witnesses but don't know what to say? This book will help you communicate effectively with Jehovah's Witnesses and get them out of their prepared presentations by approaching Bible discussion in ways they won't expect. In this way, you can help them focus on what the Bible is really saying.

**Judging Jehovah's Witnesses** Jun 18 2021 "A vivid depiction of the hysterical and brutal suppression of the Witnesses during the 1930s and 1940s and how their legal resistance transformed the civil liberties of all Americans. A story of cowardice and courage, well told."--Norman Dorsen, ACLU president 1976-1991. 24 photos.

**Jehovah's Witnesses** Sep 21 2021 The zeal and dedication of Jehovah's Witnesses mask a highly disciplined organization that has a troubled history. Moreover, their thorough knowledge of their own scriptures gives a pretense of having spiritual truth. The movement has grown from about 1.1 million worldwide in 1965 to 4.4 million today. Yet all is not what it seems in the Watchtower Society. How do the teachings of the Jehovah's Witnesses run counter to orthodox Christianity? What drives adherents to give hundreds of hours a year to "witnessing"? What draws converts to a cult of strict control by religious leaders? Why this series? This is an age when countless groups and movements, old and new, mark the religious landscape in our culture, leaving many people confused or uncertain in their search for spiritual truth and meaning. Because few people have the time or opportunity to research these movements fully, these books provide essential information and insights for their spiritual journeys. Each book has five sections: - A concise introduction to the group - An overview of the group's theology -- in its own words - Tips for witnessing effectively to members of the group - A bibliography with sources for further study - A comparison chart that shows the essential differences between biblical Christianity and the group -- The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood.

**Understanding Jehovah's Witnesses** Apr 16 2021 "This new translation of Horace's most widely read collection of poetry is rendered in modern, metrical English verse rather than the more common free verse found in many other translations. Jeffrey H. Kaimowitz adapts the Roman poet's rich and

metrically varied poetry to English formal verse, reproducing the works in a way that maintains fidelity to the tone, timbre, and style of the originals while conforming to the rules of English prosody. Each poem is true to the sense and aesthetic pleasure of the Latin and carries with it the dignity, concision, and movement characteristic of Horace's writing. Kaimowitz presents each translation with annotations, providing the context necessary for understanding and enjoying Horace's work. He also comments on textual instability and explains how he constructed his verse renditions to mirror Horatian Latin. Horace and The Odes are introduced in lively fashion by noted classicist Ronnie Ancona"--BOOK JACKET.

**The Heresy of Jehovah's Witnesses** Dec 13 2020 Jehovah's Witnesses are not Christians. Although they believe in the New Testament, it is their own incorrect translation that is misconstrued to suit their beliefs. They do not call themselves Christians, but 'Jehovah's Witnesses' - 'Jehovah' being a name of God used in the Old Testament. Their doctrine regarding the Lord Jesus Christ is completely different to the Christian doctrine; it is a mixture of the heresy of Arius, and other new heresies. They have even reached a level much worse than that of Arius by far. Many governments have expelled Jehovah's Witnesses from their countries because they sensed the danger which they presented to the country's general peace. Therefore, it can be said that they do not only propagate false religious beliefs, but they also propagate dangerous political ideas. As they say that the Church is a product of the devil, they also say that governments are a product of the devil, and encourage people not to enter the armed forces. They also consider saluting the flag as idolatry. Jehovah's Witnesses do not believe in the immortality of the soul and say that this is the teaching of the devil. They also say that after a person dies, he lives happily in the 'earthly paradise', thus contradicting all the promises of the heavenly kingdom. This booklet is merely a collection of articles that were published in the 'El-Keraza' English magazine, and which we considered publishing and distributing as an introduction to the upcoming book. Pope Shenouda III

**Witnesses of Jehovah** Dec 05 2022

20 Questions Jehovah's Witnesses Cannot Answer May 06 2020

The Orwellian World of Jehovah's Witnesses Mar 16 2021 Discusses the history and religious doctrines of the Jehovah's Witnesses and examines the parallels between the religion and George Orwell's novel, 1984

*A Catholic Response to the Jehovah's Witnesses* Dec 01 2019 A Catholic Response to the Jehovah's Witnesses is a departure from the authors usual subject of books and articles on aspects of Catholic spirituality. Having met with many Witnesses over the years, she was prompted to write the book as a response to them. It also addresses the concern many Catholics have as to how to engage with Witnesses and how they might evaluate their teachings. It is written in an informal style to introduce readers to the various aspects of the doctrines of the Jehovah's Witnesses, and how a Catholic might respond to them from their own tradition and the theology of the Catholic Church.

*Christian Conversations with Jehovah's Witnesses* Apr 28 2022 Follow the inspiring dialogues between a Christian named Karen and a Jehovah's Witness named Cindy as they discuss the Watchtower brochure What Does God Require of Us? and explore the core differences between Biblical Christianity and the Watchtower religion. In this book, Biblical truth is presented in an effective way that challenges the common reasoning embraced by faithful members of the Watchtower organization. Originally published under the title What Does God Require?, this book is the product of experiences the author had talking with Jehovah's Witnesses of all levels of leadership. Written in dialogue format, this book includes photocopies of the pages referenced from official Watchtower publications and other sources essential for Christians using this book to witness to Jehovah's Witnesses. Discussion topics are: New Light Changes In Watchtower Doctrine False Prophecies Of The Watchtower Society The Watchtower's Definition Of A Cult Watchtower History and Cover-ups The Jehovah's Witness Claim To Be The Only

True Religion The Divine Name Jehovah The Trinity And The Deity Of Christ Faith and Works in Salvation Blood Transfusions War And Political Neutrality Holiday And Birthdays Celebrations Hell and Immortal Soul The Cross Loyalty To Jehovah God A Christian who reads Christian Conversations with JW's will not only learn the reasoning behind many of the doctrinal differences that separate Jehovah's Witnesses from Biblical Christianity, but he or she will be inspired to approach Jehovah's Witnesses in a more gentle, non-confrontational way that will help open the door to more effective dialogues rather than closed-minded defensive debates. Likewise, any thinking Jehovah's Witness will find the documentation presented from Watchtower publications and solid Biblical arguments stimulating to: "Make sure of all things; hold fast to what is fine." (1 Thessalonians 5:21, New World Translation) Regarding the Karen and Cindy conversations in this book, readers have said: "I am currently studying each and every page of the Karen and Cindy studies, looking up every Bible passage. They are very well put together, very well documented, with references and all, enormously helpful!" "I had Jehovah's Witnesses visiting for six years. ... The sad thing is now I have their beliefs in my head. So I put myself into God's hands and asked for direction. ... Well, the feeling of freedom is amazing. I am like a child, learning again for the first time. The reason I had to write to you was the Karen and Cindy conversations. Instead of me asking for help, one question at a time, they are all there for me!! It seems as if 'Cindy' could read my mind. It's so lovely for things to fall into place... I was scared while I did not understand even the tiny bit I do now. It's such a joy instead of feeling unworthy (we're all sinners I know) and feeling I would never be saved or go to Heaven. So, please thank God and Jesus with me for such help." "As you know... I am in prison... I know that every soul you help touch is a seed that might grow to touch hundreds and thousands... For example, the What Does God Require book you sent me some time back has been making its rounds around this prison yard. And many Jehovah's Witnesses have been raising lots of questions and are re-thinking their faith... Again, thank you for your ministry... Keep up the great work!"

**Conversations with Jehovah's Witnesses** Nov 11 2020 An unfamiliar car parks near your house, and two pleasant-looking folks approach your front door. The doorbell rings, and after exchanging pleasantries, your unexpected guests offer you some literature from the Watchtower Society. What will you say? What should you say? Should you engage your visitors in conversation at all? And if so, how? Trusted Bible teacher Ron Rhodes guides you through several realistic dialogues with Jehovah's Witnesses, demonstrating helpful techniques for listening, asking questions, avoiding offense, and more. He includes the information you need to address the big issues, including the New World Translation of the Bible, the divine name, the Trinity, salvation, and the afterlife. With this practical, kindhearted, and easy-to-understand resource, you can actually enjoy discussions about your faith when Jehovah's Witnesses come to call, and you can lovingly guide them to the truth about Jesus Christ.

**Jehovah's Witnesses** May 18 2021 This volume of the Zondervan Guide to Cults and Religious Movements sheds new light on the intrigue of the Jehovah's Witness movement.

*Jehovah's Witnesses* Sep 09 2020 Cult scholar Walter Martin traces the ancestry of Jehovah's Witnesses back to the fourth century Arians who believed that Jesus Christ was merely the first and greatest of God's creations. He presents the main teachings of the Witnesses and carefully compares them with Scripture.

**Historical Dictionary of Jehovah's Witnesses** Jan 14 2021 This second edition of Historical Dictionary of Jehovah's Witnesses contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 300 cross-referenced entries on important personalities, culture, and key concepts.

[The 10 Most Important Things You Can Say to a Jehovah's Witness](#) Sep 02 2022 Essential information for effectively witnessing to Jehovah's Witnesses. Includes a look at errors in the New World

Translation Bible, false prophecies of the sect's leaders, and their unbiblical views. Great for Bible studies, youth groups.

*Leaving the Witness* May 30 2022 "À la Tara Westover's Educated, Scolah's pensive, ultimately liberating memoir chronicles her formative years as a Jehovah's Witness...and captures the bewilderment of belief and the bliss of self-discovery."--O, The Oprah Magazine, Named one of "The Best Books by Women of Summer 2019" "Scolah's book, the bravery of which cannot be overstated, is an earnest one, fueled by a plucky humor and a can-do spirit that endears. Her tale, though an exploration of extremity, is highly readable and warm."--The New York Times Book Review A riveting memoir of losing faith and finding freedom while a covert missionary in one of the world's most restrictive countries. A third-generation Jehovah's Witness, Amber Scolah had devoted her life to sounding God's warning of impending Armageddon. She volunteered to take the message to China, where the preaching she did was illegal and could result in her expulsion or worse. Here, she had some distance from her community for the first time. Immersion in a foreign language and culture--and a whole new way of thinking--turned her world upside down, and eventually led her to lose all that she had been sure was true. As a proselytizer in Shanghai, using fake names and secret codes to evade the authorities' notice, Scolah discreetly looked for targets in public parks and stores. To support herself, she found work at a Chinese language learning podcast, hiding her real purpose from her coworkers. Now with a creative outlet, getting to know worldly people for the first time, she began to understand that there were other ways of seeing the world and living a fulfilling life. When one of these relationships became an "escape hatch," Scolah's loss of faith culminated in her own personal apocalypse, the only kind of ending possible for a Jehovah's Witness. Shunned by family and friends as an apostate, Scolah was alone in Shanghai and thrown into a world she had only known from the periphery--with no education or support system. A coming of age story of a woman already in her thirties, this unforgettable memoir examines what it's like to start one's life over again with an entirely new identity. It follows Scolah to New York City, where a personal tragedy forces her to look for new ways to find meaning in the absence of religion. With compelling, spare prose, *Leaving the Witness* traces the bittersweet process of starting over, when everything one's life was built around is gone.

**Always Rejoice** Apr 04 2020 2020 Always Rejoice! Regional Convention Notebook We're happy to announce these beautifully illustrated notebook for the 2020 "Always Rejoice"! Regional Convention. This years convention will be a historic one and we're super excited to hear every minute of it. Here's a notebook to help you take good notes of the program. **Approaching Jehovah's Witnesses in Love** Nov 04 2022 Do you feel like hiding when Jehovah's Witnesses ring your doorbell? Have you tried to convey your faith to them...and gotten nowhere? It's proven and practical guide which includes questions, answers, conversation starters and other great witnessing tools that will help you speak to Jehovah's Witnesses.

*Jehovah's Witnesses* Oct 03 2022 This book, first published in 1956, is the first authoritative, comprehensive account of the worldwide activities of Jehovah's Witnesses. It traces their origins and development, and a special section covers the founding, organization and development of the movement in Great Britain.

**Robbers on Rock Road** Aug 28 2019 Twelve-year-old Crista must call on faith, prayer, and guts when she and the young girl she is tutoring run into a gang of housebreaking thieves.

*Jehovah's Witnesses Answered Verse by Verse* Aug 01 2022 No other book answers the Jehovah's Witnesses' misinterpretation of Scripture so immediately and shows how to use the same Scripture in leading Jehovah's Witnesses to Christ.

**Jehovah's Witnesses** Jan 26 2022 What would happen if I accepted an invitation to Bible Study from

Jehovah's Witnesses? What would attending a Kingdom Hall meeting involve? And if I invited door-knocking Witnesses into my home? This book introduces Jehovah's Witnesses without assuming prior knowledge of the Watch Tower organization. After outlining the Society's origins and history, the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with Witnesses, and progresses to take instruction and become a baptized member. The book then explores what is involved in being a Witness – congregational life, lifestyle, rites of passage, their understanding of the Bible and prophetic expectations. It examines the various processes and consequences of leaving the organization, controversies that have arisen in the course of its history, and popular criticisms. Discussion is given to the likelihood of reforms within the organization, such as its stance on blood transfusions, the role of women and new methods of meeting and evangelizing in response to the COVID-19 pandemic.

Jehovah's Witnesses Jun 06 2020 From its origins in nineteenth century Adventism until the present day, the Watch Tower Society has become one of the best known but least understood new religious movements. Resisting the tendency to define the movement in terms of the negative, this volume offers an empathetic account of the Jehovah's Witnesses, without defending or seeking to refute their beliefs. George Chrystides critically examines the historical and theological bases of the organization's teachings and practices, and discusses the changes and continuities which have defined it. The book provides a valuable resource for scholars of new religious movements and contemporary religion.

Jehovah's Witnesses and the Secular World Nov 23 2021 This book examines the historic tensions between Jehovah's Witnesses and government authorities, civic organisations, established churches and the broader public. Witnesses originated in the 1870s as small, loose-knit groups calling themselves Bible Students. Today, there are some eight million Witnesses worldwide, all actively engaged in evangelism under the direction of the Watch Tower Society. The author analyses issues that have brought them global visibility and even notoriety, including political neutrality, public ministry, blood transfusion, and anti-ecumenism. It also explores anti-Witness discourse, from media portrayals of the community as marginal and exotic to the anti-cult movement. Focusing on varied historical, ideological and national contexts, the book argues that Witnesses have had a defining influence on conceptions of religious tolerance in the modern world.

**Exiting the JW Cult** Jan 02 2020 Numerous books have been written by ex-Jehovah's Witnesses, exposing the false claims and practices of the cult or describing their personal challenges while leaving it. But when it comes to providing help to individuals in the process of exiting and recovering from the effects of membership in the cult, few compare with *EXITING the JW CULT: A Healing Handbook*. Author Bonnie Zieman was born and raised as a Jehovah's Witness, leaving after thirty years to gain the higher education that she was denied and build a professional life as a psychotherapist. She knows firsthand what it's like to deal with the inhumane punishments inflicted on anyone who leaves the Watchtower organization-foremost among them, the complete shunning by family and friends. Drawing from both her personal and professional experiences, Zieman provides aid, advice, encouragement, and insight into the many challenges faced by current and former Jehovah's Witnesses who are struggling to extricate their lives from this all-controlling cult. This empowering healing handbook is designed to be used as a reference that individuals can take down off the shelf and use to help themselves during difficult moments along their path to healing emotional wounds and coping in an unfamiliar world.

Jehovah's Witnesses in Europe Feb 01 2020 The religious association of Jehovah's Witnesses has existed for about 150 years in Europe. How Jehovah's Witnesses found their way in these countries has depended upon the way this missionary association was treated by the majority of the non-Witness population, the government and established churches. In this respect, the history of Jehovah's Witnesses in Europe is also a history of the social constitution of these countries and their willingness to accept and

integrate religious minorities. Jehovah's Witnesses faced suppression and persecution not only in dictatorships, but also in some democratic states. In other countries, however, they developed in relative freedom. How the different situations in the various national societies affected the religious association and what challenges Jehovah's Witnesses had to overcome – and still do in part even until our day – is the theme of this history volume.

Answering Jehovah's Witnesses Aug 21 2021 Surprisingly enough, there has been no Catholic book about dealing with Jehovah's Witnesses at your door...until now. Jason Evert's Answering Jehovah's Witnesses walks you through the doctrines of the JW's, revealing where and why they're wrong--giving special attention to favorite verses and standard topics that a JW will use in rejecting the Catholic faith. The book provides helpful and practical suggestions for sharing your faith with Jehovah's Witnesses and planting seeds of truth. Planting seeds is easier than you might think. While most JW's appear to be well-informed Scripture scholars, they're just reading from a script with canned answers to your objections. For the most part they're surprisingly unfamiliar with the Bible. It doesn't take much to throw a monkey wrench into their belief system. Answering Jehovah's Witnesses will show you how.
