*Poisoned* Dec 19 2021 In this necessary memoir, a Florida attorney recounts nearly dying from a mystery illness borne in a high-rise office building. After years of prosecuting hard-core criminals, rising legal star Alan Bell took a private sector job in South Florida's newest skyscraper. Suddenly, he suffered such bizarre medical symptoms, doctors suspected he'd been poisoned by the Mafia. Bell's rapidly declining health forced him to flee his glamorous Miami life to a sterile "bubble" in the remote Arizona desert. As his career and marriage dissolved, Bell pursued medical treatments in a race against time, hoping to stay alive and raise his young daughter, his one desperate reason to keep going. He eventually discovered he wasn't poisoned by a criminal, but by his office building. His search for a cure led him to discover the horrifying truth: his tragedy was just the tip of the iceberg. Millions of people fall ill and die each year because of toxic chemical exposures—without knowing they're at risk. Stunned by what he discovered, Bell chose to fight back, turning his plight into an opportunity. Despite his precarious health, he began collaborating with scientists dedicated to raising awareness about this issue. Soon, he also found himself drawn back into the legal field, teaming up with top lawyers fighting for those who had already fallen ill. Both

a riveting medical mystery and a cautionary tale, this book puts a human face on the hidden truths behind toxic dangers assaulting us in our everyday environments—and offers practical ways to protect ourselves and our children. "An important cautionary memoir about the dangers of everyday chemicals and environmental toxicity and its lethal consequences." —Kirkus Reviews "Horrorifying and inspirational." —Publishers Weekly "[Bell's] compelling story is a canary-in-the-coal-mine call for more stringent regulation of industrial chemicals." —Booklist "We are under the greatest environmental assault in the history of humanity. The saga of Alan Bell will break your heart but leave you hopeful." —Suzanne Somers, actress and author of TOX-SICK "Bell's amazing story must be told. His inspiring journey is compelling, riveting and a must read for us all. In contrast to saving the whales, birds or trees, Bell's crusade in saving the humans brings the environmental movement to its most basic purpose: how it affects you and me, here and now." —Blair Underwood, actor

**The Containment of Organised Crime and Terrorism** Jul 02 2020 This unique volume collects articles and contributions to edited

books published throughout his distinguished career by Professor Cyrille Fijnaut, one of the world's leading experts in the fields of organised crime, security and criminology. It makes clear what issues the author systematically explored over the years and how he helped to shape the fields in which he has worked, and continues to work. The texts, reflecting the author's profound understanding of these complex fields and wealth of experience on a practical level, are presented systematically. In addition, the volume offers English translations of seminal articles published originally in Dutch, thus making these important texts accessible to international scholars for the first time ever. The volume thus constitutes a unique and indispensable resource for scholars and practitioners, inside and outside the Netherlands.

**Youth and Crime** Dec 27 2019 The Second Edition of this best-selling text provides a fully revised and up-to-date critical analysis of a wide range of issues surrounding young people, disorder and crime. To develop a comprehensive criminology of youth the book deliberately moves beyond traditional criminological concerns and draws insights from other academic disciplines such as cultural studies, gender studies, media studies, social policy, social work, political science and

human geography. Now thoroughly updated, this second edition has been rewritten to include new material on anti-social behaviour, street crime, youth gangs, victimisation, social exclusion, drugs, surveillance, crime prevention, policing and restoration as well as a sustained critical analysis of New Labour's youth, social and criminal justice reforms as they have emerged over the past five years. To make sense of these developments theories of risk management, governance, globalisation and cultural criminology are introduced and assessed. Building on the strengths of the first edition, this highly influential work remains the most integrated and comprehensive analysis of theory, research, policy and politics in this area. It is an essential text for students of criminology, criminal justice, sociology, youth studies, social policy and social work.

**The City Line Bus Stop** Dec 07 2020 In *The City Line Bus Stop: Bringing the City Together*, Victoria Vasalle, known as Mother Ve-Ve, a transit operator and a bold person, understands the criminal street culture around her. She had lost two of her sons to the dangerous lifestyle of crime. After the loss of her second son, Mother Ve-Ve becomes known as representative of peace. Her two brothers serving in public service, one a police officer and the other a bus operator, encourage her to keep strong and not turn to bitterness. Travel with Mother Ve-Ve as she deals with borderline

personalities and disorderly passengers while navigating an ambiguous path of peace. Believing that one person can spread the influence of peace to others, Mother Ve-Ve slowly helps bring the people of the city together through her dedication to living her life peacefully in the midst of violence and crime.

*America's Longest War* Nov 18 2021 America's war on drugs. It makes headlines, tops political agendas and provokes powerful emotions. But is it really worth it? That's the question posed by Steven Duke and Albert Gross in this groundbreaking book. They argue that America's biggest victories in the war on drugs are the erosion of our constitutional rights, the waste of billions of dollars and an overwhelmed court system. After careful research and thought, they make a strong case for the legalization of drugs. It's a radical idea, but has its time come?

*Shotgun Justice* Aug 27 2022 When Crandal Mackey was elected commonwealth's attorney in 1903, he set his sights on the illegal bars, bordellos and casinos of Alexandria County. The Virginia county--now Arlington County and parts of Alexandria--was plagued by crime in the streets and corruption at City Hall. Armed with a shotgun and accompanied by an axe-wielding posse, Mackey embarked on a crusade, busting up saloons and conducting raids throughout the county. When the dust settled, Mackey had shut down an infamous racetrack in Del Ray and politicians on the take in Alexandria County's political machine. Yet, in 1915 he mysteriously withdrew his bid

for another term. Author Michael Lee Pope uncovers the little-known story of one man's battle to rid Alexandria and Arlington of sinister vice and violent crime.

**Crusade Against Drink in Victorian England** Mar 10 2021 Drink, 'the curse of Britain', was sweeping the

land, or so it seemed to many Englishmen in the early decades of the nineteenth century. They held it responsible for crime, poverty and many other ills of the rapidly industrializing towns. A 'moderation' temperance reform organized in 1829 largely under middle class auspices soon gave way to a radical commitment to total abstinence in a great variety of worker self-help groups. When these too failed to change the drinking habits of most Englishmen the temperance movement sought new alliances. In the 1870s and 1880s Gospel Temperance married temperance to revivalist religion. It received the support of both established and non-conformist churches, and millions 'took the pledge'. But many did not; and as religious enthusiasm faded the anti-drink forces shifted their attention to the political arena. After successfully pressuring the Liberal Party to adopt limited prohibition, they mounted a great but unsuccessful campaign in the 1895 election. With this defeat

the anti-drink crusade disintegrated, leaving the dedicated teetotallers socially isolated in the safe haven of their drink-free subculture.

### **The Crusade of Darkness**

Mar 30 2020 For fans of Dan Brown's *Inferno*, a sensational Italian thriller starring Dante Alighieri as lead detective. A troubled quest, an ambitious politician, a brutal killer. Italy, October 1301. Dante Alighieri, Prior to the city of Florence, is sent to Rome to meet with the Pope. Sinister omens greet his arrival; the river Tiber is threatening to burst its banks and the corpses of several young women have been found eviscerated and ritually murdered. Dante has no power to order an investigation but when the authorities show little interest in the deaths he promises the mother of one victim that he will bring the murderer to justice. But when Dante visits the Vatican, and makes the acquaintance of an ambitious senator named Spada, he discovers that the city hides yet more dark secrets...
