Final Cut Pro HD For Dummies Jan 15 2011 "Save it in the edit" is a common saying among film professionals. Editing makes the difference between boring vacation movies and exciting travelogues...between the whole dull news conference and the highlights on the evening news. Whether you're a budding Spielberg, a proud parent who wants two-year-old Junior's every feat documented for posterity, or a band that wants your music video to rock, Final Cut Pro HD For Dummies tells you what you need to know to edit regular digital or high definition video like a pro. It covers the basics of capturing, importing, and editing digital videos, with detailed how-to for: Organizing your media Navigating the audio and video Timeline tracks and selecting clips and frames on the Timelines Getting fancier with split, roll, ripple, slip, and slide edits Working with audio, including mixing, editing out scratches and pops, and using filters to create effects Using Soundtrack to compose a musical score, even if you don't know the difference between horns and strings Apply transitions such as 3D simulation, dissolve, iris, stretch and squeeze, and more Adding text for captions, opening titles, and closing credits Color-correcting video Compositing, rendering, and outputting your final product to tape, CD, DVD, or the Web Three bonus chapters online go into more depth about rendering, customizing the interface, and managing media so you can refine your skills even further. Final Cut Pro HD For Dummies was written by Helmut Kobler, a Los Angeles-based filmmaker, owner of K2 Films, and frequent contributor to Mac addict Magazine. Having this book next to your editing equipment is the next best thing to having him sit next to you and guide you through the editing process.

Blues Harmonica For Dummies Mar 17 2011 Breathe the blues into your harmonica! Blues harmonica is the most popular and influential style of harmonica playing, and it forms the basis for playing harmonica in other styles such as rock and country. Blues Harmonica for Dummies gives you a wealth of content devoted to the blues approach—specific techniques and applications, including bending and making your notes sound richer and fuller with tongue-blocked enhancements; use of amplification to develop a blues sound; blues licks and riffs; constructing a blues harmonica solo; accompanying singers; historical development of blues styles; and important blues players and recordings. The accompanying website features all the musical examples from the book, plus play-along exercises and songs that let you hear the sound you're striving for. In-depth coverage of major blues harmonica techniques Blues song forms, improvisation, and accompanying singers Information on blues history and personalities If you're intrigued by the idea of understanding and mastering the compelling (yet mysterious) art of playing blues on the harmonica, Blues Harmonica For Dummies has you covered. P.S. If you think this book seems familiar, you're probably right. The Dummies team updated the cover and design to give the book a fresh feel, but the content is the same as the previous release of Blues Harmonica For Dummies (9781118252697). The book you see here shouldn't be considered a new or updated product. But if you're in the mood to learn something new, check out some of our other books. We're always writing about new topics!

Filmmaking For Dummies Jun 19 2011 Now updated--the step-by-step secrets to capturing great moments on film With all the recent advancements in filmmaking technology, more people than ever are trying their hand at filmmaking. Keeping up with the newest information in this booming field, this updated edition of Filmmaking For Dummies features up-to-the-minute coverage of the latest and greatest hardware, software, accessories, and trends--including high-definition technology and new outlets for films such as YouTube and MySpace. It demystifies the nuts-and-bolts of filmmaking, from developing a project and securing financing to hiring a cast and crew, editing, and getting distribution. This new edition also provides new movie examples and updated contacts and resources. Whether people want to become professional filmmakers or simply shoot quality home movies, this practical guide has all the advice and tips needed to succeed.
