**Bible History-Old Testament** Nov 06 2022 In this book Alfred Edersheim looks at a large array of different aspects of Old Testament history. He states that "In writing [this book] I have primarily had in view those who teach and those who learn, whether in the school or in the family. But my scope has also been wider. I have wished to furnish, what may be useful for reading in the family,--what indeed may, in some measure, serve the place of a popular exposition of the sacred history. More than this, I hope it may likewise prove a book to put in the hands of students, to show them what the Bible really teaches."

Holy God in the Womb of Sin Dec 03 2019 Based on Scripture: SIN is twofold: - The state of genetic SIN in Humankind which eternally separates them from Creator God. - Willful human acts of transgression against Creator God's orders and standards. The WOMB of SIN: Lucifer's (Satan) invention. Why did God enter the Womb of SIN? - SIN emerged through God's highest, FREE WILL archangel, Lucifer. - God determined to anatomize SIN and provide SIN's antidote. When did God enter the womb of SIN? - God sent His Word-Seed to Earth as His Holy Son to be SIN's antidote. - At CALVARY, Sacrificial Redeemer, the Lord Jesus Christ, entered the Womb of SIN at immeasurable cost, to execute His Father's Redemption Plan for Humankind. Two thousand+ years later, inherent SIN prevails in multitudes: - Satan's weblike, subtle groundwork of hatred and rejection of Creator and Redeemer Jesus is gaining momentum. Through 'unrighteous deception' he will empower Antichrist, global dictator soon to appear, to perform deceptive 'signs and lying wonders' to hoodwink the world. Acceptance of Antichrist's mark 666 equals eternal separation from God. A loving, concerned God calls: - Humankind, take a final look at your REDEEMER and REDEMPTION PLAN. Redeemer Jesus is your only escape from Antichrist's rule. M. Irwena Belgrave is a Canadian senior citizen in Toronto, retired from a vocation of office administration. She has been a disciple of the Lord Jesus Christ since her early teens. She aspires toward the ever-increasing knowledge of Triune God's unique nature by communing with Him through His word and prayer. Irwena deems it the highest honor to be called and used of God and is grateful to be included in His end-time program through this scriptural presentation. All praise to our Supreme, Sovereign Creator God!

*Romance of the Hebrew Calendar* Oct 01 2019 In the introduction to 'Romance of the Hebrew Calendar,' author Raphael Ben Levi writes, "This book is about relationships, I make no apologies for it. When everything has been said and done, what are we left with that endures? Relationships, borne out of agape love. This is what the deepest and most authentic relationships are composed of from beginning to end." This absorbing and ground breaking book will inspire readers to develop a deeper relationship with God, and bring restoration to those who are spiritually broken. According to the author, there is a special heartbeat that pulsates through the veins of the biblical year which has helped shape the identity of the Jewish people. Written from a Jewish messianic perspective, 'Romance of the Hebrew Calendar' contains inspirational and fresh insights that are highly engaging and provocative. The main theme is complemented by a rich compendium of poignant stories and devotions drawn from Jewish tradition, historical archives and firsthand accounts. The Jewish festivals are lovingly presented to demonstrate a unified message of redemption. The months of the Hebrew calendar are accompanied by individual sections relating to the constellation connected to each tribe as represented by their banner or flag. The Hebrew word 'mazel,' from the plural word 'mazzaroth' is associated with the patterns of stars in the sky, and we find various biblical references to it such as in the Book of Job. In addition, 'Romance of the Hebrew Calendar,' contains individual sections for each chapter relating to the jewels of the high priest's ephod, their colours and their inherent connection with the twelve tribes of Israel. The combined messages contained within the biblical feasts, the mazzaroth and the jewels of the high priest's ephod, converge to form a unified declaration of God's love, revealed in Yeshua Ha Meshiach that will capture your imagination and attention. This book is beautifully written, easy to read and contains many insights and revelations that are interwoven and presented to make it a treasure to adorn every bookshelf.
