Heidelberg Jan 30 2022 Heidelberg' is an absorbing historical fiction set in 17th-century Germany. It covers the period Frederick V was the Elector Palatine of the Rhine in the Holy Roman Empire from 1610 to 1623 and was reigned as King of Bohemia from 1619 to 1620. It's filled with actual events and personalities, making it historically significant.

**The Importance of Being Earnest** Sep 06 2022 The Importance of Being Earnest is a play by Oscar Wilde. It is a farcical comedy in which the protagonists maintain fictitious personae in order to escape burdensome social obligations. Working within the social conventions of late Victorian London, the play's major themes are the triviality with which it treats institutions as serious as marriage, and the resulting

satire of Victorian ways. Contemporary reviews all praised the play's humor, though some were cautious about its explicit lack of social messages, while others foresaw the modern consensus that it was the culmination of Wilde's artistic career so far. Its high farce and witty dialogue have helped make *The Importance of Being Earnest* Wilde's most enduringly popular play. The successful opening night marked the climax of Wilde's career but also heralded his downfall. The Marquess of Queensberry, whose son Lord Alfred Douglas was Wilde's lover, planned to present the writer with a bouquet of rotten vegetables and disrupt the show. Wilde was tipped off and Queensberry was refused admission. Soon afterwards their feud came to a climax in court, where Wilde's homosexual double life was revealed to the Victorian public and he was eventually sentenced to imprisonment. His notoriety caused the play, despite its early success, to be closed after 86 performances. After his release, he published the play from exile in Paris, but he wrote no further comic or dramatic work.

**Madame Tussaud's Apprentice** May 22 2021 In 1789, with the starving French people on the brink of revolution, orphaned Celie Rosseau, an amazing artist and a very clever thief, runs wild with her protector, Algernon, trying to join the idealistic freedom fighters of

Paris. But when she is caught stealing from none other than the king's brother and the lady from the waxworks, Celie must use her drawing talent to buy her own freedom or die for her crimes. Forced to work for Madame Tussaud inside the opulent walls that surround Louis XVI and Marie Antoinette, Celie is shocked to find that the very people she imagined to be monsters actually treat her with kindness. But the thunder of revolution still rolls outside the gates, and Celie is torn between the cause of the poor and the safety of the rich. When the moment of truth arrives, will she turn on Madame Tussaud or betray the boy she loves? From the hidden garrets of the starving poor to the jeweled halls of Versailles, Madame Tussaud's Apprentice is a sweeping story of danger, intrigue, and young love, set against one of the most dramatic moments in history.

**Extreme** Aug 13 2020 EXTREME Going the Distance II - YOLO A full-length, stand-alone romance. When snowboard queen Kaitlin Bouvier gets a weird text from her friend Tyler—who has been missing for months—she tracks him to Iceland, where a volcano is threatening to blow any second. She's been in love with Tyler since childhood and the two shared a few very steamy nights last summer in Italy, giving Kaitlin hope that there might be a real chance for them. Unfortunately, Tyler is as elusive as the wind. When the volcano does erupt, Kaitlin is trapped in Reykjavik with a group of young travelers who each have their own reasons for being on the road, including the very sexy, very smart grad student Gabe Walsh, who teaches her how hot her blood can boil. She tells herself he's just a diversion—there's no way their crazy lives can work. Check out the first collection of Going the Distance novels!

**Bewilderment: A Novel** Dec 17 2020 AN OPRAH'S BOOK CLUB SELECTION An Instant New York Times Bestseller A New York Times Notable Book of 2021 Shortlisted for the 2021 Booker Prize and Longlisted for the 2021 National Book Award for Fiction A Best Book/Best Novel of 2021 at NPR, Newsweek, The Boston Globe, Audible, Goodreads, Christian Science Monitor, Library Journal, Garden & Gun Magazine, and many more A heartrending new novel from the Pulitzer Prize-winning and #1 New York Times best-selling author of The Overstory. The astrobiologist Theo Byrne searches for life throughout the cosmos while single-handedly raising his unusual nine-year-old, Robin, following the death of his wife. Robin is a warm, kind boy who spends hours painting elaborate pictures of endangered animals. He's also about to be expelled from third grade for smashing his friend in the face. As his son grows more troubled, Theo hopes to keep him off psychoactive drugs. He learns of an experimental neurofeedback treatment to bolster Robin's emotional control, one that involves training the boy on the recorded patterns of his mother's brain... With its soaring descriptions of the natural world, its tantalizing vision of life beyond, and its account of a father and son's ferocious love, Bewilderment marks Richard Powers's most intimate and moving novel. At its heart lies the question: How can we tell our children the truth about this beautiful, imperiled planet?

**Ironie in Oscar Wildes "The Importance of Being Earnest"** Feb 05 2020 Seminar paper from the year 2010 in the subject English - Literature, Works, grade: 2,3, University of Koblenz-Landau (Anglistik), language: English, abstract: It is impossible to imagine living without irony in our everyday life. Irony as a form of "linguistic indirectness" has become a phenomenon in recent years. It is used by, no matter what age or social group in our speaking, writing and literature. The term "irony" derives etymologically from the Greek word "eironeia" and actually means "adjustment", "escape", or especially "lack of seriousness". But another significant element is being added, which is "making fun of someone". So if you call someone a hero, who just ran away from something harmless, you do not mean it literally, you indirectly try to express the opposite. Actually you would have said, that he is a total coward. But exactly that is what makes a definition of the term "irony" so difficult, because it is not always exactly the opposite when you are ironic; sometimes it just means something else. If we now start from this explanation of the term, you could assume that something ironic is almost a lie, as someone who uses irony wants to express something else than he actually says. It is not a lie because when you lie you try your best nobody realizes your being untrue. When someone is ironic, the intention is to let the other person notice this. Thus irony is transparent where a lie is, at least, opaque. The second major difference is the intention to deceive which is constitutive for the lie, but not when you use irony. You also can not compare irony with mockery; mockery always tries to hurt someone directly, irony in contrast always is detached and uses some kind of adjustment. In this work I will try to define irony and try to find and analyze some of the ironic passages from Oscar Wilde's comedy "The Importance of Being Earnest". The eccentric Oscar Wilde, who lived from 1854 until 1900 was one of the leading representatives of the aesthe
