**Chasing the Thrill Dec 25 2019** "A full-throttle, first-person account of the treasure hunt set in motion by Forest Fenn--an eccentric art dealer and, some would say, robber baron--in 2010 that lasted a full decade and became the stuff of contemporary legend. When Forest Fenn was told he was going to die, he hid a chest full of jewels and gold in the wilderness and published a poem that contained a series of clues about the treasure's secret location. But he didn't die, and he wouldn't reveal the location. The wild hunt went on for another ten years. Daniel Barbarisi first learned of Fenn's hunt in 2017 when a friend began decoding the poem and convinced Barbarisi to catalogue his search. What began as a great story documenting the history of Fenn's treasure hunt--the rumors, characters, and pitfalls--quickly turned into a personal quest, as Barbarisi found himself on a sometimes reckless and possibly dead-end path, despite having a family at home. Over the course of the next three years, several searchers would die, endless controversies would erupt, and one anonymous unknown would find the ultimate prize. Rich with mystery, danger, and break-neck action, Barbarisi's account of the imagination and drive of desire, of obsession, and of a particularly unbridled adventure is pure gold on the page"--

The Secret Nov 28 2022 The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of THE SECRET. Are you smart enough? THE SECRET: A TREASURE HUNT was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered.
