Child Custody Evaluation and Mediation Preparation Apr 20 2021 This handbook was designed to prepare you quickly and effectively for Family Court Services (FCS), child custody mediation, and/or child custody evaluations. Approaching these situations with some knowledge of what to expect and what is expected of you is a definite advantage. You will know what to take with you; what is and is not relevant and how to handle "red flag" issues. You can benefit significantly and immediately from the use of a few simple tools such as a basic orientation, an organizer, and a check list. Custody issues involving your child or

children tend to be emotionally charged. This self-help book will help you to focus and be more objective. The children's best interest must always be paramount.

Protecting My Child Jan 18 2021 Protecting My Child tells the story of Miriam, a young woman who falls in love and later discovers that the man she loves is a stranger with a terrible, destructive secret that threatens not only her life, but the life of their son. For years to come, Miriam will experience an abusive relationship, a bitter divorce, and the turmoil of a court system that fails to do what's best for herself or her son. Beaten, desperate, and terrified, Miriam takes drastic action... action so drastic that it

earns her a place on the FBI's Most Wanted List. Through epic battles with a corrupt judiciary and personal strife, Miriam will discover a strength she didn't know she had, and find connection with a God she never before believed in.

Through her remarkable story we see the lengths of a mother's love and the triumph of the human spirit over adversity.

Domestic Abuse, Child Custody, and

Visitation Feb 28 2022 "When domestic abuse and children are involved, divorce and custody can be the epitome of high stakes conflict and frustration. This book helps laypeople, mental health professionals, and attorneys navigate the judicial process so that decisions are truly made in the best interest of children. This book shows the reader how all the puzzle pieces of the judicial process fit together: judges, attorneys, mental health experts, children, and spouses"--

Guide to the Basics of Ontario Family Law, 4th Edition Sep 13 2020 For ten years, and through four editions, people have relied on the best selling *Guide to the Basics of Ontario Family Law* for straightforward advice on important decisions. Whether you are getting married, separating, divorcing, changing a family law agreement or court order, or involved with a children's aid society, knowing how the Ontario Family Law System works and how to avoid some of its dangers really helps. The expanded and updated fourth edition of the *Guide to the Basics of Ontario Family Law*, Certified Specialist in Family Law, John Schuman, provides clear explanations about the important family law issues that people face every day. A reference for anyone who needs to understand Ontario family law, the *Guide to the Basics of Ontario Family Law* helps answer questions, clarify the issues, and lessen the stress that is often associated with family law matters. Almost 600 citations show the laws and court decisions that judges, and lawyers used everyday in Family Law. John Schuman presents the basics of Ontario family law from start to finish. He reviews marriage contracts and cohabitation agreements: what they are, why you need one, and how to do them properly. He also explains what happens when couples separate, including information on getting divorced, custody, access, parenting concerns, child and spousal support and division of assets and debts. John Schuman

explains all options - from negotiation to mediation to collaborative practice, to the government child support calculation service to going to court - and what to expect with each one. He even explains what to do when a Children's Aid Society calls and what to do at each step in to court.

A Promise to Ourselves May 22 2021 "I have been through some of the worst of contentious divorce litigation," Alec Baldwin declares in *A Promise to Ourselves*. Using a very personal approach, he offers practical guidance to help others avoid the anguish he has endured. An Academy and Tony Award nominee and a 2007 recipient of Golden Globe, SAG, and Television Critics Association Awards for best actor in a comedy, Alec Baldwin is one of the best-known, most successful actors in the world. His relationship with Kim Basinger, the Academy Award-winning actress, lasted nearly a decade. They have a daughter named Ireland, and for a time, theirs seemed to be the model of a successful Hollywood marriage. But in 2000 they separated and in 2002 divorced. Their split---specifically the custody battle surrounding Ireland---would be the subject of media attention for years to come. In his own life and others', Baldwin has seen the heavy toll that divorce can take---psychologically, emotionally, and financially. He has been extensively involved in divorce litigation, and he has witnessed the way that noncustodial parents, especially fathers, are often forced to abandon hopes of equitable rights when it comes to their children. He makes a powerful case for reexamining and changing the way divorce and child custody is decided in this country and levels a scathing attack at what he calls the "family law industry." When it comes to his experiences with judges, court-appointed therapists, and lawyers, Baldwin pulls no punches. He casts a light on his own divorce and the way the current family law system affected him, his ex-wife, and his daughter, as well as many other families. This is an important, informative, and deeply felt book on a contentious subject that offers hope of finding a better way.

Nolo's Essential Guide to Child Custody and Support Nov 27 2021 *Custody and Support: Get the Answers You Need When you're getting divorced*, you can make a tough time easier for

yourself and your children if you work with the other parent to agree on a custody plan and child support. If you can't resolve these issues, you'll have to head to court and ask a judge to decide for you. Either way, Nolo's Essential Guide to Child Custody & Support can help. You'll learn: how negotiation and mediation can keep costs down and improve future dealings with your ex where to find your state's child support guidelines how judges make custody decisions how to enforce and change custody and support orders how court trials work how Covid-19 is affecting custody arrangements and family court hearings, and when you need a lawyer and how to work with one. You'll also find specifics about each state's laws, including what factors courts consider when they rule on custody arrangements and what happens when one parent wants to move away with the children.

The Women's Custody Survival Guide Feb 05 2020

The Father's Emergency Guide to Divorce-Custody Battle Sep 25 2021

Divorce Poison Sep 01 2019 Your ex-spouse is bad-mouthing you to your children, perhaps even trying to turn them against you. If you handle the situation ineffectively, you could lose your children's respect, their affection—even, in extreme cases, contact with them. Backed by twenty-five years of experience in helping families, Dr. Richard Warshak presents powerful strategies for dealing with everything from tainted parent-child relationships in which children are disrespectful or reluctant to show their affection to disturbances in which children virtually disown an entire side of the family. *Divorce Poison* offers advice on how to: Recognize early warning signs of trouble React if your children refuse to see you Respond to rude and hateful behavior Avoid the seven most common errors made by rejected parents This groundbreaking work gives parents powerful strategies to preserve and rebuild loving relationships with their children and provides legal and mental-health professionals with practical advice to help their clients and ensure the welfare of children.

The High-Conflict Custody Battle Nov 08 2022 A team of legal and psychology experts presents a practical guidebook for parents engaged in a

high-conflict custody battle that will help navigate this difficult process and provide the skills for maintaining a healthy relationship with their children. Original.

Divorced from Justice Jan 30 2022 An expose of the judicial system's abuse of women during divorce proceedings demonstrates how women are defrauded and manipulated by their own attorneys and discriminated against by judges
The Child Custody Book Apr 01 2022 "It is almost always in your children's best interest to settle a case--with or without mediation--rather than to litigate in court," said Judge Stewart. His book fully, clearly, and concisely explains the process of court child custody litigation. It shows how custody decisions are made, what can be expected at each stage of the process, and how parents can insure that their abilities are clearly presented to persons with influence over the custody decision. It is intended to eliminate surprises that could lead to costly mistakes along the way. Parents who settle custody disputes out of court will not only save tens of thousands of dollars, but will have avoided the rancor and hostility of a custody trial that makes future cooperation in raising the children almost impossible. With help from a capable and experienced attorney, this book will allow the reader to present her/his case for custody in its best possible light. A must-read for divorcing parents, custody evaluators, family psychologists, and marriage and family therapists.

Document Everything! The High Conflict Divorced and Single Parent Helper Nov 15 2020 Are you involved in a high conflict parenting situation? Mothers on Trial Aug 05 2022 Updated and revised with seven new chapters, a new introduction, and a new resources section, this landmark book is invaluable for women facing a custody battle. It was the first to break the myth that mothers receive preferential treatment over fathers in custody disputes. Although mothers generally retain custody when fathers choose not to fight for it, fathers who seek custody often win—not because the mother is unfit or the father has been the primary caregiver but because, as Phyllis Chesler argues, women are

held to a much higher standard of parenting. Incorporating findings from years of research, hundreds of interviews, and international surveys about child-custody arrangements, Chesler argues for new guidelines to resolve custody disputes and to prevent the continued oppression of mothers in custody situations. This book provides a philosophical and psychological perspective as well as practical advice from one of the country's leading matrimonial lawyers. Both an indictment of a discriminatory system and a call to action over motherhood under siege, *Mothers on Trial* is essential reading for anyone concerned either personally or professionally with custody rights and the well-being of the children involved.

Evidence Strategies for Child Custody Aug 25 2021 Provides clear and concise guidance on how to properly collect and organize evidence for your child custody case and covers the most common concerns of Family Court Judges. Parents in a custody battle need to know how to gather relevant evidence that will effectively support their case, what evidence could be used against them, and how to properly organize it for their attorney and court proceedings. If you do not know where to start or are simply overwhelmed with juggling parenting duties and the daunting reality of an impending custody battle, this simplified guide book is for you.> High-level guidance for anyone in a child custody dispute> Custody Factors that should be emphasized in your case's strategy> Proven strategies for gathering and organizing evidence> Types of witnesses that can support your case> Types of evidence to collect> How to deflect false allegations during a custody dispute and provide proof that you are a good parent whose rights should be protected> How a Private Investigator can assist your case> Save money on unnecessary legal fees and contentious Child Support> How to communicate and work efficiently with your attorney> How to avoid common custody pitfalls during a child custody dispute> Valuable guidance for both fathers and mothers navigating a child custody dispute, as well as supporting family members of the biological parents in dispute, such as grandparents and step-parents-- EDITORIAL REVIEW --"Evidence is like puzzle pieces and when all the pieces are

in place, it will show a true picture for a judge to evaluate. It is vital to document everything properly and this book is a thorough guide for presenting child custody evidence in a professional way."-Norma Tillman, Tennessee Association of Licensed Professional Investigators

Child Custody A to Z Dec 29 2021 Help! is the first word a parent yells when dealing with a child custody battle. Author Guy White cuts through and captures the essence of how child custody cases are won and lost. *Child Custody A to Z* navigates you through the flawed system of justice. Evidence is the most overlooked aspect of a child custody case. This book explains and addresses: How to choose an attorney How to impeach court experts How to gather evidence How to expose a personality disorder How to investigate your case *Child Custody A to Z* is replete with case studies that tell the real story of the controversial game of child custody. There is no substitute for preparation. White reveals judges, attorneys and court experts for their bias and incompetence. The author takes you through the step-by-step formula for winning with evidence.

Custody for Fathers May 02 2022 This book is your roadmap through the complex maze of family law courts which are mom-biased. Discover over 100 strategies and tactics that have won custody for other fathers. Improve Conduct in Mediation Deal with a Difficult Judge Execute Winning Strategies Use Court Time Wisely Master Skills of Testifying Use Linguistic Techniques Counter Mom's Dirty Tricks Handle Setbacks & Adversity

Fathers' Rights Jul 04 2022 Millions of fathers are currently embroiled in the fight of their lives to win custody of their children. Wounded by the acrimony and greed that often accompany divorce proceedings, many wonder if they will ever again be an important part of their sons' and daughters' lives. With this landmark book, renowned men's rights attorney Jeffery M. Leving offers disenfranchised fathers true hope and meaningful advice certain to save years of anguish and possibly thousands of dollars. Drawing on more than fifteen years of frontline experience, Leving leads fathers through every twist and turn of the legal system and shows them how to protect their rights (and

their children's)—both before and during divorce litigation. This authoritative and accessible book covers every aspect of the custody process, including protecting the parent/child relationship as a breakup occurs; finding a competent and sympathetic lawyer; drafting a "Shared Parenting Agreement"; demonstrating parental competence when falsely accused of abuse; avoiding parental alienation; determining when to settle and when to litigate; techniques for dealing effectively with psychologists, social workers, and other domestic relations experts; and much more. Illustrated with vivid real-life examples, Jeffery Leving and Kenneth Dachman's practical guide is essential reading for the scores of American fathers routinely excluded from their children's lives by a biased legal system in which avarice and recrimination too often overwhelm compassion and justice.

Adult Children of Parental Alienation Syndrome: Breaking the Ties That Bind Jul 24 2021 An examination of adults who have been manipulated by divorcing parents. Parental Alienation Syndrome (PAS) occurs when divorcing parents use children as pawns, trying to turn the child against the other parent. This book examines the impact of PAS on adults and offers strategies and hope for dealing with the long-term effects.

Tug of War Sep 06 2022 Explaining complex family law concepts and procedures in a jargon-free style, this resource includes detailed information on how family court works, offers easily understandable case examples, and describes alternatives to litigation that are designed to help prevent families with children from entering the legal system to resolve disputes. Exploring subjects that apply to all parties involved in resolving separation, divorce, and custody conflicts—judges, lawyers, mediators, parenting coaches, psychologists, family counselors, and social workers—this reference demystifies the role of lawyers and judges, debunks the myth that parents can represent themselves in court, and examines each parent's responsibility to ensure that post-separation conflicts are resolved with minimal emotional stress to children.

Child Custody Journal Oct 27 2021 Keeping a journal for Child Custody. Getting a divorce is often a complicated process, which becomes

even more complicated when there are children involved. By keeping a journal for child custody, you will smoothen the entire process, and reduce the stress involved on you and your child. The journal will also be extremely useful to your attorney, and will often be used by the court to help with the process. Documenting the process should become a habit; and this journal is the ultimate tool to developing this habit.

EVERYTHING that happens to your child, whether good, bad, or neutral should be recorded and dated. One's memory will often fail to hold up in court when in court or mediation in regards to child custody. What this journal contains: Visitation planner: The visitation planner at the beginning of the diary contains space for you to quickly plan your visitations. This information is crucial for keeping to agreed upon times and dates and should be recorded as soon as each agreement is made, to avoid any later disputes. Input sections for: Date Pick up and drop off time Pick up and drop off location Communication Log: A communication log is one of the most important aspects of keeping a journal for child custody. It ensures that you are protected and prepared for all agreements and conversations that will happen between the other parent, lawyer etc. Inputs include: Time, date, start time and length of conversation Nature of the conversation, who initiated it, what was covered Main points raised Additional information Visitation log: Visitation is often one of the trickiest parts of managing child custody. The visitation log in this journal is designed to ensure both parties uphold their agreements that were made in regards to visitation, and that the child's best interests are kept at the forefront of the agreements. Other notes: A section for any other notes related to child custody. Remember: everything related to this process should be recorded. Any information that may not fit into the other sections should be written here. It may include things such as your child's mood after a visit, something your child says about their other parent etc. This section will be used almost every day used correctly, with each note dated as instructed. If any other sections should run out, continue to use this section. Tips for keeping this journal: As well as the information included above, the journal contains tips about how best to keep this journal.

Book Features: 8.5 x 11 inch in size 120 total pages - Multiple 'sections' per page (Should last around 1 year) Perfect bound with a beautiful soft matte cover Printed on white bleedproof paper Durable Tips for keeping a child custody journal Remain Balanced - stay objective: While you want to do everything you can to get custody of your children, make sure you also write down the good things the other parent does.

Remember, this is about what is best for your children, not what is best for you or for the other parent. NEVER LIE OR FALSIFY INFORMATION or you will ultimately lose the battle in court. Include Smaller Details Don't forget to include the smaller, everyday details with your custody journal. Specifically, you'll want to take note of: Comments your child makes about the other parent (Positive and negative)

UNDERSTANDING PARENTAL ALIENATION

Feb 16 2021 Understanding Parental Alienation is intended for parents who are living through a nightmare—the loss of their relationship with a child—which seems impossible to understand and extremely frustrating to turn around. This book, written by two leading experts in the field, provides a balance of theoretical background and practical hands-on information to guide both parents and practitioners through this devastating phenomenon. The authors' many years of experience have shaped their understanding of the causes of parental alienation, the manifestations of this serious mental health condition, and interventions that are likely to be helpful in the short-term and the long-term. The book is written in a readable, engaging manner interspersed with interesting case vignettes. As well as introducing some new theoretical concepts, such as the transition bridge, and helping the reader to understand the unique dynamics of the child's rejection, perhaps the most original parts of the book focus on taking action to deal with the problem and strategies for healing. The authors provide practical advice on preparing for court including how to develop a chronology of events and how to prepare a written submission, even down to choosing a writing style that is most likely to be read by the judge. Specific guidance is also provided on how to help alienated children heal through reunification. Understanding Parental Alienation is a highly valuable resource for

parents and a must-read book for every mental health professional, social worker or legal professional working with families in divorce. *One of the Boys* Nov 03 2019 "A ... debut about two young brothers and their physically and psychologically abusive father"--

[Teen Mental Health: An Encyclopedia of Issues and Solutions](#) Dec 17 2020 This encyclopedia provides a concise introduction to the mental health topics of greatest concern to adolescents. It offers young readers the information they need to better understand mental disorders and the importance of psychological well-being.

Field Hearing on Child Abuse Aug 01 2019 [What Every Woman Should Know About Divorce and Custody \(Rev\)](#) Jun 03 2022 Women are still discovering-the hard way-just how difficult and unpredictable child custody cases can be. The first and most comprehensive book of its kind, this is a complete insider's guide filled with crucial advice from judges, lawyers, therapists, and mothers who have experienced this challenging legal process. It is designed for women at every stage of divorce and covers a wide range of legal strategies, as well as financial and psychological issues. This updated edition describes how to use technology advantageously and pitfalls to avoid, as well as changes in interstate custody laws and essential topics such as: - Choosing a lawyer - What to expect before and in court - Blended families - Domestic violence risk factors for women - What makes a custody agreement good or bad - Dealing with your emotions - Parental kidnapping cases - An appendix of recommended reading

[The Hostage Child](#) Oct 03 2019 "This cogently-argued book is a timely contribution to the general literature on child sexual abuse." -- British Journal of Social Work "[The authors] have gathered information on 206 cases and focus on five representative examples that illustrate what they see as an increasing anti-mother bias in the courts. These five cases of the failure to safeguard children are... effective... Whatever may have happened in the past, the authors make a well-researched, convincing... case that the pendulum has now swung the other way. Now many lawyers, child advocates, psychologists and judges accept a 'crazy mother' or 'vindictive ex-' syndrome, thus allowing real

perpetrators to continue abuse with no supervision.... In these cases, judges acquiesce to a paternalistic myth of the American family and in so doing, ignore the reality of American children." -- Publishers Weekly (starred review) "A needed assessment of a terrible problem." -- Booklist "... provocative..." -- Library Journal "Recommended." -- Choice "Without anger, or hysteria, Rosen and Etlin document the interlocking, complex ways in which our antiquated system fails incested children and those who struggle to protect them. Just as important, they propose an innovative solution. This is 'must' reading for anyone interested in the problem of child sexual abuse." -- Elizabeth Morgan, M.D., Ph.D. It is comfortable to believe that incest and child sexual abuse need not concern us because we have institutions set up to deal with these problems. This book disallows that comfort and shows that the system has failed, and worse -- that it has generated a dangerous atmosphere of denial and cover-up. While Rosen and Etlin expose a system whose breakdown is shocking and fundamental, at the same time they present a proposal for relief for the children who are now trapped -- like hostages -- in this social war.

A Kidnapped Mind Jun 30 2019 How do we begin to describe our love for our children? Pamela Richardson shows us with her passionate memoir of life with and without her estranged son, Dash. From age five Dash suffered Parental Alienation Syndrome at the hands of his father. Indoctrinated to believe his mother had abandoned him, after years of monitored phone calls and impeded access eight-year-old Dash decided he didn't want to be "forced" to visit her at all; later he told her he would never see her again if she took the case to court. But he didn't count on his indefatigable mother's fierce love. For eight more years Pamela battled Dash's father, the legal system, their psychologist, the school system, and Dash himself to try and protect her son - first from his father, then from himself. *A Kidnapped Mind* is a heartrending and mesmerizing story of a Canadian mother's exile from and reunion with her child, through grief and beyond, to peace.

Outsmarting the Sociopath Next Door Jul 12 2020 From Dr. Martha Stout's influential work *The Sociopath Next Door*, we learned how to

identify a sociopath. Now she tells us what to actually do about it. While the best way to deal with a sociopath is to avoid them entirely, sometimes circumstance doesn't allow for that. What happens when the time comes to defend yourself against your own child, a boss, or ruthless ex-spouse? Inspired by the many chilling and often heartbreaking emails and letters she has received over the years, from her work with the victims of sociopathy, Dr. Martha Stout uncovers the psychology behind the sociopath's methods and provides concrete guidelines to help navigate these dangerous interactions. Organized around categories such as destructive narcissism, violent sociopaths, sociopathic coworkers, and the sociopath in your family, *Outsmarting the Sociopath Next Door* contains detailed explanation and commentary on how best to react in these situations to keep the sociopath at bay. Uniting these categories is a discussion of changing psychological theories of personality and sociopathy and the enduring triumph of conscience over those who operate without empathy or concern for others. By understanding the person you're dealing with and changing the rules of the game, you'll be able to gain the upper hand and escape the sociopath's influence. Whether you're fighting a custody battle against a sociopathic ex or being gaslighted by a boss or coworker, you'll find hope and help within these pages. With this guide to disarming the conscienceless, Dr. Stout aims to give readers the tools to protect themselves while conducting a broader examination of human behavior and conceptions of normality.

High-Conflict Divorce for Women Aug 13 2020 Empowering strategies for women negotiating a difficult divorce The only way to get over it is to get through it. Help is here. Co-parenting with a Toxic Ex Jun 22 2021 Protect your child from alienation and loyalty conflicts. During and after a difficult divorce, it's easy for your relationship with your kids to become strained—especially if you are dealing with a toxic ex who bad-mouths you in front of your children, accuses you of being a bad parent, and even attempts to “replace” you with a new partner in your children’s lives. Your children may become confused, conflicted, angry, anxious, or depressed—and you may feel powerless. But there is help. In this guide, you'll discover a positive parenting approach to dealing with a hostile ex-spouse. You'll learn the best ways to protect your children from painful loyalty conflicts, how to avoid parental alienation syndrome, and techniques for talking to your children in a way that fosters honesty and trust. Co-parenting with a toxic ex can be challenging, but with the right tools you can protect your kids and make your relationship with them stronger than ever.

Protection of Sexual Minorities since Stonewall Jan 06 2020 The Stonewall Riot in New York in 1969 marked the birth of the sexual minority rights movement worldwide. In the subsequent four decades, equality and related rights on grounds of sexual orientation and gender identity have been enshrined in many African, Asian, Australasian, European and North American countries, thanks to better informed discourses of the natures of sexual orientation, gender identity, equality and rights that systematic scientific and socio-legal research has generated. Discrimination, harassment and persecution on grounds of a

person's sexual orientation or gender identity, however, continue to pervade the laws and social norms in all developed and developing countries. In tribute to the courage of those who participated in the Stonewall Riot, this book examines the progress and stalemate in various countries on five continents, as well as in the development of international law, concerning the rights of persons belonging to sexual minorities. This book covers issues including homophobic bullying and gay-straight alliances in schools; the merits and problems that legislation prohibiting hate speech on grounds of sexual orientation presents; criminal justice systems in relation to male rape victims and to criminalisation of HIV exposure and transmission; the development of sexual minority rights, from historical and socio-legal perspectives, in Hong Kong, Japan, Singapore, and Zimbabwe; the lives of transgender persons in Asian countries; the evolution, operation and impact of international and domestic refugee laws on sexual orientation and gender identity as grounds for refugee status and asylum; and the conflicts between law, religion and sexual minority equality rights that inhere in the same-sex marriage debate in Ireland. This book was previously published as a special double issue of *The International Journal of Human Rights*.

The Good Karma Divorce May 10 2020

[Michele Lowrance's] advice is healing and revolutionary. She is clear-headed and open-hearted." —Julia Cameron, bestselling author of *The Artist's Way* *The Good Karma Divorce* is that rare guidebook that offers a concrete path to transforming painful experience into positive action. Family Judge Michele Lowrance, who experienced her parents' divorce and two of her own, has developed what Karen Mathis, past president of the American Bar Association, describes as an "inspired and uplifting alternative to the agonizing divorce process." Over the past four years, Judge Lowrance has seen literally one hundred percent of divorcing couples who applied the practices described in *The Good Karma Divorce* avoid trial. Firmly entrenched in real-world applicability, *The Good Karma Divorce* is a must-read not only for people in any phase of a divorce, but for psychologists, psychiatrists, attorneys, judges, and social workers, as well.

Rules of Estrangement Mar 08 2020 A guide for parents whose adult children have cut off contact that reveals the hidden logic of estrangement, explores its cultural causes, and offers practical advice for parents trying to reestablish contact with their adult children. "Finally, here's a hopeful, comprehensive, and compassionate guide to navigating one of the most painful experiences for parents and their adult children alike."—Lori Gottlieb, psychotherapist and New York Times bestselling author of *Maybe You Should Talk to Someone* Labeled a silent epidemic by a growing number of therapists and researchers, estrangement is one of the most disorienting and painful experiences of a parent's life. Popular opinion typically tells a one-sided story of parents who got what they deserved or overly entitled adult children who wrongly blame their parents. However, the reasons for estrangement are far more complex and varied. As a result of rising rates of individualism, an increasing cultural emphasis on happiness, growing economic insecurity, and a historically recent perception that parents are obstacles to personal growth, many parents find themselves forever shut out of the lives of their adult children and grandchildren. As a trusted psychologist whose own daughter cut off contact for several years and eventually reconciled, Dr. Joshua Coleman is uniquely qualified to guide parents in navigating these fraught interactions. He helps to alleviate the ongoing feelings of shame, hurt, guilt, and sorrow that commonly attend these dynamics. By placing estrangement into a cultural context, Dr. Coleman helps parents better understand the mindset of their adult children and teaches them how to implement the strategies for reconciliation and healing that he has seen work in his forty years of practice. *Rules of Estrangement* gives parents the language and the emotional tools to engage in meaningful conversation with their child, the framework to cultivate a healthy relationship moving forward, and the ability to move on if reconciliation is no longer possible. While estrangement is a complex and tender topic, Dr. Coleman's insightful approach is based on empathy and understanding for both the parent and the adult child.

Institutional Harassment Jun 10 2020 This book

offers a psychological approach to several forms of harassment often experienced in divorce cases in the justice system, including intimate partner aggression, sexual abuse of children, the unscientific parental alienation syndrome, and the weaponization of the legal system from aggressors seeking revenge.

Clinician's Guide to Child Custody

Evaluations Dec 05 2019 Comprehensive coverage of every phase of the child custody evaluation process Does a clinician hired by a parent's attorney bear the same responsibilities as a court-appointed psychologist? What are the most effective techniques for determining whether an alleged abuse has actually occurred? Which factors should be considered when determining whether a parent should be granted custody? Clinician's Guide to Child Custody Evaluations, Second Edition answers these questions and hundreds more as it provides step-by-step guidance through every aspect of this sensitive and profoundly important process. Employing riveting case studies drawn from the more than 1,800 custody evaluations he has performed, Dr. Marc Ackerman provides authoritative guidelines for: Conducting interviews, observing behavior, and collecting collateral information Psychological testing and administering ASPECT and other custody instruments Evaluating parental behavior Reporting evaluation results Testifying in court This remarkably thorough resource offers completely up-to-date coverage of recent legal decisions affecting child custody, new surveys on what judges and attorneys want from evaluations, and new chapters on placement schedules and second-opinion evaluations. Clinician's Guide to Child Custody Evaluations, Second Edition is must reading for every mental health professional who is-or would like to be-involved in child custody evaluations.

The High-Conflict Custody Battle Oct 07 2022 Is your ex-spouse trying to gain custody of your kids? Has he or she launched a campaign to make you look like a bad parent, both in the eyes of your children and the law? You aren't alone. Unfortunately, high-conflict custody battles are all-too-common in today's world. So how can you arm yourself with the mental and legal resources needed to survive this difficult time and keep your kids safe? In The High-Conflict Custody

Battle, a team of legal and psychology experts present a practical guidebook for people like you who are engaged in a high-conflict custody battle. If you are dealing with an overtly hostile, inflammatory, deceitful, or manipulative ex-spouse, you will learn how to find and work with an attorney and prepare for a custody evaluation. The book also provides helpful tips you can use to defend yourself against false accusations, and gives a realistic portrayal of what to expect during a legal fight. Going through a divorce is hard, but going through a custody battle can feel like war. Don't go in unprepared. With this book as your guide, you will be able to navigate this difficult process and learn powerful skills that will help you maintain a healthy relationship with your kids, fight unfair accusations, and uphold your rights as a parent.

How To Annihilate A Narcissist Mar 20 2021 Are you considering raising, or defending yourself against, legal action in the family court with a narcissistic opponent? Is your opponent controlling, abusive, unreasonable, manipulative, vindictive and obstructive? Can they convincingly hide these behavioural traits from the judge and other professionals involved? Does the narcissist project this behaviour onto you, and make shocking, false allegations? Do they attempt to embarrass you and defame your character? How To Annihilate A Narcissist In The Family Court will give you the knowledge required, to set you on the path for a successful outcome. It will prepare you to enter the court proceedings with your armour fully intact and with the full arsenal of ammunition required to reveal the narcissist's true character to the judge. A narcissist is an extremely powerful opponent, and the lengths they will go to 'win' will shock you to the core. With the insight in this book, you will outsmart them. You will remain one step ahead. You will be in control. Knowledge is power!

The Battle and Backlash Rage On Apr 08 2020 In The Battle and Backlash Rage On: Why feminism cannot be obsolete edited by Stacey Elin Rossi, hot topics include: misogyny, antifeminism and/or bigotry in "men's rights" groups and "feminist" groups (such as ifeminists); critiques of the mainstream view that feminism is an outdated idea and no longer needed; contemporary obstacles to overcoming

backlash, such as corrupt manipulation of data in antifeminist rhetoric; and the like. Issues covered include: Rhetorical denial that men hold the responsibility to end rape Me-too-ism by some men in regard to women's only programs, such as healthcare Distortion of the image of the father by mens rights groups Implicit and explicit misogyny and antifeminism among ifeminists and mens rightists Sexism and the patriarchal birthright in divorce and its harm to children manifest in the custodial decisions taking away children from their mothers and leaving them in the hands of the abuser Prevalence of domestic violence and its impact on the nations children Backlash against an ill-informed view of affirmative action and political correctness that allegedly gives privilege, particularly to women The compendium presents a combination of scholarly and nonscholarly works, a blend that appeals to both academics and nonacademics alike. Its ultimate purpose is to demonstrate that feminism works for the benefit of all humankind and *not*, as claimed, to the detriment of men. These articles and essays will hopefully demystify the issues, give a desperately needed more powerful force in favor of feminism, and serve to controvert rampant antifeminism, which can be, in effect, cleverly masqueraded misogyny. This material is all rather cutting-edge. No volume to date has encompassed these very current developments in the sexual political landscape. All over the westernized world, the cultural melee surrounding the issue of sex/gender sounds like a cacophony of agitated voices screaming in rage. From angryharry blaming global warming on feminists, as well as rape on women, the very victims themselves,1 to MS Magazine bulletin board participants claiming that men hate women2, the ideological battle seems to be at a greater intensity than ever before. However, this battle remains relatively confined to the fringes of society and to academe; feminism per se is no longer part of our cultural mainstream. While women all over the world, particularly in developing countries, are increasingly associating themselves with the label feminist, women in the United States seem to be abandoning the term in droves. From boardrooms to bedrooms, not the four letter version but the eight letter F-word appears

verboden. As criticized by some European feminists, American women, particularly those otherwise-would-be feminists, dont like to offend their men. Standing by their men, they have begun to increasingly eschew feminism and even have begun to join the ranks of the enemy the mens rightists. A search on the internet for articles and essays may produce thousands of hits on the obsolescence of feminism; however, polls and general trends indicate that the vast majority of women, as well as men, believe in gender equity. One might hear a young woman say, contradictorily, Sure, I believe women should be equal to men, but Im not a feminist. According to Geni Hawkins, Somehow, the term nazi has gotten tacked onto the end of the word [feminist], and the prevailing opinion seems to have become that the word connotes a shrill, man-hating, bra-burning (I'm surprised they're not still going off about us bobbing our hair), unfulfilled female.3 One major unresolved and possibly unresolvable problem is, unsurprisingly, just how to proceed in such a splintered and alienating movement, and one that has been given such a bad reputation. Like so many other cultural stereotypes, such as the shad

A Father's Playbook Oct 15 2020 As a single father, I found myself in a position where it was in the best interest of my child that I fight for custody. Many people told me how hard it was for a dad to get custody; and they were right. Father's have to operate under a different set of rules and expectations in order to have a chance at success. I adapted existing warfare strategies and applied it to the custody battle. Of course, sometimes I just had to learn from my mistakes as well. I wrote a Father's Playbook in order to not only tell my story, but also to help other dads who may be going through the same heart wrenching experience. It is my prayer that other fathers will avoid making the same mistakes as I did. Family Court is like a knife fight - Nobody wins and everyone is going to bleed."He explains the process clearly and provides invaluable tips for fathers who find themselves in the same predicament. No father heading to court for a custody hearing should do so without reading Morefield's excellent book."- James M. Olson, former Chief of CIA Counterintelligence and author of Fair Play: The Moral Dilemmas of Spying"This book could literally be life changing,

as it could be the catalyst to give someone courage and wisdom to pursue full custody, when needed in desperate situations."- Deborah Moncrief, LCSW, LMFT "I felt as if I was having

an out of body experience reading this book; almost as if it was written about my own struggles... It definitely got me thinking and it made me want to read it again."- Christopher Peterson, U.S. Army, Retired
