So, when you require the ebook swiftly, you can straight get it. Its consequently certainly easy and so fats, isnt it? You have to favor to in this declare

[Diary of a Pedophile](#) Aug 21 2021 Annotation: Political/Social fiction/satire

[Permitted and Prohibited Desires](#) May 06 2020 This provocative study of gender and sexuality in contemporary Japan investigates elements of Japanese popular culture including erotic comic books, stories of mother-son incest, lunchboxes—or obentos—that mothers ritualistically prepare for schoolchildren, and children's cartoons. Anne Allison brings recent feminist psychoanalytic and Marxist theory to bear on representations of sexuality, motherhood, and gender in these and other aspects of Japanese culture. Based on five years of fieldwork in a middle-class Tokyo neighborhood, this theoretically informed, accessible ethnographic study provides a provocative analysis of how sexuality, dominance, and desire are reproduced and enacted in late-capitalistic Japan.

[The Broken Bridge](#) Apr 16 2021 Absorbing fiction from Outsiders in a land that does not absorb foreigners easily.

[Hairy Pussy Girls 2](#) Oct 03 2022 Text in English, French & German. Ever since photography was invented, there were pictures of hairy women. Unfortunately these images have become rare. Fortunately some resistance still holds. When Walter Bosque takes pictures we can see that the models are proud of their furry, naturally grown pubic hair.

[Why 319?](#) Jul 08 2020 A serial killer is on the loose in metro Detroit. Three female victims have been discovered in motel rooms in different suburban cities surrounding Motown. The only connection is that each body is found in Room 319, and the killer leaves the taunting message “Why 319?” on the

bathroom mirror, written with the victim's lipstick. Detective Jefferson Chene heads up an elite squad of detectives assigned to the case. With no home life, he devotes every waking moment to catching killers. But this one is more elusive than most. With no clues and no apparent link between the victims, Chene is at a dead end. But a startling revelation busts the case wide open. He's closing in on the murderer, but will it be before another young woman loses her life?

Growing Up Aug 01 2022 'An excellent book' David Aaronovitch, The Times Was the 1960s really that great time of liberation, joyful experimentation and celebration of youth? *Growing Up* takes an unflinching look at the dark underbelly of the sexual revolution. No era in recent history has been both more celebrated and vilified than the 1960s. For some it was a time when music, fashion and drugs enabled young people to express their individuality and freedom, their hopes and dreams of a different, perhaps better, world. For others, the decade marked the advent of the permissive society, with its undermining of authority, family values and common decency. At the heart of this continuing controversy is sex. For this wide-ranging and eye-opening survey of the sexual landscape of the 1960s Peter Doggett has assembled a dozen little-known stories that reveal how the sexual revolution transformed people's lives. *Growing Up* provides an honest, often disturbing portrait of a constant battle between two forces: the urge to free the body from guilt and restraint; and the desire to control, cannibalise and exploit that liberation for profit or pleasure. It is a battle that divides opinion to this day.

Plush Jun 30 2022

Seeing Through Clothes Apr 28 2022 In this generously illustrated book, Anne Hollander examines the representation of the body and clothing in Western art, from Greek sculpture and vase painting through medieval and renaissance portraits, to contemporary films and fashion photography. First published ahead of its time, this book has become a classic.

Sexuality in Adolescence and Emerging Adulthood Aug 09 2020 Written in an engaging question-and-answer format, this accessible text synthesizes contemporary empirical research to provide a panoramic view of adolescent sexual development and behavior. The book examines sexuality as part of normative growth and development, in addition to addressing traditional problem areas such as sexual risk taking. Candid personal stories bring the theory and research to life. Topics include the precursors of adolescent sexuality in childhood; biological aspects of adolescent sexuality, including puberty and the adolescent brain; the influences of parents, peers, and the media; and gender and racial/ethnic differences in attitudes and behavior. Coverage also encompasses romantic relationships; the experiences of sexual- and gender-minority youth; sexually transmitted infections; contraception, pregnancy, and teen parenthood; cross-cultural and international research; and approaches to sex education. Pedagogical Features *Headings written as questions throughout the chapters--for example, "How common is hooking up?" and "Is coming out to parents always a good thing?" *"In Their Own Words" boxes with firsthand accounts from adolescents and young adults. *"Focus on Research" sidebars that discuss research methods, challenges, and controversies in the field. *End-of-chapter summaries and suggested readings. Winner (First Place)--American Journal of Nursing Book of the Year Award, Child Health Category

The Psychology of Extreme Violence Sep 09 2020 Featuring a unique overview of the different forms of extreme violence, this book considers the psychology of extreme violence alongside a variety of contributing factors, such as brain abnormalities in homicide offenders. Featuring several contemporary real-world case studies, this book offers insight into the psychology of serial homicide offenders, mass shooters, school shooters and lone-actor terrorists. The main purpose of this book is not to glorify or condemn the actions of these individuals, but to attempt to explain the motivations and circumstances that inspire such acts of extreme violence. By adopting a detailed case study approach, it aims to increase our understanding of the specific motivations and psychological factors underlying extreme

violence. Using nontechnical language, this book is the ideal companion for students, researchers, and forensic practitioners interested in the multidisciplinary nature of extreme violence. This book will also be of interest to students taking courses on homicide, mass shooting, school shooting, terrorism, forensic psychology and criminology and criminal justice.

The Woman Without a Hole - & Other Risky Themes from Old Japanese Poems Jun 18 2021
17-syllabet Japanese poems about human foibles, sans season (i.e., not haiku), were introduced a half-century ago by RH Blyth in two books, "Edo Satirical Verse Anthologies" and "Japanese Life and Character in Senryu." Blyth regretted having to introduce not the best senryu, but only the best that were clean enough to pass the censors. In this anthology, compiled, translated and essayed by Robin D. Gill, like Blyth, a renowned translator of thousands of haiku, we find 1,300 of the senryu (and zappai) that would once have been dangerous to publish. The book is not just an anthology of dirty poems such as Legman's classic "Limericks" or Burford's delightful "Bawdy Verse," but probing essays of thirty themes representative of the eros - both real and imaginary - of Edo, at the time, the world's largest city. Japanese themselves use senryu for historical documentation of social attitudes and cultural practices; thousands of senryu (and the related zappai), including many poems we might consider obscene, serve as examples in the Japanese equivalent of the OED (nipponkokugodaijiten). The specialized argot, obscure allusions and ellipsis that make reading dirty senryu a delightful riddle for one who knows just enough to be challenged yet not defeated, make them impenetrable to outsiders, so this educational yet entertaining resource has not been accessible to most students of Japanese (and the limited translations prove that even professors have difficulty with it). This book tries to accomplish the impossible: it includes all the information - original poems, pronunciation, explanation, glossary - needed to help specialists improve their senryu reading skills, while refraining from full citations to leave plenty of room for the curious monolingual to skip about the eclectic goodies. [Published simultaneously with two titles as an experiment.]

Hearings on H.R. 1, the Civil Rights Act of 1991 Apr 04 2020

Lovesick Japan Mar 16 2021 In *Lovesick Japan*, Mark D. West explores an official vision of love, sex, and marriage in contemporary Japan. A comprehensive body of evidence—2,700 court opinions—describes a society characterized by a presupposed absence of physical and emotional intimacy, affection, and personal connections. In compelling, poignant, and sometimes horrifying court cases, West finds that Japanese judges frequently opine on whether a person is in love, what other emotions a person is feeling, and whether those emotions are appropriate for the situation. Sometimes judges' views about love, sex, and marriage emerge from their presentation of the facts of cases. Among the recurring elements are abortions forced by men, compensated dating, late-life divorces, termination fees to end affairs, sexless couples, Valentine's Day heartbreak, "soapland" bath-brothels, and home-wrecking hostesses. Sometimes the judges' analysis, decisions, and commentary are as revealing as the facts. Sex in the cases is a choice among private "normal" sex, which is male-dominated, conservative, dispassionate, or nonexistent; commercial sex, which caters to every fetish but is said to lead to rape, murder, and general social depravity; and a hybrid of the two, which commodifies private sexual relationships. Marriage is contractual; judges express the ideal of love in marriage and proclaim its importance, but virtually no one in the court cases achieves it. Love usually appears as a tragic, overwhelming emotion associated with jealousy, suffering, heartache, and death.

Hungarian Studies Review Dec 25 2021

Hair Dec 05 2022 An interdisciplinary exploration of the meanings of hair in Asia from classical times to contemporary contexts.

Performing the US Latina and Latino Borderlands Jan 02 2020 In this interdisciplinary volume, contributors analyze the expression of Latina/o cultural identity through performance. With music,

theater, dance, visual arts, body art, spoken word, performance activism, fashion, and street theater as points of entry, contributors discuss cultural practices and the fashioning of identity in Latino/a communities throughout the US. Examining the areas of crossover between Latin and American cultures gives new meaning to the notion of "borderlands." This volume features senior scholars and up-and-coming academics from cultural, visual, and performance studies, folklore, and ethnomusicology.

Women in the Picture Feb 01 2020 A bold reconsideration of women in art – from the ‘Old Masters’ to the posts of Instagram influencers A perfect pin-up, a damsel in distress, a saintly mother, a femme fatale ... Women’s identity has long been stifled by a limited set of archetypes, found everywhere in pictures from art history’s classics to advertising, while women artists have been overlooked and held back from shaping more empowering roles. In this impassioned book, art historian Catherine McCormack asks us to look again at what these images have told us to value, opening up our most loved images – from those of Titian and Botticelli to Picasso and the Pre-Raphaelites. She also shows us how women artists – from Berthe Morisot to Beyoncé, Judy Chicago to Kara Walker – have offered us new ways of thinking about women’s identity, sexuality, race and power. *Women in the Picture* gives us new ways of seeing the art of the past and the familiar images of today so that we might free women from these restrictive roles and embrace the breadth of women’s vision.

Alice Marlow Dec 13 2020 Desperate to get away from her oppressive Victorian father, and aroused by her friend Charlotte’s ecstatic descriptions of married life, Alice marries a young clergyman. Unfortunately he’s more dictatorial than her father is and shows no interest in the sex. When Alice rebels, her husband has her confined in an asylum. Eventually Alice escapes and runs away to London where she’s taken in by Mrs Parker, the kindly Madame of a house of ill-repute. With no money to her name, Alice has little choice but to become one of Mrs Parker’s girls. She’s soon the favourite of magazine publisher Sir Willoughby. He offers her work as a writer, where she draws the attentions Matthew, one of Willoughby’s editors. When two become lovers, they discover a common interest in bdsm.

Multiple Wives, Multiple Pleasures Nov 11 2020 This is a critical study of French and British art and written texts (poetry, literature, travel accounts, art criticism)- orientalist works about the harem produced in the period from 1800-1875. Original readings are provided for over 150 harem pictures, from well-known salon paintings to rarely published erotic popular prints and book illustrations. 'Multiple Wives, Multiple Pleasures' examines these works closely, often establishing fresh contexts for many of the more well-known nineteenth century harem pictures, and often providing a consideration of lesser-known harem pictures that have been rarely published until now.

Could It Be Forever? My Story Jan 14 2021 This ebook edition contains the full text version as per the book. Doesn't include original photographic and illustrated material. In the seventies, when he was just 20 years old, David Cassidy achieved the sort of teen idol fame that is rarely seen. He was mobbed everywhere he went. His clothes were regularly ripped off by adoring fans. He sold records the world over. He was bigger than Elvis. And all thanks to a hit TV show called *The Partridge Family*. Now, in his own words, this is a brutally frank account of those mindblowing days of stardom in which being David Cassidy played second fiddle to being Keith Partridge. Including stories of sex, drugs and rock'n'roll that explode the myth of Cassidy as squeaky clean, it's also the story of how to keep on living life and loving yourself when the fickle fans fall away.

The Supreme Court Review, 1968 Oct 23 2021

The Girl in the Picture Oct 30 2019 "More than any other Vietnam book in recent years, *The Girl in the Picture* confronts us with the ceaseless, ever-compounding casualties of modern warfare." —The San Francisco Chronicle On June 8, 1972, nine-year-old Kim Phuc, severely burned by napalm, ran from her blazing village in South Vietnam and into the eye of history. Her photograph-one of the most

unforgettable images of the twentieth century-was seen around the world and helped turn public opinion against the Vietnam War. This book is the story of how that photograph came to be-and the story of what happened to that girl after the camera shutter closed. Award-winning biographer Denise Chong's portrait of Kim Phuc-who eventually defected to Canada and is now a UNESCO spokesperson-is a rare look at the Vietnam War from the Vietnamese point-of-view and one of the only books to describe everyday life in the wake of this war and to probe its lingering effects on all its participants.

Un-Roman Sex Sep 21 2021 *Un-Roman Sex* explores how gender and sex were perceived and represented outside the Mediterranean core of the Roman Empire. The volume critically explores the gender constructs and sexual behaviours in the provinces and frontiers in light of recent studies of Roman erotic experience and flux gender identities. At its core, it challenges the unproblematised extension of the traditional Romano-Hellenistic model to the provinces and frontiers. Did sexual relations and gender identities undergo processes of "provincialisation" or "barbarisation" similar to other well-known aspects of cultural negotiation and syncretism in provincial and border regions, for example in art and religion? The 11 chapters that make up the volume explore these issues from a variety of angles, providing a balanced and rounded view through use of literary, epigraphic, and archaeological evidence. Accordingly, the contributions represent new and emerging ideas on the subject of sex, gender, and sexuality in the Roman provinces. As such, *Un-Roman Sex* will be of interest to higher-level undergraduates and graduates/academics studying the Roman empire, gender, and sexuality in the ancient world and at the Roman frontiers.

I Am a Troll Mar 04 2020 Indian social media is awash with right-wing trolls who incite online communal tension and abuse anyone who questions them. But who are they? How are they organized? In this explosive investigation, conducted over two years, Swati Chaturvedi finally lifts the veil over this murky subject

Encyclopedia of Twentieth-Century Photography, 3-Volume Set Aug 28 2019 The *Encyclopedia of Twentieth-Century Photography* explores the vast international scope of twentieth-century photography and explains that history with a wide-ranging, interdisciplinary manner. This unique approach covers the aesthetic history of photography as an evolving art and documentary form, while also recognizing it as a developing technology and cultural force. This *Encyclopedia* presents the important developments, movements, photographers, photographic institutions, and theoretical aspects of the field along with information about equipment, techniques, and practical applications of photography. To bring this history alive for the reader, the set is illustrated in black and white throughout, and each volume contains a color plate section. A useful glossary of terms is also included.

Sexuality and the Law Mar 28 2022 First Published in 1993. Routledge is an imprint of Taylor & Francis, an informa company.

Marilyn Monroe Dec 01 2019 Who was Marilyn? The most potent female sex symbol of the Twentieth Century? A superb comedic actress who was let down by poor material? An actress who failed to be taken seriously by most of the people who should have protected her? A woman who was used and abused by the men in her life including some of the most powerful on earth? Or a dizzy blonde with a great body who got lucky at the right time and in the right place? Born in Hollywood, albeit on the wrong side of the tracks, the young Marilyn had everything stacked against her. Yet she struggled against the adversity and became the most popular actress in the world. Marilyn became a star because of one film in which she co-starred with one of the great wonders of nature. The skin tight red dress and the wiggle in her walk didn't harm her prospects either. After Niagara the public loved her and followed her every move - two failed marriages, repeated miscarriages, battles with Twentieth Century Fox, classic films *The Seven Year Itch*, *Some Like It Hot* - right up to the horrible, tragic end. So what's in this *Pocket Essential*? As well as an introductory essay, each of Marilyn's films is reviewed and

analysed. Not only that, but there's a handy reference section listing the best of the far weightier (and more expensive) books about her.

The Art of Censorship in Postwar Japan Jul 20 2021 In 2002 a manga (comic book) was for the first time successfully charged with the crime of obscenity in the Japanese courts. In *The Art of Censorship* Kirsten Cather traces how this case represents the most recent in a long line of sensational landmark obscenity trials that have dotted the history of postwar Japan. The objects of these trials range from a highbrow literary translation of *Lady Chatterley's Lover* and modern adaptations and reprintings of Edo-period pornographic literary "classics" by authors such as Nagai Kafu to soft core and hard core pornographic films, including a collection of still photographs and the script from Oshima Nagisa's *In the Realm of the Senses*, as well as adult manga. At stake in each case was the establishment of a new hierarchy for law and culture, determining, in other words, to what extent the constitutional guarantee of free expression would extend to art, artist, and audience. The work draws on diverse sources, including trial transcripts and verdicts, literary and film theory, legal scholarship, and surrounding debates in artistic journals and the press. By combining a careful analysis of the legal cases with a detailed rendering of cultural, historical, and political contexts, Cather demonstrates how legal arguments are enmeshed in a broader web of cultural forces. She offers an original, interdisciplinary analysis that shows how art and law nurtured one another even as they clashed and demonstrates the dynamic relationship between culture and law, society and politics in postwar Japan. *The Art of Censorship* will appeal to those interested in literary and visual studies, censorship, and the recent field of affect studies. It will also find a broad readership among cultural historians of the postwar period and fans of the works and genres discussed.

New York May 30 2022 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

American Photography and the American Dream Jan 26 2022 Looks at how documentary photographers have contested the idea of the American dream, and discusses the work of Francis Benjamin Johnston, Lewis Hine, Walker Evans, Dorothea Lange, William Klein, Diane Arbus, and Robert Frank

The Girl Who Wasn't There Jun 06 2020 Sebastian von Eschburg, scion of a wealthy, self-destructive family, survived his disastrous childhood to become a celebrated if controversial artist. He casts a provocative shadow over the Berlin scene; his disturbing photographs and installations show that truth and reality are two distinct things. When Sebastian is accused of murdering a young woman and the police investigation takes a sinister turn, seasoned lawyer Konrad Biegler agrees to represent him - and hopes to help himself in the process. But Biegler soon learns that nothing about the case, or the suspect, is what it appears. The new thriller from the acclaimed author of *The Collini Case*, *THE GIRL WHO WASN'T THERE* is dark, ingenious and irresistibly gripping.

The Many Lives of Marilyn Monroe Feb 24 2022 'Ferociously smart. A rare combination of guilty pleasure and intellectual insight' VOGUE 'Perceptive. Refreshing. Tears away layers of false readings and conspiracy theories' NEW YORK TIMES Intricately researched. Churchwell's Marilyn is a complex, well-rounded creature in the best sense – the human sense' OBSERVER There are many Marylins: sex goddess and innocent child, crafty manipulator and dumb blonde, screen legend and Hollywood victim. In this incisive and subtle book, Sarah Churchwell looks at how the stories we tell have trivialised a woman we supposedly adore, and at what they reveal about our attitudes towards sex symbols and icons, to women, death, biography and Marilyn herself.

North Carolina and the Problem of AIDS May 18 2021 Thirty years after AIDS was first recognized, the American South constitutes the epicenter of the United States' epidemic. Southern states claim the highest rates of new infections, the most AIDS-related deaths, and the largest number of adults and adolescents living with the virus. Moreover, the epidemic disproportionately affects African American communities across the region. Using the history of HIV in North Carolina as a case study, Stephen Inrig examines the rise of AIDS in the South in the period from the early spread and discovery of the disease through the late nineties. Drawing on epidemiological, archival, and oral history sources, Inrig probes the social determinants of health that put poor, rural, and minority communities at greater risk of HIV infection in the American South. He also examines the difficulties that health workers and AIDS organizations faced in reaching those communities, especially in the early years of the epidemic. His analysis provides an important counterweight to most accounts of the early history of the disease, which focus on urban areas and the spread of AIDS in the gay community. As one of the first historical studies of AIDS in a southern state, *North Carolina and the Problem of AIDS* provides powerful insight into the forces and factors that have made AIDS such an intractable health problem in the American South and the greater United States.

D. H. Lawrence Nov 23 2021 D. H. Lawrence: *The Life of an Outsider* is an illuminating and clear-sighted portrait of one of the twentieth century's most brilliant, radical and misunderstood writers. John Worthen follows Lawrence's from his awkward and intense youth in Nottinghamshire, through his turbulent relationship with Frieda and the years of exile abroad to his premature death at the age of 44. His account is an intimate and absolutely compelling reappraisal of a man who believed himself to be an outsider, in angry revolt against his class, culture and country, and who was engaged in a furious commitment to his writing and a passionate struggle to live according to his beliefs.

Photography After Capitalism Oct 11 2020 A lively and polemical analysis of photography and today's vernacular photographic culture. In *Photography After Capitalism*, Benedict Burbridge makes the case for a radically expanded conception of photography, encompassing the types of labor too often obscured by black-boxed technologies, slick platform interfaces, and the compulsion to display lives to others. His lively and polemical analysis of today's vernacular photographic cultures shines new light on the hidden work of smartphone assembly teams, digital content moderators, Street View car drivers, Google "Scan-Ops," low-paid gallery interns, homeless participant photographers, and the photo-sharing masses.

Kennedy Assassination Feb 12 2021 November 22nd 1963, Dealey Plaza As a seminal event in late twentieth-century American history, the Kennedy assassination has permeated the American and world consciousness in a wide variety of ways. It has long fascinated American writers, filmmakers and artists, and this book offers an authoritative critical introduction to the way the event has been constructed in a range of discourses. It looks at a variety of historical, political and cultural attempts to understand Kennedy's death. Representations include: journalism from the time; historical accounts and memoirs; official investigations, government reports and sociological inquiries; the huge number of conspiracy-minded interpretations; novels, plays and other works of literature; and the Zapruder footage, photography, avant-garde art, and Hollywood films. Considering the continuities and contradictions in how the event has been represented, the author focuses on how it has been seen through the lens of ideas about conspiracy, celebrity and violence. He also explores how the arguments about exactly what happened on 22 November 1963 have come to serve as a substitute way of debating the significance of Kennedy's legacy and the meaning of the 1960s more generally. Key Features: * presents information about the event itself, the cultural context of the period, and the consequences of the event * considers the ways in which the event has been represented in subsequent years in a variety of discourses * includes an annotated bibliography and 10 B&W illustrations.

What Set Me Free (The Story That Inspired the Major Motion Picture Brian Banks) Sep 29 2019

Discover the unforgettable and inspiring true story—that inspired the major motion picture *Brian Banks*—of a young man who was wrongfully convicted as a teenager and imprisoned for more than five years, only to emerge with his spirit unbroken and determined to achieve his dream of playing in the NFL. At age sixteen, Brian Banks was a nationally recruited All-American Football player, ranked eleventh in the nation as a linebacker. Before his seventeenth birthday, he was in jail, awaiting trial for a heinous crime he did not commit. Although Brian was innocent, his attorney advised him that as a young black man accused of rape, he stood no chance of winning his case at trial. Especially since he would be tried as an adult. Facing a possible sentence of forty-one years to life, Brian agreed to take a plea deal—and a judge sentenced him to six years in prison. At first, Brian was filled with fear, rage, and anger as he reflected on the direction his life had turned and the unjust system that had imprisoned him. Brian was surrounded by darkness, until he had epiphany that would change his life forever. From that moment on, he made the choice to shed the bitterness and anger he felt, and focus only on the things he had the power to control. He approached his remaining years in prison with a newfound resolve, studying spirituality, improving his social and writing skills, and taking giant leaps on his journey toward enlightenment. When Brian emerged from prison with five years of parole still in front of him, he was determined to rebuild his life and finally prove his innocence. Three months before his parole was set to expire, armed with a shocking recantation from his accuser and the help of the California Innocence Project, the truth about his unjust incarceration came out and he was exonerated. Finally free, Brian sought to recapture a dream once stripped away: to play for the NFL. And at age twenty-eight, he made that dream come true. Perfect for fans of *Just Mercy*, *I Beat the Odds*, and *Infinite Hope*, this powerful memoir is a deep dive into the injustices of the American justice system, a soul-stirring celebration of the resilience of the human spirit, and an inspiring call to hold fast to our dreams.

Hip Snips Sep 02 2022 Thanks to the popularity of pornography and an obsession with "manscaping," pubic-hair maintenance and styling are all the rage. Unfortunately, there's nothing out there to direct you in your creative grooming endeavors. Until now. *Hip Snips* is half below-the-belt grooming handbook, half field guide to hairstyles for your nether regions. And it's 100% outrageous.

[Images that Injure](#) Jan 06 2023 Offers a critical view of media stereotypes of diverse cultural groups, including ethnic, racial, and gender-related imagery.

Pictures at an Exhibition (Psychology Revivals) Nov 04 2022 Originally published in 1989 *Pictures at an Exhibition* brings together a rich collection of essays, representing the diversity of views and approaches among professionals towards art and psychoanalysis and art therapy. The editors, both of whom are practising art therapists and art therapy educators, have arranged the contributions so that they may be read in a way similar to looking at pictures in a gallery: they can be glanced at briefly or lingered over, read consecutively or dipped into at random. Artists, art therapists, psychotherapists, psychiatrists and art historians will all find something of interest, and something to stimulate thought and discussion. Contributions include innovative papers on the relationship between artists' lives and the subject-matter of their work; the work of Kandinsky, Picasso, Magritte, Moore, Lear and Genet is looked at in particular. Generously illustrated, the book also highlights the importance of language and culture in attempting to understand imagery. Each contribution is linked by editorial comments drawing together the threads of concern which are common to art and psychiatry.
