ALL That Have Breath: A Biblical Study of Animals in Scripture and Their Valued Place in God's Creation Dec 25 2019 This book is the result of a professional analyst reading the Bible in its entirety in multiple English translations, including the NIV (New International Version) and the Stone edition of the Tanach (Hebrew Bible), as well as researching and referencing other translations. The focus was to find everything that the Bible says about animals and analyze it. The author, Suzanne R. Buerer, saw a pattern throughout the Bible showing that the animals are very caught up in the affairs of mankind, carried along with humans in the Fall, in punishments, in blessings, AND in restoration. The author found that animals have the breath of the spirit of life which comes from God, and one book even discusses the spirit of the animal. The author shows how the Bible emphasizes that God is very involved with His animals - He knows them, He talks about them (in more than one book), they cry out to Him, and He feeds and saves them. In the last chapter, the author also discusses scriptures concerning mankind's salvation along with and in contrast to God's saving and renewal of all of His creation, as there is a matter of choice for humans to turn toward or away from God, while He otherwise will eliminate death, save His creation, and renew all things. The conclusion is that God cares very much for all of His creation, including His animals. His love, salvation, and renewal extend to all who revere Him, the whole world and all that is in it!

Baptism Aug 25 2022 "Scripture is far from silent on the subject of baptism, yet history is strewn with such a variety of perspectives that it becomes difficult to gain a clear view of what the Bible itself actually has to say: How would the original readers of Acts, Romans, or Colossians have understood the texts concerning baptism when they read them for the very first time? How do readers of today understand the baptismal references of the New Testament if they have no particular commitment to a certain theological point of view? In thirteen chapters, Dr. Cottrell discusses the twelve major texts in the New Testament and does so by examining the meaning of the original words, the historical background, and the comparative references. The texts covered: Matthew 28:18-20, Mark 16:15-16, John 3:3-5, Acts 2:38-39, Acts 22:16, Romans 6:3-4, 1 Corinthians 12:13, Galatians 3:26-27, Ephesians 5:25-27, Colossians 2:11-13, Titus 3:5, 1 Peter 3:21"--P. She Reads Truth Jan 18 2022 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Revelation Oct 15 2021 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Importance and Value of Proper Bible Study Jun 23 2022 There has perhaps never been an age that set such great store in study as that in which we now live. The unfortunate thing about it is that so much of the study in our day is devoted to books and subjects in which there is little or no profit. Time is squandered on the purely speculative, the uncertain, the unprofitable, the unessential, the unproductive, the irrelevant, and the transitory. The most profitable of all study is wisely ordered Bible study. Its value is incalculable. It is beyond all comparison more profitable than any other study. It is the one superlatively profitable study. Bible study towers above all other studies in importance and value not only because of what the Bible is, but also because of what the Bible does. The Bible properly studied makes men wise unto salvation. The Bible makes Jesus Christ known so as to lead anyone who studies it to believe in Jesus as the Christ, the Son of God, and thereby to obtain eternal life in His name. The Bible imparts God's own nature to the men, women, and children who study it as they should and thus completely transforms their inmost and their outward life. When properly studied, this Book makes the one who studies it grow like the palm tree in all the graces and glories of Christian character. The Bible properly studied makes the heart pure and keeps the life white. The Bible, properly studied, brings peace, wonderful peace, to the troubled heart. The Bible, properly studied, brings joy as well as peace. In this book, I will tell you how to properly study the Bible: for light and not for darkness, for life and not for death, for blessing and not for cursing, and so it will lift us up to heaven and not sink us down to hell.

Apologetics for the Twenty-First Century Jan 26 2020 The vibrant and persuasive arguments of C. S. Lewis brought about a shift in the discipline of apologetics, moving the conversation from the ivory tower to the public square. The resulting strain of popular apologetics—which weaves through Lewis into twentieth-century writers like Francis Schaeffer and modern apologists like William Lane Craig, Josh McDowell, and Lee Strobel—has equipped countless believers to defend their faith against its detractors. Apologetics for the Twenty-first Century uses Lewis's work as the starting point for an absorbing survey of the key apologists and major arguments that inform apologetics today. Like apologists before him, Markos writes to engage Christians of all denominations as well as seekers and skeptics. His narrative, "man of letters" style and short chapters make Apologetics for the Twenty-first Century easily accessible for the general reader. But an extensive and heavily annotated bibliography, detailed timeline, list of prominent apologists, and glossary of common terms will satisfy the curiosity of the seasoned academic, as the book prepares all readers to meet the particular challenges of defending the faith today.
