**Beyond the Burn Line** Oct 30 2019 WHAT WILL BECOME OF US? In the deep future beyond the burn line of the Anthropocene and the extinction of humanity, the city states of an intelligent species of bear have fallen to a mind-wrecking plague. The bears' former slaves, a peaceable, industrious and endlessly curious people, believe that they have inherited the bounty and beauty of their beloved Mother Earth. But are they alone? After the death of his master, a famous scholar, Pilgrim Saltmire vows to complete their research into sightings of so-called visitors and their sky craft. To discover if they are a mass delusion created by the stresses of an industrial revolution, or if they are real - a remnant population of bears which survived the plague, or another, unknown intelligent species. Risking his reputation and his life, Pilgrim's search for the truth takes him from his comfortable home in the shadow of a great library to his tribe's former home on the chilly coast of the far south, and the gathering of a dangerous cult in the high desert. Whether or not the visitors are real, one thing is certain. Pilgrim's world and everything he thought he knew about his people's history will be utterly changed. McAuley's fabulous far future, impacted by the consequences of global warming, colonisation and historical injustices, explores and reflects our own challenges while telling a fast paced story of discovery and adventure.

**Presentation Zen** Jan 14 2021 FOREWORD BY GUY KAWASAKI Presentation designer and internationally acclaimed communications expert Garr Reynolds, creator of the most popular Web site on presentation design and delivery on the Net - presentationzen.com - shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about making presentations with PowerPoint or Keynote. Presentation Zen challenges the conventional wisdom of making "slide presentations" in today's world and encourages you to think differently and more creatively about the

preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business. Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations.

**Seven Trumpets and the Investigative Judgment, The** Jan 26 2022 Earthquakes rip through the world as the Creator approaches, the stars fall, the sun goes dark, and the moon proclaims death. Jesus comes and His powerful presence causes the atmosphere to split and roll away. Revelation 6 shows people wailing for the mountains to bury them: "Fall on us, and hide us from the face of Him who sits on the throne, and from the wrath of the Lamb: for the great day of His wrath is come; and who will be able to stand?" And who does stand in that day? No one. Not a single soul. It's the total annihilation of a vile, self-righteous human race. God's followers expected all of this to happen on October 22, 1844. They watched and waited, but Jesus didn't return. This was only a warning preview of His return in the sixth seal. In God's mercy, He commands to delay the cataclysm of judgment day so that He can send to the world the needed preparation for the day of wrath. That needed preparation comes with the seven trumpets of the seventh seal that occur after 1844. The postponed destruction seen in the sixth seal will yet be a future reality. The Seven Trumpets and the Investigative Judgment examines chapters 4-11 in the book of Revelation and studies how recent events since 9/11 have almost completed God's gracious delay. This book presents a new view of Revelation that meets the biblical rules of prophetic interpretation and of the inspired "testimony of Jesus," which is "the spirit of prophecy" (Rev. 19:10). How have we done in this waiting period? Will we stand when Jesus returns? By God's grace this book will help you prepare for that great day.

*The Seventh Plague Vessel* Apr 16 2021 The Seventh Plague Vessel is a narrative, which depicts the future history of the "fall of Earth" during the battle between God and Satan at Armageddon. The narrator is a family man that loses his family and drops out of society. Four years later he arrives at a plasma donation center in Omaha, NE where he observes the lives of several of the workers and patrons there. The stories completely change his point of view of life and destroy all sense of morality he has left. Thus begins the "fall of Earth." It covers the seven years of Armageddon and his part in it, with and against the powers of Satan. The narrator unknowingly carries God's first witness through the tribulation. The job of the first witness is to record the "fall of Earth" from the side of Satan. The narrator witnesses the breaking of the seven seals, the blowing of the seven trumpets, and the spilling of six of the seven plague vessels. As the years go by he becomes a general in the army of Satan, conquering North America as he searches for the Seventh Plague Vessel. Only at the end does he discover the fatal truth about the Seventh Plague Vessel.

**The Education of an Anti-Imperialist** Mar 16 2021 Robert M. La Follette (1855-1925), the Republican senator from Wisconsin, is best known as a key architect of American Progressivism and as a fiery advocate for liberal politics in the domestic sphere. But "Fighting Bob" did not immediately come to a progressive stance on foreign affairs. In *The Education of an Anti-Imperialist*, Richard Drake follows La Follette's growth as a critic of America's wars and the policies that led to them. He began his political career with conventional Republican views of the era on foreign policy, avidly supporting the Spanish-American and Philippine-American Wars. La Follette's critique of empire emerged in 1910, during the first year of the Mexican Revolution, as he began to perceive a Washington-Wall Street alliance in the United States' dealings with Mexico. La Follette subsequently became Congress's foremost critic of Woodrow Wilson, fiercely opposing United States involvement in World War I. Denounced in the American press as the most dangerous man in the country, he became hated and vilified by many but beloved and admired by others. La Follette believed that financial imperialism and its necessary instrument, militarism, caused modern wars. He contended they were twin evils that would have ruinous consequences for the United States and its citizens in the twentieth century and beyond. "An excellent book. . . . As Drake fully documents, La Follette's warnings about [World War I] profiteers and the lust for power were fully justified. Then as now, the American people were lied to by the government and media and manipulated into the stink and blood of war."—Mark Taylor, *The Daily Call* "Scholars will . . . value the insights into La Follette's foreign policy education."—*The Historian*

**The Paper Canoe** Sep 29 2019 An enormously exciting, beautifully written and very moving work. *The Paper Canoe* comprises a fascinating dialogue with such masters of theatre as Stanislavski, Meyerhold, Craig, Copeau, Brecht, Artand and Decroux.

**Jerusalem Falls** Apr 04 2020 The first full account of the medieval struggle for Jerusalem, from the seventh to the thirteenth century The history of Jerusalem is one of conflict, faith, and empire. Few cities have been attacked as often and as savagely. This was no less true in the Middle Ages. From the Persian sack in 614 through the bloody First Crusade and beyond, Jerusalem changed hands countless times. But despite these horrific acts of violence, its story during this period is also one of interfaith tolerance and accord. In this gripping history, John D. Hosler explores the great clashes and delicate settlements of medieval Jerusalem. He examines the city's many sieges and considers the experiences of its inhabitants of all faiths. The city's conquerors consistently acknowledged and reinforced the rights of those religious minorities over which they ruled. Deeply researched, this account reveals the way in which Jerusalem's past has been constructed on partial histories—and urges us to reckon with the city's broader historical contours.

Sacra Pagina: The Gospel of Luke Jul 08 2020 What makes this commentary on Luke stand apart from others is that, from beginning to end, this is a literary analysis. Because it focuses solely on the gospel as it appears and not on its source or origin, this commentary richly

and thoroughly explores just what Luke is saying and how he says it.

Contemporary Ergonomics 2004 Aug 28 2019 The broad and developing scope of ergonomics has been illustrated over the past fifteen years by the books that make up the Contemporary Ergonomics series. Presenting the proceedings of the Ergonomics Society's annual conference, the series embraces the wide range of topics covered by ergonomics. Individual papers provide insight into current practice, present new research findings, and form an invaluable reference source. The volumes provide a fast track for the publication of suitable papers from international contributors chosen on the basis of abstracts submitted to a selection panel. Topics included in Contemporary Ergonomics 2004 applied physiology, musculoskeletal disorders, posture and discomfort, and more.
