Shine On Sep 07 2020 Across thousands of years, people have described one of the most astonishing of all human phenomena: the near-death experience (NDE), the subjective experience of an Afterlife, a place where we apparently survive death. The more powerful the NDE, the more profound the after effects. The ambitious reset their priorities. Atheists change their values. Doctors rethink their beliefs. But what if the after effects of an NDE were undeniable? What if someone suddenly developed the ability to produce high quality paintings of their NDE, a new-found skill that went far beyond the artistic ability they had before? And what if that same person then suddenly acquired the ability to compose classical symphonies after their NDE? And their symphonies were then premiered at sell out orchestral concerts, even though, to this day, they are unable to read or write a single note of musical notation. Wouldn't this be proof that even a cynic would have a hard time explaining? After his NDE, this is exactly what happened to David. And this is his story.

The Whole Stupid Way We Are Nov 09 2020 What happens when everything you've got to give isn't enough to save someone you love? This transformative portrayal of "injustice, frustration, and rage is wrenching and difficult to forget" (Publishers Weekly, starred review). It's Maine. It's winter. And it's FREEZING STINKIN' COLD! Dinah is wildly worried about her best friend, Skint. He won't wear a coat. Refuses to wear a coat. It's twelve degrees out, and he won't wear a coat. So Dinah's going to figure out how to help. That's what Dinah does—she helps. But she's too busy trying to help to notice that sometimes, she's doing more harm than good. Seeing the trees instead of the forest? That's Dinah. And Skint isn't going to be the one to tell her. He's a helper guy too. He's worried about a little boy whose dad won't let him visit his mom. He's worried about an elderly couple in a too-cold house down the road. But the wedge between what drives Dinah and what concerns Skint

is wide enough for a big old slab of ice. Because Skint's own father is in trouble. Because Skint's mother refuses to ask for help even though she's at her breaking point. And because Dinah might just decide to...help. She thinks she's cracking through a sheet of ice, but what's actually there is an entire iceberg.

The Sleepers Almanac No. 7 Oct 21 2021 Every year, Sleepers assembles a motley crew of new and established (but mostly new - mostly never heard of) writers for their critically acclaimed collection of short fiction (with occasional miscellany): *The Sleepers Almanac*. This year sees new stories from people the eds had previously not heard of, including the incredibly talented likes of Isabelle Li and Julie Koh. But there are names that might be familiar, too, to those who love short stories: Brad Bryant, Pierz Newton-John, or Sian Prior, perhaps better known for her journalism, but proving that she knows how to wrangle a story too. What makes the Almanac different is its breadth. The Almanac, which focuses on new and emerging authors, is the result of a slush-pile read, where writers from all over the country have been encouraged to send in stories up to 10,000 words long.

The Power of Starting Something Stupid Oct 01 2022 What if the smartest people in the world understand something that the rest of us don't? (They do.) What if they know that in order to achieve success, they will sometimes have to do things that others may initially perceive as stupid? The fact of the matter is that the smartest people in the world don't run from stupid, they lean into it (in a smart way). In *The Power of Starting Something Stupid*, Richie Norton redefines stupid as we know it, demonstrating that life-changing ideas are often tragically mislabeled stupid. What if the key to success, creativity, and fulfillment in your life lies in the potential of those stupid ideas? This deeply inspiring book will teach you: How to crush fear, make dreams happen, and live without regret. How to overcome obstacles such as lack of time, lack of education, or lack of money. The 5 actions of the New Smart to achieve authentic success. No more excuses. Learn how to start something stupid—the smartest thing you can do. Drawing on years of research, including hundreds of face-to-face interviews and some of the world's greatest success stories past and present, Richie shows you how stupid is the New Smart—the common denominator for success, creativity, and innovation in business and life.

The Jazz Method for Clarinet Nov 29 2019 (Schott). These methods provide complete courses for players of all ages, guiding students from their first note to classics, together with compositions by contemporary writers. Each book is accompanied by high quality rhythm section tracks recorded on compact disc. Right from the start, students can enjoy authentic jazz sounds, playing in the company of professionals. With supplementary suggestions for listening and reading, and an Appendix containing all the chord progressions for "live" accompaniment of the tunes, *The Jazz Methods* are ideally suited to both students working alone and those learning with a teacher. "John O'Neill has a solid understanding of jazz and how it can be taught. I highly recommend his educational jazz materials." (Jamey Aebersold) "...a rare opportunity for a new player (or a more experienced one) to develop a really musical facility. A rare addition to the jazz improvising library." (Lee Konitz, international jazz saxophone soloist) - includes 'classics' by Thelonious Monk, Charlie Parker, Sonny Rollins and Horace Silver - "...very good original jazz tunes that students will use as stepping stones for further development... a non-jazz-playing flute teacher would probably find the book a godsend especially if students are studying GCSE music." Picking the Low Hanging Fruit Nov 02 2022 Are you interested in baking someone into a process at work? Leading a paradigm shift? Or maybe you just feel like drilling down after a nice data dump so you can flesh out a straw dog to help everyone get their ducks in a row and sing from the same song-sheet. Whether you understood any of that or had no idea what you just read, you've probably heard these expressions lobbed around the corporate world with some regularity. What does all of this mean? In meetings on his first job out of college, James Sudakow found himself struggling to pick up a bizarre new language: corporate-speak. He pretended to know what they were saying, but in actuality, he had no idea what expressions like "singing from the same song sheet" or "picking the low hanging fruit" meant or why strange phrases like these were being used to talk about business operations. Had he missed something important in his education that would have prepared him for this? With time, Sudakow adapted to the language; and much to his own embarrassment, he found himself actually using many of these same expressions. For his own sanity, he came up with a plan to combat this corporate-speak language - and it all started with a whiteboard in his office. He listed all of the words and phrases his colleagues, even superiors, were not allowed to use in his office - less they allowed themselves to be subjected to some form of office hazing. "I wondered if we all knew how ridiculous we sounded using these generally weird phrases, instead of just speaking in plain English." Sudakow says. "I wanted to call attention to the way we were all communicating and see if we could change it." Ironically, not only did his experiment not deter their use of any of the expressions on his whiteboard, Sudakow found that his colleagues put up with the hazing with seemingly far too much enjoyment and also began to actually, if not enthusiastically, add additional phrases to his whiteboard, taking great pride in their contributions. That whiteboard became the premise for his new book, "Picking the Low-Hanging Fruit... and Other Stupid Stuff We Say in the Corporate World," a humorous corporate glossary that sheds an irreverent light on the weird things we say in the corporate world every day.

Tropic of Stupid Jun 16 2021 Serge Storms is a lover of history, so he's decided to investigate his own using one of those DNA services. Excited to construct a family tree, he and his perpetually stoned friend Coleman hit the road in Florida to meet his kin. But as the old saying goes, the apple doesn't fall far... Serge is thrilled to discover he may be related to a notorious serial killer who's terrorized the state for twenty years and never been caught. Which one of his newfound relatives will be the one to help him hunt down this deranged maniac? Serge doesn't know that a dogged investigator from the Florida Department of Law Enforcement is also hot on the trail. Then Serge meets a park ranger who's also longing to make a family re-connection. But all is not as it appears on the surface, and Serge's newfound friendship in the mysterious swamps of Florida may lead to deadly results. Finding his own relatives has made Serge understand the importance of family. Of course he'll do anything to help... What people are saying about Serge Storms: "Over-the-top, off-the-wall, too-much-is-never-enough, Florida insanity was never described so authentically and with such enthusiasm." "Humor really doesn't get better than this. Dorsey has a style all to his own that is simply not replicated anywhere." "Serge and Coleman are a match made in heaven and I am still laughing ... truly a great read and I can't wait to delve into more of Dorsey's work." "This is Pulp Fiction on steroids with an acid tab chaser. There is insanity on every page and every page is a good time. Twists and turns, and some of the most creative homicidal mayhem I have ever read." "... for pure pleasure and entertainment you just can't beat the maniacal style of the Serge Storm series." Editorial reviews: "Hilarious. ... Serge Storms is, hands down, one of the most original and just-plain-captivating characters in modern crime fiction." Booklist "Entertaining ... funny ... irreverent and loving at the same time ... [Dorsey] leaves the reader gasping for breath." Washington Post Book World "The characters in Tim Dorsey's raucous novel would be shot on sight in any other state." The New York Times Book Review "Excellent ... I almost exploded with laughter as I read Dorsey's novel. It's manic, hysterical, and puts Dorsey well up there with the cream of comic writers who seem to have made Florida the centre for satirizing America in the 21st century." Independent "Twisted hilarity ... a compelling page-turner ... Tim Dorsey is one sick bunny." Belfast News Letter

Dragons in the Forest Feb 22 2022 ALEX's DIARY - DECEMBER 7th, 1941 Today the war began! I've just heard the news on the radio. I was trying to finish my homework in English, and at the same time listen to a talk to improve my Japanese. I often use the radio for this purpose. The Marianist Brothers at St Joseph's teach us in English and French, but speaking Japanese at school is forbidden. Which is a pretty stupid rule, since this is where I was born and where my family lives, and on leaving school I want to get a job here ... Born in Japan of a French father and White Russian mother, Alex Faure greeted news of war in the Pacific with schoolboy enthusiasm. That is until the hardships of being a gaijin and neutral foreigner in Japan during World War II became a stark reality for the Faure family. ALEX's DIARY - DECEMBER 22nd, 1944 Since Sunday night there has been a raid most days and every single night. The bombing has been relentless. It accounts for the sombre mood; no Christmas spirit in evidence anywhere in this city. Certainly none at the French bank ... Peter Yeldham masterfully tells Alex Faure's own true story against the backdrop of real events in wartime Japan. Laced with excerpts from Alex's diary, *Dragons in the Forest* is a riveting tale of life as a foreigner in a strange land at a very dangerous time.

Carolina Connections Box Set Jun 04 2020 The Carolina crew is back in this hometown series of hot romantic comedies. Continue the adventure here... *The Game - Book 4 (Emerson and Gavin)* *The Way You Are - Book 5 (Liv and Brett)* *The Runaround - Book 6 (Ari and Jax)* **THE GAME** They say opposites attract. Someone needs to tell that to Emerson Scott. **GAVIN:** All I ever wanted was to play ball. When an act of sheer stupidity took that dream away, I thought I'd never bounce back. But now I have the opportunity to coach an up-and-coming phenom, and I'm giving it all I've got. The fact that I've been lusting after his smoking-hot sister only sweetens the deal. Emerson may be buttoned up like a school librarian, but I play my best when I'm under pressure ... and I always bring the heat. **EMERSON:** Never lose focus. Never lose control. Those are the first two rules in my carefully calculated plan for success. Finding myself thrown into the role of guardian for my little brother was not part of that plan. But I can adjust for Jay's sake; I'm not about to let one change make me lose sight of my goals. Too bad Jay's hot young baseball coach doesn't seem to give a fig about my plans. He has one of his own—and it includes me. Gavin Monroe may play like a pro, but that boy will never win this game. **THE WAY YOU ARE** "They say nice guys always finish last. I say the only place that should apply is in the bedroom—it's just good manners, after all." - Brett MacKinnon, nice guy and frequent resident of the friend zone **LIV:** There are really only three things I need in life: sex, baseball, and winning. My hot

boyfriend and season tickets take care of the first two, while I always do my best to cover the last. So developing an unexpected crush on a new friend is more than a little inconvenient. I don't have anything but friendship to offer Brett, but with the way he looks at me, he has me wishing I did. **BRETT:** I've been put in the friend zone so often, they've got a sandwich named after me. You'd think I'd be used to it by now. But when it comes to the delectable Liv, I'm determined to ditch the friend zone and show her I'm boyfriend material. Too bad the position's already been filled by a ball-playing caveman who could flatten me with his pinky. What will it take to show Liv that nice guys can be more than just friends, and that love is the one game truly worth winning? **THE RUNAROUND Men** are good for two things: orgasms and reaching the wine glasses on the top shelf. **ARI:** I've always said boyfriends are like martinis; they're lots of fun at first, but the longer you indulge the bigger headache they'll give you. With career goals to crush and more than a few balls in the air, there's no place in my life for the messy complications of love. **Jax Crosby** thinks he can tempt me to lose control and he's using his daughter to reel me in. He'd be dangerously easy to fall for, but there are more important things in life than love, aren't there? **JAX:** I like to stay two steps ahead; that way, I'm never surprised. But even I didn't see this one coming. Congratulations to me—I'm a freakin' dad. Now I've got a teenage daughter who hates me, an ex who wants to cut things off my body I'm not ready to part with, and an attraction to a curvy songbird that couldn't have come at a worse time. But I've never met a situation I couldn't handle, and I've never let a female get the best of me. So why do I have the feeling Ariana Amante might be one more thing I never saw coming? Books not included in this set include: *The Fix - Book 1 (Laney and Nate)* *The Spark - Book 2 (Fiona and Mark)* *The Lucky One - Book 3 (Bailey and Jake)*

Bow First, Ask Questions Later Sep 27 2019 What happens when a liberal, free-spirited, modern American girl goes on a spiritual quest into structured, disciplined, traditional Japanese Zen life? *Geshin Claire Greenwood* was a liberal, free-spirited American girl who found meaning and freedom in disciplined, traditional Japanese Zen life. However, she came to question not only contemporary American values but also traditional monastic ones. This book is about becoming an adult—about sexuality,

What is authentic? The reader is invited along a journey that is difficult, inspiring, sad, funny, and sincere.
