Line of Duty - The Real Story of British Police Corruption Aug 11 2020 A fascinating insight into the true history of British police corruption, for fans of the hit BBC 1 drama. For more than a century, police officers used their uniforms to control and bully criminals, which in turn led to wholesale bribery and corruption. From Victorian times up to the 1950s, this crooked atmosphere tainted the UK police image of the 'friendly Bobby'. Then came the 1960s and 1970s when the Great Train Robbery and other bigtime heists changed the rules of the 'game' forever. It was like the Wild West out there. No one knew who were the good guys and who were the bad guys anymore. By the early 1980s, corruption was endemic amongst London's vast force of detectives. It was only now that Police commissioners across the nation finally started to tackle endemic, across the board corruption. The hit BBC show has brought these stories back to the fore and in The Line of Duty - The Real Story we go behind the contemporary headlines to explore the real inspiration behind the hit show, looking back at the history of corruption in the police, and the anti-corruption units that were set up to sniff out the bent coppers among the good. Referencing real-life historic and notable cases and people, from a range of sources and first-person interviews, The Line of Duty - The Real Story tells the truth behind the fiction, and its hard-hitting impact on real life modern policing.

COLD CASE SQUAD Aug 03 2022 Detective Sergeant Patricia (Patti Mac) McAvoy’s career was turned upside down when an undocumented Mexican teen-aged boy was found strangled, floating in a 55 gallon drum in South Oyster Bay, Long Island. Inspection revealed he was carrying rosary beads and wearing a diaper. Simultaneously, McAvoy was transferred to Nassau County, NY, Homicide Squad South as a public relations ploy. Following a hostile reception from woman hating Detective Captain Peter J. Brennan, Patti was handed a cold case squad and exiled to an attic stacked floor to ceiling with cold cases. Brennan saddled Patti with four detectives, culled from his bad boy list, turning her assignment into a set up for failure. Outwitting Brennan by using guile and ingenuity, Patti led her team to a daring manslaughter arrest. Taking note of Patti’s leadership, a detective confided about his case of a murdered boy in a floating barrel, inexplicably removed from the active murder list and placed in the dead file as a special investigation. Patti attempted to re-open the case and ran into the infamous police “Blue Wall of Silence.” Patti browbeat Brennan into releasing the case. Breaching the “Wall,” cold case squad yielded two “persons of interest,” a prosperous attorney and a Roman Catholic Monsignor who was the Police Commissioner’s twin brother. Patti discovered the meaning of the ‘loneliness of command’ as she descended into the squalid world of sexism, racism, corruption and worst of all, pedophilia. The gruesome trail took her to the pillars of society. Patti found herself in the crosshairs of vile violent men, who would love to put a bullet between her eyes. The investigation exposed a massive political cover-up leading to the top of the food chain and ripped open a sleepy suburban county with the arrests of a powerful figure and Brennan.

The Para-State Sep 11 2020 Since its independence in the nineteenth century, the South American state of Colombia has been shaped by decades of bloody political violence. In The Para-State,ÊAldo Civico draws on interviews with paramilitary death squads and drug lords to provide a cultural interpretation of the country’s history of violence and state control. Between 2003 and 2008, Civico gained unprecedented access to some of Colombia’s most notorious leaders of the death squads. He also conducted interviews with the victims of paramilitary, with drug kingpins, and with vocal public supporters of the paramilitary groups. Drawing on the work of Deleuze and Guattari, this riveting work demonstrates how the paramilitaries have in essence become a war machine deployed by the Colombian state to control and maintain its territory and political legitimacy.

Peak Feb 14 2021 After fifteen years of rising to the pinnacle of the hospitality industry, Chip Conley's company was suddenly undercapitalized and overexposed in the post-dot.com, post-9/11 economy. For relief and inspiration, Conley, the CEO and founder of Joie de Vivre Hospitality, turned to psychologist Abraham Maslow's iconic Hierarchy of Needs. This book explores how Conley's company "the second largest boutique hotelier in the world" overcame the storm that hit the travel industry by applying Maslow's theory to what Conley identifies as the key Relationship Truths in business with Employees, Customers and Investors. Part memoir, part theory, and part application, the book tells of Joie de Vivre's remarkable transformation while providing real world examples from other companies and showing how readers can bring about similar changes in their work and personal lives. Conley explains how to understand the motivations of employees, customers, bosses, and investors, and use that understanding to foster better relationships and build an enduring and profitable corporate culture.

Goodbye Leederville Oval: History of West Perth Cheer Squad 1984-86 Sep 04 2022 This book details the author's experiences as co-founder of West Perth Football Club's unofficial cheer squad from 1984 to 1986. The book describes 'traditional', 'hot' support for West Perth Football Club among teenaged supporters from middle-class and working-class backgrounds. The author shows how, because of neo-liberal ideologies and the corporatization of football, the new national league (the 'expanded VFL' / AFL) relegated the WAFL to a second-tier league in 1987. This move took place over the heads of ordinary football supporters and two WAFL club presidents. Moves to bring the game closer to the people in 1984, such as holding the best-and-fairest award count night at Perth Entertainment Centre, should be seen in this light. This book will allow supporters to relive great teams, great players, and great matches from a wonderful era in WA football 1984-86 before West Coast Eagles joined the expanded VFL/AFL.
