Perspectives on the Uniform Commercial Code Jan 26 2022 Now published in a revised second edition, **Perspectives on the Uniform Commercial Code** remains the sole anthology of seminal readings on the history, jurisprudence, personalities, controversies, and current scholarship on the Uniform Commercial Code (UCC). Intended as a supplemental teaching tool for law school courses on commercial law, this anthology is designed to pique the interests of law students by presenting the UCC as a living, experimental text with economic and political dimensions. The format ; short and focused excerpts followed by a single discussion question ; is specifically designed to hold students' attention and to generate classroom discussion. The anthology begins with a useful introduction to the UCC, and then provides key readings on the history and drafting of the UCC, including selections from its principal drafters and its critics. The anthology has separate chapters on such topics as: how the UCC was enacted; the personality and vision of Karl Llewellyn; the jurisprudence of the UCC; how to interpret the official text and comments; debates surrounding the federalization of commercial law; whether the amendment process is flawed; the limits of property and commoditization; and a look at cutting-edge scholarship on the UCC. Students and professors alike will find the anthology a wonderful complement to the standard materials assigned in commercial law classes.

The sample examination questions and materials on drafting a contract are helpful study aids for students. *Rules of Contract Law 2009-2010* includes: Uniform Commercial Code--Articles 1 and 2 (Pre-revision Text) Uniform Commercial Code--Articles 1 and 2 (Revised Text) Convention on Contracts for the International Sale of Goods Restatement (Second) of Contracts Principles of International Commercial Contracts (2004) Materials on Electronic Contracting Contract Drafting: A Sample Problem Sample Examination Questions, now including a grading sheet

Chinese Contract Law - First Edition Sep 09 2020 This volume presents a well-analyzed inside view of Chinese contract law in theory and practice, which will be of interest to both academic researchers and practitioners in this area.

New Civil Codes in Hungary and Romania Feb 01 2020 This edited volume examines two recent Central European recodifications of civil law. The contributors present and discuss the regulation and the fundamental changes related to the new Civil Codes in each country. They also highlight the novelties and some of the issues of great debate of the new regulation. The papers investigate specific parts of the two Civil Codes. Coverage reviews default rules of legal persons and companies, key issues of the new regulations of property law, and the topic of intellectual property. The contributors also consider the law of obligation, unforeseeable changes in circumstances in contracts, family law and law of succession, and more. Hungary and Romania connect to each other by their special historical and cultural background, which serves as a solid basis of great cooperation. This volume shows how the two countries view civil law. It offers readers straightforward and practice-oriented knowledge on the subject.

Psychiatry in Law / Law in Psychiatry, Second Edition Oct 23 2021 *Psychiatry in Law/Law in Psychiatry, 2nd Edition*, is a sweeping, up-to-date examination of the infiltration of psychiatry into law and the growing intervention of law into psychiatry. Unmatched in breadth and coverage, and thoroughly updated from the first edition, this comprehensive text and reference is an essential resource for psychiatry residents, law students, and practitioners alike.

General Principles of Thai Private Law Dec 01 2019 This book offers a general framework for understanding the main concepts, rules, and institutions of the Thai legal system. It details the history of the civil and commercial code and provides readers with valuable information about the main principles that regulate relations between private individuals. Written in a clear and easy-to-understand style, it first presents the general principles of law and then addresses more specific aspects. It not only defines private law, but also explores how it works, and why it works the way it does. Topics covered include general rules of law, the law of obligations and contracts, the management of affairs without mandate and unjustified benefits, the law of property, family law and the law of inheritance.

Italian Private Law Aug 09 2020 *Italian Private Law* provides an excellent overview and analysis of Italian private law and its transition from the early twentieth century legal tradition to a system based on constitutional values, geared towards European integration. Exploring the eclectic yet systematically solid foundations of Italian private law, which has adapted itself to

the ever growing pressure of EU legislation, Alpa and Zenovich look at the legislative system as well as the profound influence of case-law and legal scholarship. It examines: family law succession legal persons businesses and companies property law contract law tort law. This volume is a key resource for legal scholars, practitioners and students who want to gain a deeper knowledge of Italian private law in their research, professional or academic activity.

Common Law and Modern Society Oct 11 2020 Law is a lasting social institution, but it must also be responsive to change. In this volume Mary Arden draws upon her experience to examine how judge-made law adapts to the evolving demands of society, how law reform works in practice, and the future of the judiciary in our diverse modern culture.

Russian Commercial Law Nov 11 2020 This is a new and substantially expanded edition of the author's 'Russian Commercial Law' (2001) which has become the standard resource in this area.

West's South Western Reporter Oct 30 2019

Perspectives on the Uniform Commercial Code Apr 28 2022 "This anthology effectively destroys the widely held belief that the Uniform Commercial Code (UCC) is a sterile and lifeless maze. Whereas most teaching and scholarship on the UCC has concerned itself with narrow issues surrounding one or more provisions, this book tackles the wider topics that make the UCC a living, experimental, and sometimes controversial text. The book begins with a treatment of the codification movement from which the UCC project was born and then turns to the history and drafting of the UCC, including selections from its principal drafters. Litowitz then raises pointed questions about the jurisprudence and interpretation of the UCC, including challenges from critics. After discussing often-neglected issues surrounding the social and political implications of the UCC, the discussion turns to currently pressing problems such as the amendment process and the arguments surrounding federalization. Students and professors alike will find the anthology a wonderful complement to the standard materials assigned in commercial law classes, facilitating a broader scholarly discussion of the UCC."

The French Commercial Code in English Nov 04 2022 This unique volume features an up-to-date expert English translation of the French Commercial Code and includes all amendments to the Code over the past year. The Code includes all commercial matters, including corporate, anti-trust, and bankruptcy law. Areas with extensive coverage include general provisions on commerce, commercial companies and economic interest groupings, certain types of sales and exclusivity clauses, freedom of prices and competition, negotiable instruments and guarantees, the organization of commerce, and certain regulated professions. This edition also includes footnotes explaining hard-to-translate terms, an extensive glossary of French legal terms and a practical topic index. This translation is especially useful for non-French speakers requiring a precise understanding of those matters governed by the Code as well as for those practitioners needing to explain the Code to English-speaking clients. The new 2007 edition incorporates changes to five of the eight Books of the Code - Books I, II, III, VI, and VII. The majority of the changes appear in Book II in the sections relating to the management and administration of public limited companies, as well as the many changes made to the sections relating to share capital and the shareholdings of employees. Also addressed in this edition are amendments to sections relating to commercial transactions, commercial persons, public auction sales, undertakings in difficulty and the registry of the Commercial Court. In addition to the full translation of the text of the Code, this volume includes useful footnotes to define French terms, and a glossary of French words translated into English.

Uniform Commercial Code Reporting Service, Second Series Jan 06 2023

Rules of Contract Law Nov 23 2021 This compact paperback from a respected author team can support any casebook. Knapp, Crystal, and Prince provide the rules you need to reveal the statutory underpinnings of the law, plus additional material to foster a deeper, more meaningful understanding of Contracts. For essential information in an accessible format, turn to the paperback statutory supplement many law professors have relied on to make teaching and learning Contracts more effective.

Company Law in East Asia May 06 2020 First published in 1999, this volume provides an overview of company laws in South East Asia, North East Asia and the Pacific. The chapters adopt a standard format to allow for comparisons to be made as well as highlighting key features of company laws in each jurisdiction. The contributors are experts in their fields and present practical and policy related insights. The book also contains some useful overviews of company law themes in Asia.

Journals of the Legislature of the State of California Feb 12 2021

The Oxford Handbook of Fiduciary Law Mar 04 2020 The Oxford Handbook of Fiduciary Law provides a comprehensive overview of critical topics in fiduciary law and theory through chapters authored by leading scholars. The Handbook opens with surveys of the many fields of law in which fiduciary duties arise, including agency law, trust law, corporate law, pension law, bankruptcy law, family law, employment law, legal representation, health care, and international law. Drawing on these surveys, the Handbook offers a synthetic analysis of fiduciary law's key concepts and principles. Chapters in the Handbook explore the defining features of fiduciary relationships, clarify the distinctive fiduciary duties that arise in these relationships, and identify the remedies available for breach of fiduciary duties. The volume also provides numerous comparative perspectives on fiduciary law from eminent legal

historians and from scholars with deep expertise in a diverse array of the world's legal systems. Finally, the Handbook lays the groundwork for future research on fiduciary law and theory by highlighting cross-cutting themes, identifying persistent theoretical and practical challenges, and exploring how the field could be enriched through empirical analysis and interdisciplinary insights from economics, philosophy, and psychology. Unparalleled in its breadth and depth of coverage, The Oxford Handbook of Fiduciary Law represents an invaluable resource for practitioners, policymakers, scholars, and students in this essential field of law.

Comparative Company Law Sep 29 2019 As attention moves rapidly towards comparative approaches, the research and teaching of company law has somehow lagged behind. The overall purpose of this book is therefore to fill a gap in the literature by identifying whether conceptual differences between countries exist. Rather than concentrate on whether the institutional structure of the corporation varies across jurisdictions, the objective of this book will be pursued by focusing on specific cases and how different countries might treat each of these cases. The book also has a public policy dimension, because the existence or absence of differences may lead to the question of whether formal harmonisation of company law is necessary. The book covers 10 legal systems. With respect to countries of the European Union, it focuses on the most populous countries (Germany, France, the UK, Spain, Italy and Poland) as well as two smaller Member States (Finland and Latvia). In addition, the laws of two of the world's largest economies (the US and Japan) are included for the purposes of wider comparison. All of these jurisdictions are subjected to scrutiny by deploying a comparative case-based study. On the basis of these case solutions, various conclusions are reached, some of which challenge established orthodoxies in the field of comparative company law.

Commercial Code Reporter Aug 28 2019
