**Donny's Unauthorized Technical Guide to Harley-Davidson, 1936 to Present** Jan 08 2023 In this second part of his fifth volume on Harley-Davidson motorcycles, Donny Petersen, who studied privately with Harley-Davidson engineers, shares practical knowledge and streetwise tips on the Shovelhead motorcycle. Donny presents what Harley-Davidson has to say through the myriad of service bulletins back in the day in everyday language. He also uses his extensive practical experience to constructively critique the official line, offers additional hard-earned information, and then shares what he does to his own bikes. He provides • solutions to fix the Shovelhead's teething problems; • Harley's responses to ongoing problematic aspects of vibration, as well as the aftermarket's cures; • tips on working with the Shovelhead's carburetors and five ignitions; starter and charging systems, electrical switches, circuit breakers, and relays; and • best practices for lubrication, as well as the progression of front forks and shocks, brakes, wheels, and tires. Written in straightforward language, this guide offers step-by-step instructions to help all levels of enthusiasts, from novices to expert mechanics. In his usual forthright manner, Donny makes technical issues understandable, interspersing explanations with entertaining stories about the lifestyle that comes with being a Harley rider.

*Real Photo Postcard Guide* Oct 05 2022 The Real Photo Postcard Guide is an informative, comprehensive, and practical treatment of this wildly popular American phenomenon that dominated the United States photographic market during the first third of the twentieth century. Robert Bogdan and Todd Weseloh draw on extensive research and observation to address all aspects of the photo postcard from its history, origin, and cultural significance to practical matters like dating, purchasing, condition, and preservation. Illustrated with over 350 exceptional photo postcards taken from archives and private collections across the country, the scope of the Real Photo Postcard Guide spans technical considerations of production, characteristics of superior images, collecting categories, and methods of research for dating photo postcards and investigating their photographers. In a broader sense, the authors show how "real photo postcards" document the social history of America. From family outings and workplace awards to lynchings and natural disasters, every image captures a moment of American cultural history from the society that generated them. Bogdan and Weseloh's book provides an admirable integration of informative text and compelling photographic illustrations. Collectors, archivists, photographers, photo historians, social scientists, and anyone interested in the visual documentation of America will find the Real Photo Postcard Guide indispensable.

**The Cork Jester's Guide to Wine** Aug 30 2019 From choosing a bottle of wine to bring to a dinner party to ordering from a restaurant wine list, many Americans are intimidated by the unpronounceable names and highbrow image of wine. Jennifer Rosen arms readers with the knowledge necessary to approach wine with confidence rather than fear. Through entertaining anecdotes, readers learn how to order with ease; what terms like "oak" and "earth" mean; what to expect from a sommelier; how to tame the red wine headache; how to cook with wine; storage and glassware tips; making wine at home; and much more. Witty and irreverent, Rosen sets novices at ease while delighting connoisseurs with her adventures and sophisticated palate.
