Mama, Is It Summer Yet? Oct 04 2020 In this charming book, one little boy can't wait for summer to arrive. He keeps asking, "Mama, is it summer yet?" Mama responds saying, "Not yet," but there are plenty of signs that indicate spring is changing into summer: The earth is soft and there are seeds to plant, birds singing, ducklings in the pond, and pink blossoms blooming. The young boy even wears his bathing suit and carries a beach pail in preparation, but will it ever be summer? The text is a wonderful celebration of the change of seasons and showcases Nikki's images of nature and the joys of family and community.

[Waiting for High Tide](#) Mar 09 2021 [Waiting for High Tide](#) has earned two STARRED reviews from Publisher's Weekly and Kirkus! For one young boy, it's a perfect summer day to spend at the beach with his family. He scours the high tide line for treasures, listens to the swizzling sound of barnacles, and practices walking the plank. But mostly he waits for high tide. Then he'll be able to swim and dive off the log raft his family is building. While he waits, sea birds and other creatures mirror the family's behaviors: building and hunting, wading and eating. At long last the tide arrives, and human and animal alike savor the water. Another beautiful ode to life lived in harmony with nature, and by the labor of one's own hands, from an artist of great warmth and clarity.

Whale Shines Sep 22 2019 All day, Whale swims through the ocean, wearing a poster advertising the big upcoming art exhibition. He visits the eel who wriggles abstract patterns in the sand, the squid who paints with ink, and the hammerhead shark who builds sculptures from salvage. Whale sees his friends' confidence and creativity and wishes he could be an artist too, but he doesn't know what to make and insists he's too ungainly to create art. Then one day, with the unexpected help of some bioluminescent plankton, he discovers his own distinct point of view and talent. From the award-winning author-illustrator of *What Animals Really Like*, hailed by School Library Journal as "sublime silliness," comes another inspiring tale about defying expectation and finding the artist within. Praise for *Whale Shines* STARRED REVIEW "At its core, Robinson's (*What Animals Really Like*) story is a tried and true tale of a wallflower realizing his potential. But her understated, offbeat voice and visuals—a mashup of classicism and graphic novel sensibilities—makes this a standout: up-to-the-minute modern in its irreverence and offhandedness, yet timeless in its understanding of a character's yearning." —Publishers Weekly, starred review "Sharp contrasts between light and dark are beautiful." —Kirkus Reviews "Children will embrace and understand the sincere, undervalued message of art as substantive and a way to "share one's world." This inspiring tale of artistic collaboration between the whale and bioluminescent plankton will be shared again and again." —School Library Journal "The watercolor and pencil art makes excellent use of the spreads' wide horizontality; while the art projects and, indeed, the underwater world are on the literal side for such an artistic-themed story, there's a murky charm to life in the briny deep... What's particularly appealing here is the casual inclusion of a wide variety of approaches to art, making this an entertaining lead-in to art projects, especially those involving the natural world." —Bulletin of The Center for Children's Books

The Nature of Viruses Aug 26 2022 The Novartis Foundation Series is a popular collection of the proceedings from Novartis Foundation Symposia, in which groups of leading scientists from a range of topics across biology, chemistry and medicine assembled to present papers and discuss results. The Novartis Foundation, originally known as the Ciba Foundation, is well known to scientists and clinicians around the world.

My Mom Is Magical Jan 19 2022 The creators behind the greeting card and design studio Hello!Press share a joyful tribute to moms in this delightfully illustrated children's book. Is your mom more amazing than a billion butterflies? More sparkly than a universe of stars? Sweeter than a cloud of cotton candy? Then this book is definitely for you! From Eunice and Sabrina Moyle, the creative team behind Hello!Press, this children's book celebrates all the things that make Mom magical. Each page reveals whimsical artwork and a delightful, imaginative message that children—and their Moms—will love.

Edmund Unravels Oct 24 2019 "Consider this children's book to be 2015's version of *Oh, the Places You'll Go!* Edmund, an adorable ball of yarn, sets off to explore the world. He meets interesting people and visits exciting places, but ultimately, finds that he can't head out into the world alone without a little support from his family." —Real Simple This delightful debut picture book celebrates both the joy of venturing into the unknown and the value of staying connected to loved ones back home. It stars a little ball of yarn who can't resist the tug of adventure, the twists and turns of discovery, or the comfort of family and friends. Edmund is a ball of yarn and a ball of energy! From the time he could roll, he's been bouncing down his front steps to explore, and his parents have always been right there to reel him in and roll him back up. But now that he's bigger, Edmund is ready to discover the wonders of the world. Everything is new and exciting—but sometimes, even a little ball of yarn gets lonely, and there's nothing better than the comfort of being around those he cares about.

You Are My Friend Jun 12 2021 A heartwarming, "beautifully crafted" picture book that celebrates the work of Mister Rogers and carries on his legacy of kindness (Booklist, starred review). Mister Rogers is one of the most beloved television personalities of our time, but before he was the man who brought us *Mister Rogers' Neighborhood*, he was just little Freddie Rogers. Though he was often sick and had trouble making friends as a child, his mom and grandfather encouraged him to ask for help and explore the world. With their support, he learned how to better say what he was feeling and see the beauty around him. As he grew up, he realized he could spread the message of compassion, equality, and kindness through television. *You Are My Friend* is a gentle homage to Fred Rogers and shows how his simple message still resonates with us today: "There's no person in the world like you and I like you just the way you are." The book also includes a short biography of Fred Rogers' life and a bibliography. "A simply written, thoughtful tribute worthy of the incomparable Mister

Rogers." ?Kirkus Reviews This is a work of fiction. This book is an expression of admiration of Fred Rogers, the man and the artist, by the author and illustrator. This book is not associated with or endorsed by The Fred Rogers Company.

Princesses Wear Pants May 31 2020 From NBC's TODAY coanchor Savannah Guthrie and educator Allison Oppenheim comes an empowering fairy tale with a twist. In the tradition of Not All Princesses Dress in Pink and Princess in Black, Princesses Wear Pants follows the unflappable Princess Penelope Pineapple, who knows how to get the job done while staying true to herself. Princess Penelope lives in a beautiful palace with a closet full of beautiful dresses. But being a princess is much, much more than beauty. In fact, every morning Princess Penelope runs right past her frilly dresses to choose from her beloved collection of pants! What she wears each day depends on which job she has to do. Will she command the royal air force sporting her sequined flight suit? Will she find her zen in her yoga pants and favorite tee? Or, will she work in the kingdom's vegetable garden with pocketed overalls for all of her tools? Unfortunately for Princess Penelope, not everyone in the Pineapple Kingdom thinks pants are always appropriate princess attire. When the grand Lady Busyboots demands that Princess Penelope must wear a gown to the annual Pineapple Ball, the young royal finds a clever way to express herself. Penelope's courage (and style choices) result in her saving the day! In their debut children's picture book, Savannah Guthrie and Allison Oppenheim team up for a savvy and imaginative story that celebrates fashion and girl power. Perfect for fans of Nickelodeon's Nella the Princess Knight, Princesses Wear Pants challenges gender stereotypes in the name of individuality, showing girls it's not how they look but what they do that matters.

The Useful Moose Jul 01 2020 What use is a moose? A young girl and her family find out Molly loves moose—not the dessert, the animal. Imagine her surprise when on a family trip to Alaska she can't find any because they've all gone on vacation—to her home city! When Molly returns, she befriends a forlorn moose threesome exhausted from their urban adventures and she and her parents take the moose in. Once rested, the moose prove to be invaluable: using their antlers as drying racks, pasta servers, clotheslines, and much more. Eventually the call of the wild summons them back to their real home. Will the domestic dynamos ever return? Or will Molly be mooseless? Exciting newcomer Fiona Robinson brings a terrific sense of humor and great imagination to this perfect story-hour book, with lots of funny visual jokes.

Occupational Diseases of the Skin Jun 24 2022

To Market, to Market Aug 14 2021 Known for art that celebrates the virtues of community, hard work, and living gently on the planet, Nikki McClure here explores a topic close to her heart: the farmers market. Alternating between story and fact, this lovingly crafted picture book follows a mother and son to the weekly market. As they check off items on their shopping list, the reader learns how each particular food was grown or produced, from its earliest stages to how it ended up at the market. *To Market, to Market* is a timely book that shines awareness on the skill that goes into making good food. Praise for *To Market, to Market*: STARRED REVIEW "These soulful images never feel static—an amazing feat for such a deliberate, painstaking medium." —Kirkus Reviews, starred review AWARD: WINNER: 2012 Washington State Book Award, Children's Picture Books

Kindness Rules! (A Hello!Lucky Book) Jul 25 2022 Manners don't come naturally to everyone! But did you know that elephants are known for their impeccable etiquette? It's true! This hilarious guide to good manners offers many fun teaching moments for kids and their parents—it covers all the basics for the preschool set, from saying "please" and "thank you" to sharing and being kind to others. Filled with bright, adorable illustrations in Hello!Lucky's inimitable style, young children will love learning about manners with this delightful, sturdy board book.

The Dress and the Girl Dec 06 2020 A little girl and her favorite dress dream of an extraordinary life. They enjoy simple pleasures together on a beautiful Greek island. They watch the sunset, do chores, and pick wildflowers on the way home. One day, the dress and the girl must leave the island and immigrate to the United States. Upon arrival, the girl is separated from the trunk carrying her favorite dress, and she fears her dress is lost forever. Many years later, the girl—now all grown up—spots the dress in a thrift store window. As the two are finally reunited, the memories of their times together come flooding back. While the girl can no longer wear the dress, it's now perfect for her own daughter—and the new journey of a girl and her dress begins. Featuring lush illustrations, *The Dress and the Girl* is a stunning picture book about memory and the power of the items we hold most dear.

Along Came Coco Jan 27 2020 In a time when children were meant to be seen and not heard, along came Coco, a small French orphan with an eye for style, a talent for sewing, and a big imagination. Coco grew up in an orphanage run by very strict nuns, but she wasn't very good at following rules. At a time when girls were told to brush their hair 100 times until their arms were sore, Coco promised herself that one day she would snip away her locks so that she wouldn't have to be so fussy—girls needed time for other things, and they needed some of the comforts that boys enjoyed. Why shouldn't girls have pockets? And why did they have to wear corsets all the time? An exploration of Coco's early life and a celebration of her creativity, *Along Came Coco* †shows the ways in which Coco Chanel's imaginative spirit led her to grow into one of the world's most beloved fashion icons.

What Animals Really Like Sep 03 2020 DIVWhen the National Animal Choir performs the latest song by renowned composer and conductor Mr. Herbert Timberteeth, nothing goes exactly as planned. Mr. Timberteeth has some preconceived notions of what animals like to do that are reflected in his song. But it turns out that lions prefer flower arranging to prowling and shrimp would rather ski than swim! With all the dissension and mayhem, will the show still go on? This hilarious picture book delivers a subtle message about stereotyping that kids, who are so often pigeonholed, will appreciate. Awards and Praise for *What Animals Really Like* 2012 Winner of the Irma S. Black & James H. Black Award for Excellence in Children's Literature "Robinson's story will keep children giggling at the beaver's frustrated reactions and the animals' unpredictable preferences. Encore!" --Publishers Weekly "Guffaws and surprising twists will have youngsters clamoring for a repeat performance. Brava!" --Kirkus Reviews /div

Vegetables in Holiday Underwear Jul 13 2021 Celebrate all of your favorite holiday traditions in this silly romp that's sure to make kids giggle (and want new undies!)—now in board book! There's underwear for every day of the week and every month of the year. But come December, Pea proclaims to everyone who will listen that it's his favorite time of the year! There's underwear for all of the best holiday activities—playing in the snow, hanging the lights, baking cookies, and of course for giving as a gift! When Pea goes a little bit overboard, Broccoli is there to remind him what the season is all about. With the same snappy humor that made *Vegetables in Underwear* a hit with the preschool set, Jared Chapman's latest makes the perfect stocking stuffer.

The Eye That Never Sleeps Apr 29 2020 This wonderfully illustrated children's biography of the great nineteenth-century detective "evokes a mysterious and exciting old-fashioned tale of espionage" (School Library Journal). Everyone knows the story of Abraham Lincoln, but few know anything about the spy who saved his life on the way to his 1861 inauguration! In *The Eye That Never Sleeps*, award-winning author and illustrator Marissa Moss reveals the true story of Allen Pinkerton. A poor Scottish immigrant, Pinkerton became the first police detective in Chicago before opening the country's most successful detective agency. He solved more than 300 murders and recover millions of dollars in stolen money. However, his greatest contribution was foiling an assassination plot against Abraham Lincoln. *The Eye That Never Sleeps* is illustrated with a contemporary cartoon style, mixing art and text in a way that appeals to readers of all ages. The book also includes a bibliography and a timeline.

Nurse, Soldier, Spy Aug 22 2019 This is the incredible true story of Sarah Emma Edmonds, who dressed as a man and fought in the Civil War. When she was 19, Sarah cut her hair, donned her brother's clothes, and fled from Canada, where her father wanted her to marry an elderly gentleman. In the U.S., she went by the name Frank Thompson and joined the Army to fight the Confederates. She was a nurse working on the battlefield when, because of her heroism, she was asked to serve as a spy. At her death, Edmonds was buried in a military cemetery, in a plot reserved for Civil War veterans—the only woman to have this honor.

Who? Feb 08 2021 ?Who? A baby! That's you, baby, you! That's who! Who? explores the relationships babies form with the people and things they love the most. The text's repetitive verse and melodic voice will

captivate babies and toddlers and draw them into the sounds and images of the book.

Christmas Is Awesome! (A Hello!Lucky Book) Oct 16 2021 Christmas is for everyone—even grumpy Lump of Coal—in this whimsical story from Hello!Lucky In this whimsical holiday romp, everyone’s getting in on the festive fun, including a grumpy but adorable lump of coal. Celebrate all of the things that make Christmas special as the trees are trimmed, the stockings are hung, and the ugly sweater contest gives out the grand prize. Hello!Lucky lends their winning illustrations and pun-derful voice to this charming holiday read.

Fruits in Suits Dec 26 2019 Have you ever seen a banana in a bikini? Or a tangerine in trunks? What about grapes in goggles? In this uproarious follow-up to *Vegetables in Underwear*, kids will learn that there are many kinds of suits—including suits for swimming, surfing, sunbathing, and scuba diving. But can you wear a business suit to the beach? *Fruits in Suits* has the same irreverent silliness as *Vegetables in Underwear* and shows just how much fun swimsuits can be—and how important it is to hold on to them when you jump into the water!

My Dad Is Amazing Dec 18 2021 A joyful tribute to fathers from the bestselling creators of Hello!Lucky! and authors of *My Mom is Magical and You Are Fantastic!*. Is your dad cooler than a million popsicles? Tougher than a rhino wrestler? Cuddlier than a ton of bunnies? Celebrate all the things that make Dad amazing with this joyful book!

The Uniqueness of the Individual Feb 20 2022 Originally published in 1957, *The Uniqueness of the Individual* is a collection of 9 essays published from the ten years preceding publication. The essays deal with some of the central problems of biology. These are among the questions put and answered from the standpoint of modern experimental biology. What is ageing and how is it measured? What theories have been held to account for it, and with what success? Did ageing evolve, and if so how? Is Lamarckism and adequate explanation of evolutionary process? Does evolution sometimes go wrong? Do human beings evolve in a way peculiar to themselves? Other essays touch upon the problems of scientific method and of growth and transformation. This book will be of interest to natural historians, evolutionists and anthropologists.

Ada's Ideas Feb 26 2020 Ada Lovelace (1815–1852) was the daughter of Lord Byron, a poet, and Anna Isabella Milbanke, a mathematician. Her parents separated when she was young, and her mother insisted on a logic-focused education, rejecting Byron’s “mad” love of poetry. But Ada remained fascinated with her father and considered mathematics “poetical science.” Via her friendship with inventor Charles Babbage, she became involved in “programming” his Analytical Engine, a precursor to the computer, thus becoming the world’s first computer programmer. This picture book biography of Ada Lovelace is a compelling portrait of a woman who saw the potential for numbers to make art.

How to Be a Cat Aug 02 2020 “The simplicity and flow of page design are beautifully done as viewers follow a kitten and his mother as she teaches him basic feline behavior.” —School Library Journal (starred review) In cut-paper artist Nikki McClure’s latest picture book, a kitten practices the basics of feline behavior over the course of a day. A single word of text per spread teaches readers “how to be a cat”—how to stretch, clean, pounce, feast—while the striking paper cuts illustrate the kitten’s attempts to imitate an adult cat’s mastery of each skill. At times the kitten triumphantly succeeds, and at other times the kitten struggles, in vignettes that range from whimsical to profound. A celebration of all things feline, *How to Be a Cat* also tells a universal story of mastering life skills, and of the sometimes tender, sometimes stern relationship between parent and child, teacher and pupil. Cat lovers of all ages will connect to this loving portrayal of a mentor-student relationship. “Purrrrrfect for beginning readers and little artists with an eye for fine cut-paper compositions and craftsmanship.” —Kirkus Reviews (starred review) “The lively verbs and pictures will inspire young readers to imitate the kitten’s actions, all the way to the last page, when the two cats curl up to ‘Dream.’ Part concept book of actions, part a day in the life of a cat, the pages provide two kinds of narratives, no small feat for such a simple-looking story.” —New York Journal of Books “McClure’s cut-paper spreads can be mesmerizing.” —Publishers Weekly “McClure wonderfully captures the shape and movement of the feline form.” —The Bulletin of the Center for Children’s Books

Super Pooper and Whizz Kid Nov 17 2021 Introducing two new potty pals kids and parents will adore, *Super Pooper and Whizz Kid: Potty Power!* is a humorous potty-training book with a hip sensibility and a playful take on a toddler’s most important rite of passage.

Bilal Cooks Daal Nov 24 2019 A Kirkus Reviews Best Picture Book of 2019 An Asian/Pacific American Award for Literature Honor Book 2019 Six-year-old Bilal introduces his friends to his favorite dish—daal!—in this charming picture book that showcases the value of patience, teamwork, community, and sharing. Six-year-old Bilal is excited to help his dad make his favorite food of all-time: daal! The slow-cooked lentil dish from South Asia requires lots of ingredients and a whole lot of waiting. Bilal wants to introduce his friends to daal. They’ve never tried it! As the day goes on, the daal continues to simmer, and more kids join Bilal and his family, waiting to try the tasty dish. And as time passes, Bilal begins to wonder: Will his friends like it as much as he does? This debut picture book by Aisha Saeed, with charming illustrations by Anoosha Syed, uses food as a means of bringing a community together to share in each other’s family traditions.

Why should your little genius's first word be cat when it can be catawampus? Start your child off with an early love of reading with these big words that are wonderfully fun to say!

Referativnyi zhurnal Oct 28 2022

The Bluest of Blues Apr 10 2021 A gorgeous picture book biography of botanist and photographer Anna Atkins--the first person to ever publish a book of photography After losing her mother very early in life, Anna Atkins (1799–1871) was raised by her loving father. He gave her a scientific education, which was highly unusual for women and girls in the early 19th century. Fascinated with the plant life around her, Anna became a botanist. She recorded all her findings in detailed illustrations and engravings, until the invention of cyanotype photography in 1842. Anna used this new technology in order to catalogue plant specimens—a true marriage of science and art. In 1843, Anna published the book *Photographs of British Algae: Cyanotype Impressions* with handwritten text and cyanotype photographs. It is considered the first book of photographs ever published. Weaving together histories of women, science, and art, *The Bluest of Blues* will inspire young readers to embark on their own journeys of discovery and creativity.

The Cutest Thing Ever Jan 07 2021 An adorable and hilarious picture book filled with the cutest things imaginable This wacky, imaginative picture book sets out to answer a big question: Wanna see the cutest thing EVER? Just when you think you’ve seen it, there’s more! Is it a kitten? A unicorn? Bunny astronauts? These things are cute, but are they really the cutest thing ever? After being paraded through a colorful world of cuteness, young readers will discover a mirror on the final page, which reflects the actual cutest thing ever and makes them shout—it’s me! With charming illustrations and laugh-out-loud text, *The Cutest Thing Ever* is a fun read-aloud for parents and children to share together.

What Will These Hands Make? Sep 15 2021 “Themes of community, creativity, and craft are at the heart of this book about a family preparing for a grandmother’s birthday celebration.” —School Library Journal This lyrical picture book from beloved creator Nikki McClure follows a family through one day and muses in the possibilities that one day holds—from enjoying treats at the bakery, to admiring handmade goods from local artisan shops, to observing the new construction in town. Illuminating themes of community, creativity, and collaboration, *What Will These Hands Make?* dares the reader to dream up everything they can be and all the

ways they can leave their little corner of the world better than they found it. “Capitalized headers boldly ask “WILL THESE HANDS MAKE,” with possibilities unfurling in lyrical, lucid verse beneath. Awe-inspiring double-page spreads show a busy town from multiple, miraculous perspectives . . . Extraordinary artwork inspires young people to use their hearts and hands.” —Kirkus Reviews (starred review) “This celebration of citizenry and craft is a poignant reminder of the objects and places that makers weave . . . The book’s appeal spans a wide range: younger readers will enjoy the seek-and-find aspect, and older readers may find inspiration in its vision of daily life and communal innovation.” —Publishers Weekly (starred review) “Careful viewers will be delighted to find scenes revisited in closer detail and from different vantage points . . . The clever bookmaking technique, which moves between the busy scene and its individual sections, produces the joy of a shared experience in which all hands combine.” —Booklist

Listos! 3 Rojo Pupil Book Sep 27 2022 'Listos!' is a Spanish language course for year seven or eight starters working at Key Stage 3. The individual course books are graded to help students learn in a coherent and structured way.

Vegetables in Underwear Nov 05 2020 A bunch of friendly vegetables wear colorful underwear of all varieties—big, small, clean, dirty, serious, and funny—demonstrating for young ones the silliness and necessity of this item of clothing. The unexpectedness of vegetables in their unmentionables is enough to draw giggles, but the pride with which the “big kid” attire is flaunted in front of the baby carrots in diapers will tickle readers of all ages. With rhyming text that begs to be chanted aloud and art that looks good enough to eat, this vibrant story will encourage preschoolers to celebrate having left those diapers behind!

It's So Amazing! Mar 29 2020 “An outstanding book. . . Meets the needs of those in-between or curious kids who are not ready, developmentally or emotionally, for It’s Perfectly Normal.” —Booklist (starred review)

How does a baby begin? What makes a baby male or female? How is a baby born? Children have plenty of questions about reproduction and babies—and about sex and sexuality, too. It’s So Amazing! provides the answers—with fun, accurate, comic-book-style artwork and a clear, lively text that reflects the interests of children age seven and up in how things work, while giving them a healthy understanding of their bodies. Created by the author and illustrator of It’s Perfectly Normal, this forthright and funny book has been newly updated for its fifteenth anniversary.

The Management of Abdominal Operations Mar 21 2022
