Lovely Wild Feb 26 2022 From New York Times bestselling author Megan Hart comes an evocative story of a woman trying to find her place in a world she's not sure she belongs... Brought up in the savage captivity of her unstable grandmother's rural Pennsylvania home, Mari Calder once yearned for rescue. Now she struggles every day to function as an adult in the confines of normal society. Left with only foggy recollection of her childhood, she's consumed with being a dutiful wife to her husband, Ryan, and mother to their two children. But an unexpected twist of events returns her to that long-forgotten house in the woods. Soon, Mari is greeted with reminders of a past life, the clarified memories only inviting a new level of strangeness into her fragile world. To protect her family, she must find the beautiful, powerful strength hidden in her inner chaos. Because someone is bent on exploiting Mari's trauma, and as normal and wild begin to blend, a string of devastating truths force Mari to question all she thought she knew. "Haunting, devastating, heart-wrenching."—RT Book Reviews on Precious and Fragile Things

The Passion of Mary Magdalen Jul 22 2021 “Cunningham weaves Hebrew scripture, Celtic and Egyptian mythology, and early Christian legend into a nearly seamless whole, creating an unforgettable fifth gospel story in which the women most involved in Jesus’s ministry are given far more representation.”—Library Journal “This year’s must-have summer reading.”—KINK Radio “Lavish and lusty . . . Cunningham’s Celtic Magdalen is as hot in the mouth as Irish whiskey.”—Beliefnet (chosen as one of this year’s “heretical beach-books”) “Explodes off the page with its tales of love, hope, power, and redemption—book clubs looking for a great discussion, take note.”—TheBookBrothel.com

NLP and Personal Growth Thoughts Nov 01 2019 This ebook contains a diverse collection of fifteen NLP and personal growth articles. Some articles will educate you on basic NLP concepts, while others will challenge your current way of thinking and how you view the world around you. If you take time to read all of the articles and fully consider what is said, rather than quickly skimming them, your thoughts about yourself and what is possible will most likely change. A companion ebook contains another fifteen articles and a third is planned. Many of these articles appear on my website, renewal.ca. As well, some articles, in whole or in part, have appeared in my previous books or have been published in magazines or newsletters (e.g. NASA's Work/Life Navigator newsletter, The Costco Connection magazine, Tone magazine, Canadian Mortgage Professional magazine, Canadian Real Estate Wealth magazine) or internet sites such as: positivelivingtv.com (a web component to the lifestyle television show Positive Living TV, which aired on A-Channel, CityTV and One: The Mind, Body and Spirit Channel in Canada), evancarmichael.com, naturalhealthweb.com, nlp-center.net, selfgrowth.com, lifecoachnlp.com, nlpglobalstandards.com and positivearticles.com. Almost all articles in this ebook vary from the originals as they have been updated and/or subjected to additional editing. Although you and I have some common interests, we are far from identical. We have experienced different childhoods, have different cultural experiences and I am sure our beliefs and values differ in some way. As a result, you may find some of the articles particularly insightful, while other articles may be challenging or not resonate for you at all. And then your friends or family members may have totally different opinions on the articles, yet again. Yet, a year from now, articles that you found particularly moving may no longer resonate as you have moved past that issue in your life; while articles that originally did not make sense, seemed inappropriate or were just bland may be the ones that hold new insights or truths for you. If you do find an article challenging or not relevant and you want to quickly dismiss it, I respectfully request that you come back to that article when you have time to fully relax. Explore if there is something in the article that you are choosing to ignore at this time and that if you were to fully explore that issue or idea perhaps it would open new doors or avenues of thought that will make a significant difference in your life.

Christmas at Emelia's Jun 28 2019 This Christmas join the De La Fuentes and McKenzies in Blossom Creek as they celebrate the grand opening of Emelia's Restaurant. Over twenty years after Levi De La Fuente's parents opened the first Emelia's, Levi and his cousin Ryan are getting ready to open a second location. Emma De La Fuente manages the first Emelia's in Essex, Vermont for her parents. She's in town to assist her brother and cousin in getting the new restaurant ready for its grand opening. However, she didn't plan on the strong attraction she feels toward the town Sheriff. The man with his sweet words and heated looks has managed to derail her plans on returning home. While his sister is distracted, Levi finds himself in need of rescuing from a rather embarrassing situation. Luckily for him, Vivien Taylor, owner of Temptations, Blossom Creek's handmade chocolate store, appears just at the right time. If only he didn't crave the sweet woman, then maybe, this situation wouldn't be so awkward. Blossom Creek just might be warm enough to melt the snow this holiday season.

Finally Forever Jan 04 2020 No strings. No commitments. No problem. That was the deal. A fling with a sexy cowboy? Sure, why not? Besides, it's not like he's a total stranger. Dylan Scott is the friend of a friend, and as a self-proclaimed player, he's perfect for me to break my five-year dry spell with. Especially since he's made it quite clear that a relationship of any kind is totally off the table. When my little holiday at his ranch is over, we are, too. Fine by me. I'm a widowed single mom. The last thing I have time for is a brooding, self-important billionaire cowboy, even if he does make my body come alive in ways I never thought possible beyond the pages of a romance novel. A lifetime of following the rules and being the good girl has left me with nothing but secrets and hidden desires that I've managed to keep from everyone. Trust me, it's safer that way. But I was not counting on having any actual feelings for Dylan, at least none beyond the passion fueled physical. And when I do, dammit if things don't start to get complicated—fast. And it doesn't take long for the safe—and boring—bubble I've created for my life to become anything but. And now, for the first time in my life, the only thing to do is face the truth. No matter how much it hurts.
