College & University Food Service Manual Jul 30 2020 Abstract: The successful college food service director has enthusiasm, empathy, dedication, ethics, quality consciousness, an outgoing personality, leadership ability, food service knowledge, business knowledge, close association with other food service professionals, and awareness of and dedication to good nutrition. A new food service director chronologically prioritizes steps to take to reorganize his operation. The manual presents reorganization steps chronologically to include: 1) developing a master plan; 2) setting up a food purchasing system; 3) establishing budgets and control; 4) building a staff; 5) maintaining food quality; and 6) dealing with residence halls, cash operations, vending, sanitation, safety, catering, special events, and public relations. Appendixes and exhibits provide illustrative, helpful suggestions. A food service director's job can be creative, imaginative, challenging, interesting, and rewarding for the director who is on top of things.
