[What Happened to You?](#) Jul 04 2020 The first ever picture book addressing how a disabled child might want to be spoken to. What happened to you? Was it a shark? A burglar? A lion? Did it fall off? Every time Joe goes out the questions are the same . . . what happened to his leg? But is this even a question Joe has to answer? A ground-breaking, funny story that helps children understand what it might feel like to be seen as different. 'A revolutionary book on disability.' Inclusive Storytime 'Catchpole's beautifully judged, child-friendly words ably evoke the fatigue and wariness of repeatedly being asked the same question rather than simply being accepted and allowed to play, while George's warm images amplify the delight of shared imagination.' The Guardian 'Wonderful, delightful and important. [...] Not only will it

help nondisabled adults and children understand what it is like to be singled out for being different, but it will empower disabled children and help them realise they don't have to justify themselves to people they don't know.' Jen Campbell, bestselling author of Franklin's Flying Bookshop 'With beautifully characterful illustrations and plenty of calming white space, it exudes gentle energy and humour to appeal to every child. This is a stunningly clever book.' BookTrust 'The beauty of What Happened to You? is its focus on empathy... a brilliant book to open up the conversation with pre-school kids.' Disability Arts Online 'A groundbreaking picture book reflecting the world of a visibly disabled child... a funny and very enjoyable read that will nevertheless perform an urgently needed task and generate very useful discussion at home and school.' Buoyancy Jan 22 2022 Buoyancy - it's an interesting word that relates to floating. It's the quality that helps things stay above the waterline, whether it is an ocean-going super-tanker or a child holding its breath to stay afloat. Human buoyancy is like it. Stress, pressure, adversity, and life-challenges can cause people to feel disconnected, distraught, or 'down'. Psychological buoyancy is the quality that helps people to stay 'up'. In his groundbreaking curricular lesson plans, Dr. Kirk Austin explores seven elements that contribute to human buoyancy. Using the acronym BREATHE, Buoyancy: Building Resilient Kids - Lesson Plans explores the concepts of Bravery, Resilience, Endurance, Acceptance, Tenacity, Hope, and Excellence. Written for parents, adult-helpers and educators, Buoyancy: Building Resilient Kids - Lesson Plans, explores how to help kids build the skills related to human flourishing. Lesson Plans examines seven stories of real people who exemplified an element of BREATHE. It goes further in providing curricular examples and exercises to build the skills necessary to stay buoyant. It is a helpful and practical addition to any social and emotional learning curriculum. This resource is recommended for grades 3-6.

This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit.
