Tutu's role as the Chair of the Truth and Reconciliation Commission taught him much about forgiveness. If you asked anyone what they thought was going to happen to South Africa after apartheid, almost

universally it was predicted that the country would be devastated by a comprehensive bloodbath. Yet, instead of revenge and retribution, this new nation chose to tread the difficult path of confession, forgiveness, and reconciliation. Each of us has a deep need to forgive and to be forgiven. After much reflection on the process of forgiveness, Tutu has seen that there are four important steps to healing: Admitting the wrong and acknowledging the harm; Telling one's story and witnessing the anguish; Asking for forgiveness and granting forgiveness; and renewing or releasing the relationship. Forgiveness is hard work. Sometimes it even feels like an

impossible task. But it is only through walking this fourfold path that Tutu says we can free ourselves of the endless and unyielding cycle of pain and retribution. The Book of Forgiving is both a touchstone and a tool, offering Tutu's wise advice and showing the way to experience forgiveness. Ultimately, forgiving is the only means we have to heal ourselves and our aching world.

[Neil Armstrong Is My Uncle and Other Lies Muscle Man McGinty Told Me](#) Aug 11 2021 A tender story about a tough-as-nails girl forced to take one small step towards understanding during the summer of 1969. "Muscle Man

McGinty is a squirrely runt, a lying snake, and a pitiful excuse for a ten-year old.....the problem is that no one knows it but me. In the entire town of Massapequa Park, only I can see him for what he really is. A phony." Tamara Ann Simpson is determined to expose Muscle Man McGinty, a foster boy new to her neighborhood, for the liar that she knows he is. Muscle Man tells the other kids his uncle is Neil Armstrong and he even has the audacity to challenge the entire block to a kickball game. So, why is Tamara the only one who can see through this kid? It's the summer of 1969 and things are changing in Tamara's little town of Massapequa, Long Island, and in the world. Perhaps Tamara can take one small step towards a bit of compassion and understanding.

**The Boy Who Lost His Face** May 20 2022 CURSED! David was only trying to be cool when he helped some other boys steal an old lady's cane. But when the plan backfires, he is the one whom she 'curses'. Now David can't seem to do anything right. The cool kids taunt him and his only friends are weirdos. He even walks into Spanish class with his fly unzipped! And when he finally gets his nerve up to ask out a cute girl, his trousers fall down midway! But is this the curse at work or is David turning into a total loser? Another witty and very clever tale by the master storyteller Louis Sachar. *The Lesbiana's Guide to Catholic School* Jul 30 2020

National Bestseller \* National Book Award Finalist A sharply funny and moving debut novel about a queer Mexican American girl navigating Catholic school, while falling in love and learning to celebrate her true self. Perfect for fans of Erika L. Sánchez, Leah Johnson, and Gabby Rivera. Sixteen-year-old Yamilet Flores prefers to be known for her killer eyeliner, not for being one of the only Mexican kids at her new, mostly white, very rich Catholic school. But at least here no one knows she's gay, and Yami intends to keep it that way. After being outed by her crush and ex-best friend before transferring to Slayton Catholic, Yami has new priorities: keep her brother out of trouble, make her mom proud, and, most importantly, don't fall in love. Granted, she's never been great at any of those things, but that's a problem for Future Yami. The thing is, it's hard to fake being straight when Bo, the only openly queer girl at school, is so annoyingly perfect. And smart. And talented. And cute. So cute. Either way, Yami isn't going to make the same mistake again. If word got back to her mom, she could face a lot worse than rejection. So she'll have to start asking, WWSGD: What would a straight girl do? Told in a captivating voice that is by turns hilarious, vulnerable, and searingly honest, *The Lesbiana's Guide to Catholic School* explores the joys and heartaches of living your full truth out loud.

**Trigger Points** Mar 06 2021

"An urgent read that illuminates real possibility for change." —John Carreyrou, New York Times bestselling author of *Bad Blood* For the first time, a story about the specialized teams of forensic psychologists, FBI agents, and other experts who are successfully stopping mass shootings—a hopeful, myth-busting narrative built on new details of infamous attacks, never-before-told accounts from perpetrators and survivors, and real-time immersion in confidential threat cases, casting a whole new light on how to solve a grievous problem It's time to go beyond all the thoughts and prayers, misguided blame on mental illness, and dug-in

disputes over the Second Amendment. Through meticulous reporting and panoramic storytelling, award-winning journalist Mark Follman chronicles the decades-long search for identifiable profiles of mass shooters and brings readers inside a groundbreaking method for preventing devastating attacks. The emerging field of behavioral threat assessment, with its synergy of mental health and law enforcement expertise, focuses on circumstances and behaviors leading up to planned acts of violence—warning signs that offer a chance for constructive intervention before it's too late. Beginning with the pioneering study in the late 1970s of "criminally insane" assassins and the stalking behaviors discovered after the murder of John Lennon and the shooting of Ronald Reagan in the early 1980s, Follman traces how the field of behavioral threat assessment first grew out of Secret Service investigations and FBI serial-killer hunting. Soon to be revolutionized after the tragedies at Columbine and Virginia Tech, and expanded further after Sandy Hook and Parkland, the method is used increasingly today to thwart attacks brewing within American communities. As Follman examines threat-assessment work throughout the country, he goes inside the FBI's elite Behavioral Analysis Unit and immerses in an Oregon school district's innovative violence-prevention program, the first such comprehensive system to

prioritize helping kids and avoid relying on punitive measures. With its focus squarely on progress, the story delves into consequential tragedies and others averted, revealing the dangers of cultural misunderstanding and media sensationalism along the way. Ultimately, Follman shows how the nation could adopt the techniques of behavioral threat assessment more broadly, with powerful potential to save lives. Eight years in the making, *Trigger Points* illuminates a way forward at a time when the failure to prevent mass shootings has never been more costly—and the prospects for stopping them never more promising.

*China: Land of Dragons and Emperors* May 28 2020 A fascinating book about the history and culture of China. The history of China spans thousands of years. Journey through China in this fascinating and absorbing book: discover the land of dragons and emperors, and learn about the significance of its ancient dynasties. Countless tools and materials that people have used every day for centuries—paper, gunpowder, cast iron, matches, and silk, to name just a few—were first made in China. Chinese society has progressed through major changes, but lucky numbers, festivals, beliefs about colors, the practice of footbinding, the building of the Great Wall, and the larger-than-life people of China are all integral parts of this ancient civilization and still have an impact on life today. Bestselling author Adeline Yen Mah explores an extraordinary

view of the great story of China over the last two millennia in this nonfiction work, which also includes black-and-white photographs.

### **The Seven Chinese Brothers**

### **The Midwest Survival Guide**

Jan 24 2020 New York Times Bestseller A hilarious full-color guide to Midwestern culture, from comedian and journalist Charlie Berens, creator of the viral comedic series "The Manitowoc Minute" Have you ever had a goodbye lasting more than four hours? Do you lack the emotional capacity to say "I love you" so you just tell your loved ones to "watch out for deer"? Have you apologized to a stranger because she stepped on your foot? If you answered yes to any of these questions, there's a good chance you're a Midwesterner—or a Midwesterner at heart. Even if you answered no, you probably know someone who held the door for you from two football fields away. He likely waved at you and said, "Hey there," like you organized the church bar crawl together. That was a Midwesterner in the wild. We understand that your interaction was strange—but it's likely to get stranger. Don't wait until they stick their head in your second-floor window to invite you over for a perch fry because they climbed on your roof to clean your gutters. There's no need to pull the pepper spray; this species is helpful by nature. And the relationship could be very

symbiotic—but only if you let it happen. And that's where this book comes into play. Inspired by my comedy tours across the Midwest and life growing up in Wisconsin, this book is an exploration into my favorite region on Earth. Some may think the Midwest is just a bunch of bland flyover states filled with less diversity than a Monsanto monoculture. But scratch that surface with your buck knife and you'll find rich cultures and traditions proving we're more than just fifty shades of milk. So whether you're a born-and-bred Midwesterner looking to sharpen your skill at apologies or a costal elite visiting the in-laws for the holidays, this book will help you navigate the Midwest, with everything from the best flannel looks to dating and mating rituals (yes, casserole is involved) to climbing the corporate corn silo to how to handle a four-way stop—and every backyard brat fry in between. And for those of you who don't like reading, don't worry—we've got pictures! Toss in illustrations, sidebars, quizzes, and jokes worthy of a supper club stall and *The Midwest Survival Guide* is just the walleye-deep look into this distinctive, beautiful, and bizarre American culture you've been looking for.

**Home of the Brave** Dec 23

2019 Kek comes from Africa. In America he sees snow for the first time, and feels its sting. He's never walked on ice, and he falls. He wonders if the people in this new place will be like the winter - cold and unkind. In Africa, Kek lived with his mother, father, and brother. But only he and his mother have survived, and now she's missing. Kek is on his own. Slowly, he makes friends: a girl who is in foster care; an old woman who owns a rundown farm, and a cow whose name means "family" in Kek's native language. As Kek awaits word of his mother's fate, he weathers the tough Minnesota winter by finding warmth in his new friendships, strength in his memories, and belief in his new country.

**Fire by Night** Dec 15 2021

What do we do with the Old Testament? How do we read words written in a world so different from ours, stories so ruthless and so filled with grace? In *Fire by Night*, pastor Melissa Florer-Bixler invites readers to marvel at the Old Testament. Page after page, in stories and poems and prophecies, the Hebrew Scripture introduces us to a God who is unwieldy and uncontrollable, common and extraordinary, and who brings both life and death. Using stories from Scripture and from her ministry, Florer-Bixler braids together the text with the sometimes ordinary, sometimes radical grace of God. The same passages that confuse and horrify and baffle us can, if we are paying attention, lure us closer toward God. This God has traveled with people through cloud and fire, by day and by night, since the beginning of time. The Old Testament is a perplexing book of profound grace, hope, and beauty. It's a book of fire. To read the Old Testament is to draw close to God's love, which continues to burn away our expectations and set us ablaze. This God has traveled with people through pillars of cloud and fire, by day and by night, since the days of the exodus.

**Ish** Aug 23 2022 Features an audio read-along! A creative spirit learns that thinking “ish-ly” is far more wonderful than “getting it right” in this gentle new fable from the creator of the award-winning picture book *The Dot*. Ramon loved to

draw. Anytime. Anything. Anywhere. Drawing is what Ramon does. It's what makes him happy. But in one split second, all that changes. A single reckless remark by Ramon's older brother, Leon, turns Ramon's carefree sketches into joyless struggles. Luckily for Ramon, though, his little sister, Marisol, sees the world differently. She opens his eyes to something a lot more valuable than getting things just "right." Combining the spareness of fable with the potency of parable, Peter Reynolds shines a bright beam of light on the need to kindle and tend our creative flames with care.

**The Dragon's Child** Oct 21 2019 Did you want to go to America? Pop: Sure. I didn't have a choice. My father said I had to go. So I went. Were you sad when you left your village? Pop: Maybe a little . . . well, maybe a lot. Ten-year-old Gim Lew Yep knows that he must leave his home in China and travel to America with the father who is a stranger to him. Gim Lew doesn't want to leave behind everything that he's ever known. But he is even more scared of disappointing his father. He uses his left hand, rather than the "correct" right hand; he stutters; and most of all, he worries about not passing the strict immigration test administered at Angel Island. *The Dragon's Child* is a touching portrait of a father and son and their unforgettable journey from China to the land of the Golden Mountain. It is based on actual conversations between two-time Newbery Honor author
