Birds of Passage Nov 13 2020 Birds of Passage presents an unorthodox analysis of migration ion to urban industrial societies from underdeveloped rural areas. It argues that such migrations are a continuing feature of industrial societies and that they are generated by forces inherent in the nature of industrial economies. It explains why conventional economic theory finds such migrations so difficult to comprehend, and challenges a set of older assumptions that supported the view that these migrations were beneficial to both sending and receiving societies. Professor Piore seriously questions whether migration actually relieves population pressure and rural unemployment, and whether it develops skills necessary for the emergence of an industrial labour force in the home country. Furthermore, he criticizes the notion that in the long run migrant labour complements native labour. On the basis of this critique, he develops an alternative theory of the nature of the migration process.

Russian Kamchatka expeditions (eighteenth century), and the navigation from Europe to the major rivers in north-west Siberia (late nineteenth to early twentieth century), as well as the Russian utilisation of the sea route in the Soviet epoch and later.

Rites of Passage in Ancient Greece Mar 30 2022 The twelve essays in this volume of Bucknell Review treat the topic of rites of passage in ancient Greece, focusing largely on Athenian tragedy, but also Plato, the Greek novel, the festival of Anthesteria, and other topics.

Passage through Hell Feb 26 2022 Taking the culturally resonant motif of the descent to the underworld as his guiding thread, David L. Pike traces the interplay between myth and history in medieval and modernist literature. *Passage through Hell* suggests new approaches to the practice of comparative literature, and a possible escape from the current morass of competing critical schools and ideologies. Pike's readings of Louis Ferdinand Céline and Walter Benjamin reveal the tensions at work in the modern appropriation of structures derived from ancient and medieval descents. His book shows how these structures were redefined in modernism and persist in contemporary critical practice. In order to recover the historical corpus of modernism, he asserts, it is necessary to acknowledge the attraction that medieval forms and motifs held for modernist literature and theory. By pairing the writings of the postwar German dramatist and novelist Peter Weiss with Dante's *Commedia*, and Christine de Pizan with Virginia Woolf, Pike argues for a new level of complexity in the relation between medieval and modern poetics. Pike's supple and persuasive reading of the *Commedia* resituates that text within the contradictions of medieval tradition. He contends that the Dantean allegory of conversion, altered to suit the exigencies of modernism, maintains its hold over current literature and theory. The postwar writers Pike treats—Weiss, Seamus Heaney, and Derek Walcott—exemplify alternate strategies for negotiating the legacy of modernism. The passage through hell emerges as a

Passage Meditation - A Complete Spiritual Practice Jul 10 2020

Easwaran's classic manual on meditation and spiritual living is a unique source of practical spiritual support for new and experienced meditators. Easwaran taught passage meditation for over forty years, and his class at the University of California, Berkeley was the first accredited course on meditation at any Western university. He is the author of the best-selling translation in English of the Bhagavad Gita, India's best-known scripture. In passage meditation, you focus attention on passages or texts from the world's wisdom traditions that are positive, practical, and uplifting, and that fit with your own religious or non-religious beliefs. This universal method of meditation stays fresh and inspiring, prompting you to live out your highest ideals, and the mantram and six other spiritual tools help you to stay calm, kind, and focused throughout the day. This book shows how, with regular practice, you gain wisdom and vitality, and find a life that fulfills. This fourth edition of *Passage Meditation* has been extended by over thirty percent to include Easwaran's answers to more than 100 questions posed by his students in question and answer sessions. It gives all the instruction needed to establish a vibrant meditation practice and keep it going.

Corporate Reputation Oct 13 2020 Praise For Corporate Reputation: 12 Steps to Safeguarding and Recovering Reputation

"In a sea of business books, *Corporate Reputation* is a beacon of light for all leaders and future leaders looking for direction in the treacherous waters of a volatile business environment. It delivers a message that's provocative, insightful, and needs to be heard."

—Heidi Henkel Sinclair, Director of Communications, Bill & Melinda Gates Foundation "Every CEO, senior executive, and, increasingly, board member now appreciates the importance of building and protecting a company's reputation. Anyone who depends upon or shapes a company's reputation—customers, employees, news media, NGOs, and bloggers—will benefit from reading Dr. Gaines-Ross's book and will learn more about the influence they wield over corporate reputations." —Dr. Robert G. Eccles, Senior Lecturer, Harvard Business School "At a time when companies are facing unprecedented reputation crises comes a timely primer from Dr. Gaines-Ross that tells us what companies need to do to bring their reputations back from the brink. The book's 12-step reputation recovery model captures what we know about effective crisis management, and brings the process to life with a host of detailed case examples. It's right on the mark!"

—Dr. Charles Fombrun, CEO, Reputation Institute "Finally, a book that clearly, realistically, and compellingly explains how companies of all types and sizes can protect and restore an invaluable company asset—corporate reputation. Brilliant insights and practical solutions leap from each page! A definite must-read for business professionals everywhere." —Anthony Sardella, CEO, Evolve24 and Adjunct Professor at the Olin School of Business, Washington University in St. Louis

Status Passage Sep 11 2020 The French writer Arnold van Gennep first called attention to the phenomena of status passages in his Rites of Passage one hundred years ago. In Status Passage, first published in 1971, the movement of individuals and groups in contemporary society from one status to another is examined in the light of Gennep's original theory. Glaser and Strauss demonstrate that society emerges as a comparative order. In this order, every organized action, collective or individual, can be seen as a form of status passage. From one status to another—from childhood to adolescence to adulthood, from being single to being married, movement from one income group, social class or religion to another—there are passages that entail movement into different parts of a social structure and loss or gain in privileges. Types of status passage are described by their proper ties. The authors present a formal theory of status passage in the form of a running theoretical discussion. The concepts and categories discussed in Status Passage are illuminated by a large number of examples chosen from a wide range of human behavior, and the applicability of the theory to still other examples is made

Passage from India to El Dorado Dec 03 2019 "At the instigation of William Gladstone, this challenge was met by implementing a controversial plan he had conceived, namely, the recruitment and importation of indentured workers from various places, but primarily from India, then the "jewel in the Crown" of the British Empire. This book is the story of these immigrants, who were transported from one side of the globe to another, almost exclusively in sailing ships."--BOOK JACKET.

Naked Seeing Jan 16 2021 Buddhism is in many ways a visual tradition, with its well-known practices of visualization, its visual arts, its epistemological writings that discuss the act of seeing, and its literature filled with images and metaphors of light. Some Buddhist traditions are also visionary, advocating practices by which meditators seek visions that arise before their eyes. Naked Seeing investigates such practices in the context of two major esoteric traditions, the Wheel of Time (Kalacakra) and the Great Perfection (Dzogchen). Both of these experimented with sensory deprivation, and developed yogas involving long periods of dwelling in dark rooms or gazing at the open sky. These produced unusual experiences of seeing, which were used to pursue some of the classic Buddhist questions about appearances, emptiness, and the nature of reality. Along the way, these practices gave rise to provocative ideas and suggested that, rather than being apprehended through internal insight, religious truths might also be seen in the exterior world-realized through the gateway of the

eyes. Christopher Hatchell presents the intellectual and literary histories of these practices, and also explores the meditative techniques and physiology that underlie their distinctive visionary experiences. The book also offers for the first time complete English translations of three major Tibetan texts on visionary practice: a Kalacakra treatise by Yumo Mikyo Dorjé, The Lamp Illuminating Emptiness, a Nyingma Great Perfection work called The Tantra of the Blazing Lamps, and a Bön Great Perfection work called Advice on the Six Lamps, along with a detailed commentary on this by Drugom Gyalwa Yungdrung.

The Three Voyages of Captain James Cook Round the

World, Vol. 3 (Classic Reprint) Oct 25 2021 Excerpt from The Three Voyages of Captain James Cook Round the World, Vol. 3

Whether the unexplored part of the Southern Hemisphere be only fin immense mass of water, or contain another continent, as speculative geography seemed to suggest, was a question which had long engaged the attention, not only of learned men, but of most of the maritime powers of Europe. To put an end to all diversity of opinion about a matter so curious and important, was his Majesty's principal motive in directing this voyage to be undertaken, the history of which is now submitted to the public. But, in order to give the reader a clear idea of what has been done in it, and to enable him to judge more accurately how far the great object that was proposed has been obtained, it will be necessary to prefix a short account of the several voyages which have been made on discoveries to the Southern Hemisphere prior to that which I had lately the honour to conduct, and which I am now going to relate. The first who crossed the vast Pacific Ocean was Ferdinand Magalhaens, a Portuguese, who, in the service of Spain, sailed from Seville, with five ships, on the 10th of April, 1519. Cambridge IELTS 3 Student's Book with Answers Oct 05 2022 Contains practice material for the International English Language Test System.

Handbook of Medieval Culture Jan 28 2022 A follow-up publication to the Handbook of Medieval Studies, this new reference work turns to a different focus: medieval culture. Medieval research has grown tremendously in depth and breadth over the last decades. Particularly our understanding of medieval culture, of the basic living conditions, and the specific value system prevalent at that time has considerably expanded, to a point where we are in danger of no longer seeing the proverbial forest for the trees. The present, innovative handbook offers compact articles on essential topics, ideals, specific knowledge, and concepts defining the medieval world as comprehensively as

asset.winnetnews.com on

possible. The topics covered in this new handbook pertain to issues such as love and marriage, belief in God, hell, and the devil, education, lordship and servitude, Christianity versus Judaism and Islam, health, medicine, the rural world, the rise of the urban class, travel, roads and bridges, entertainment, games, and sport activities, numbers, measuring, the education system, the papacy, saints, the senses, death, and money.

Oral Art Forms and Their Passage Into Writing Jul 22 2021 The present collection examines the complex interrelationship between the oral and the written and the problems of textualisation.

Booking Passage Mar 18 2021 Sidra DeKoven Ezrahi's sweeping study of modern Jewish writing is in many ways a long meditation on the thematics of geography in Jewish culture, what she calls the "poetics of exile and return." Until the late nineteenth century, Jews were identified in their own religious and poetic imagination as wanderers and exiles, their sacred center-Jerusalem, Zion-fatefully out of reach. Opening the book with "Jewish Journeys," Ezrahi begins by examining the work of medieval Hebrew poet Yehuda Halevi to chart a journey whose end was envisioned as the sublime realignment of the people with their original center. When the Holy Land became the site of a political drama of return in the nineteenth century, Jewish writing reflected the shift, traced here in the travel fictions of S.Y. Abramovitsh, S.Y. Agnon, and Sholem Aleichem. In "Jewish Geographies" Ezrahi explores aspects of reterritorialization through memory in the post-Holocaust writing of Paul Celan, Dan Pagis, Aharon Appelfeld, I.B. Singer and Philip Roth. Europe, where Jews had dreamed of return, has become the new ruined shrine: The literary pilgrimages of these writers recall familiar patterns of grieving and representation and a tentative reinvention of the diasporic imagination-in America, of course, but, paradoxically, even in Zion.

2019 Here's an accessible reference that aids personal Bible study or Sunday school preparation: *The Layman's Bible Commentary*. Volume 3 covers 1 Samuel through 2 Kings, and gives you section-by-section commentary on the flow and theme of each book, as well as historical and literary context for each. Major interpretations are presented for controversial passages and topics. Puzzling passages and Bible practices are explained, and charts and diagrams further aid your understanding. "Take Home" segments provide a practical application for each passage.

Last Man Who Knew Everything Jan 04 2020 This is the extraordinary story of the polymath Thomas Young, who cared less about what others thought of him than for the unbridled pursuit of knowledge.

Digest of the Decisions of the Supreme Court of the State of New York Aug 23 2021

Isaiah 1-33, Volume 24 Feb 14 2021 The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Overview of Commentary Organization
Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author's own translation of the biblical text, reflecting the end result of exegesis and attending to

Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author’s notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Cambridge IELTS 10 Student's Book with Answers Nov 06 2022
Cambridge IELTS 10 provides students with an excellent opportunity to familiarise themselves with IELTS and to practise examination techniques using authentic test material prepared by Cambridge English Language Assessment. It contains four complete tests for Academic module candidates, plus extra Reading and Writing modules for General Training module candidates. merely one among many, or must it be the form of thought as such? From Kant to Wittgenstein, philosophers have wrestled with variants of this question. This volume brings together nine distinguished thinkers on the subject, including James Conant, author of the seminal paper "The Search for Logically Alien Thought."

Summa Theologica, Volume 3 (Part II, Second Section) Jun 28

2019 "The Summa Theologica is the best-known work of Italian philosopher, scholar, and Dominican friar SAINT THOMAS AQUINAS (1225 1274), widely considered the Catholic Church's greatest theologian. Famously consulted (immediately after the Bible) on religious questions at the Council of Trent, Aquinas's masterpiece has been considered a summary of official Church philosophy ever since. Aquinas considers approximately 10,000 questions on Church doctrine covering the roles and nature of God, man, and Jesus, then lays out objections to Church teachings and systematically confronts each, using Biblical verses, theologians, and philosophers to bolster his arguments. In Volume III, Aquinas addresses: faith and heresy charity peace and war mercy, anger, and justice prayer truth and much more. This massive work of scholarship, spanning five volumes, addresses just about every possible query or argument that any believer or atheist could have, and remains essential, more than seven hundred years after it was written, for clergy, religious historians, and serious students of Catholic thought."

SAILAWAY - the PASSAGE - Vol 3 Apr 30 2022 In the book *SAILAWAY* Vol 2 Robert and Penny Powers had achieved their goal of sailing from Lake Superior, U.S.A to the Caribbean Sea. At that point in time and the beginning of this adventure, they were at St Croix Island in the West Indies, over 1,000 miles from the east coast of the U.S.A. The time is January and they continue to sail and play for another 10 weeks in the Sailor's Paradise know as the Virgin Islands. Here they are faced with the dilemma of how to return their Coronado 35' sloop-ripped.

center-cockpit yacht named Drifter back to the United States before the hurricane season begins in the West Indies. After several alternatives are ruled out, they are left with only one option, that being to sail the yacht on a Passage of 700 miles offshore with no additional crew. This Passage requires 7 consecutive days and nights to reach San Salvador Island in the Bahamas. The actual voyage through ideal sailing conditions as well as strong storms is depicted in 'real world/real life' detail including the use of 'storm survival tactics'. From San Salvador they island-hop their way to the U.S. Mainland ahead of the hurricane season beginning in June. A great deal of preparation is done prior to departure for "the PASSAGE" offshore from St Thomas U.S. Virgin Islands to San Salvador Island, Bahamas. This is a wonderful story of fun and adventure at Sea as life truly exists aboard a sailing yacht.

2020 This book provides close readings of primary texts to analyze the linkage between G.W.F. Hegel's philosophy and Karl Marx's critical social theory of necessity and freedom. This is important for three reasons: first, to understand the significance of the changing relationships of work, society, and critical social theory in the origins of Hegelian-Marxism in the US, as documented in the recently published correspondence between the Marxist-Humanist theoretician Raya Dunayevskaya and the critical theorist Herbert Marcuse; second, to identify the intersections of the Critical Theorists Jurgen Habermas' and Marcuse's influential reinterpretations of Marx's "value theory" of economy and society that enables navigation of the changing relationships of the social and economic spheres in the last century, as developed in Marx's Grundrisse; and, thirdly, to assess the potential of Moishe Postone's renewal of Marx's value theory, largely conceived by the notion of a necessity and freedom dialectic intrinsic to capitalism.

The Bhagavad Gita for Daily Living, Volume 3 Sep 04 2022 A comprehensive manual for living a spiritual life, based on a verse-by-verse commentary on India's timeless scripture - from the author of its best-selling translation. This ebook includes all three volumes in this series. The Bhagavad Gita is set on the battlefield of an apocalyptic war between good and evil. Faced with a dire moral dilemma, the warrior prince Arjuna turns in anguish to his spiritual guide, Sri Krishna, for answers to the fundamental questions of life. Easwaran points out that Arjuna's crisis is acutely modern. The Gita's battlefield is the struggle for self-mastery that every human being must wage. Arjuna represents each of us, and Sri Krishna is the Lord, instructing us in eighteen chapters of lofty wisdom as we face the social, environmental, and global challenges that threaten our world today. Easwaran is a spiritual teacher and author of deep insight and warmth. His verse-by-verse commentary interprets the Gita's teachings for modern readers, explaining the Sanskrit concepts and philosophy and applying them with practicality, wisdom, and humor to every aspect of our work, our relationships, and our lives. With everyday anecdotes, stories, and examples, he shows that the changes we long to see in the world start with the transformation of our own consciousness. The practical exercises recommended by Easwaran to achieve transformation are part of a spiritual program he developed for his own life. They are accessible to people from all backgrounds and cultures. Urging us to adopt a higher image of the human being, he assures us that peace and unity are within reach. Each volume of this series covers six chapters of the Gita. Each may be read on its own, but all three volumes together form an in-depth, verse-by-verse explanation of this ancient scripture and its relevance today. Included are instructions in Easwaran's universal eight-point program of passage meditation. Volume 1: The first six chapters of the Gita

the-sharing-knife

explore the concept of the innermost Self and source of wisdom in each of us. Easwaran explains how we can begin to transform ourselves, even as householders engaged in busy lives. Volume 2: The next six chapters of the Gita go beyond the individual Self to explore the Supreme Reality underlying all creation. Easwaran builds a bridge across the seeming divide between scientific knowledge and spiritual wisdom, and explains how the concept of the unity of life can help us in all our relationships. Volume 3: The final six chapters put forth an urgent appeal for us to begin to see that all of us are one - to make the connection between the Self within and the Reality underlying all creation. Global in scope, the emphasis is on what we can do to make a difference to heal our environment and establish peace in the world. Easwaran's commentary is for all students of the Gita, whatever their background, and for anyone who is trying to find a path to wisdom, love, and kindness in themselves and our troubled world. Written as an authoritative, accessible guide to a much-loved scripture, it is a handbook for finding peace and clarity within. This second edition incorporates revisions made across all three volumes following the author's final instructions.
