Disbarment Jul 09 2020 AT WHAT POINT DOES A LAWYER CRANK UP THE WHEELS OF JUSTICE AGAINST A COLLEAGUE? Meet David Sherwood, fresh out of law school. It's the early 1960s, and Tucson, Arizona is in the middle of a major land boom. David's colleague, Mason Grewe, is another new lawyer who sees the potential in this boom and intends to make a lot of money-fast. But Mason makes the mistake of taking advantage of a mutual friend, who turns to David for legal help, and after some investigation, David uncovers a cesspool of unethical and perhaps illegal behavior. He is soon confronted by a series of quandaries as he faces the realities of what it means to represent his clients' best interests. How do you handle proceedings against another lawyer? What if the client resists such action? David quickly learns the price that legal ethics imposes on his every action as he attempts to work his way through this maze, maintain his dignity, and protect his clients along the way.

Sherwood Anderson Aug 10 2020 Sherwood Anderson: A Writer in America is the definitive biography of this major American writer of novels and short stories, whose work includes the modern classic Winesburg, Ohio. In the first volume of this monumental two-volume work, Walter Rideout chronicles the life of Anderson from his birth and his early business career through his beginnings as a writer and finally to his move in the mid-1920s to "Ripshin," his house near Marion, Virginia. The second volume will cover Anderson's return to business pursuits, his extensive travels in the South touring factories, which resulted in his political involvement in labor struggles and several books on the topic, and finally his unexpected death in 1941. No other existing Anderson biography, the most recent of which was published nearly twenty years ago, is as thoroughly researched, so extensively based on primary sources and interviews with a range of Anderson friends and family members, or as complete in its vision of the man and the writer. The result is an unparalleled biography—one that locates the private man, while astutely placing his life and writings in a broader social and political context. Outstanding Academic Title, Choice Magazine Winner, Biography Award, Society of Midland Authors
