Because Kenny is just not the guy she really wants. Michael's the one she's loved forever - but he's going out with someone infinitely cleverer than Mia. Someone who can clone fruit flies, for heaven's sake! Will the story end happily ever after for the Princess of Genovia? Royal Wedding Sep 23 2021 From the #1 New York Times bestselling author of the *Princess Diaries* series, comes the very first adult installment, which follows Princess Mia and her Prince Charming as they plan their fairy tale wedding—but a few poisoned apples could turn this happily-ever-after into a royal nightmare. For Princess Mia, the past five years since college graduation have been a whirlwind of activity, what with living in New York City, running her new teen community center, being madly in love, and attending royal engagements. And speaking of engagements. Mia's gorgeous longtime boyfriend Michael managed to clear both their schedules just long enough for an exotic (and very private) Caribbean island interlude where he popped the question! Of course Mia didn't need to consult her diary to know that her answer was a royal oui. But now Mia has a scandal of majestic proportions to contend with: Her grandmother's leaked "fake" wedding plans to the press that could cause even normally calm Michael to become a runaway groom. Worse, a scheming politico is trying to force Mia's father from the throne, all

because of a royal secret that could leave Genovia without a monarch. Can Mia prove to everyone—especially herself—that she’s not only ready to wed, but ready to rule as well?

Valentine Princess: A Princess Diaries Book Aug 23 2021 That is, it usually means those things. But when you're Princess Mia, nothing happens the way it's supposed to. For one thing, Grandmère seems determined to prove that boy (or Michael, as he is commonly known) isn't the right one for the crown princess of Genovia. And Mia isn't having much luck proving otherwise, since Michael has a history of being decidedly against any kind of exploitative commercialization (Valentine's Day, as it is commonly known). Boris can declare his love openly to Lilly, and even Kenny comes through with a paltry Whitman's Sampler. So why can't Michael give in to Cupid and tell Mia he loves her—preferably with something wrapped in red or pink and accompanied by roses—in time to prove he's Mia's true prince?
