Lots of Llama Llama to give and to love!

Miss Nelson is Missing! Jul 09 2021 The arrival of a strict substitute convinces Miss Nelson's students that they must get their teacher back.

Reading Pictures Nov 25 2022 The language in which we speak about art has become steadily more abstruse, though for thousands of years this was not the case. Today, we live in a kaleidoscopic new world of images. Is there a vocabulary we can learn in order to read these images? Is there something we can do so as not to remain passive when we flip through an illustrated book or wander through a gallery, or are there ways in which we can 'read' the stories within paintings, monuments, buildings and sculptures? We say 'every picture tells a story', but does it? Taking a handful of extraordinary images - photographed, painted, built, sculpted - Alberto Manguel explores, with delight and erudition, how each one attempts to tell a story that we, the viewer, must decipher or invent. Whether delving into the love of life in the twentieth-century world of Joan Mitchell, or the brutal complexities of Picasso's treatment of his mistress; revisiting the riddles of the past in the fifteenth-century painting of Robert Campin, or exploring the heartrending life of 'the hairy girl' whose matted fur so astonished sixteenth-century Italy, he helps us to enjoy and explore the visual landscape we live in.

Picture Reading for Kids Dec 22 2019 This book is written to assist kids learn reading. It contains colourful pictures and bold letterings.

Fall Down 7 Times Get Up 8 Feb 04 2021 From the author of the bestselling *The Reason I Jump*, an extraordinary self-portrait of a young adult with autism "Essential reading for parents and teachers of those with autism who remain nonverbal."—Temple Grandin Naoki Higashida was only thirteen when he wrote *The Reason I Jump*, a revelatory account of autism from the inside by a nonverbal Japanese child, which became an international success. Now, in *Fall Down 7 Times Get Up 8*, he shares his thoughts and experiences as a young man living each day with severe autism. In short, powerful chapters, Higashida explores school memories, family relationships, the exhilaration of travel, and the difficulties of speech. He also allows readers to experience profound moments we take for granted, like the thought-steps necessary for him to register that it's raining outside. Acutely aware of how strange his behavior can appear to others, he aims throughout to foster a better understanding of autism and to encourage society to see people with disabilities as people, not as problems. With an introduction by the bestselling novelist David Mitchell, *Fall Down 7 Times Get Up 8* also includes a dreamlike short story Higashida wrote especially for the U.S. edition. Both moving and of practical use, this book opens a window into the mind of an inspiring young man who meets every challenge with tenacity and good humor. However often he falls down, he always gets back up. Praise for *Fall Down 7 Times Get Up 8* "[Naoki Higashida's] success as a writer now transcends his diagnosis. . . . His relative isolation—with words as his primary connection to the outside world—has allowed him to fully develop the powers of observation that are necessary for good writing, and he has developed rich, deep perspectives on ideas that many take for granted. . . . The diversity of Higashida's writing, in both subject and style, fits together like a jigsaw puzzle of life put in place with humor and thoughtfulness."—The Japan Times "Profound insights about what the struggle of living with autism is really like . . . Once again, the invitation to step inside Higashida's mind is irresistible."—London Evening Standard "Naoki Higashida's lyrical and heartfelt account of his condition is a gift to anyone involved with the same challenges. . . . Higashida shows a delicate regard for the difficulties his condition creates . . . and is adept at explaining his experiences in language that makes sense to neurotypicals."—The Guardian

Picture Reading Sep 11 2021 This book by the prodigious Madhuri Purandare is unique - both in concept and execution. It highlights the fact that textbooks alone are no longer sufficient to develop a child's capabilities and intelligence. Brilliantly illustrated by the author herself, this book can be used for children at primary and secondary school levels to develop their understanding not only of art, but language skills too.

Dragons Love Tacos 2: The Sequel Oct 12 2021 The hilarious sequel to the smokin' hot New York Times best seller, perfect for story time News alert! It has just been discovered that there are NO MORE TACOS left anywhere in the world. This is a huge problem because, as you know, dragons love tacos. If only there was a way for the dragons to travel back in time, to before tacos went extinct. Then they could grab lots of tacos and bring them back! It's the perfect plan, as long as there's no spicy salsa. You remember what happened last time . . . The award-winning creators of *Robo-Sauce* and *Secret Pizza Party* return with a gut-bustingly hilarious companion to the bestselling phenomenon *Dragons Love Tacos*.

Grumpy Monkey Mar 17 2022 The hilarious #1 New York Times bestselling picture book about a chimpanzee in a very bad mood--perfect for young children learning how to deal with confusing feelings, especially during the transition back to school. Jim the chimpanzee is in a terrible mood for no good reason. His friends can't understand it--how can he be in a bad mood when it's SUCH a beautiful day? They have lots of suggestions for how to make him feel better. But Jim can't take all the advice...and has a BIT of a meltdown. Could it be that he just needs a day to feel grumpy? Suzanne and Max Lang bring hilarity and levity to this very important lesson on emotional literacy, demonstrating to kids that they are allowed to feel their feelings. Jim Panzee is back and grumpier than ever in *Grumpy Monkey: Party Time* and *Grumpy Monkey: Up All Night!*

Shaping the Preschool Agenda Dec 14 2021 Making all children "ready to learn" is the first, and probably the most important, national education goal for the year 2000. What does it mean for children to be "ready to learn?" This book is about the beliefs of the people who are shaping preschool policy. McGill-Franzen tells us what key decision-makers are thinking about preschool education -- what counts as school, who should pay for it, what should be taught, and especially, whether there should be reading and writing programs for four-year-olds. This book also explores the history of these beliefs. The author locates contemporary early childhood concepts about "developmental appropriateness" in the ideas of physicians and psychologists of the 1920s, 1930s, and in even earlier periods of time. She believes that these ideas no longer work within the broader framework of literacy as embedded in the interactions of cultures children know and the lives they live.

Early Literacy Skills Builder Sep 18 2019 Apply the "science" of reading to students with moderate-to-severe developmental disabilities, including autism The Early Literacy Skills Builder program incorporates systematic instruction to teach both print and phonemic awareness. ELSB is a multi-year program with seven distinct levels and ongoing assessments so students progress at their own pace. Five years of solid research have been completed through the University of North Carolina at Charlotte, proving ELSB to be a highly effective literacy program and more effective than a sight-word only program. ELSB is based upon the principles of systematic and direct instruction. It incorporates scripted lessons, least-prompt strategies, teachable objectives, built-in lesson repetition, and ongoing assessments. The seven ELSB levels contain five structured lessons each. All students begin at Level 1. If a student struggles here, go back and administer Level A. Instruction is one-on-one or in small groups. Teach scripted lessons daily in two 30-minute sessions. On the completion of each level, formal assessments are given. ELSB includes everything you need to implement a multi-year literacy curriculum.

Good News, Bad News Jan 03 2021 Good news, Rabbit and Mouse are going on a picnic. Bad news, it is starting to rain. Good news, Rabbit has an umbrella. Bad news, the stormy winds blow the umbrella (and Mouse!) into a tree. So begins this clever story about two friends with very different dispositions. Using just four words, Jeff Mack has created a text with remarkable flair that is both funny and touching, and pairs perfectly with his energetic, and hilarious, illustrations. Good news, this is a book kids will clamor to read again and again!

Bunny Loves to Read Oct 20 2019

Words and Pictures Nov 01 2020 A little girl describes a variety of activities, including getting dressed, eating breakfast, going to school, going shopping, visiting a farm, attending a party, and taking a bath.

Born Reading Jul 29 2020 A program for parents and professionals on how to raise kids who love to read, featuring interviews with childhood development experts, advice from librarians, tips from authors and children's book publishers, and reading recommendations for kids from birth up to age five. Every parent wants to give his or her child a competitive advantage. In *Born Reading*, publishing insider (and new dad) Jason Boog explains how that can be as simple as opening a book. Studies have shown that interactive reading—a method that creates dialogue as you read together—can raise a child's IQ by more than six points. In fact, interactive reading can have just as much of a determining factor on a child's IQ as vitamins and a healthy diet. But there's no book that takes the cutting-edge research on interactive reading and shows parents, teachers, and librarians how to apply it to their day-

to-day lives with kids, until now. Born Reading provides step-by-step instructions on interactive reading and advice for developing your child's interest in books from the time they are born. Boog has done the research, talked with the leading experts in child development, and worked with them to compile the "Born Reading Essential Books" lists, offering specific titles tailored to the interests and passions of kids from birth to age five. But reading can take many forms—print books as well as ebooks and apps—and Born Reading also includes tips on how to use technology the right way to help (not hinder) your child's intellectual development. Parents will find advice on which educational apps best supplement their child's development, when to start introducing digital reading to their child, and how to use tech to help create the readers of tomorrow. Born Reading will show anyone who loves kids how to make sure the children they care about are building a powerful foundation in literacy from the beginning of life.

Reading Authentic English Picture Books in the Primary School EFL Classroom Mar 25 2020 This book deals with reading authentic English picture books in the EFL classroom. The author conducted a mixed methods study of Year 4 learners' reading comprehension, reading strategies and FL development. The results suggest that teachers should use more challenging and authentic reading tasks with young EFL learners.

Yummy Yucky Jun 08 2021 Learning about opposites has never been more fun - or funny - than with this winning book. Yummy! Spaghetti is yummy, but worms - and blue crayons, and sand, and other things too gross to mention - are definitely yucky when tasted. Amiably illustrated in a bright, graphic style, Leslie Patricelli's spirited book, Yummy Yucky stars an obliging, bald, and very expressive toddler who acts out each pair of opposites with comically dramatic effect.

La Princesa and the Pea Apr 18 2022 The Princess and the Pea gets a fresh twist in this charming bilingual retelling, winner of the Pura Belpré Medal for Illustration. El príncipe knows this girl is the one for him, but, as usual, his mother doesn't agree. The queen has a secret test in mind to see if this girl is really a princesa, but the prince might just have a sneaky plan, too . . . Readers will be enchanted by this Latino twist on the classic story, and captivated by the vibrant art inspired by the culture of Peru.

The Book With No Pictures Jul 21 2022 You might think a book with no pictures seems boring and serious. Except . . . here's how books work. Everything written on the page has to be said by the person reading it aloud. Even if the words say . . . BLORK. Or BLUURF. And even if the words include things like BLAGGITY BLAGGITY and MY HEAD IS MADE OF BLUEBERRY PIZZA! That's the rule. That's the deal. Brilliantly irreverent and very, very silly, The Book With No Pictures will delight kids and have them begging for more. From award-winning US comic writer and actor, B.J. Novak.

Spoonful of Promises Aug 18 2019 A mouthwatering collection of intimate stories connecting food, family, and friends.

Art & Fear Jan 15 2022

Reading with Pictures Nov 13 2021 Lessons in graphic novel format present information on such Common Core topics as figures of speech, the laws of motion, Roman numerals, and the lives of Galileo and George Washington.

Here We Are Oct 24 2022 #1 New York Times bestseller A TIME Magazine Best Book of the Year A NPR Best Book of 2017 A Boston Globe Best Book of 2017 "Moments of human intimacy jostle with scenes that inspire cosmic awe, and the broad diversity of Jeffers's candy-colored humans...underscores the twin messages that 'You're never alone on Earth' and that we're all in this together."--Publisher's Weekly (starred review) "A true work of art."--BuzzFeed Oliver Jeffers, arguably the most influential creator of picture books today, offers a rare personal look inside his own hopes and wishes for his child--and in doing so gifts children and parents everywhere with a gently sweet and humorous missive about our world and those who call it home. Insightfully sweet, with a gentle humor and poignancy, here is Oliver Jeffers' user's guide to life on Earth. He created it specially for his son, yet with a universality that embraces all children and their parents. Be it a complex view of our planet's terrain (bumpy, sharp, wet), a deep look at our place in space (it's big), or a guide to all of humanity (don't be fooled, we are all people), Oliver's signature wit and humor combine with a value system of kindness and tolerance to create a must-have book for parents. Praise for Here We Are: -"A sweet and tender distillation of what every Earthling needs to know and might well spend a lifetime striving to achieve. A must-purchase for new parent shelves"--School Library Journal -"From the skies to the animal kingdom to the people of the world and lots of other beautifully rendered examples of life on Earth, Here We Are carries a simple message: Be kind." --NPR -"[An] enchanting gem of a children's book"--NBC's Today Show -"A must-have book for parents."--Gambit -"A celebration of people all shapes and sizes, and of the beauty and mystery of our Earth."--Booklist -"...a beautifully illustrated guide to living on Earth and being a good person."--Brightly -[Here We Are] is a tour through the land, the sea, the sky, our bodies; dioramas of our wild diversity....[Jeffers] is the master of capturing the joy in our differences."--New York Times Book Review

Level 4 Korean Grammar Textbook Jan 23 2020 Learn to Compare, Contrast, Modify, and Describe More Fluently in Korean!

Children Reading Pictures Sep 23 2022 This book describes the fascinating results of a two year study of children's responses to contemporary picturebooks. Children of primary school age, from a range of backgrounds, read and discussed books by the award-winning artists, Anthony Browne and Satoshi Kitamura. They then made their own drawings in response to the books. The authors found that children are sophisticated readers of visual texts, and are able to make sense of complex images on literal, visual and metaphorical levels. They are able to understand different viewpoints, analyse moods, messages and emotions, and articulate personal responses to picturebooks - even when they struggle with the written word. With colour illustrations, and interviews with the two authors whose books were included in the study, this book demonstrates how important visual literacy is to children's understanding and development. Primary and Early Years teachers, literacy co-ordinators and all those interested in children's literature will find this a captivating read.

Uni the Unicorn Feb 16 2022 A magical and original story of friendship which reminds us that dreams really can come true. No matter what the grown-up unicorns say, little Uni the Unicorn believes there must be a smart, strong, wonderful, magical little girl waiting to be her best friend. And in fact, far away (but not too far away), a real little girl believes there is a unicorn waiting for her too. A New York Times bestseller, with over a quarter of a million copies sold, this is the perfect book for anyone anywhere who believes in unicorns.

The Silent Patient Nov 20 2019 **THE INSTANT #1 NEW YORK TIMES BESTSELLER** "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly The Silent Patient is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

The Monster at the End of this Book (Sesame Street) May 27 2020 Many adults name this book as their favorite Little Golden Book. Generations of kids have interacted with lovable, furry old Grover as he begs the reader not to turn the page—for fear of a monster at the end of the book. "Oh, I am so embarrassed," he says on the last page . . . for, of course, the monster is Grover himself! This all-time favorite is now available as a Big Little Golden Book—perfect for lap-time reading.

Reading Images May 19 2022 Reading Images provides the first systematic and comprehensive account of the grammar of visual design. By looking at the formal elements and structures of design the authors examine the ways in which images communicate meaning.

Hey, Who Made This Mess? Jun 20 2022 Someone is making a great big mess at the zoo in this hilarious and delightful debut picture book. Can you find the culprit before the zoo animals' do in this gentle mystery for the youngest readers? All the animals at the zoo are in a tizzy. Someone slept in Elephant's haystack, drank from Lion's bowl, went potty in Ostrich's sandbox (yuck!), and scratched Giraffe's favorite tree. Worst of all, someone tried to eat Goldie, the zoo's resident goldfish. Whoever it was has been leaving a suspicious trail of footprints behind. Is it a great big scary monster as the animals fear? Or is it something else entirely? Follow the clues on every page, and you just might be surprised to see who is behind this very messy situation.

The Rainbow Fish Mar 05 2021 The most beautiful fish in the entire ocean discovers the real value of personal beauty and friendship.

READ by PICTURE. Simple Stories Aug 22 2022 We offer the easiest way to make reading books with children a pleasure, even for those children who listen to reading reluctantly. With the usual type of reading, a child is a passive listener, while with "reading by picture", he or she becomes an active participant. Even if children can already read, they are happy to read texts where some of the words are replaced by pictures and perceive it as a bonus or a prize. It is more important to receive such bonuses for children who are just starting to read, or for whom reading still requires effort. A small child can only voice words represented by pictures. This "reading" not only makes kids a full participant in the process but also teaches them to reconcile the words of the picture with other words in the sentence. Older children may try to read words from a vocabulary list that appears before the text. A child who has begun to read will be able to enjoy reading the entire text. If you are reading to your little one, please read slowly. Let your child think about the sentence, find the right word and enjoy the reading process. Some words in this book are changed to pictures. Each story has a pictured vocabulary list at the beginning. Includes 7 simple stories understandable and relatable for kids. Great book for non-English speaking children to learn and remember new words in a fun game-based reading activity.

The Lost Soul Dec 02 2020 The only book in English for readers of all ages by Nobel Prize-winning novelist Olga Tokarczuk is a beautifully illustrated meditation on the fullness of life. "Olga Tokarczuk's *The Lost Soul*, an experimental fable illustrated by Joanna Concejo and translated by Antonia Lloyd-Jones, resonates with our current moment. . . . What a striking, and lovely, material object it is." —New York Times "The Lost Soul, by Olga Tokarczuk and illustrator Joanna Concejo, is a quiet meditation on happiness, following a busy man who loses his soul. . . It pours a childlike sense of wonder into a once-upon-a-time tale that is already resonating with adults around the world." —Guardian *The Lost Soul* is a deeply moving reflection on our capacity to live in peace with ourselves, to remain patient, attentive to the world. It is a story that beautifully weaves together the voice of the Nobel Prize-winning Polish novelist Olga Tokarczuk and the finely detailed pen-and-ink drawings of illustrator Joanna Concejo, who together create a parallel narrative universe full of secrets, evocative of another time. Here a man has forgotten what makes his heart feel full. He moves to a house away from all that is familiar to him to wait for his soul to return. "Once upon a time there was a man who worked very hard and very quickly, and who had left his soul far behind him long ago. In fact his life was all right without his soul—he slept, ate, worked, drove a car and even played tennis. But sometimes he felt as if the world around him were flat, as if he were moving across a smooth page in a math book that was covered in evenly spaced squares..." —from *The Lost Soul* *The Lost Soul* is a sublime album, a rare delicacy that will delight readers young and old. "You must find a place of your own, sit there quietly and wait for your soul." Winner of the Bologna Ragazzi Award, Special Mention 2018, Prix de l'Union Internationale pour les Livres de Jeunesse (IBBY), The White Raven (IJB Munich), and the ?ód? Design Festival Award.

Reading Visual Narratives Aug 30 2020 This book offers new descriptions of the visual strand of meaning in picture book narratives as a way of furthering the project of 'multimodal' discourse analysis and of explaining the literacy demands and apprenticing techniques of children's earliest literature.

The Essential Guide to Children's Books and Their Creators Feb 22 2020 Upon publication, Anita Silvey's comprehensive survey of contemporary children's literature, *Children's Books and Their Creators*, garnered unanimous praise from librarians, educators, and specialists interested in the world of writing for children. Now *The Essential Guide to Children's*

Books and Their Creators assembles the best of that volume in one handy, affordable reference, geared specifically to parents, educators, and students. This new volume introduces readers to the wealth of children's literature by focusing on the essentials — the best books for children, the ones that inform, impress, and, most important, excite young readers. Updated to include newcomers such as J. K. Rowling and Lemony Snicket and to cover the very latest on publishing and educational trends, this edition features more than 475 entries on the best-loved children's authors and illustrators, numerous essays on social and historical issues, thirty personal glimpses into craft by well-known writers, illustrators, and critics, and invaluable reading lists by category. The Essential Guide to Children's Books and Their Creators summarizes the canon of contemporary children's literature, in a practical guide essential for anyone choosing a book for or working with children.

Critical Content Analysis of Visual Images in Books for Young People Jun 27 2020 Extending the discussion of critical content analysis to the visual realm of picturebooks and graphic novels, this book provides a clear research methodology for understanding and analyzing visual imagery. Offering strategies for "reading" illustrations in global and multicultural literature, chapter authors explore and bring together critical theory and social semiotics while demonstrating how visual analysis can be used to uncover and analyze power, ideologies, inequity, and resistance in picturebooks and graphic novels. This volume covers a diverse range of texts and types of books and offers tools and procedures for interpreting visual images to enhance the understandings of researchers, teachers, and students as they engage with the visual culture that fills our world. These methods are significant not only to becoming a critical reader of literature but to also becoming a critical reader of visual images in everyday life.

Reading Picture Books with Children Dec 26 2022 A new, interactive approach to storytime, The Whole Book Approach was developed in conjunction with the Eric Carle Museum of Picture Book Art and expert author Megan Dowd Lambert's graduate work in children's literature at Simmons College, offering a practical guide for reshaping storytime and getting kids to think with their eyes. Traditional storytime often offers a passive experience for kids, but the Whole Book approach asks the youngest of readers to ponder all aspects of a picture book and to use their critical thinking skills. Using classic examples, Megan asks kids to think about why the trim size of Ludwig Bemelman's Madeline is so generous, or why the typeset in David Wiesner's Caldecott winner, The Three Pigs, appears to twist around the page, or why books like Chris Van Allsburg's The Polar Express and Eric Carle's The Very Hungry Caterpillar are printed landscape instead of portrait. The dynamic discussions that result from this shared reading style range from the profound to the hilarious and will inspire adults to make children's responses to text, art, and design an essential part of storytime.

E-literature for Children Sep 30 2020 These practical ideas, suggestions and real-life experiences will help you to understand the differences and similarities of the literary experience for children through classic, modern and leading-edge narratives in both book and computer formats.

Interrupting Chicken Apr 06 2021 It's time for the little red chicken's bedtime story—and a reminder from Papa to try not to interrupt. But the chicken can't help herself! Whether the tale is Hansel and Gretel or Little Red Riding Hood or even Chicken Little, she jumps into the story to save its hapless characters from doing some dangerous or silly thing. Now it's the little red chicken's turn to tell a story, but will her yawning papa make it to the end without his own kind of interrupting? Energetically illustrated with glowing colors—and offering humorous story-within-a-story views—this all-too-familiar tale is sure to amuse (and hold the attention of) spirited little chicks.

Read by Picture. Fairy Tales Apr 25 2020 We offer the easiest way to make reading books with children a pleasure, even for those children who listen to reading reluctantly. With the usual type of reading, a child is a passive listener, while with "reading by picture", he or she becomes an active participant. Even if children can already read, they are happy to read texts where some of the words are replaced by pictures and perceive it as a bonus or a prize. It is more important to receive such bonuses for children who are just starting to read, or for whom reading still requires effort. A small child can only voice words represented by pictures. This "reading" not only makes kids a full participant in the process but also teaches them to reconcile the words of the picture with other words in the sentence. Older children may try to read words from a vocabulary list that appears before the text. A child who has begun to read will be able to enjoy reading the entire text. If you are reading to your little one, please read slowly. Let your child think about the sentence, find the right word, and enjoy the reading process. Some words in this book are changed to pictures. Each story has a pictured vocabulary list at the beginning. The book includes 3 famous fairy tales: The Wolf and Three Little Pigs, Goldilocks and the Three Bears, and the Gingerbread Man. Great book for non-English speaking children to learn and remember new words in a fun game-based reading activity.

The Best Time to Read Aug 10 2021 The little boy from The Best Place to Read can now read by himself, and he's looking for an audience. But everyone--his parents, siblings, grandparents, even his dog!--is too busy to hear a story in this fun and lively tale. When our young reader finally settles in to read to his toys, he gets a surprise visit and learns that the best time to read is whenever you have loved ones to listen! With catchy, rhyming text and vibrant illustrations, this is the perfect read-aloud--anytime!
