Bullen & Leake & Jacob's Precedents of Pleadings Feb 17 2022 Bullen & Leake & Jacob is widely regarded as the essential guide to drafting statements of case. This new edition presents an expanded and revised stock of authoritative, modern and structured precedents complete with guiding commentary. Written at a time when the Civil Procedure Rules have bedded down somewhat, the 15th edition will fully reflect all the issues of the CPR and the legislative and judicial developments in the individual practice areas. Busy practitioners can rest assured that they are relying on the most up-to-date information. A new edition of the standard work, completely updated and cautiously expanded. Coverage of both mainstream and specialist practice areas. A practical working tool for all advocates in an easily-searched and user friendly format. Compiled by over 60 leading barristers. Provides tightly drafted precedents and invaluable best practice advice.

*Equity Practice and Precedents* Nov 02 2020 Equity Practice and Precedents Second Edition is a guide to practice in equity in New South Wales. It outlines the essential principles of a broad range of equitable and statutory remedies associated with the equity jurisdiction. This work provides many essential precedents for these remedies, both in the book and available as online downloads. Part 1 of the book provides a thorough analysis of the jurisdiction of various State and Federal courts and tribunals to grant the remedies dealt with in the book. In Part 2, each remedy or area of statutory relief is discussed in detail, with a practical outline of the principles and practice, and a comprehensive set of precedents. In this updated and revised Second Edition a wide range of areas of law and practice are covered, including: Equitable remedies such as injunctions, specific performance and rectification. Various aspects of insolvency and corporate law (including winding up, administration and shareholders' remedies). Property law (including the Conveyancing Act and Real Property Act), family provision applications, Property (Relationships) Act and related equitable remedies. Statutory unconscionability provisions such as ss 21 and 22 of the Australian Consumer Law. Importantly, five entirely new chapters have been added. These new chapters address: Declaratory relief. Proprietary claims in equity. Mortgages and charges affecting land. Probate litigation. Applications in a winding up. Equity Practice and Precedents Second Edition has come to be regarded as an indispensable tool, consistently sought out by barristers and solicitors practising in equity.

**Form and Precedents Estates** Nov 14 2021 Forms and Precedents Estates is a single volume of non-litigious forms and precedents covering a wide range of topics relevant to the legal and commercial markets. Forms and Precedents is a comprehensive set of non-litigious forms and precedents. Contracts are drafted by experts in their field. The precedents are preceded by a preliminary note to place the contracts in context and provide a legal framework. The precedents clearly indicate where information needs to be added making them easy to use and adapt. A free single online user licence accompanies the printed version of this work which allows for precedents to be easily copied and amended as required. Forms are reproduced from relevant legislation and checklists are included where appropriate.

Interpretation in International Law Aug 31 2020 The relevance of interpretation to the academic study and professional practice of international law is self-evident. As new insights on the practice and process of interpretation abound in other disciplines, international law and international lawyers have largely remained wedded to a rule-based approach, focusing almost exclusively on the Vienna Convention on the Law of Treaties. Such an approach neglects interpretation as a distinct and admittedly broader field of theoretical inquiry. Interpretation in International Law brings together established and emerging international legal scholars to interrogate interpretation as a central concept in international law. The edited collection is creatively structured around the metaphor of the game, which captures and illuminates all the constituent elements of an act of interpretation. The object of the game of interpretation is to persuade one's audience that your own interpretation of the law is the correct one. The rules of play are known and complied with by the players, even though which cards to play is left to the skills and strategies of the individual players. There is also a meta-discourse about the game of interpretation 'playing the game of game-playing' which involves reflection about the nature of the game, its underlying stakes, and who gets to decide by what rules one should play. Through a series of diverse contributions, Interpretation in International Law reveals interpretation as an inescapable feature of all areas of international law. It will be of interest and utility to all international lawyers whose work touches upon theoretical or practical aspects of interpretation.
