*Italian Journeys* Jul 22 2021 When Abraham Lincoln appointed William Dean Howells Consul to Venice, the young writer embarked on a journey that would leave an indelible impression on his life and work. Howells lived in Italy for four years, from 1861, during the pivotal and tumultuous period of Italian reunification. *Italian Journeys*, Howell's engrossing memoir of this time, describes his adventures across the country - from Genoa, a hotbed of nationalistic fervour and the city from which Garibaldi had led the Expedition of the Thousand only a year before; to the cultural and political powerhouse of Naples, which had only just become part of the Kingdom of Italy and from there to Rome, focus for the hopes of a fractured country. Travelling by land and sea, Howells was inspired at every turn - as much by the fevered events of the time as by the cultural and historical wealth of the country - and his beautifully-rendered portrait has become a classic of travel literature, essential for all those who, like him, have loved Italy.

hotel and flight or finding what to do when I did take time off. So, I thought "wouldn't it be awesome if someone would write a guide that just gave you one perfect escape; the perfect hotel, spa, flight and restaurant." So that's what I did. This is my guide to visiting the Salon Sensoriale in the Terme di Chianciano Spa in Chianciano Terme, Siena, Tuscany, Italy (that's a mouthful!) often awarded the title of best value spa in Europe, and the delicious surrounding area.

**The Complete Travel Books of W.D. Howells (Illustrated Edition)** Nov 06 2022 This unique collection of William Dean Howells' complete travel books has been designed and formatted to the highest digital standards. Extract: "Nothing can be fairer to the eye than these "summer isles of Eden" lying all about Venice, far and near. The water forever trembles and changes, with every change of light, from one rainbow glory to another, as with the restless hues of an opal; and even when the splendid tides recede, and go down with the sea, they leave a heritage of beauty to the empurpled mud of the shallows, all strewn with green, disheveled sea-weed. The lagoons have almost as wide a bound as your vision." William Dean Howells (1837-1920) was an American realist author, literary critic, and playwright. Nicknamed "The Dean of American Letters", he was particularly known for his tenure as editor of the Atlantic Monthly as well as his own prolific writings, including the Christmas story "Christmas Every Day", and the novels The Rise of Silas Lapham and A Traveler from Altruria. Howells is known to be the father of American realism, and a denouncer of the sentimental novel. He was the first American author to bring a realist aesthetic to the literature of the United States. His stories of Boston upper crust life set in the 1850s are highly regarded among scholars of American fiction. After short campaign in Republican administration, Howells was appointed a consul in Venice in 1861. He remained in Italy for 4 years and during this time he wrote travel sketches and reports describing life in

town and country. Later on, he came back to Europe, which resulted in few more travel books to his name. Table of Contents: Venetian Life Italian Journeys Roman Holidays and Others Suburban Sketches Familiar Spanish Travels A Little Swiss Sojourn London Films Seven English Cities
