[The Book of Acts](#) Jun 13 2021 Thirty years—that's all it took. In those 30 years the Christian church gained sufficient growth and credibility to become the largest religion the world has ever seen and to change the lives of hundreds of millions of people. And it all began with a dozen men, a handful of women, ... and the Holy Spirit. Acts is their story. While it's tempting to think of the early Christian church as the pinnacle of unity, purity, and perfection, this is misleading. Author Wilson Paroschi writes, "We find the early believers, including the apostles, entangled with misconceptions, personal conflicts, prejudice, and several other difficulties typical of human nature. They were not infallible. What they were able to accomplish in such a short period of time, however, is a perpetual testimony of how powerfully God can work when men and women, despite their limitations and failures, humble their hearts in prayer and submit their lives to the control of the Holy Spirit." We should not look at Acts as a retelling of the missionary successes of the apostles but, rather, as an example of the amazing things God was able to accomplish through them in reclaiming humanity for Himself. Awe Feb 09 2021 Humans are hardwired for awe. Our hearts are always captured by something—that's how God made us. But sin threatens to distract us from the glory of our Creator. All too often, we stand in awe of everything but God. Uncovering the lies we believe about all the earthly things that promise us peace, life, and contentment, Paul Tripp redirects our gaze to God's awe-inducing glory—showing how such a vision has the potential to impact our every thought, word, and deed.

The Church Planting Wife Feb 27 2020 "Nothing in my life goes untouched by my husband's calling." Christine Hoover's words in the first chapter describe so well the life of a church planter's wife, which is enormously difficult yet extraordinarily rewarding. To be married to a church planter is a calling of its own with a richness of its own. In *The Church Planting Wife*, Hoover explores and encourages the hearts of her readers while teaching what it means to have heart prepared for this unique ministry. She knows the challenges: A church planter's wife must develop a job description, be a wise helper to her husband, develop friendships within the church and community, deal with stress and discouragement, handle wounds, and more. Christine speaks candidly about these challenges while urging readers to grow a heart that wholly reflects Jesus. Spread throughout these pages are stories and interviews from church planting wives. Christine Hoover empathetically and pointedly builds from these testimonies to uplift the reader and offer lessons of hope in the midst of a challenging ministry.

The Heart of Paul's Theology Jul 14 2021 Paul passionately proclaimed the good news of individual salvation in Jesus Christ. But this wasn't the heart of Paul's gospel."According to Paul, salvation is not primarily about individuals being saved from the wrath of God. Rather, the gospel is about the triumph of Jesus Christ and the kingdom of God. It is about God redeeming and recreating the heavens and the earth through Jesus Christ, and about our participation in that renewed world." -Thirdmill

Into the Gale Mar 30 2020 How does the dedicated Christian living in an increasingly secular and hostile country share the gospel? Are the days of evangelism over? Is it time to throw in the gospel towel and shelter behind the brick walls of the church? Larry Stamm says, no. In his book INTO THE GALE, he argues that evangelism is still a vital part of the Christian life. Taking lessons from the first century church as found in the Bible's Book of Acts, he shows how the twenty-first century Christian can still take a stand for Christ. Yes, the contemporary church is sailing on choppy seas and in gale storm winds, but the church is not sinking. The work today continues as it did so long ago. And people are still coming to Christ. INTO THE GALE uses ancient truths to guide the modern believer into a storm-tossed society--and prevail.

Acts May 12 2021 God guides our witness and our walk... Follow Dr. Jeremiah through the book of Acts in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written, and what it means to Christians today. In the book of Acts, we have a record of the most fertile period of outreach in the history of Christianity. Churches were planted near and far as Jesus' followers proclaimed the message of Christ. Luke's record in Acts reveals that God places a premium on the spread of the gospel. He blesses our efforts to make disciples of all nations, one person at a time, and sends us His Spirit to guide our words, give us wisdom, and bolster our courage. We also learn that God is with us even during times of persecution and opposition--and He uses those times to sharpen us and make us effective instruments for His work. Each of this study's twelve lessons is clearly organized to include: Getting Started: An opening question to introduce you to the lesson. Setting the Stage: A short reflection to explain the context of the study. Exploring the Text: The Scripture reading for the lesson with related study questions. Reviewing the Story: Questions to help you identify key points in the reading. Applying the Message: Questions to help you apply the key ideas to their lives. Reflecting on the Meaning: A closing reflection on the key teachings in the lesson. —ABOUT THE SERIES— The Jeremiah Bible Study Series captures Dr. David Jeremiah's forty-plus years of commitment in teaching the Word of God. Acts and Letters of the Apostles Jun 20 2019 Richmond Lattimore, one of the most distinguished living translators of Greek, has in this book completed his rendering of the New Testament in fresh and accurate English for the modern reader. The publication of his translation of The Four Gospels and the Revelation in 1979 was hailed by the New York Times Book Review as "an achievement that places us more deeply in

Lattimore's debt than any other in a long diligent career." The Acts of the Apostles, which he calls "the earliest consecutive story of early Christianity that we have," and the three groups of Letters of the Apostles--those of Saint Paul, the letter to the Hebrews, and the General Letters--are now made available to complete the New Testament in his translation. His aim again has been to provide a simple, literal rendering in which the syntax and order of the Greek dictate the character of the English style. Lattimore, as an authority on the Greek language in which these texts have come down to us, and as a writer without pretensions as a biblical scholar, allows the words of the apostles and earliest disciples to speak for themselves with accuracy and fidelity to the Greek. The book's design follows the attractive and readable format of The Four Gospels, and avoids the usual apparatus of biblical texts.

Life-Study of Acts Sep 04 2020 In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.
