**The Rust Programming Language (Covers Rust 2018)** Nov 08 2022 The official book on the Rust programming language, written by the Rust development team at the Mozilla Foundation, fully updated for Rust 2018. The Rust Programming Language is the official book on Rust: an open source systems programming language that helps you write faster, more reliable software. Rust offers control over low-level details (such as memory usage) in combination with high-level ergonomics, eliminating the hassle traditionally associated with low-level languages. The authors of The Rust Programming Language, members of the Rust Core Team, share their knowledge and experience to show you how to take full advantage of Rust's features--from installation to creating robust and scalable programs. You'll begin with basics like creating functions, choosing data types, and binding variables and then move on to more advanced concepts, such as: • Ownership and borrowing, lifetimes, and traits • Using Rust's memory safety guarantees to build fast, safe programs • Testing, error handling, and effective refactoring • Generics, smart pointers, multithreading, trait objects, and advanced pattern matching • Using Cargo, Rust's built-in package manager, to build, test, and document your code and manage dependencies • How best to use Rust's advanced compiler with compiler-led programming techniques You'll find plenty of code examples throughout the book, as well as three chapters dedicated to building complete projects to test your learning: a number guessing game, a Rust implementation of a command line tool, and a multithreaded server. New to this edition: An extended section on Rust macros, an expanded chapter on modules, and appendixes on Rust development tools and editions.

**Outlander Knitting** Nov 27 2021 Feel the magic of Outlander at your fingertips with this officially licensed book of knitting: twenty patterns inspired by the hit series from STARZ and Sony Pictures Television, based on Diana Gabaldon's bestselling novels. From the Scottish Highlands to the courts of Versailles to the eastern shores of North America, the TV show Outlander brings to life in gorgeous detail the epic love story of Jamie Fraser and Claire Beauchamp Randall Fraser. But beyond the drama and passion, what has captured fans' imagination the most are the rustic knits worn on the show. Now knitters of all skill levels can recreate them with twenty projects for apparel, accessories, and home décor that take inspiration from memorable episodes. Knit the capelet cowl that Mrs. Fitz gives to Claire at Castle Leoch, warm your feet with Clan Mackenzie Boot Socks, swaddle your bairn with the Mo Chridhe Baby Blanket, and dress your Jamie in a warm waistcoat. From chunky knits to Celtic cables, each project includes a clearly written pattern, gorgeous photography, and scenes from the set. A love letter to the fans, Outlander Knitting will have you wishing you could time travel to the Highlands.
