Remedies Nov 06 2022 Adopting a highly practical approach, Remedies is designed to help trainee barristers identify appropriate remedial relief for their clients, and calculate damages where necessary. Remedies fully prepares trainee barristers for practice with coverage of the specific remedies which are available in various areas of law, including judicial review, trusts, unlawful discrimination, and EU remedies. The manual also details when specific remedies are available and what must be established for the chosen remedy to be granted. Digital formats This edition is available for students and institutions to purchase in a variety of formats. The e-book offers a mobile experience and convenient access along with functionality tools, navigation features, and links that offer extra learning support: www.oxfordtextbooks.co.uk/ebooks
