**An Act Respecting the Declaration on the Essential Role of Artists and Creative Expression in Canada** Feb 19 2022 "This enactment provides a framework for the Government of Canada's implementation of the Declaration on the Essential Role of Artists and Creative Expression in Canada, including by requiring the Minister of Canadian Heritage to prepare and implement an action plan to give expression to the Declaration"--Summary, page ii.

**Free Speech in Fearful Times** Apr 28 2020 Following the events of 9/11, rashly conceived anti-terror laws were introduced that put civil liberties at risk. *Free Speech in Fearful Times* offers a unique perspective on how the laws created to "protect" us can actually harm us.

*Contemporary Musical Expressions in Canada* Jan 06 2021 An exploration of the cultural diversity and vitality of contemporary music and dance practices in Canada.

**Advanced Introduction to Freedom of Expression** Nov 23 2019 The *Advanced Introduction to Freedom of Expression* provides an overview of major issues in the doctrinal structure of a law of freedom of expression, relevant to discussions of freedom of expression under many national constitutions. Assuming familiarity with basic theories of free expression, this book addresses the implications of reasonable disagreement between legislatures and courts about whether a specific measure violates freedom of expression, the implications of the fundamental proposition that speech can cause harm, the distinction between the coverage of freedom of expression and the protections it affords, and the appropriate doctrinal forms when speech is said to conflict with other rights such as equality, or merely other social interests. The book will be of interest to anyone, including students, teachers, researchers and policymakers wanting to learn more about the freedom of expression and the law.

*Free Speech in the Digital Age* Sep 02 2020 This collection of thirteen new essays is the first to examine, from a range of disciplinary perspectives, how the new technologies and global reach of the Internet are changing the theory and practice of free speech. The rapid expansion of online communication, as well as the changing roles of government and private organizations in monitoring and regulating the digital world, give rise to new questions, including: How do philosophical defenses of the right to freedom of expression, developed in the age of the town square and the printing press, apply in the digital age? Should search engines be covered by free speech principles? How should international conflicts over online speech

regulations be resolved? Is there a right to be forgotten that is at odds with the right to free speech? How has the Internet facilitated new speech-based harms such as cyber-stalking, twitter-trolling, and revenge porn, and how should these harms be addressed? The contributors to this groundbreaking volume include philosophers, legal theorists, political scientists, communications scholars, public policy makers, and activists.

**Law's Expression** Dec 29 2022

**The Constitutional Protection of Freedom of Expression** Oct 27 2022 Moon argues that recognition of the social dynamic of communication is critical to understanding the potential value and harm of language and to addressing questions about the scope and limits on one's rights to freedom of expression.

[Loi Constitutionnelle de 1982](#) Feb 25 2020

*The Scope of Tolerance* Jan 26 2020 This is an interdisciplinary study concerned with the limits of tolerance, the 'democratic catch', and the costs of freedom of expression.

*Free Expression* Jul 24 2022 8. Hate propaganda in Canada, by Joseph Magnet.

*Contemporary Musical Expressions in Canada* Nov 16 2021 Music and dance in Canada today are diverse and expansive, reflecting histories of travel, exchange, and interpretation and challenging conceptions of expressive culture that are bounded and static. Reflecting current trends in ethnomusicology, *Contemporary Musical Expressions in Canada* examines cultural continuity, disjuncture, intersection, and interplay in music and dance across the country. Essays reconsider conceptual frameworks through which cultural forms are viewed, critique policies meant to encourage crosscultural sharing, and address ways in which traditional forms of expression have changed to reflect new contexts and audiences. From North Indian kathak dance, Chinese lion dance, early Toronto hip hop, and contemporary cantor practices within the Byzantine Ukrainian Church in Canada to folk music performances in twentieth-century Quebec, Gaelic milling songs in Cape Breton, and Mennonite songs in rural Manitoba, this collection offers detailed portraits of contemporary music practices and how they engage with diverse cultural expressions and identities. At a historical moment when identity politics, multiculturalism, diversity, immigration, and border crossings are debated around the world, *Contemporary Musical Expressions in Canada* demonstrates the many ways that music and dance practices in Canada engage with these broader global processes. Contributors include Rebecca Draisey-Collishaw (Queen's University), Meghan Forsyth (Memorial University of Newfoundland), Monique Giroux (University of Lethbridge), Ian Hayes (Memorial University of Newfoundland), Anna Hoefnagels (Carleton University), Judith Klassen (Canadian Museum of History), Chris McDonald (Cape Breton University), Colin McGuire (University College Cork), Marcia

Ostaszewski (Cape Breton University), Laura Risk (McGill University), Neil Scobie (University Western Ontario), Gordon Smith (Queen's University), Heather Sparling (Cape Breton University), Jesse Stewart (Carleton University), Janice Esther Tulk (Cape Breton University), Margaret Walker (Queen's University), and Louise Wrazen (York University).

**The Charter of Rights and Freedoms** Mar 28 2020 "In Theory of Class Actions, Craig Jones provides a complete and comprehensive defence of the use of the class action for the resolution of mass tort claims. He explodes several popular myths regarding class actions including the notions that they infringe on litigative autonomy, they "blackmail" defendants, they pay too much to lawyers, and they are only effective for numerous, low-value claims.

Freedom of Commercial Expression Nov 28 2022 This work examines critically the case for freedom of commercial expression. Roger Shiner argues that the institutional history of such protection is one of ad hoc, not logical, development.

*Is There a Right of Freedom of Expression?* Dec 17 2021 A sceptical appraisal of the claim that freedom of expression is a human right.

The Difficulty of Tolerance Nov 04 2020 This volume presents Scanlon's classic essays in political philosophy written between 1969 and 1999.

*Freedom of expression and the internet* Dec 25 2019 An invaluable resource for students of law, politics, international relations and technology as well as for diplomats and civil society actors, this publication demonstrates how the Council of Europe contributes to ensuring that everyone's voice online can be heard. This is key to sustainable, human rights oriented and people-centred digitalisation. Human rights matter on the internet. Without freedom of expression, people cannot participate in everything that the information society has to offer. Yet online free speech is in danger. Between state laws, private rules and algorithms, full participation in the online communicative space faces many challenges. This publication explores the profound impact of the internet on free expression and how it can be effectively secured online. The second, updated edition of this introduction into the protection of freedom of expression online answers essential questions regarding the extent and limits of freedom of expression online and the role of social networks, courts, states and organisations in online communication spaces. In clear language, with vivid examples spanning two decades of internet law, the authors answer questions on freedom of expression in cyberspace. Addressing issues from the protection of bloggers to the right to access online information, the publication also shows the importance of the standard-setting, monitoring and promotion activities of international and non-governmental organisations and includes a chapter on relevant national practice. It pays special attention to the role of European human rights law and the Council of Europe as this region's most important human rights organisation.

Democracy of Expression Apr 09 2021 Drawing from multiple scholarly fields, Kenyon examines free speech's positive dimensions of enablement and how they can be pursued.

**How to Deliver Integrated Care** Oct 03 2020 This book introduces service planners and managers to successful strategies to design, implement and manage care integration programmes. It details the various components of change in individual chapters, which are illustrated with practical examples from actual care implementation projects.

**Understanding Canadian Law Three-Book Bundle** Sep 14 2021 Daniel Baum's guides to Canadian law have become essential legal guides for topics ranging from young offenders to first responders. Whether for law professionals or citizens who need to understand their legal rights, the books of the Understanding Canadian Law series are indispensable. Now, the first three instalments of the series are available in an ebook-exclusive bundle. Includes Youth and the Law What's the law? What does it mean? If the law is broken, especially criminal law, there may be a penalty. But who makes the law? How can the government draw lines in imposing individual responsibility? This book examines these questions in the context of dealing with youth, with case studies and analysis. Freedom and Expression This book detailing the protections, limits, and interpretation of freedom of expression in Canada is the second in a series exploring

key topics pertaining to Canadian law. Crime Scene Investigations Police investigations can become legal minefields. Crime Scene Investigations is a clear guide to the powers and limitations of law enforcement officials. From the right to a lawyer's advice, to privacy law in search and seizures, to stop-and-frisk-style "carding" operations, this book covers the key topics in depth.

**Free Expression, Public Support, and Censorship** Jun 23 2022 In this work, Canadian and American scholars, critics, government officials, and arts presenters discuss varied aspects of the role of government in the arts. The first section addresses general questions of government involvement in the arts in Canada and the U.S., and also presents a comparison of North American arts policy with governmental policy toward the arts in Western Europe. The second section examines government policies toward arts education and cultural exchange in Canada and the U.S. The final section examines the tensions that arise concerning free expression and censorship when the governments of Canada and the U.S. allocate funds to support particular artists, programs, or projects.

Commercial Speech as Free Expression Aug 01 2020 A bold, controversial advance in the theory of free expression, grounded in a new underlying theoretical perspective, for a dramatic extension of commercial speech protection.

**Freedom of Artistic Expression** Mar 08 2021 This book presents a unique and comprehensive examination of the human and moral rights of artists. In what is arguably the first exhaustive book-length account of artists' rights, Paul Kearns explores the problems associated with censorship, both from philosophical and legal perspectives, and focuses on the various ways in which the morality of art is legally regulated in different jurisdictions. In relation to human rights, English, French and American law, the law of the European Convention on Human Rights, European Union law and public international law are all closely scrutinised to discover the extent to which they offer protection for artistic freedom. The author also examines domestic and international law in respect of artists' moral rights, the law of copyright and related laws. In short, the book provides an original, and sometimes controversial, analysis of persistent concerns regarding the legal regulation of the arts universally, doctrinally and theoretically, and seeks to offer an holistic treatment which will appeal to art lawyers, artists and those interested in the future of the arts.

**The Constitution of Canada** May 30 2020 "The book introduces and describes the principal characteristics of the Canadian constitution, including Canada's institutional structure and the principal drivers of Canadian constitutional development. The constitution is set in its historical context, noting especially the complex interaction of national and regional societies that continues to shape the constitution of Canada. The book argues that aspects of the constitution are best understood in 'agonistic' terms, as the product of a continuing encounter or negotiation, with each of the contending interpretations rooted in significantly different visions of the relationship among peoples and societies in Canada. It suggests how these agonistic relationships have, in complex ways, found expression in distinctive doctrines of Canadian constitutional law and how these doctrines represent approaches to constitutional legality that may be more widely applicable. As such, the book charts the Canadian expression of trans-societal constitutional themes: democracy; parliamentarism; the rule of law; federalism; human rights; and Indigenous rights, and describes the country that has resulted from the interplay of these themes"--...

**Kid Activists** Oct 23 2019 Moving, relatable, and totally true childhood biographies of Martin Luther King Jr., Susan B. Anthony, Helen Keller, Malala Yousafzai, and 12 other inspiring activists. Every activist started out as a kid—and in some cases they were kids when their activism began! But even the world’s greatest champions of civil liberties had relatable interests and problems—often in the middle of extraordinary circumstances. Martin Luther King, Jr. loved fashion, and argued with his dad about whether or not dancing was a sin. Harvey Milk had a passion for listening to opera music in different languages. Dolores Huerta was once wrongly accused of plagiarizing in school. Kid Activists tells these childhood stories and more through kid-friendly texts and full-color cartoon illustrations on nearly every page. The diverse and inclusive group encompasses Susan B. Anthony, James Baldwin, Ruby Bridges, Frederick Douglass, Alexander Hamilton, Dolores Huerta, Helen Keller, Martin Luther King Jr., Nelson Mandela, Iqbal Masih, Harvey Milk, Janet Mock, Rosa Parks, Autumn Peltier, Emma Watson, and Malala Yousafzai.

**The Unfulfilled Promise of Press Freedom in Canada** Jan 18 2022 Canadian news reports are riddled

with accounts of Access to Information requests denied and government reports released with large swaths of content redacted. The Unfulfilled Promise of Press Freedom in Canada offers a vast array of viewpoints that critically analyze the application and interpretation of press freedom under the Charter of Rights. This collection, assiduously put together by editors Lisa Taylor and Cara-Marie O'Hagan, showcases the insights of leading authorities in law, journalism, and academia as well as broadcasters and public servants. The contributors explore the ways in which press freedom has been constrained by outside forces, like governmental interference, threats of libel suits, and financial constraints. These intersectional and multifaceted lines of inquiry provide the reader with a 360-degree assessment of press freedom in Canada while discouraging complacency among Canadian citizens. After all, an informed citizenry is a free citizenry.
