The Typewriter Revolution: A Typist's Companion for the 21st Century Mar 27 2020 The connoisseur's guide to the typewriter, entertaining and practical What do thousands of kids, makers, poets, artists, steampunks, hipsters, activists, and musicians have in common? They love typewriters—the magical, mechanical contraptions that are enjoying a surprising second life in the 21st century, striking a blow for self-reliance, privacy, and coherence against dependency, surveillance, and disintegration. The Typewriter Revolution documents the movement and provides practical advice on how to choose a typewriter, how to care for it, and what to do with it—from National Novel Writing Month to letter-writing socials, from type-ins to typewritten blogs, from custom-painted typewriters to typewriter tattoos. It celebrates the unique quality of everything typewriter, fully-illustrated with vintage photographs, postcards, manuals, and more.

1-2 Thessalonians, 1-2 Timothy, Titus, Philemon Oct 02 2020 The epistles of the New Testament provide insight into the realities of the life of the early church, guidance for those called to lead the church, and comfort in the face of theological questions. The Protestant Reformers of the sixteenth century also found wisdom and guidance in these letters. In this RCS volume, Lee Gatiss and Bradley Green guide readers through a diversity of early modern commentary on the New Testament epistles.

The Study of Medieval Records Aug 12 2021

2 Corinthians Feb 18 2022 In this commentary on 2 Corinthians, Scott Manetsch guides readers through both familiar voices and lesser-known figures of the early modern period from a diversity of theological traditions, including Lutherans, Reformed, Radicals, Anglicans, and Roman Catholics. This volume will open the Reformation's resources to preachers, scholars, and all who would be newly created in Christ.

Lists and Indexes Jul 11 2021 No. 52 (1929) contains the records listed in no. 41 plus the addition of records for 1837-1878.

A Divided Hungary in Europe Sep 20 2019 Despite fragmentation, heterogeneity and the continuous pressure of the Ottoman Empire, early modern “divided Hungary” witnessed a surprising cultural flourishing in the sixteenth century, and maintained its common cultural identity in the seventeenth century. This could hardly have been possible without intense exchange with the rest of Europe. This three-volume series about early modern Hungary divided by Ottoman presence approaches themes of exchange of information and knowledge from two perspectives, namely,

exchange through traditional channels provided by religious/educational institutions and the system of European study tours (Volume 1 – Study Tours and Intellectual-Religious Relationships), and the less regular channels and improvised networks of political diplomacy (Volume 2 – Diplomacy, Information Flow and Cultural Exchange). A by-product of this exchange of information was the changing image of early modern Hungary and Transylvania, which is presented in the third and in some aspects concluding volume of essays (Volume 3 – The Making and Uses of the Image of Hungary and Transylvania). Unlike earlier approaches to the same questions, these volumes draw an alternative map of early modern Hungary. On this map, the centre-periphery conceptions of European early modern culture are replaced by new narratives written from the perspective of historical actors, and the dominance of Western-Hungarian relationships is kept in balance due to the significance of Hungary's direct neighbours, most importantly the Ottoman Empire.

The Ryukyu Kingdom Oct 22 2019 This English translation of a key work by one of Okinawa's most respected historians, Mamoru Akamine, provides a compelling new picture of the role played by the Ryukyu Kingdom in the history of East Asia. Okinawa Island, from which the present-day Japanese prefecture derives its name, is the largest of the Ryukyu Islands, an archipelago that stretches between Japan and Taiwan. In the present volume, Akamine chronicles the rise of the Ryukyu Kingdom in the fourteenth and fifteenth centuries, when it played a major part in East Asian trade and diplomacy. Then Ryukyu was indeed the cornerstone in a vibrant East Asian trade sphere centered on Ming China, linking what we now call Japan, Korea, and China to Southeast Asia. With historical and cultural connections to both Japan and China, Ryukyu also mediated diplomatically between the two nations, whose leaders more often than not refused to deal with each other directly. But eventually the kingdom became a victim of its own success. Political developments in China and Japan starting in the sixteenth century brought great changes to the region, and in 1609 Ryukyu was invaded by Satsuma, Japan's southernmost domain. The China-Japan geopolitical rivalry would in time be

acted out within Ryukyu itself, as one faction strove to maintain ties with China while another supported union with rapidly modernizing Japan. Throughout the work Akamine's approach to Ryukyu history is distinguished by his expert use of Chinese and Korean sources, which allows him to examine events from several different angles. This contributes to a broad, sweeping narrative, revealing an East Asia made up of many shifting and interrelated parts—not just nation states pursuing their own interests. Akamine's facility with Chinese texts in particular uncovers telling details that add considerably to the historical record. His meticulous account of one of Ryukyu's tribute missions to China, for example, or the role of feng shui in the design of Shuri Castle, the royal and administrative center of the kingdom, is detailed without being pedantic. As a result, readers will come away with a broader, more informed understanding of Ryukyu's significance in the region and the complexity of its relations with its neighbors.

British Envoys to Germany 1816-1866: Volume 1, 1816-1829 Nov 22 2019 This edition consists of official reports sent by British envoys in Germany to the Foreign Office in London. The diversity and number of missions within the German Confederation offers the reader an opportunity for a pluralistic perception of German affairs by several British diplomats. The selection presents their main attitudes to the political, economic, cultural, military, and social situation in the German states. All despatches relevant to this first volume which covers the period 1816-1829 have been transcribed from the original for the first time.

A Memoir of Baron Bunsen, Late Minister Plenipotentiary and Envoy Extraordinary of His Majesty Frederic William IV. at the Court of St. James Jan 17 2022

Matthew Mar 19 2022 The sixteenth-century Reformers turned to Scripture to find the truth of God's Word, but that doesn't mean they always agreed on how to interpret it. This RCS volume guides readers through a wealth of early modern commentary on the book of Matthew, drawing upon a variety of resources and voices from a diversity of theological traditions.

Middle English Prose Nov 03 2020 Originally published in 1981, Middle English Prose is an edited collection providing an index of research and scholarship on Middle English prose. The book is split into specific thematic areas of scholarship covering such areas as editorial technique and middle English mystical prose, as well as focusing more in detail on specific prose such as Nicholas Love's Myrroure of the Blessed Lyf of Jesu Christ. Each chapter contains a collection of useful sources and an editorial analysis and description on each source. Even today, this will provide a useful and valuable resource for researchers of the medieval period.
