Once Upon a Scandal Dec 01 2019 Once upon a time, a nobody met a prince. Then she met his best friend, a second prince. Then she learned they like to share, and that's when things got interesting. That's when things got downright scandalous. My life has never been a fairytale. Absent parents, a grandmother gone too soon, and a job working the kitchens for the most heinous b**ch in the Kingdom of Bandiff. But that's before I sneak into the hottest royal ball on the planet. That's before I waltz right into them. The McDermott Princes. Princes, plural. There's two of them - both gorgeous beyond belief, alpha as hell, and more tempting than sin. Both with their eyes on me and both with that look that says that I'm theirs. Two princes, one baker. This might sound like too many cooks in the kitchen, but they say they like to share. They say they'll tear their whole kingdom down to make me theirs. They say they want to make me their Queen. Pretty soon, breaking into a royal ball is the least of my problems. This is a disaster waiting to happen. It's filthy, and oh-so-wrong. It's a royal scandal of epic proportions, and I'm right in the middle of it...I'm right in the middle of them. Maybe this is a fairytale after all. Ever heard of the cook who found a crown? How about two crowns? Two big, dominant, mouthwatering, pulse-quickenning crowns. I've never found a happy ever after. Now, I think I'm about to find two of them. This is a standalone story. The books in the Royally Screwed series can be read in any order. Steamy as all get-out, ridiculously over the top, and more growly alpha yumminess than you can shake a tiara at. Seriously - reality got left at the door with this one. But something tells me, you're going to love it ;) . Get ready to have your cake and eat it two too! This mfm romance is all about her - no m/m. As with all my books, this standalone novella is safe, with no cheating, and a HEA guaranteed.

A Short History of Celebrity Apr 16 2021 A history of celebrity from Byron to Beckham Love it or hate it, celebrity is one of the dominant features of modern life—and one of the least understood. Fred Inglis sets out to correct this problem in this entertaining and enlightening social history of modern celebrity, from eighteenth-century London to today's Hollywood. Vividly written and brimming with fascinating stories of figures whose lives mark important moments in the history of celebrity, this book explains how fame has changed over the past two-and-a-half centuries. Starting with the first modern celebrities in mid-eighteenth-century London, including Samuel Johnson and the Prince Regent, the book traces the changing nature of celebrity and celebrities through the age of the Romantic hero, the European fin de siècle, and the Gilded Age in New York and Chicago. In the twentieth century, the book covers the Jazz Age, the rise of political celebrities such as Mussolini, Hitler, and Stalin, and the democratization of celebrity in the postwar decades, as actors, rock stars, and sports heroes became the leading celebrities. Arguing that celebrity is a mirror reflecting some of the worst as well as some of the best aspects of modern history itself, Inglis considers how the lives of the rich and famous provide not only entertainment but also social cohesion and, like morality plays, examples of what—and what not—to do. This book will interest anyone who is curious about the history that lies behind one of the great preoccupations of our lives. The Boyfriend Effect Oct 23 2021 A sexy new brother's best friend romance from New York Times bestselling author Kendall Ryan. I'm not boyfriend material. If a trail of broken hearts and a piss-poor record of failed relationships have taught me anything, it's this. My buddies are happy to give me shit about my latest breakup from here to next Sunday. Thanks, but I'd rather have a root canal. And a vasectomy. At the same time. Relief comes in an unlikely package—the gorgeous and feisty Maren. She just so happens to be my best friend's sister, so that's not awkward at all. But I'm a man on a mission, and Maren is down to teach me all the ways I've been failing as a boyfriend. Apparently, there are many. And it's all very informative—until I start to catch feelings. Now it's not just my reputation on the line, but my heart too. Q&A about the Frisky Business Series: Q: Are these new characters? A: Yes! Hayes and Maren are brand new characters you've never met and I can't wait to introduce you. Q: Is this part of a series? A: This is book 1 in a new series about a group of male best friends who own an adult toy company. Get ready for lots of shenanigans, feels, and a swoonworthy bromance. Each book can be read as a standalone.

And if some of those dreams play out in the bedroom? Well, there's nothing wrong with a few -- okay, several -- hot nights together as we hit the beach, visit old stomping grounds, and test all sorts of limits, in and out of the sheets. Seven days, then I'm off, moving across the country, far away from her. No way can things get complicated in a week. Ruby and I aren't the kind of dream that has a shot of coming true. Especially once she learns what I've done. GOOD WITH HIS HANDS is a sexy standalone romance in the Good Love series!

Crockett of Tennessee Aug 09 2020 Finalist for the Spur Award: The thrilling adventures of an American icon come alive in this vivid and

authentic retelling of his remarkable story From humble beginnings in rural Tennessee to his heroic death defending the Alamo, frontiersman, adventurer, and politician David "Davy" Crockett embodies the spirit and ideals of the national character. Even during his lifetime, tales of the sharpshooting, skilled woodsman were—to his delight—told, retold, and elaborated on. As a US congressman, the former Creek War militiaman steadfastly opposed President Andrew Jackson's Indian Removal Act. As a soldier, he made the ultimate sacrifice fighting for an independent Texas. Nearly two centuries after his untimely demise, he remains a legendary figure in American lore. In this fictional account of Crockett's life, author Cameron Judd offers a nuanced portrait of the man behind the myth. He depicts Crockett's triumphs as a hunter, cattle drover, warrior, and legislator in riveting detail and poignantly illustrates his subject's hardscrabble youth and complicated relationship with his father. Meticulously researched and rich in vibrant action, Crockett of Tennessee captures the charisma, ambition, and bravery of the man known as the "King of the Wild Frontier."
