*Deadlock* Apr 21 2022 When Chicago Black Hawks hockey legend Boom Boom Warshawski slips off a wharf and drowns in Lake Michigan, his private-eye cousin questions the accidental death report and rumors of suicide. Armed with a bottle of Black Label and a Smith & Wesson, V.I. follows a trail of violence and corruption to the center of the Windy City's powerful shipping industry. Dodging elaborate attempts on her life with characteristic grit and humor, the one-of-a-kind detective wends her way through a maze of grain elevators and thousand-ton freighters, ruthless businessmen and gorgeous ballerinas, to ferret out Boom Boom's killers before they phase her out of the picture—permanently. Praise for *Deadlock* “V.I. Warshawski is one of the best . . . smart, tough, sexy.”—Daily News (New York) “Sara Paretsky makes excellent use of local backgrounds in a carefully plotted tale of murder and great misdeeds in the world of Great Lakes cargo shipping.”—Chicago Tribune “Hard-boiled detective fiction . . . a swift-paced and engrossing read.”—The Philadelphia Inquirer “Slithers with suspense!”—Chicago Sun-Times

**On Duties** Jun 23 2022 This is the most complete, readable, and explanatory edition of Cicero's "On Duties" available in English. “On Duties” represents the pinnacle of Western moral philosophy. Not only is it an unmatched practical guide to conduct, but it also serves as a profoundly ennobling vision of man.

Acknowledged as a supreme moral authority for many centuries, it was the second book (after the Gutenberg Bible) to be printed following the invention of the printing press. This new English translation by Quintus Curtius was specifically designed with the needs of the modern reader in mind. It reproduces the majesty and elegance of the original, while at the same time containing features found in no other edition. Lucid, precise, and accessible, this complete and unabridged edition contains the following special features: 1. An innovative topical organizational scheme that permits easy location of subjects and terms 2. Detailed textual notes for unfamiliar terms and historical references 3. Detailed commentaries and synopses on the text 4. Complete subject and name index 5. Additional explanatory essays Quintus Curtius is an attorney, writer, and former Marine officer. He can be found at [www.qcortius.com](http://www.qcortius.com).

**Stasi Wolf** Mar 20 2022 How do you solve a murder when you can't ask any questions? The

gripping new thriller from the bestselling, award-winning author of Stasi Child. East Germany, 1975. Karin Müller, sidelined from the murder squad in Berlin, jumps at the chance to be sent south to Halle-Neustadt, where a pair of infant twins have gone missing. But Müller soon finds her problems have followed her. Halle-Neustadt is a new town - the pride of the communist state - and she and her team are forbidden by the Stasi from publicising the disappearances, lest they tarnish the town's flawless image. Meanwhile, in the eerily nameless streets and tower blocks, a child snatcher lurks, and the clock is ticking to rescue the twins alive . . . 'This fast-paced thriller hooks the readers from the start' The Sun 'A masterful evocation of the claustrophobic atmosphere of communist era East Germany . . . an intricate, absorbing page-turner' Daily Express 'The perfect blend of action, suspense and excitement. This is top notch crime! I will be shouting about this book to everyone, everywhere. Northern Crime 'One of the most fascinating and original detectives in contemporary crime fiction . . . a hugely accomplished novel' (For Winter Nights) 'For me David Young has cemented his place on the bookshelf alongside my Cold War thrillers by John le Carré and Len Deighton' The Quiet Knitter

### **The Business Communication Handbook**

Dec 17 2021 The ability to apply written, oral and interpersonal communication skills are essential if you are to succeed in your chosen career. Successful people are able to apply and adjust these skills to suit the various situations they encounter in the workplace. The eighth edition of THE BUSINESS COMMUNICATION HANDBOOK builds on the previous editions to provide an understanding of communication principles that can then be applied in the workplace. This user-friendly text is divided into four parts: Workplace Communication, Workplace Relationships, Workplace Documents and Career Development. Each chapter includes learning objectives and a list of key terms at the beginning of each chapter, margin notes to highlight key ideas, a comprehensive glossary and end-of-chapter summaries that review the essential concepts presented in the chapter. Coverage of employability skills has also been

incorporated into the new edition, with Ready For Work activities at the end of each section that enable students to reflect on their readiness for work and career advancement or promotion. A Companion Website at [pearsoned.com.au/dwyer](http://pearsoned.com.au/dwyer) provides further online resources for teachers and students and includes: True/False questions, Internet exercises, Good/Bad practice and research topic questions. This provides teachers with additional assessments and tasks, an exam revision tool and the opportunity to integrate technology into course delivery.

### *Spiritual Purification in Islam* Jul 12 2021

Purification of the soul is a principle that is central to understanding Islamic spirituality but despite this, relatively little has been written explicitly in the Islamic tradition regarding this discrete method of spiritual purification. This book examines the work of a scholar of this discipline, al-Hārith al-Muhāsibī, who lived and worked during the classical Islamic period under the Abbāsids. Although al-Muhāsibī was well known for his skills in many disciplines, including the Qur'ān, Prophetic narration and scholastic theology, it is his mastery in the field of Islamic spirituality and moral psychology for which he is best remembered. Assessing the extent to which the political, social and economic factors played a part in his life and work, Gavin Picken provides a comprehensive overview of his work and its great significance in the development of Islamic spirituality.

Reconstructing his life in chronological order and providing the most comprehensive appraisal of his works to date, it explores a facet of al-Muhāsibī's teaching which as yet has not been studied, namely his understanding, concept and methodology regarding the purification of the soul within the Islamic paradigm. As such, it will be of great interest not only to researchers and students of Sufism but also to scholars of comparative spirituality and mysticism.

*Birds of Belize* May 10 2021 "Fills a major gap in the bird identification literature . . . A must for birders planning a trip to this friendly patch of Central America." —The Curious Naturalist With nearly six hundred identified species of birds—and an average of five "new" species discovered annually—Belize is becoming a birding hotspot for amateur and professional

birders from around the globe. Thousands of birders visit the country each year to enjoy Belize's amazing abundance and variety of both temperate and tropical birds in natural habitats that remain largely unspoiled. But until now, despite the growing need for an authoritative identification guide, birders have had to rely on regional field guides that offer only limited information on Belizean birds. *Birds of Belize* provides the first complete guide to the identification of all currently known species—574 in all. The birds are grouped by families, with an introduction to each family that highlights its uniquely identifying characteristics and behaviors. The species accounts include all the details necessary for field identification: scientific and common names, size, plumage features, thorough voice descriptions, habitat, distribution, and status in Belize. Full color, expertly drawn illustrations by noted bird artist Dana Gardner present male and female, juvenile and adult, and basic and alternate plumages to aid visual identification throughout the year, while 234 range maps show the birds' distribution and seasonality in Belize. A comprehensive bibliography completes the volume. "A first-class book that will enable users to identify any bird they encounter in Belize." —Victor Emanuel, President, Victor Emanuel Nature Tours

**Becoming Myself** Sep 14 2021 God has dreams—just for you *Becoming Myself* is a hope-filled book for anyone who wonders if her life will ever change—if she will ever change. In Stasi Eldredge's most intimate book yet, she shares her own struggles with self-worth, weight, and her past as she shows readers how God is faithfully unveiling who we truly are. Stasi urges you to lay down your past thoughts about yourself and receive God's incredible dreams for you instead. We cannot heal ourselves. We cannot become ourselves by ourselves. But we are not by ourselves. The King of love wants to help us become. God desires to restore us—the real us. As he heals our inner life, he calls us to rise to the occasion of our lives. The most important journey any woman can take is the journey into becoming her true self through the love of God. It's a beautiful paradox. The more of God's you become, the more yourself you become—the "self" he had in mind when he

thought of you before the creation of the world. Discover your truest self—the woman God created you to be—in *Becoming Myself*. *Biochemistry* Jan 18 2022 *Biochemistry: The Molecular Basis of Life* is the ideal text for students who do not specialize in biochemistry but who require a strong grasp of biochemical principles.
