**For Immediate Release** Nov 01 2019 It is essential that businesses know how to communicate quickly, often preemptively, and effectively to survive—and at a cost that is far lower than comparable marketing and ad campaigns. The first book by the owner of a top 50 PR agency, For Immediate Release, Ronn Torossian reveals how public relations can do just that—while also defining brands; helping companies and individuals court the press or avoid it; growing business without alienating loyal customers; resolving crises quickly; and improving first page results on the most powerful search engine in the world (Google). For Immediate Release will show you how to: Frame the debate and control the conversation Use new and old media in tandem to find your audiences and create highly personal, relevant impressions tailored for them Promote the interests of your brand or business; deter or potentially stop what is not in your interest Build on great press, and avoid or minimize bad press Ensure the first thing people see about your business or brand during an

Internet search is exactly what you want them to see Handle a crisis in the most effective and efficient manner See the positive difference effective PR makes through compelling case studies—Louis Vuitton, Fubu, BP, Toyota, Philip Stein, Zappos, and interviews with experts including Dr. Keith Ablow, political strategists Frank Luntz, Roger Stone and Hank Sheinkopf, and many others—and your own business.

Buying and Maintaining a 126 S-Class Mercedes Apr 30 2022 The Mercedes 126 S-Class of 1979-91 remains the most successful premium class saloon in the company's history and is considered by many to be one of the best cars in the world. More than quarter of a century after the last one left the factory, close to a quarter of all 126s remain registered throughout the world. This book will enable you to avoid the most common pitfalls and faults that otherwise can ruin the ownership of a 'Sonderklasse'. Packed with the sort of advice only normally obtainable from years of experience, it will act as your own personal marque expert. Specifications and valuations are included along with a detailed guide to buying the best car at the right price, and finally, how to keep your 126 fresh and reliable. This practical and instructional manual will be a valuable addition to the bookshelf of anyone owning, or aspiring to own, a 126, and is fully illustrated with 250 colour photographs.

**Mercedes-benz, the Modern Sl Cars, the R230** Aug 30 2019 If you search for a car that can hold its own, when parked next to a Porsche 911 Cabrio, don't look any further. Because the SL R230 is regarded by many as the best looking SL that has left Stuttgart after the famous SL Gullwing. On top it is immense fun to drive, with powerful V8s and V12s to match the looks. Like the drive-train they are almost bullet-proof. Early cars suffered from quality problems that could spoil the fun factor somewhat. But all in all the R230 plays its GT role rather well, even with six-cylinder engines. And the AMG versions are true sports cars. This book with comprehensive buyer's guide can help you to find the right one, if the R230 interests you. It was already published as e-book in 2012 and has been completely revised in Nov.2015. The book explains the VIN and data card in great detail, discusses the SBC, ABC systems and looks at potential problems with the vario-roof. Superb photography and an enjoyable test-drive in the splendid SL65 AMG are other highlights. It ends with a detailed list of the cars' technical specifications and annual production history of each model. **FREE BONUS:** When you have bought this book, you are eligible for a free pdf file of any Mercedes model (such as W111 or W198 or R107 for example) the author has covered in one of his books. Please contact the author through his website (inside the book) and stipulate, which free pdf file you want him to send to you.

**Mercedes-Benz S-Class 1972-2013** Jun 01 2022 Ever since their introduction in 1972, the S-Class saloons from Mercedes-Benz have

been considered the pinnacle of automotive excellence. For most of that time, ownership of an S-Class - at least, of a reasonably recent one - has been symbolic of material success and of restrained yet impeccable good taste. Several other car makers have nibbled at the edges of the S-Class market, but none has produced a viable and lasting alternative to the big Benz. Mercedes-Benz S-Class 1972-2013 charts the evolution and success of the series, from the W116 model, the first to be designed from the ground up as a large luxury saloon, through to the C126 coupe, one of the all-time Mercedes-Benz classic designs. Topics covered include: development and production of the W126 saloons and classic W126 coupes; the W140 saloons in the 1990s; the 140 coupes, the W220 models and the elegant 215 coupes; the W221 models, introduced at the Frankfurt International Motor Show in 2005; the C216 coupes and the future of Mercedes-Benz S-Class. Superbly illustrated with 288 colour photographs.

**Stop Acting Rich** Oct 13 2020 The bestselling author of *The Millionaire Next Door* reveals easy ways to build real wealth. With well over two million of his books sold, and huge praise from many media outlets, Dr. Thomas J. Stanley is a recognized and highly respected authority on how the wealthy act and think. Now, in *Stop Acting Rich ? and Start Living Like a Millionaire*, he details how the less affluent have fallen into the elite luxury brand trap that keeps them from acquiring wealth and details how to get out of it by emulating the working rich as opposed to the super elite. Puts wealth in perspective and shows you how to live rich without spending more. Details why we spend lavishly and how to stop this destructive cycle. Discusses how being "rich" means more than just big houses and luxury cars. A defensive strategy for tough times, *Stop Acting Rich* shows readers how to live a rich, happy life through accumulating more wealth and using it to achieve the type of financial freedom that will create true happiness and fulfillment.

**Shoot First** Jan 04 2020 In the latest nonstop adventure from #1 New York Times bestselling author Stuart Woods, Stone Barrington must defend a woman whose business--and life--are under threat. Stone Barrington is enjoying a round of golf in Key West when the game is violently interrupted--and it seems as if the target of the disturbance may have been one of his playing companions, the brilliant businesswoman behind a software startup on the cutting edge of technology. Soon, it becomes clear that this incident is only the first thrust in a deadly scheme to push the beautiful young woman out of the way and put her company's valuable secrets up for grabs. From the sun-soaked Florida shores to an idyllic English country retreat, Stone embarks on a quest to protect his lovely new companion while searching for the mastermind behind the plot against her. But he may find that her enemy is far more resourceful--and dangerous--than he could have anticipated.
