Rapunzel's Daughters Jun 08 2020 The first book to explore the role of hair in women's lives and what it reveals about their identities, intimate relationships, and work lives Hair is one of the first things other people notice about us--and is one of the primary ways we declare our identity to others. Both in our personal relationships and in relationships with the larger world, hair sends an immediate signal that conveys messages about our gender, age, social class, and more. In Rapunzel's Daughters, Rose Weitz first surveys the history of women's hair, from the covered hair of the Middle Ages to the two-foot-high, wildly ornamented styles of pre-Revolutionary France to the purple dyes worn by some modern teens. In the remainder of the book, Weitz, a prominent sociologist, explores--through interviews with dozens of girls and women across the country--what hair means today, both to young girls and to women; what part it plays in adolescent (and adult) struggles with identity; how it can create conflicts in the workplace; and how women face the changes in their hair that illness and aging can bring. Rapunzel's Daughters is a work of deep scholarship as well as an eye-opening and personal look at a surprisingly complex-and fascinating-subject.

Bad Hair Day Jan 28 2022 Franny K. Stein is back with another laugh-out-loud experimental adventure in the eighth book in the Mad Scientist series from Jim Benton, the New York Times bestselling author-illustrator of the Dear Dumb Diary and It's Happy Bunny series. Franny K. Stein isn't a fan of glamour. She doesn't style her hair, the thought of wearing makeup makes her want to gag, and she couldn't care less about wearing dressy dresses when she'd much prefer her lab coat. But sometimes Franny wonders if her mom wishes she were different. Which gives Franny an idea...for an experiment! What if she can turn the beauty products her mom loves into something more exciting? Every experiment has its experimental error, and when Franny's hair takes on a life of its own, Franny must save the day (and her hair) to finally realize her mom loves her just the way she is.

Good Hair, Bad Hair Nov 25 2021 Good hair, bad hair registers the author in the genealogical tree of the great Caribbean writers such as Olive Senior, Jamaica Kincaid, and Mayra Santos-Febres. The speakers of this novel, shown through fragmented monologues, become archetypal voices that intertwine in the main character as if all of them were only one. The changes of narrative perspective create metaphors of the inherent ambiguity in the Caribbean amalgam. But beyond the tension that the title could imply, this novel is the story of a woman who, in spite of her restlessness or her fears, takes control over her life. Elidio La Torre Lagares Professor, Universidad de Puerto Rico

Bella's Bad Hair Day Jan 04 2020 Bella has woken up to find that things are not as they should be. But her mother is busy painting, and her father is playing his baby grand piano. Doesn't anyone realise it's going to be a horrible, horrific, horrendous hair day? The hairdresser wants to cut it all off, except for one little curl. What is Bella to do? If only she had a hat that could hide all her messed, mashed and muddled hair. A heartwarming and hair-raising tale from a much-loved picture-book creator.

Bad Hair Day Aug 03 2022 Set in the world of BAD TASTE IN BOYS, teenage zombie assassin Kate Grable is back to take on the horrors of high school--perfect for fans of Buffy the Vampire Slayer and Veronica Mars. Kate Grable is geeked out to shadow the county medical examiner as part of her school's premed program. But after he's arrested for murder, she's left with the bodies. And when Kate's brother, Jonah, stumbles upon a dead gamer girl, Kate realizes that the zombie epidemic she cured last fall was only the beginning of the weirdness taking over her town.

Someone—or something—is murdering kids. Something really hairy. And strong. Possibly with claws. Could it be werewolves, like Jonah and his dorktastic friends think? Kate's supposed to be a butt-kicking, zombie-killing genius . . . but if she can't figure out what's behind the freakish attacks, the victims—or what's left of them—are going to keep piling up. "What's not to love?"--Kirkus Reviews "Kate combines the smarts of Veronica Mars with the attitude of Buffy . . . a fast-paced read."--School Library Journal "Entirely enjoyable."--Publishers Weekly

Styled for Murder Aug 23 2021 Hairstylist Marla Vail flushes out a killer when murder disrupts her mother's home renovation plans in this stylish cozy mystery. When hairstylist and savvy sleuth, Marla Vail, gets a frantic call from her mother that there's a dead body in her shower, Marla realizes this wasn't part of the home renovation plans. The victim turns out to be the project manager, who had an untrustworthy reputation in town. Disgruntled customers, unpaid suppliers, and the design company's staff are among the suspects. Which one of them wanted the foreman to pipe down about their shady dealings? Meanwhile, the lead investigator sets his sights on Marla's stepfather, Reed, who's keeping secrets from his family. Reed has a past connection to the victim and won't come clean about what he knows. As Marla drills deeper, she's showered with suspicions, but nobody's willing to leak any information. She needs to hammer down the prospects, or time will drain away and the murderer will strike again. To flush out the culprit, Marla taps into her pipeline of resources. Can she assemble the clues and demolish the alibi to nail a killer? Or has someone designed the perfect murder? Recipes Included!

Permed to Death Jan 16 2021 Permed to Death is the first whodunit in the hilarious Bad Hair Day mystery series. Hairstylist Marla Shore is already having a bad hair day when one of her clients dies in the shampoo chair at her salon. Then Detective Dalton Vail accuses her of putting poison in the woman's coffee creamer. Grumpy Bertha Kravitz might not have been Marla's favorite customer, but she wouldn't have murdered the lady. With her reputation at stake, Marla decides it's up to her to unmask the killer. Combing the woman's privileged world for clues, Marla discovers the town is crawling with potential suspects. Bertha's son is resentful about being written out of her will. Her shady business partner has secrets to hide, and then there's the niece, who inherits Bertha's fortune. But Marla might have to look closer to home for the culprit. Her janitor has vanished without a trace, and one of her stylists leads an upscale lifestyle that doesn't match her income. As the case grows more snarled, Marla determines to unravel the clues. She'd better hurry before the smart detective discovers her scandalous secret, or he'll pin her with a motive and lock her away in a place where a bad hair day will become permanent. "Marla the beautician is a delight!"--Tamar Myers, author of the Pennsylvania Dutch Mysteries

Invisible Jun 28 2019 Already appearing on must-read lists for Bitch, PopSugar, BookRiot, and Autostraddle, this is an exploration of women navigating serious health issues at an age where

they're expected to be healthy, dating, having careers and children. Miriam's doctor didn't believe she had breast cancer. She did. Sophie navigates being the only black scientist in her lab while studying the very disease, HIV, that she hides from her coworkers. For Victoria, coming out as a transgender woman was less difficult than coming out as bipolar. Author Michele Lent Hirsch knew she couldn't be the only woman who's faced serious health issues at a young age, as well as the resulting effects on her career, her relationships, and her sense of self. What she found while researching Invisible was a surprisingly large and overlooked population with important stories to tell. Though young women with serious illness tend to be seen as outliers, young female patients are in fact the primary demographic for many illnesses. They are also one of the most ignored groups in our medical system—a system where young women, especially women of color and trans women, are invisible. And because of expectations about gender and age, young women with health issues must often deal with bias in their careers and personal lives. Not only do they feel pressured to seem perfect and youthful, they also find themselves amid labyrinthine obstacles in a culture that has one narrow idea of womanhood. Lent Hirsch weaves her own harrowing experiences together with stories from other women, perspectives from sociologists on structural inequality, and insights from neuroscientists on misogyny in health research. She shows how health issues and disabilities amplify what women in general already confront: warped beauty standards, workplace sexism, worries about romantic partners, and mistrust of their own bodies. By shining a light on this hidden demographic, Lent Hirsch explores the challenges that all women face.

Bad Hair Does Not Exist/Pelo Malo No Existe Aug 11 2020 Target Demo: Age 3 - Adulthood. "Bad Hair Does Not Exist!/"Pelo Malo No Existe!" - is a book with an anti-bullying message that reinforces respect for individualism. Hispanic and Black children are exposed to the divisive and bullying term, "bad hair," within their own communities. The term "bad hair" or "pelo malo" is used to describe hair that is usually of curlier texture or of a thick and coarse density. This is irresponsible and often contributes to a child's low self-esteem, dividing both communities and families. The book's purpose is to empower all children by giving them alternate terms to describe their hair, and teaching them the importance of respecting one another's differences.

Bad Hair Day Sep 23 2021 Gabby McGee is a 12-year old girl trying to shed her "bad hair," her parent's strict rules, and her insecurities--all at the same time. If only she could change her hair from nappy, kinky, and unruly, to straight, long, and flowing, she could finally fit in. But she soon learns that going behind her mother's back to get a chemical hair relaxer isn't the way to do it. After a failed trip to the hair salon leaves her in debt, she devises a hair-brained scheme to pay it off, which involves her crush, a French kiss, and a bake-off. Is it just crazy enough to work? Is changing her hair really what she wants? Or, could the money troubles of a classmate at her snooty private school cause her to change her attitude instead?

Dougla in the Twenty-First Century Nov 13 2020 Identity is often fraught for multiracial Douglas, people of both South Asian and African descent in the Caribbean. In this groundbreaking volume, Sue Ann Barratt and Aleah N. Ranjitsingh explore the particular meanings of a Dougla identity and examine Dougla maneuverability both at home and in the diaspora. The authors scrutinize the perception of Douglaness over time, contemporary Dougla negotiations of social demands, their expansion of ethnicity as an intersectional identity, and the experiences of Douglas within the diaspora outside the Caribbean. Through an examination of how Douglas experience their claim to multiracialism and how ethnic identity may be enforced or interrupted, the authors firmly situate this analysis in ongoing debates about multiracial identity. Based on interviews with over one hundred Douglas, Barratt and Ranjitsingh explore the multiple subjectivities Douglas express, confirm, challenge, negotiate, and add to prevailing understandings. Contemplating this, Dougla in the Twenty-First Century adds to the global discourse of multiethnic identity and how it impacts living both in the Caribbean, where it is easily recognizable, and in the diaspora, where the Dougla remains a largely unacknowledged designation. This book deliberately expands the conversation beyond the limits of biraciality and the Black/white binary and contributes nuance to current interpretations of the lives of multiracial people by introducing Douglas as they carve out their lives in the Caribbean.

God Doesn't Have Bad Hair Days Jul 02 2022 This gem of a book presents God as a positive life force that, when tapped, can send our lives spinning in an exciting new direction. It explains how spiritual "experiments" work, and provides concrete instructions for using these principles to improve one's life. Ten spiritual concepts are introduced, with a suggested 48-hour experiment to prove each one. Some examples of these principles are: 1) There's a power and force in the universe that can heal; 2) Your thoughts create your reality; and 3) By directing your mind, you can create more abundance, joy, and love in your life. Written in a conversational, contemporary voice, God Doesn't Have Bad Hair Days will appeal to the spiritual believer who's a fan of such bestsellers as The Prayer of Jabez and Simple Abundance, as well as to the spiritually curious who seek fulfillment outside traditional Christian denominations. The spiritual skeptic, too, will be drawn to this attractive book and its cheeky, no-nonsense tone.

Murder on a Bad Hair Day Feb 14 2021 Murder on a Bad Hair Day It's hard to believe practical, petite ex-schoolteacher Patricia Anne and amiable, ample-bodied, and outrageous Mary Alice are sisters, yet sibling rivalry has survived decades of good-natured disagreement about everything from husbands to hair color. No sooner do the Southern sisters discover a common interest in some local art, when they're arguing the artistic merits of some well-coiffured heads at a gallery opening. A few hours later, one of those pretty ladies ends up dead -- with not a hair out of place. The other shows up on Patricia Anne's doorstep dazed, disheveled, and telling a wild tale of a narrow escape from some deadly cuts. Now the sisters are once again combing for clues to catch a killer with a bizarre style in art -- and murder.
