[Rick Stein's Seafood Lovers' Guide](#) Oct 13 2020 Rick (and Chalky his trusty dog) discover great seafood dishes and small delicacies amongst the tidal estuaries, shingle banks and rocky shores of Britain. Rick travels from the bleak Suffolk coast where fishermen scrape a living catching cod to the wild, clear waters of Scotland's lochs bringing back an abundance of stories and imaginative, colourful recipes. The book is organised geographically with each chapter covering one of the regions featured in the BBC series. Rick describes the fish-catching and fish-eating traditions of each area as well as details of the local life, legends and literature. He singles out local delicacies and includes six to eight fish and seafood recipes per chapter. Each chapter is illustrated with stunning food and landscape photography and ends with an area map and a guide to a small selection of the best hotels, restaurants, pubs and specialist suppliers (including information on extra locations, not featured in the series). 'Just as I do in the restaurant to keep ahead of the game, I look for the best suppliers, the freshest fish and who catches them. In a way, this is what this series is about, the fish I love, for all sorts of reasons, not just taste or fashion, where they come from and the people who catch them and the best way to cook them. As a result of looking around the country for the best

seafood, it's turned out to be a love affair with the changing coastline of Great Britain and Ireland and the business of going to sea in small boats to catch the freshest prime fish we have.' Rick Stein

Defining Moments Jun 28 2019 A Prophetic Anointing for Today Defining Moments is a fascinating look at the remarkable ways in which God has used ordinary people to change history. But it is about more than history alone—it illuminates the present and unveils the future. Prophetic in nature, the book reveals how God wants to work in each of our lives to fulfill His purposes—today, tomorrow, and in the years to come. The stories in this collection of God-encounters carry a prophetic anointing for all who have ears to hear. Author Bill Johnson highlights the significant traits and contributions of many well-known revival leaders, including John Wesley, Charles Finney, Dwight L. Moody, Maria Woodworth-Etter, Carrie Judd Montgomery, Smith Wigglesworth, John G. Lake, Evan Roberts, Rees Howells, Aimee Semple McPherson, Kathryn Kuhlman, Randy Clark, and Heidi Baker. He explains the impact these leaders can have on us today as we respond to the life-changing truths revealed through their life stories. There is power in knowing the testimonies of men and women who experienced God in a defining moment and said yes to His unique call on their lives. It is a power that inspires us to hunger for God in such a way that we, too, will have an encounter with Him that launches us into the world of the “impossible,” enabling us to fulfill a greater measure of our destiny. Read this book with a sense of readiness, and watch what happens.

Joy to the World Dec 15 2020 What could be more familiar than the Christmas story--and yet what could be more extraordinary? The cast of characters is strange and exotic: shepherds and magicians, an emperor and a despot, angels, and a baby who is Almighty God. The strangeness calls for an explanation, and this book provides it by examining the characters and the story in light of the biblical and historical context. Bestselling author Scott Hahn who has written extensively on Scripture and the early Church, brings evidence to light, dispelling some of the mystery of the story. Yet Christmas is made familiar all over again by showing it to be a family story. Christmas, as it appears in the New Testament, is the story of a father, a mother, and a child--their relationships, their interactions, their principles, their individual lives, and their common life. To see the life of this "earthly trinity" is to gaze into heaven.
