**Put Your Mind at Ease** Dec 03 2019 Meditations help readers accept the past, face challenges, battle doubts, and find inner peace

**Coming to Wholeness** Apr 18 2021 If you want a way to have an easier and more satisfying life, this book may well be the elusive "how to" you've been searching for. A series of crises in the author's life led her on an intensive search for solutions. The result is a new method of personal transformation that is simpler, gentler, more direct, and also appears to be more effective and dependable than previous approaches. What makes Wholeness Work unique is that it's based on a spiritual teaching about awakening-but goes farther to offer a method that's specific, precise and universally accessible. You don't need to have spiritual interest or beliefs to benefit. In this book, you'll find real-life stories from people who've done this work and report: - A natural melting away of issues that previously seemed unresolvable -An increased sense of wellbeing -A deep relaxation and resetting of the nervous system -Greater access to a natural wisdom, compassion, humor and creativity This method has helped people with relationship issues, insomnia, difficult emotions, pre-migraine auras and much more. Even some physical issues have shown improvement. People report "It feels gentle-but has a powerful impact. "Eastern Spirituality brings us concepts such as "enlightenment" and "loss of the ego." But for many, the actual experience of these is mysterious and seems esoteric. Can a state of "enlightenment" actually be accessible to the ordinary person? In answering this question, Wholeness Work is a breakthrough in the fields of both spirituality and personal transformation. It isn't a magic pill that you can try one time and then life is perfect. Instead, it's a step-by-step approach that brings profound benefits to those seeking personal transformation and/or spiritual growth. Doing the Wholeness Work feels like a kindness to yourself as you're doing it; the only side effect is that your life continues improving-gradually and dependably. If you want a simple, reliable, direct way to make life better, you've just found it. Praise for Coming to Wholeness: " This is a game changer. I was first introduced to the Wholeness Work by a coach who used the method with my wife and me to profound effect. It is the essential ingredient for all personal transformation- presented clearly in this gem of a book. I hope it opens worlds for you." -Jack Canfield, Coauthor of the Chicken Soup for the Soul(R) "Well done! Connirae Andreas has 'transformed' several centuries and approaches to self-awareness and meditation into her Wholeness Work. Her approach is very gentle, easy, simple and fluid, respectful and inclusive. From my study of Milton Erickson, I believe she has added much to Erickson's work and healing approach in Coming to Wholeness. She says it best: It means that everything that had been getting in our way actually supports the meditation process." -Dr. Chris Gunn, Licensed Psychologist, Flagstaff, AZ "At last, a manual for getting over ourselves.

Beyond the self lies a whole world of being fully, spontaneously alive. Thank you, Connirae. This work is brilliant." -Stewart Emery, author, founding CEO of EST, creator of Actualizations, coffee maven  
"Connirae's Coming to Wholeness suggests the elegant simplicity of a captivating melody- it takes hold of you and effortlessly carries you along. A lot of sophisticated musical understanding goes into writing a tune that captures the heart, and a lot of sophisticated psychological understanding has gone into developing and refining a process that expands the self and releases the heart." -Douglas Flemons, Ph.D., LMFT, Professor of Family Therapy, Nova Southeastern University  
Connirae Andreas PhD is an international teacher of personal growth methods, known for her innovative contributions spanning more than four decades. She is best known for her groundbreaking work, Core Transformation already used internationally  
**Chinese Breeze 1** Jan 16 2021 Chinese With Ease is an innovative two-level course for junior high or high school students. Click here to preview the first 25 pages in Acrobat PDF format.

[Japanese with Ease](#) Jul 02 2022 Book & CD. This course familiarises you with the language used every day in a wide variety of contexts. Basic grammar and essential vocabulary are combined with an introduction to the Japanese way of life.

**Japanese with Ease** Mar 06 2020 Aims to take users from scratch to having a solid base in the language within six months, and to feel comfortable in as little as three months. In only half an hour a day users will move ahead naturally until they are at ease with all the basic structures needed for communication and become familiar with the basic words and grammar. The method comprises two phases: the passive phase, in which users simply repeat what they hear and read, and the active phase, in which users begin to create

sentences and imagine themselves in a variety of everyday situations.

**The Complete Writer: Level Three Workbook for Writing with Ease** Jun 20 2021 These workbooks provide lessons, student worksheets, and teacher instructions for every day of writing instruction. Each covers one year of study. Used along with Writing with Ease, the workbooks complete the elementary-grade writing curriculum. Level Three is the third of a planned four-volume set to accompany Writing with Ease.

*Hungarian with Ease* Oct 13 2020 This book aims to take users from scratch to having a solid base in Hungarian within six months, and to feel comfortable with the language in as little as three months. In only half an hour a day users will move ahead naturally until they are at ease with all the basic structures needed for communication and become familiar with the basic words and grammar of Hungarian. The method comprises two phases: the passive phase, in which users simply repeat what they hear and read, and the active phase, in which users begin to create sentences and imagine themselves in a variety of everyday situations.

PMP® Certification: Excel with Ease Jul 10 2020

**Forecasting: principles and practice** Aug 30 2019 Forecasting is required in many situations. Stocking an inventory may require forecasts of demand months in advance. Telecommunication routing requires traffic forecasts a few minutes ahead. Whatever the circumstances or time horizons involved, forecasting is an important aid in effective and efficient planning. This textbook provides a comprehensive introduction to forecasting methods and presents enough information about each method for readers to use them sensibly.

*Allergy and Celiac Diets With Ease* Dec 27 2021 In times of economic distress, what is a person on a food allergy or gluten-free diet to do? How can we manage with less money and limited time? Learn to shop easily and stock your kitchen economically for maximum efficiency, and identify nutritious foods that you can eat.

**How Highly Effective People Speak** Feb 03 2020 Why do we think what we think? Think we know what we think we know? Believe what we believe? Like what we like? Do what we do? Why do others trust or distrust us? Respect or disrespect us? Listen to or ignore us? Reach out to or neglect us? Like or dislike us? Praise or slander us? Believe or doubt us? That's not all... Why do others follow our lead or stand in our way? Give us opportunities or send them elsewhere? Support our striving for success and appreciate our message or toss it - and us - aside? Decades of cutting-edge (but unheard-of) scientific research presents an answer... Because hidden, little-known secrets of psychology influence everything about us... Neglecting them is swimming upstream. You can't change minds, win allies, or influence people. You can't earn undivided attention or the respect you deserve. You undermine your professional image, stagnate your career, and destroy your confidence until communication makes you anxious. You don't deserve this... And how do I know all this? Because I've been there: I remember wondering... "Why do my ideas never catch on? Why do I face so much professional rejection, stagnating my career? Why can't I influence anyone?" But everything changed when I answered one question... What are the communication habits of highly effective people? It comes down to one secret: Highly effective people speak how the human mind evolved to interpret information. The result? They easily persuade and instantly influence. They turn communication from an obstacle into an opportunity. They enrich their careers, get more done, and advance with stunning speed. They impact and inspire others, rising to positions of leadership. They change their field, excel with ease, and shape the world. They attract others, feel confident, and smash goal after goal. Who are they? Presidents and CEOs; top-performers and respected professionals; leaders and visionaries. And here's my question to you: Will you be one of them? In *How Highly Effective People Speak*, you'll discover 194 communication habits of highly effective people (proven by 57 scientific studies) including: How to get more done with less effort by influencing others to support you How to attract others (instead of turning them away and seeming unfriendly) with the correct type of body language How to make people systematically, predictably, and reliably overweigh your opinion by activating the availability bias How to charge more or pay less (for the same product) and win every negotiation with the anchoring effect How to effortlessly make others want something by activating one little-known cognitive bias (called "essential" by billionaire investor Charlie Munger, partner to Warren Buffet) How to lead with ease and reliably influence teams by using the contrast effect How to effortlessly speak with memorable eloquence by applying 2,000-year-old secrets of powerful language How to ace every interview, meeting, and presentation with ease by

activating agent detection bias How to quickly diffuse all objections by activating the little-known (but extremely powerful) zero-risk bias How to make people believe something even if they think the exact opposite with the illusory truth effect How to appear authoritative, trustworthy, and capable in 10 seconds by activating the halo effect How to combine the science of psychology with the art of communication and create a critical competitive advantage in life

**Allergy Cooking with Ease** Jan 28 2022 Allergy Cooking With Ease (Revised Edition) - This classic all-purpose allergy cookbook was out of print and now is making a comeback in a revised edition. The HSK Guide to Vocabulary, Chinese characters, and Grammar Points : For all the six Levels of the Chinese Language Proficiency Exam Oct 01 2019 This book is intended for Western students of the Chinese language who wish to take the Chinese language proficiency exam ((?????Hànyu Shuipíng Kaoshì), HSK) either for academic reasons when planning to enroll for studies at a university in Mainland China or for any other professional or personal reasons. This book contains lists of vocabulary and Chinese characters that students are required to know for the six different levels of the HSK exam. It is intended as a reference guide to essential vocabulary and Chinese characters as well as to the grammar aspects that will be requested within the exam in one of the various ways of the communicative tasks assigned to the candidate. This book should be used in conjunction with the official monolingual textbooks available for each level of the HSK exam as a guide of bilingual reference throughout the preparation process for the exam at each proficiency level. There is an optional interactive multimedia application that can be used in combination with the book, its features and benefits are described on the last two pages of the book. The application can be downloaded free of charge by anyone who has purchased a copy of the book.

*Arabic with Ease (Superpack)* Oct 05 2022 Contains Book, 4 audio CDs (3hrs 20min) & 1 CD mp3. Arabic is the official language of 22 countries, about 300 million speakers in the world. Includes many Arabic dialects, but there is a modern Arabic as an instrument unification of the language. What is Arabic for médiaqui is presented in this method, common language very close to Arabic classical or literal, called "unified modern Arabic". As an anglophone, you learn to master without much effort reading and assimilating number of simple construction and sentences of life while learning to writing, very gradually. Your skills gradually give you way to express yourself and make yourself understood in an Arabic-speaking environment. The advice accompanying lessons guide you step by step on the road to independence, and after this study, you can understand the press and radio and express yourself in all situations of daily life.

The MP3 CD allows you to load all or part of the records on your MP3 player and view texts simultaneously. *High School Physics* Sep 23 2021 The series High School Physics: Master It With Ease has been written for all school students who get their first systematic exposure to the topics of the series, which, in most places, happens at high school (or secondary school) level. The present book, which is the first volume of the series, deals with the topic of Current Electricity at introductory level. With almost two decades of experience of teaching the subject both at university level and at school-leaving level, the author has strong credentials to understand and mitigate students' difficulties. He firmly believes that at the formative stage of first exposure to a subject, the students should not be left with any gaps or doubts in their understanding. Accordingly, he has tried to furnish the books with with a variety of pedagogical perspectives and wealth of testing material - normal and higher order, numerical and objective - for students to hone their grasp of the fundamentals. Some novel features of the books include: - Sub-topics of main topic: In general, a main topic of a chapter introduces and discusses several new and different ideas. While teaching in the class, experienced teachers of physics intuitively divide the main topic into sub-topics, each of which deals with a single well defined idea. We follow this approach and after explicit breakup, develop each discrete idea of a sub-topic to an appropriate detail. The discussion is further supported by a number of properly labelled diagrams and tables. - Teaching by solved examples: The book contains a plethora of solved examples each one of which is accompanied by a mention of the precise subtopic on

which it is based. - Practice, practice, practice: Each chapter contains a large corpus of carefully designed exercises. Exercises requiring numerical calculations and those requiring subtle higher order thinking are marked explicitly. These exercises contain a broad range of objective-type questions as well. They include 'Multiple Choice type (MCQs)', 'Fill in the Blanks type', 'True or False type', 'Matching type' and 'Quiz type' questions. Ample answers, hints and solutions to all these exercises are provided to help students achieve maximum elucidation of each topic. - Inclusion of Activities: In order to encourage 'Learning by Doing'; a number of activities are included in many chapters. Each activity can easily be performed by the students by using commonly available material in their homes and school-labs. - Useful 'Question Bank' A 'Question Bank' in the question- answer format is included at the end of the book. It contains a large collection of most such questions as find favor with the examiners. Students can use them for revision and consolidation of their studies as well as to learn how to answer different types of questions during their exams. With all these features, the book is expected to be self-contained textbook, which will benefit students both during self-study as well as for homework and exam work throughout their introductory phase of learning physics.

\*\*\*\*\* About the Author Sudhir K. Sood earned his Ph.D. degree in fundamental particle physics from University of Delhi. Subsequently, as research scientist and Professor of Physics at Universities in France, Canada and India, Dr. Sood has taught a number of courses both at introductory and advanced graduate level. He has lectured at international Physics conferences and authored numerous well-cited research papers that are published in reputed peer reviewed journals. More recently, for more than a decade, he has taught students in Delhi who wish to specialize in engineering, medicine and physical science courses.

**Pack MP3 Chinese 1 with Ease (Book + 1cd MP3)** Jul 22 2021

*Complete Writer Writing with Ease Level 1 Workbook* Jan 08 2023 A workbook to accompany the acclaimed series on teaching writing, from the author of *The Well-Trained Mind*.

**The Complete Writer, Writing With Ease: Strong Fundamentals: A Guide to Designing Your Own Elementary Writing Curriculum** Apr 30 2022 A revised and improved edition of the best-selling elementary writing handbook, from the author of *The Well-Trained Mind* Susan Wise Bauer lays out a plan for teaching writing that combines the best elements of old-fashioned writing instruction with innovative new educational methods. *Writing With Ease* outlines a complete three- or four-year program for elementary-grade students, giving parents and teachers the tools to personalize instruction for any skill level.

**Case Conceptualization** Feb 14 2021 Integrating recent research and developments in the field, this revised second edition introduces an easy-to-master strategy for developing and writing culturally sensitive case conceptualizations and treatment plans. Concrete guidelines and updated case material are provided for developing conceptualizations for the five most common therapy models: Cognitive-Behavioral Therapy (CBT), Psychodynamic, Biopsychosocial, Adlerian, and Acceptance and Commitment Therapy. The chapters also include specific exercises and activities for mastering case conceptualization and related competencies and skills. Also new to this edition is a chapter on couple and family case conceptualizations, and an emphasis throughout on trauma. Practitioners, as well as graduate students in counseling and in clinical psychology, will gain the essential skills and knowledge they need to master case conceptualizations.

*Hooked* Jan 04 2020 Revised and Updated, Featuring a New Case Study How do successful companies create products people can't put down? Why do some products capture widespread attention while others flop? What makes us engage with certain products out of sheer habit? Is there a pattern underlying how technologies hook us? Nir Eyal answers these questions (and many more) by explaining the Hook Model—a four-step process embedded into the products of many successful companies to subtly encourage customer behavior. Through consecutive “hook cycles,” these products reach their ultimate goal of bringing users back again and again without depending on costly advertising or aggressive messaging. *Hooked* is based on Eyal's years of research, consulting, and practical experience. He wrote the book he wished had been available to him as a start-up founder—not abstract theory, but a how-to guide for building better products. *Hooked* is written for product managers, designers, marketers, start-up founders, and anyone who seeks to understand how products influence our behavior. Eyal provides readers with: • Practical insights to create user habits that stick. • Actionable steps for building products people love. • Fascinating examples from the

iPhone to Twitter, Pinterest to the Bible App, and many other habit-forming products.

**New French With Ease** Jun 01 2022 "Méthode d'apprentissage du français pour anglophones.

Workbook and CD Package

*Automate the Boring Stuff with Python, 2nd Edition* Nov 01 2019 The second edition of this best-selling Python book (over 500,000 copies sold!) uses Python 3 to teach even the technically uninclined how to write programs that do in minutes what would take hours to do by hand. There is no prior programming experience required and the book is loved by liberal arts majors and geeks alike. If you've ever spent hours renaming files or updating hundreds of spreadsheet cells, you know how tedious tasks like these can be. But what if you could have your computer do them for you? In this fully revised second edition of the best-selling classic *Automate the Boring Stuff with Python*, you'll learn how to use Python to write programs that do in minutes what would take you hours to do by hand--no prior programming experience required. You'll learn the basics of Python and explore Python's rich library of modules for performing specific tasks, like scraping data off websites, reading PDF and Word documents, and automating clicking and typing tasks. The second edition of this international fan favorite includes a brand-new chapter on input validation, as well as tutorials on automating Gmail and Google Sheets, plus tips on automatically updating CSV files. You'll learn how to create programs that effortlessly perform useful feats of automation to: • Search for text in a file or across multiple files • Create, update, move, and rename files and folders • Search the Web and download online content • Update and format data in Excel spreadsheets of any size • Split, merge, watermark, and encrypt PDFs • Send email responses and text notifications • Fill out online forms Step-by-step instructions walk you through each program, and updated practice projects at the end of each chapter challenge you to improve those programs and use your newfound skills to automate similar tasks. Don't spend your time doing work a well-trained monkey could do. Even if you've never written a line of code, you can make your computer do the grunt work. Learn how in *Automate the Boring Stuff with Python, 2nd Edition*.

*The Complete Writer: Level 4 Workbook for Writing with Ease* Sep 04 2022 In *Writing with Ease*, Susan Wise Bauer lays out an alternative plan for teaching writing, one that combines the best elements of old-fashioned writing instruction with innovative new educational methods. **Facilitating with Ease!** Feb 26 2022 The definitive guide to running productive meetings *Facilitating With Ease!* has become the go-to handbook for those who lead meetings, training, and other business gatherings. Packed with information, effective practices, and invaluable advice, this book is the comprehensive handbook for anyone who believes meetings should be productive, relevant, and as short as possible. Dozens of exercises, surveys, and checklists will help transform anyone into a skilled facilitator, and clear, actionable guidance makes implementation a breeze. This new fourth edition includes a new chapter on questioning, plus new material surrounding diversity, globalization, technology, feedback, distance teams, difficult executives, diverse locations, personal growth, meeting management, and much more. With in-

depth, expert guidance from planning to closing, this book provides facilitators with an invaluable resource for learning or training. Before you run another meeting, discover the practices, processes, and techniques that turn you from a referee to an effective facilitator. This book provides a wealth of tools and insights that you can put into action today. Run productive meetings that get real results Keep discussions on track and facilitate the exchange of ideas Resolve conflict and deal with difficult individuals Train leaders and others to facilitate effectively Poorly-run meetings are an interruption in the day, and accomplish little other than putting everyone behind in their "real" work. On the other hand, a meeting run by an effective facilitator makes everyone's job easier; decisions get made, strategies are improved, answers are given, and new ideas bubble to the surface. A productive meeting makes everyone happy, and results in real benefits that spread throughout the organization. Facilitating With Ease! is the skill-building guide to running great meetings with confidence and results.

"Facilitating With Ease! provides clear and effective guidelines for group facilitation. In China we are using this book to help organizations develop facilitative leaders who can successfully invoke the spirit of cooperation and team synergy." ?Ren Wei, professional facilitator, X'ian, China "Facilitating With Ease! helps beginners as well as experienced facilitators find their way among different aspects of facilitation.

Easy to understand, this book provides insight into the principles of facilitation and examples of practical applications for concrete situations." ?Sieglinde Hinger, Siemens Corporation, Austria "Facilitating with Ease! is the fundamental read if you want to be an effective facilitator. We refer to it all the time and consider it a core competency for our consultants." ?Ian Madell, managing director, LEVEL5 Branded Business Advisors, Toronto, Canada "If you're only going to buy one book on facilitation, this is the one to buy! That's what we tell the managers, consultants and facilitators who attend our facilitation training programs. It's a gold mine of ideas, resources and practical tools." ?Ronnie McEwan, director, Kinharvie Institute, Glasgow, Scotland "I have been using Ingrid's materials for many years and find her books to be far above everything else out there. This latest revision builds on what was already great and will surely increase the effectiveness of any practitioner." ?Mark Vilbert, program leader, Boeing Leadership Center

**Walk with Ease** Mar 30 2022 Discusses arthritis and the benefits of exercise, providing a plan for getting started, staying motivated, managing pain, and learning proper form for comfort and safety.

**No Longer at Ease** Mar 18 2021 Obi Okonkwo is an idealistic young man who, thanks to the privileges of an education in Britain, has now returned to Nigeria for a job in the civil service. However in his new role he finds that the way of government seems to be backhanders and corruption. Obi manages to resist the bribes that are offered to him, but when he falls in love with an unsuitable girl - to the disapproval of his parents - he sinks further into emotional and financial turmoil. The lure of easy money becomes harder to refuse, and Obi becomes caught in a trap he cannot escape. Showing a man lost in cultural limbo, and a Nigeria entering a new age of disillusionment, No Longer at Ease concludes Achebe's remarkable trilogy charting three generations of an African community under the impact of colonialism, the first two volumes of which are Things Fall Apart and Arrow of God.
