first witness Gabriel finds himself press-ganged into a wild road trip down the Malaysian coast. Meanwhile, in a sleepy town by the sea, Lydia traces the links between her late grandaunt's eccentric lover and her involvement in the Communist Emergency. As Lydia and Gabriel enter a shadowy mythology of serpents, Sufi saints and plainclothes gods, they must grapple with the theologies and histories they once trusted, in a country more perilously punk than they'd ever conceived of. Reader Reviews: "A dizzying tale of saints, heists, maybe-queens." —The Straits Times "Quite the debut, accomplished, deft, unabashed and exuberant." —Asian Review of Books "Author Joshua Kam's debut book brings Asian mythology to the forefront." —The Sun Daily Malaysian author blurs myths and truths as you escape on a wild road trip ... This whimsical, rollercoaster ride of a book also carries a tale of old and new Malaysia colliding, with various figures from local history, politics and folklore coming together in an epic quest for the soul of the nation. —newsday24.com "In essence, (the novel) acts as a love letter to Malaysian folklore and history, showcasing an impressive degree of representation and imagination that never feels shoehorned into the narrative." —Bakchormeeboy "What a trip! This 21st-century adventure quest with an Islamic saint also brings us on a madcap tour through a multitude of Malaysian mythologies— Malay epics, Taoist pantheons, WW2/Emergency/Merdeka heroics, and more. Even more vitally, it gives us hope amidst the dire news of our era— political corruption, environmental devastation and bigotry—reassuring us that the human/divine spirit still flourishes in the late-capitalist tropics, and is ultimately destined to triumph over evil. An absolute delight, and truly, deliciously Malaysian." —Ng Yi-Sheng, award-winning author of Lion City "Borgesian, even Manichean in spirit, with almost reverent borrowings from Nusantara mythologies to Abrahamic religiosity, this novel is a wild ride from start to finish, riffing on Malayan history, politics and folklore in a surprisingly redemptive arc, while remaining deeply interrogative about what it means to keep true to goodness in the ever-changing face of evil." —Cyril Wong, two-time Singapore Literature Prize-winning author of This Side of Heaven
