Lemon-Aid Used Cars and Trucks 2010-2011 Oct 11 2020 "The automotive maven and former Member of Parliament might be the most trusted man in Canada, an inverse relationship to the people he writes about." – The Globe and Mail Lemon-Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production. This brand-new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay. As Canada's automotive "Dr. Phil" for over 40 years, Edmonston pulls no punches. His Lemon-Aid is more potent and provocative than ever.

Lemon-Aid New Cars and Trucks 2013 Sep 21 2021 Canada's automotive "Dr. Phil" says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more competitive Japanese auto industry that's still reeling from a series of natural disasters.

Bringing Business Ethics to Life Feb 12 2021 ?Maintaining solid corporate ethics goes beyond just being a 'feel good' story or a good public relations angle. Organizations that demonstrate strong ethical commitments can gain a real competitive advantage over others by keeping employees happy and productive and keeping customers satisfied and loyal, while avoiding some of the unexpected pitfalls that may beset a less ethical organization. These factors all lead to a more stable and consistent organization, and will improve the bottom line and drives higher profits. The erosion of business ethics affects everyone, from the employees laid off, stockholders losing investments, to customers paying a higher price or receiving lesser quality. In *Bringing Business Ethics to Life: Achieving Corporate Social Responsibility*, best selling author Bjørn Andersen has written an easy to read yet powerful book demonstrating the need for solid ethics in every organization. Andersen first explains the importance of creating a strong ethical culture within every organization, demonstrating the positive effects it will have throughout the business. He then shows how business leaders can make this happen, by introducing a holistic value-driven and ethically based model of leadership and management that can bring about dramatic changes for any organization.

Auto Repair For Dummies Jun 30 2022 Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in

a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.
