**The Spanish Armada** Jul 24 2019 Why the Spanish Armada failed to conquer England - and transform world history

**A Study on the Meaning of Ladino, Judezmo, and the Spanish Jewish Dialect** Jul 04 2020

[Mexico and the Spanish Conquest](#) Feb 20 2022 What role did indigenous peoples play in the Spanish conquest of Mexico? Ross Hassig explores this question in Mexico and the Spanish Conquest by incorporating primary accounts from the Indians of Mexico and revisiting the events of the conquest against the backdrop of the Aztec empire, the culture and politics of Mesoamerica, and the military dynamics of both sides. He analyzes the weapons, tactics, and strategies employed by both the Indians and the Spaniards, and concludes that the conquest was less a Spanish victory than it was a victory of Indians over other Indians, which the Spaniards were able to exploit to their own advantage. In this second edition of his classic work, Hassig incorporates new research in the same concise manner that made the original edition so popular and provides further explanations of the actions and motivations of Cortés, Moteuczoma, and other key figures. He also explores their impact on larger events and examines in greater detail Spanish military tactics and strategies.

**A Comparative Study of Word Order in Old Spanish and Old French Prose Works** Nov 27 2019

**Modern Women Poets of Spanish America** Dec 29 2019

**Notable Men and Women of Spanish Texas** Mar 31 2020 Winner, Presidio La Bahia Award, Sons of the Republic of Texas, 2000 Texas Old Missions and Forts Restoration Association Book Award, the Texas Old Missions and Fort Restoration Association and the Texas Catholic Historical Society, 2001 The Spanish colonial era in Texas (1528-1821) continues to emerge from the shadowy past with every new archaeological and historical discovery. In this book, years of archival sleuthing by Donald E. Chipman and Harriett Denise Joseph now reveal the real human beings behind the legendary figures who discovered, explored, and settled Spanish Texas. By combining dramatic, real-life incidents, biographical sketches, and historical background, the authors bring to life these famous (and sometimes infamous) men of Spanish Texas: Alvar Núñez Cabeza de Vaca Alonso de León Francisco Hidalgo Louis Juchereau de St. Denis Antonio Margil The Marqués de Aguayo Pedro de Rivera Felipe de Rábago José de Escandón Athanase de Mézières The Marqués de Rubí Antonio Gil Ibarvo Domingo Cabello José Bernardo Gutiérrez de Lara Joaquín de Arredondo The authors also devote a chapter to the women of Spanish Texas, drawing on scarce historical clues to tell the stories of both well-known and previously unknown Tejana, Indian, and African women.

[The Spanish Comedia and the English Comedy of Intrigue with Special Reference to Aphra Behn](#) Sep 25 2019

**Issues in Spanish Morphophonology** May 02 2020 This work utilizes an empirical and theoretical approach to the study of linguistic phenomena, such as syllable structure, stress assignment, diphthongs, and phonological processing in Spanish. Based on data from L1 and L2 environments in Spanish language acquisition, these collected articles investigate examples of morphophonological interaction in native and non-native systems by identifying similarities and differences in comprehension and incorporation. Language change and language learning are examined extensively throughout in regards to difficulties intrinsic to the learner, the learning environment, and the utilization of the language in everyday life.

**Spanish Arcadia** Feb 29 2020

**Spanish Morocco** Jul 16 2021 Contains extracts from treaties dealing with Morocco.

*The Spanish Civil War in Literature* Apr 12 2021 Few events have stirred the emotions and caught the imaginations of intellectuals as did the Spanish Civil War of 1936–39. The Spanish Civil War in Literature examines the diverse literatures that the war inspired: a literature relating directly to the war, a literature of exile arising from the forty-year dictatorship of Francisco Franco, and a polemical literature embracing pro-Franco and Loyalist sympathies. In this book, specialists from a variety of fields explore these literatures within comparative and interdisciplinary frameworks. They reflect upon film, poetry, novels, painting, discourse, biography, and propaganda. The essays are grouped according to the original languages of the works they discuss: French, Russian, English, and Spanish.

**Medical Spanish** Mar 24 2022 Two of California's leading Spanish educators equip you with a wide array of questions that deal with a full range of health issues - from medical to administrative, from psychiatric to nutritional, from greetings and social amenities to medical forms. Presented first in English and then in Spanish (with phonetic pronunciations), these questions are designed to elicit a clear "yes or no" answer - so you'll get exactly the information you need, even if you have no knowledge of Spanish.

*The Everything Learning Spanish Book* Mar 12 2021 Presents an introduction to the Spanish language that covers greetings, basic grammar, spelling, and vocabulary.
