[Practical Guide to Real Estate Taxation](#) Nov 06 2020 Practical Guide to Real Estate Taxation is CCH's highly successful practical guide to the federal tax consequences of real estate ownership, operations and activities. This updated Fifth Edition is the most accessible and affordable reference available for all tax, real estate and investment professionals who need to know the tax ramifications and underpinnings of real estate investment. Recent regulations, tax rates and rulings are reflected throughout, along with other developments impacting the taxation of real estate. Real Estate Taxation begins by analyzing the tax basis of real estate and then offers a comprehensive discussion of the forms of ownership with comparative benefits and pitfalls of the differing types. Mortgages, at-risk rules, interest and other financial issues are thoroughly covered. Activities involved once ownership is established are then discussed, including rental/leasing arrangements, tenant's rent deduction, landlord's income, lease acquisition and cancellation, leasehold improvements, and investment credit considerations. The book thoroughly examines the actual operation of real estate, including coverage of operating expenses and taxes, mixed-use residences, startup expenses and real estate taxes, plus guidance on additions and improvements, depreciation, development and related issues. An in-depth focus on passive activity loss rules is included, as well as a separate section analyzing homeowner issues. Finally, the disposition of real estate is covered, along with a special discussion dealing with securitized real estate investments.

The Jepson Manual Apr 30 2020 "California's extraordinary flora is described in contemporary detail in this handy volume, which should prove an inspiration to all of those interested in these plants, their habitats, and their importance to a state richer in botanical diversity than any other part of the United States. This is a thorough revision of an indispensable book."—Peter H. Raven, Missouri Botanical Garden "This second edition of The Jepson Manual is a monumental achievement! Far more than a simple update, the book has gone through a thorough revision, making it a must-have book for California plant enthusiasts—professional and lay alike."—Lucinda McDade, Rancho Santa Ana Botanic Garden "Biogeographers, vegetation ecologists, and practitioners of conservation and restoration will all welcome the second edition of the Jepson Manual. Many improvements in this second edition include major taxonomic name changes, more information on habitat/range/phenology, better keys, and new illustrations. The second edition is more user-friendly, accurate, and scientifically rigorous. And these improvements are exactly the kind of recent, authoritative, and trusted flora needed."—Michael G. Barbour, University of California, Davis
