Webber HearBuilder Following Directions Fun Sheets Jan 07 2023

HearBuilder® Following Directions Fun Sheets contains hands-on color, cut, and paste activities for students to practice following oral directions with basic concepts. This 210-page reproducible workbook includes five sections: Basic directions (Cover the guitar.) Sequential directions (First color the dog, then color the jump rope.) Quantitative and spatial directions (Cover the third car.) Temporal directions (Put a train in the box before you put a horse in the box.) Conditional directions (If a plane and a doll are in a box, put the box in the toy store.) These worksheets are companion activities to reinforce the tasks in the HearBuilder® Following Directions interactive software program. The sections in the workbook directly correspond to

the five activities in the HearBuilder® Following Directions software. The hands-on activities in this book encourage students to transfer the skills learned on the computer to tasks completed with an adult. Each section contains 20 lessons; two lessons for each objective. The first lesson for each objective uses pictures and vocabulary taken from the HearBuilder® Following Directions software. The second lesson for each objective addresses the same skills using general preschool to third-grade vocabulary. The activities in this book include the following basic concepts: Colors ∫ red, blue, green, yellow, purple, orange, brown, white Quantities ∫ one, two, all, both, either, except, or, and, don't, not Sequences ∫ first, second, third, then, next, last, finally, fourth, fifth Shapes ∫ circle, square, triangle, star Size ∫ large, small, long, short Time ∫ before, after Spatial Relationships and Positions ∫ first, second, third, last, between, beside, next to, above, below, inside, in front of, on, in, behind Each lesson includes a list of materials needed, the lesson objective, teacher directions, and specific instructions.
