Acid Rain and the Rise of the

Environmental Chemist in Nineteenth-

Century Britain Jan 30 2022 Robert Angus Smith (1817-1884) was a Scottish chemist and a leading investigator into what came to be known as 'acid rain'. This study of his working life, contextualized through discussion of his childhood, education, beliefs, family, interests and influences sheds light on the evolving understanding of sanitary science during the nineteenth century. Born in Glasgow and initially trained for a career in the Church of Scotland, Smith instead went on to study chemistry in Germany under Justus von Liebig. On his return to Manchester in the 1840s, Smith's strong Calvinist faith lead him to develop a strong concern for the insanitary environmental conditions in Manchester and other industrial towns in Britain. His appointment as Inspector of the Alkali Administration in 1863 enabled him to marry his social concerns and his work as an analytical chemist, and this book explores his role as Inspector of the Administration from its inception through battles with chemical manufacturers in the courts, to the struggle to widen and tighten the regulatory framework as other harmful chemical nuisances became known. This study of Smith's life and work provides an important background to the way that 'chemical' came to have such negative connotations in the century before publication of Rachel Carson's *Silent Spring*. It also offers a fascinating insight into the changing landscape of British politics as regulation and enforcement of the chemical industries came to be seen as necessary, and is essential reading for historians of science, technology and industry in the nineteenth century, as well as environmental historians seeking background context to the twentieth-century environmental movements.

When the Rain Comes Aug 25 2021 It is time to plant the rice crop in Malini's Sri Lankan community, and the little girl is both excited and nervous to help for the first time. What if she does it wrong? Will she be responsible if the crop fails? When the oxcart rumbles in loaded with seedlings, she reluctantly agrees to watch the big, imposing animal while the driver takes a break. Suddenly, the skies go dark with monsoon rain. A flash flood pours down the

road, separating Malini from the driver and her family. They are shouting for her to run for higher ground, but what about the rice? Summoning up courage she never dreamed she possessed, Malini resolves to save ox, cart, and seedlings, no matter what it takes. Award-winning author Alma Fullerton tells Malini's story in expressive free verse that vibrates with emotion and energy. The moods of Sri Lanka's rainy season come alive as Kim La Fave, illustrator of the award-winning *Shin Chi's Canoe*, uses a fresh style that is both contemporary and impressionistic to depict the courage of one little girl facing the power of a flash flood.

I Love the Rain May 02 2022 Molly hates rainy days. The gray sky, the soggy wait for the school bus, they seem to make everyone grumpy. Everyone except her friend Sophie, who shows Molly the magic she has been missing. The simple, poetic language in this lovely book takes readers on a journey from the girls' first tentative steps into the drizzle to a rain-drenched romp in a puddle. The lyrical text is perfectly matched by the joyful watercolor paintings, which capture not only the color and beauty of a rainy day, but the warm interactions of the girls' blossoming friendship. An exuberant homage to finding pleasure where it's unexpected, the power of imagination, and the joys of friendship, *I Love the Rain* will have readers singing, "Sun, sun, go away!"

After the Rain Jan 06 2020 In *After the Rain*, celebrated self-care storyteller Alexandra Elle delivers 15 lessons on how to overcome obstacles, build confidence, and cultivate abundance. Part memoir and part guide, Elle shares stirring stories from her own remarkable journey from self-doubt to self-love. This soulful collection is filled with illuminating reflections on loss, fear, bravery, healing, love, acceptance, and more. • Readers follow along her journey as she transforms challenging experiences—a difficult childhood, painful romantic relationships, and single parenting as a young mom—into fuel for her career as a successful entrepreneur and author driven by purpose and passion • Filled with Elle's signature candor and warmth • Includes empowering affirmations and meditations for readers to practice in their own lives *After the Rain* is a soulful guide to help you embrace all the beauty, love, and opportunity life has to offer. • Presented in

luminous package with a foil case and gold accents • A beautiful gift for anyone on the path to self-discovery, and an uplifting reminder that there is always sunshine after the rain • Perfect for the friend who loves meditating, self-care, journaling, or seeking personal transformation and empowerment • Great for those who loved *Present Over Perfect* by Shauna Niequist, *100 Days to Brave* by Annie F. Downs, and anything written by Brené Brown, Rupi Kaur, Rachel Hollis, and Elizabeth Gilbert

I Am the Rain Jul 24 2021 "Teachers, parents, kids explore more resources in the back"--Back cover.

Rain Jun 10 2020 Sam wants to go out but it's pouring with rain, so he and Grandpa decide to stay inside until the rain stops. Sam drinks hot chocolate and reads his books and dreams of adventures while Grandpa gets on with his important paperwork. Grandpa seems to have a VERY important letter to write. Then that very important letter has to be posted, despite the rain and floods. As they finally go outside, Sam and Grandpa have a magical adventure. *Rain* is the follow-up to the acclaimed *Snow*; and is the second title in a four-book series based on the weather.

Home in the Rain Aug 05 2022 Francie and her mum, who is expecting a baby girl, are driving home from Grandma's in the heavy rain. When they're still far from home, they stop for a picnic. And as the car steams up, Francie presses her little finger on the window, spelling out "Daddy" and "Mummy" and leaving one space free, ready and waiting for the name of her soon-to-be sister.

The Rain and the Fire and the Will of God Apr 01 2022 Set in the Gulf Coast country of Alabama, *The Rain and Fire and the Will of God* is told by a fourteen-year-old farm boy and encompasses a brief summer of time in which he gains awareness and maturity.

The Wild Weather Book Feb 16 2021 Fiona Danks and Jo Schofield are back with more wonderful ideas for fun outdoors even in the most challenging weather! Imagine - jumping in the biggest puddle you can find! - Or running barefoot and feeling squidgy mud ooze up between your toes! - Or run up the nearest hill to feel the wind try to carry you away! When it's wet, or windy or cold, there's no need to stay cooped up indoors; it's a great opportunity to rush outside for some fun. - Go on an animal

hunt and find the creatures that come out in the wet. - Fly a kite in the wind and catch falling leaves. - Take your camera into a white world and see how many different icy patterns and shapes you can find. There are loads of exciting and creative things you can do in the natural world when the weather's wild. So don't wait for the sun: take this book with you and go outdoors for a wild weather adventure!

Black Rain and Black Sun 2-Book Bundle Apr 08 2020 Graham Brown, co-author of the New York Times bestselling thriller *Devil's Gate* with Clive Cussler, takes readers to the furthest edges of civilization with his signature blend of ancient legend and modern suspense. Gear up for the next installment of his Hawker/Laidlaw series, *The Eden Prophecy*, with this eBook bundle of the first two novels: *Black Rain* and *Black Sun*. **BLACK RAIN** Covert government operative Danielle Laidlaw leads an expedition into the deepest reaches of the Amazon in search of a legendary Mayan city, assisted by a mercenary named Hawker—unaware that their team is a replacement for a group that vanished weeks before. Shadowed by a ruthless billionaire, threatened by a violent indigenous tribe, and stalked by an unseen enemy that leaves battered corpses in its wake, the expedition desperately seeks the connection between the deadly reality of a Mayan legend and the chilling secret buried beneath the ruins. **BLACK SUN** In the heart of the Amazon, Danielle Laidlaw has made an incredible discovery: a translucent Mayan stone generating massive waves of energy while counting down toward the infamous apocalyptic date December 21, 2012. And somewhere, there are three more just like it. What power will be unleashed if all four stones come together? Who created them—and who has them now? Using a cryptic Mayan map and a prophecy that points to the end of the world, Danielle and her team race toward answers. But were these artifacts meant to save us—or to destroy us once and for all? Contains a preview of Graham Brown's next thrilling Hawker/Laidlaw novel, *The Eden Prophecy!*

Rain and Rivers, Or, Hutton and Playfair Against Lyell and All Comers Aug 13 2020 *Rain Boy* Nov 15 2020 A heartfelt picture book about differences, acceptance, and loving yourself for who you are. Wherever he goes, Rain Boy brings wet—which means he's not very popular. Sun Kidd brings sunshine everywhere she goes, so everyone loves her. Only Sun Kidd sees what's special about Rain Boy. But when she invites him to her birthday party, disaster strikes, and Rain Boy storms. Now the world is nothing but rain. Will the other kids ever love Rain Boy for being himself? And, more importantly, can Rain Boy learn to love his rain? Debut author and illustrator Dylan Glynn's colorful and evocative illustrations color this book with all the emotions of the rainbow in this universal story of reaching out to those who look different from you, making new friends, and learning to love yourself. • Important lessons on acceptance, bullying, self-reliance and empathy told in a beautifully illustrated, accessible story • A great read-aloud book for families of children struggling to fit in and find their self-confidence • Perfect book for educators, caregivers, and librarians to help with lessons on bullying, kindness, LGBTQ themes, and friendship Fans

of *One, The Big Umbrella, and Be Kind* will find Rain Boy's striking artwork and positive message an important addition to their bookshelf. • Read-aloud books for kids age 3-5 • #ownvoices • Kindness books for kids Dylan Glynn studied animation at Sheridan College in Oakville, Ontario, and La Poudrière in Valence, France. Dylan's work has been recognized by and exhibited in Society of Illustrators, American Illustration, Somerset House, and the Canadian Screen Awards. He is based in Toronto.

Pitter, Patter, Goes the Rain Nov 08 2022 *Rainfall* Sep 06 2022 *Rainfall: Physical Process, Measurement, Data Analysis and Usage in Hydrological Investigations* integrates different rainfall perspectives, from droplet formation and modeling developments to the experimental measurements and their analysis, to application in surface and subsurface hydrological investigations. Each chapter provides an updated representation of the involved subject with relative open problems and includes a case study at the end of the chapter. The book targets postgraduate readers studying meteorology, civil and environmental engineering, geophysics, agronomy and natural science, as well as practitioners working in the fields of hydrology, hydrogeology, agronomy and water resource management. Presents comprehensive coverage of rainfall-related topics, from the basic processes involved in the drop formation to data use and modeling Provides real-life examples for practical use in the form of a case study in each chapter

The Rain Jul 04 2022 An apocalyptic thriller, *The Rain* by Virginia Bergin is a coming of age story of survival in a scary, weather-beaten world. One minute sixteen-year-old Ruby Morris is having her first proper snog with Caspar McCloud in a hot tub, and the next she's being bundled inside the house, dripping wet, cold and in her underwear. Not cool. As she and Caspar shiver in the kitchen, it starts to rain. They turn on the radio to hear panicked voices - 'It's in the rain . . . it's in the rain . . .' That was two weeks ago, and now Ruby is totally alone. People weren't prepared for the rain, got caught out in it, didn't realize that you couldn't drink water from the taps either. Even a drop of rain would infect your blood, and eat you from the inside out. Ruby knows she has to get to London to find her dad, but she just doesn't know where to start . . . After rescuing all the neighbourhood dogs, Ruby sets off on a journey that will take her the length of the country - surviving in the only way she knows how.

Sunbathing in the Rain Jan 18 2021 *Sunbathing in the Rain* is undoubtedly the best book I have ever read about one person's experience of depression.' - Dorothy Rowe, author of *Breaking the Bonds* 'This upbeat, very readable and engaging view of depression as a temporary retrenchment, a breathing space in which to adjust better to life, makes encouraging reading.' - Spectator 'Gwyneth Lewis writes with clarity, beauty and metaphorical precision. She conveys the darkness, the silence, the selfishness, the mental clutter of depression brilliantly.' - Simon Hattenstone, Guardian 'Welsh poet Gwyneth Lewis shares her personal story of wrestling with clinical depression and describes what she learned along the way about coping with the disease. The text is aimed primarily at those who are currently depressed

and are struggling to recover. The emphasis throughout is on the healing power of self-acceptance and truth-telling. This is a reprint of a book first published in London by Flamingo in 2002.' - www.booknews.com This might well be the Age of Depression. More people than ever now experience the disease directly or see a friend or relative succumb to it. Among their number is Gwyneth Lewis. And she set about writing this book simply because she wished something like it had existed for her when she was in the middle of her depression. Depression is assassination. The depressive is both victim and detective - charged with tracking down the perpetrator of his or her own murder. By drawing on her own experience of struggling with the affliction, by highlighting ways of coping, ways of truth-telling, and ways of thriving, in a straightforward, robust fashion full of casual wisdom and easy wit, Gwyneth re-embarks on a journey that nearly killed her first time round and returns with this, perhaps the first truly undogmatic, undemanding, downright useful book about depression.

Poisonous Skies May 10 2020 The climate change reckoning looms. As scientists try to discern what the Earth's changing weather patterns mean for our future, Rachel Rothchild seeks to understand the current scientific and political debates surrounding the environment through the history of another global environmental threat: acid rain. The identification of acid rain in the 1960s changed scientific and popular understanding of fossil fuel pollution's potential to cause regional—and even global—environmental harms. It showed scientists that the problem of fossil fuel pollution was one that crossed borders—it could travel across vast stretches of the earth's atmosphere to impact ecosystems around the world. This unprecedented transnational reach prompted governments, for the first time, to confront the need to cooperate on pollution policies, transforming environmental science and diplomacy. Studies of acid rain and other pollutants brought about a reimagining of how to investigate the natural world as a complete entity, and the responses of policy makers, scientists, and the public set the stage for how societies have approached other prominent environmental dangers on a global scale, most notably climate change. Grounded in archival research spanning eight countries and five languages, as well as interviews with leading scientists from both government and industry, *Poisonous Skies* is the first book to examine the history of acid rain in an international context. By delving deep into our environmental past, Rothchild hopes to inform its future, showing us how much is at stake for the natural world as well as what we risk—and have already risked—by not acting.

Singing in the Rain Oct 27 2021 "I'm singing in the rain, Just singing in the rain. What a glorious feeling, I'm happy again!" Based on the classic song, this beautifully illustrated picture book celebrates rain and all its fun. Jump in puddles, raise umbrellas, and dance with joy through the pages of this gorgeous story. Sweet and positive in its message, with bright, eye-catching art, this book is an uplifting celebration of rain! "Singing in the Rain" is one of the world's best-loved songs and the centrepiece of one of my favourite films. I love the song's positive message, and the iconic

sequence of Gene Kelly dancing in the rain always raises a smile. As adults we tend to think of rain as an inconvenience rather than the joyous thing that it is. Next time it rains, step outside, feel the rain on your face, and give the clouds up above your biggest smile!

Rain & Ruin Dec 17 2020 RAIN & RUIN Book 2 Theresa Shaver, bestselling Amazon author of the Stranded Series brings you the second book in the Endless Winter Series set in a wrecked world. A hailstorm of bombs has blasted the world into a nuclear winter. The survivors have now spent seven long years in the snow and ash scratching out a lonely, hard existence.

Although comfortable in her safe and supplied bunker, Skylar Ross longed for more of a life than what she has. She thought she found it when she rescued Rex but the evil that followed him inside her home threatened the one person she holds most dear. Can she put aside her mistrust of others and give him and his people a second chance? Rex Larson fell hard for Skylar and was excited about his group joining her in the safety of her bunker until he was betrayed by one of his own. Exiled back out into the cold, he prays that Skylar will change her mind.

Forced to flee the town when a deadly gang moves in, the survivors huddle in the cold hoping the gang won't find them and for Skylar to change her mind. When the weather turns for the first time in seven years, they don't know if it means the earth is starting to heal or if it's just more ruin. Find out in Book 2 RAIN & RUIN

The Rain and the Night Nov 27 2021

Kortuma succeeds his father as chief of Fuama, then mobilises forces to attack Golaland, the traditional enemy of Fuama. The spiritual leader of Fuama, Gayflor, opts to lead the army on this campaign.

The Night, and the Rain, and the River Feb 28 2022 A current of longing runs through twenty-two short stories by Oregon writers. As the characters strive for connection, they make mistakes, reach out to the wrong people, and recalibrate their lives based on what they desire, whether or not it's attainable—or even a good idea. Editor Liz Prato has curated a powerful collection of smart, funny, sad, and exquisite stories about the losses that shape our lives.

The Works of Rain and Rivers Oct 15 2020

Lord of the Rain May 22 2021 Rainey is on a quest to help a world of unbelievers find redemption. Able to blend in with humanity before the rapture, and since abandoned by their evil puppet-masters, these beings must now make their own choices and face the consequences of their decisions. The stories offered by Rainey and the small group of angels and saints sent with him provide a thought-provoking review of Christian practices. What do they mean? How and why should they be shared? And more importantly, how does your journey compare with theirs? The dialogue and events in this book build upon the experiences of the characters in my book, *Two Promises*. Reading that book first might help you better understand the characters in this book, as well as some of the situations and places they mention.

The Complete Rain Trilogy Nov 03 2019 From the author of 44 Chapters About 4 Men (inspiration for the Netflix Original series, *Sex/Life*) comes an immersive dystopian

romance unlike anything you've ever read.

"None of this matters, and we're all going to die." With only three days left until the predicted apocalypse, the small town of Franklin Springs, Georgia, has become a wasteland of abandoned cars, abandoned homes, abandoned businesses, and abandoned people. People like Rainbow Williams. Rain isn't afraid of dying. In fact, she's looking forward to it. If she can just outrun her pain until April 23, she'll never have to feel it at all. "Supplies. Shelter. Self-defense." Wes Parker has survived every horrible thing this life has thrown at him with nothing more than his resourcefulness and disarming good looks. Why should the end of the world be any different? All he needs are some basic supplies, shelter, and a sucker willing to help him out, which is exactly what he finds when he returns to his hometown of Franklin Springs. As society crumbles, dangers mount, and secrets refuse to stay buried, two lost souls are thrust together in a twist of fate—one who will do anything to survive and one who can't wait to die. Perhaps, together, they can learn how to live. Before their time runs out. Titles Included in The Rain Trilogy Box Set Praying for Rain Fighting for Rain Dying for Rain

Shouting at the Rain Sep 13 2020 From the author of the New York Times bestseller *Fish in a Tree* comes a compelling story about perspective and learning to love the family you have. Delsie loves tracking the weather—lately, though, it seems the squalls are in her own life. She's always lived with her kindhearted Grammy, but now she's looking at their life with new eyes and wishing she could have a "regular family." Delsie observes other changes in the air, too—the most painful being a friend who's outgrown her. Luckily, she has neighbors with strong shoulders to support her, and Ronan, a new friend who is caring and courageous but also troubled by the losses he's endured. As Ronan and Delsie traipse around Cape Cod on their adventures, they both learn what it means to be angry versus sad, broken versus whole, and abandoned versus loved. And that, together, they can weather any storm.

Dreaming of Rain and Peter Lovesey Jun 30 2019 An original short story taken from the anthology *Motives for Murder*, by members of The Detection Club From acclaimed novelist Ann Cleeves, author of the Vera and Shetland series, comes a tale about a wife who will do anything to meet her favourite writer. The life of Ann Cleeves' ex-pat wife protagonist is one of boredom punctuated by stultifying dinner parties and making sure that her home is tidy and her husband is happy. When her favourite writer, Peter Lovesey, is due to appear at the Emirates Literature Festival, she is beyond thrilled. What will she do then when her husband changes their plans at the last minute? *The Scent of Rain and Lightning* Jun 22 2021 One beautiful summer afternoon, Jody Linder receives shocking news: The man convicted of murdering her father is being released from prison and returning to the small town of Rose, Kansas. It has been twenty-three years since that stormy night when her father was shot and killed and her mother disappeared, presumed dead. Neither the protective embrace of Jody's three uncles nor the safe haven of her grandparents' ranch could erase the pain caused by Billy Crosby on that catastrophic

night. Now Billy Crosby is free, thanks to the efforts of his son, Collin, a lawyer who has spent most of his life trying to prove his father's innocence. Despite their long history of carefully avoiding each other in such an insular community, Jody and Collin find that they share an exclusive sense of loss. As Jody revisits old wounds, startling truths emerge about her family's tragic past. But even through struggle and hardship, she still dares to hope for a better future—and maybe even love. **BONUS:** This edition contains a *The Scent of Rain and Lightning* discussion guide.

Rain! Sep 25 2021 As an old man grumbles his way through a rainy morning, spreading gloom, his neighbor, a young child, spreads cheer while hopping through puddles in frog-themed rainwear.

Rain and Resurrection *How the Talmud and Science Read the World* Feb 05 2020 This book presents a set of essays interpreting excerpts from the Talmud that illustrate values essential to Western science. It includes another set of essays interpreting the function of interpretation in the method of science, to associate Talmudic and post-modern concepts.

Apple and Rain Jul 12 2020 When Apple's mother returns after eleven years of absence, Apple feels whole again. She will have an answer to her burning question – why did you go? And she will have someone who understands what it means to be a teenager – unlike Nana. But just like the stormy Christmas Eve when she left, her mother's homecoming is bitter sweet, and Apple wonders who is really looking after whom. It's only when Apple meets someone more lost than she is, that she begins to see things as they really are. Like a brilliant hybrid of Cathy Cassidy and Jacqueline Wilson, Sarah Crossan entices you into her world, then tells a moving, perceptive and beautifully crafted, Carnegie Shortlisted story which has the power to make you laugh and cry. Shortlisted for The CILIP Carnegie Medal in 2015.

Acid rain and transported air pollutants : implications for public policy. Mar 08 2020
[Rain and People](#) Sep 01 2019 Examines how rain affects humans, discussing how it is needed for drinking water, farming, and the generation of electricity. Includes experiments.
[The Latter Rain: Using the Book of Isaiah As the Key to Unlock Bible Prophecies That Are Relevant Today](#) Jun 03 2022 The Latter Rain explores the symbols and types of the Book of Isaiah, creating a framework that can then be

applied to other books of the Bible, helping the reader perceive meaning that was once obscured in symbolism. One such symbolic type is that of rain. While this type is not exclusive to Isaiah, it is used by Isaiah to symbolize the communication from God to man.

Rules of Rain Oct 07 2022 How far would you go to protect the ones you love? Rain has taken care of Ethan all of their lives. Before she even knew what autism meant, she was her twin brother's connection to the world around him. Each day with Ethan is unvarying and predictable, and Rain takes comfort in being the one who holds their family together. It's nice to be needed—to be the center of

someone's world. If only her longtime crush, Liam, would notice her too... Then one night, her life is upended by a mistake she can't undo. Suddenly Rain's new romance begins to unravel along with her carefully constructed rules. Rain isn't used to asking for help—and certainly not from Ethan. But the brother she's always protected is the only one who can help her. And letting go of the past may be the only way for Rain to hold onto her relationships that matter most.

The Rain Came Down Oct 03 2019 Rainfall adversely affects the demeanour and temperament of a town's inhabitants.
