child safety questions you need to ask to keep your kids safe
can you pass this gun safety quiz zoo May 22 2021 a revolver
a revolver uses a rotating cylinder to hold cartridges older single
action revolvers were designed so that the firing pin rested on a
chambered cartridge which led to the rule of leaving that
chamber empty modern double action revolvers that are not
replicas of older guns have safety features to prevent accidental
firing that were not available on older models but carrying any
gun with a bullet chambered is dangerous

put your travel safety knowledge to the test going places Apr 20
2021 make no mistake about it when it comes to travel the one
thing you should always prepare for is a travel emergency from
on the road oversights to boo boos and blunders even a safe
travel savant can run into some major mid trip mishaps not to
mention good ol' Murphy's Law anything that could go wrong will
go wrong seems to creep up on you when you least expect it or
worse when you're totally unprepared for it
