Spiritual Dimensions of Advanced Practice Nursing Feb 03 2020 This book recognises the challenges associated with the concept of spirituality. An awareness of this concept is integral to the provision of person-centred holistic care. However, APNs ability to provide spiritual care is often impeded by time pressures and the prioritisation of clinical tasks. Confusion about the meaning of spiritually and its relationship to religion compound the challenges involved in providing spiritual care leaving APNs feeling ill-equipped to address this area of care. Indeed many APNs view spirituality as synonymous with religion. This book provides clarity with the assumption that spirituality is innate to all of our patients and is related to what gives them hope, meaning and purpose. Fundamentally it is about being human. APNs ability to practice with kindness, compassion and empathy will naturally resonate with spiritually competent practice. It begins with an outline of the definitions of spirituality in addition to the concept of spiritually competent practice. An emphasis on the importance of personal development follows. Case studies from countries across the globe illustrate the benefit of integrating spirituality and provide evidence of the importance and relevance of integrating spirituality into practice. These include discussion and presentations of the related concepts of availability and vulnerability which will give APNs more confidence and competence to integrate spirituality into practice. This book is relevant for APNs, students, educators and researchers.

The New Humans Jun 20 2021 INTERNATIONAL FIRST PLACE WINNER! Soul-Bridge Awards of Europe 2017 in "Spiritual Awakening of Humanity." "ECHOES, RESONATES WITH ECKHART TOLLE." ~ Anne L. Clark, UK. "Engrossing, accessible, and firmly rooted in present-day experiences." ~ Midwest Book Review. NEW WAVES OF VISIONARIES are in life to serve: all peoples, nations, and societies. Despite social chaos, we are actually in a magnanimous shift: an individual and global spiritual awakening. THE NEW HUMANS are solvers, in service to improve others' lives. They are inventors, scientists, engineers, researchers, protectors, physicians, teachers, artists, healers, humanitarians, visionaries, innovators, intuitives; bringing us new treatments and new answers in science and technology, economy and education. They care for the children, the seas, the oceans. They are alive with an inner awakening, to live for the good of all and to protect all under our care. Over this century and to 3500 A.D., the human species is in an evolutionary leap to a fully energized brain capacity, as well as a transformation of cultures, with a recognition of needing to abolish barbaric practices. Predictions include: New medical discoveries: a new antibody, cure for Alzheimer's, cancer being dismantled. New science discoveries: a new energy source, restoring earth's ozone layer (via geophysics), off-world and corporate telepathic communication, and space travel (space is more like an ocean, with a quality fluid-like). Cosmic changes include transmuted time (faster), merging of third and fourth physical dimensions (a dimensional shift, a more refined energetic frequency/vibration, a change in the magnetic resonance field), ability to "translate" from one "place" to another with interdimensional collaboration, and extraterrestrial contact. Book 2 "The New Humanity" Series.

The Little Book of Spiritual Bliss Oct 01 2019 We live in a world of chronic stress and dis-ease, a world of rampant anxiety and depression. If we stay locked onto the horizontal plane of superficial concerns and challenges, we are doomed to feeling deeply unsettled. However, if we intentionally shift our awareness to the vertical plane of life -- diving into spiritual depths and rising to transcendent perspectives -- we connect with a Spirit that is both beyond and within us. Chapters Include: Ch. 1 Awaken Ch. 2 Connect Ch. 3 Wonder Ch. 4 Love Ch. 5 Trust Ch. 6 Home Each chapter offers five specific 'sacred pause practices' to instill a habit of first inviting stillness and then weaving a fabric of spiritual experiences. Being intentional in this way, on a daily basis, ultimately makes navigating one's life a radiant adventure rather than an exhausting race through a dark world. The Little Book of Spiritual Bliss offers a compendium of simple spiritual practices to help foster connection with the Divine, to cultivate sacred wellbeing, and to increase awareness of being a wave within an ocean of Spirit. Living with this sort of faith underpinning isn't merely a 'belief', it's an experience.

You Can Hear the Voice of God Through All Your Spiritual Senses Jul 02 2022 Is God speaking to me? Most Christians know God speaks through His Word, but when He speaks through the spiritual senses of sight, sound, touch, taste, and smell, it can leave a person feeling crazy! In *You Can Hear the Voice of God Through All Your Spiritual Senses*, the author shares how she came to her senses in Christ in more ways than one! Have you ever dared to ask or believe that there might be more-now-on this side of Heaven? More that we don't have to wait to access? More of something on which you just can't quite put your finger? That's how Sallie Dawkins felt. She was no longer satisfied with living a complacent or powerless life as a Christian. She had a holy hunger for more. And the Lord answered that desire. A heart encounter with God in 2015 challenged Sallie's entire belief system. It was the beginning of the end of two-and-a-half decades of wavering faith and started her on a supernatural journey of discovery that rapidly transformed her life. Now a Christian Healing Evangelist, Sallie Dawkins is an expert at coaching born-again Christians in spiritual growth. When she realized others were asking the same questions she once asked, she was inspired to write *The Awakening Christian Series*. This series is for Christians seeking a closer relationship with God. In book one, *You Can Hear the Voice of God Through All Your Spiritual Senses*, the author shares with heartwarming honesty the lessons she's learned in her pursuit of growing in spiritual maturity. This book will help you to: - Discover your true identity as a child of God - Grow in awareness of God's presence as you navigate the supernatural awakening of your spiritual senses-and it doesn't mean you're crazy - Recognize the voice of God over the other voices vying for your attention - Grow in confident faith even after years of doubt and unbelief - Restore peace, clarity, and freedom in your life as you learn to harness negative thought patterns Teaching through testimony, the author uses Bible verses to illustrate her points and answers FAQs regarding the supernatural. The lessons Sallie shares about her journey of spiritual growth can benefit every born-again Christian. You'll find valuable resources and application questions at the end of each chapter to help you achieve victory in your spiritual walk. Sallie will show you how God brought healing to her own life, and how He can do it for you, too! You'll find this book inspiring, empowering, and encouraging as you build upon basic spiritual concepts for overcoming challenges and creating the supernatural life you desire. Applying the foundational truths presented in this book will help you experience God in fresh ways and gain confident faith. My Incredible Paranormal, Spiritual, and Out of the Box Experiences Nov 01 2019 Many of my friends who know me well and know some of my experiences insist I should write an autobiography because many people will find my stories fascinating. My life has been about my spiritual, and paranormal explorations of the world, and studies of our universe. These views are discussed in over one hundred books; which is detailed near the end of this autobiography. These stories include a spirit attacking me, many prophecies of mine-some of which saved my life. Also a fight with a bear in the wilderness and many other strange experiences which includes a spiritual enlightenment event, and specific memories from before my birth during, and just after it. My education as an engineer at a top school has also led me to an analytical point of view about the world; but I've also remained open to new and "impossible" experiences without denying that they really happened. This has led me to a pretty unique point of view as a writer about many "out of the box" subjects which some professionals condemn as illusionary—but many individuals really experience. The experiences of my life in this book should also give you a good idea of the circumstances which created the person I am today, and why I write the books that I do. I've grouped my major life experiences mostly sequentially, but some things which took place over longer periods of time are grouped together. So there is some overlap in different chapters of my life. But you can see how all these topics blend together.

Metaphysical Divine Wisdom on Universal, Physical, Spiritual and Soul Love Jan 28 2022 The point of all existence in the end is connected to love, whether that is love for another person, self-love, or universal and spiritual love. One of the main reasons all souls are here is to learn the nature of love. Love is to understand that even the most heinous person in your eyes has love built deep down in the core of their soul. When you are in Heaven you truly understand what Universal love feels like. Love is the most powerful vibration that exists throughout all of time and space. Displaying hatred doesn't take much effort, but to show love requires a complete soul do over in order to get back to that space your soul was born with. Love will always cost you something, whether that's time or energy. Love will cost you pride when you need to let go of something that someone else did and extend the olive branch. *Universal, Physical, Spiritual and Soul Love* examines one of the most powerful vibrations that exists and that is love. There are divinely guided discussions on what it means to display Universal love and spiritual love. There is a heavy emphasis on the connection nature between souls from the karmic to soul mates and twin flames, before devoting a good chunk on the practical, which is of great interest in the physical world. The mid-section of this acts as a dating and relationship guide to finding a quality mate in a world dominated by the darkness of ego. This is coupled with the challenges and benefits to finding and keeping love in a language that resides within the cold technology sphere. It would be awesome if every single person on the planet was keenly aware of their innate psychic abilities built into their soul's DNA, because then Earth would be as close to Heaven as feasibly possible. There would be never-ending joy, peace, and love for every soul. Everyone would be operating from a higher vibration while moving mountains in the process. We see this kind of amazing uplifting joy in others when they're in a high vibrational state. *Universal, Physical, Spiritual and Soul Love* has the goal and intention of filling the reader with as much as love as possible with the hope that it can motivate one soul back into their soul's natural state of love. Some of the topics discussed in *Universal, Physical, Spiritual and Soul Love* include: *It's All About Love*, *Creating the Life You Love*, *Self-Love and Self-Care*, *Karmic Soul Connections*, *Soul Mate Soul Connections*, *Twin Flame Soul Connections*, *The Benefits and Challenges of Technology*, *Dating*, *Single and Longing for a Relationship*, *Love and Relationships*, *Love is a Battlefield*, *Seeking Love Through External Validation*, *Divine Soul Love*, *Love Yourself Back to Life*, *Bring Out the Good Vibrations*, *Universal Spiritual Love*, and much more! Let more Light into your soul's life with the *Metaphysical Divine Wisdom* collection of books. Each cover a variety of distinctive themes connected to the spiritual to the practical interwoven and back around again in a manner that is understood and palatable. The series includes *Psychic Spirit Team Heaven Communication*, *the Soul's Consciousness and Purpose*, *Manifesting Fearless Assertive Confidence*, *Balancing the Body, Mind, and Soul*, *Increasing Prayer with Faith for an Abundant Life*, and *Universal, Physical, Spiritual and Soul Love*.

Practise Resurrection Mar 18 2021 Book five of Eugene Peterson's landmark SPIRITUAL THEOLOGY series: foundational reading for the twenty-first-century church. Continuing Peterson's evaluation of contemporary Christian spirituality, PRACTISE RESURRECTION is a study of the book of Ephesians. It is often thought to be Paul's most difficult letter, but has been for over thirty years Peterson's text for his identity as a pastor. Peterson points out that although Christians emphasise the importance of new birth, growth is equally important. This book is a conversation on spiritual formation and what it means to become a mature Christian. As with the first four books in this series, PRACTISE RESURRECTION is written for both lay and academic audiences. Challenging but deeply rewarding, it combines scholarship with the human experience and lightness of touch for which Peterson is known. Also available in the Spiritual Theology series: Christ Plays in Ten Thousand Places, Eat This Book, The Jesus Way and The Word Made Flesh.

A Spirituality of Fundraising Apr 30 2022 Christian leaders often feel uneasy about asking others for money. Rather than viewing fundraising as a necessary but unpleasant task in supporting spiritual endeavors, Henri Nouwen asserts that fundraising is a ministry. The question that Christians must explore is their relationship with money and whether they find security in God or their possessions. Drawing on many lessons from scripture, Nouwen emphasizes that individuals must be moved to a common vision in order to feel generous in giving to a fundraising effort. For the act of fundraising involves not only the gift of money to a common goal but also the gifts of involvement, energy, and prayer for a common mission. Second Corinthians 9:8 states: "God is able to provide you with every blessing in abundance, so that by always having enough of everything, you may share abundantly every good work."

Christ Plays in Ten Thousand Places Jun 01 2022 Christ Plays in Ten Thousand Places reunites spirituality and theology in a cultural context where these two vital facets of Christian faith have been rent asunder. Lamenting the vacuous, often pagan nature of contemporary American spirituality, Eugene Peterson here firmly grounds spirituality once more in Trinitarian theology and offers a clear, practical statement of what it means to actually live out the Christian life. Writing in the conversational style that he is well known for, Peterson boldly sweeps out the misunderstandings that clutter conversations on spiritual theology and refurbishes the subject only with what is essential. As Peterson shows, spiritual theology, in order to be at once biblical and meaningful, must remain sensitive to ordinary life, present the Christian gospel, follow the narrative of Scripture, and be rooted in the "fear of the Lord" -- in short, spiritual theology must be about God and not about us. The foundational book in a five-volume series on spiritual theology emerging from Peterson's pen, Christ Plays in Ten Thousand Places provides the conceptual and directional help we all need to live the Christian gospel well and maturely in the conditions that prevail in the church and world today.
