[Leather & Lace, Book 1 of the Gypsy Road Series](#) Nov 27 2021 Rod, JoJo, Jon and Blackie-four gypsies on a solitary road...until love throws a fork in their paths. Can a rogue find love with the girl next door? Not if his ex-girlfriends have any say in it! Bethany Briggs is a wallflower who's always looked for love in the wrong places. Rod Summers is notorious for the string of broken hearted girlfriends he's left behind. Even when she sees a teddy bear beneath his wild exterior, she isn't sure she can trust her heart. But this shy girl-next-door is about to prove that the pattern for leather and lace can be tailor-made.

A-2 and G-1 Flight Jackets : Hell-Bent for Leather Jun 03 2022 Nostalgic black-and-white and period color photos depict the legendary Army Air Corps and Air Force jacket as worn by airmen in World War II and the Korean War. Anecdotes and a history of the jacket's service are accompanied by marvelous images of the hand-painted art that more often than not adorned the backs of these garments. *This is a paperback re-issue of Hell Bent for Leather.*

Allure Nov 08 2022 Overview: Tattoo artist by day, exotic dancer by night, 22 year old Six has been fighting his attraction for the girl of his dreams. Why? She's the high society daughter of the Mayor. Oh, and she's only 17. But what happens in Vegas, stays in Vegas...right? BLURB: Seventeen-year-old Brooklyn Hall has had her eye on uber sexy tattoo artist, Six Jagger, for a while. There's only one problem-she's pretty sure he doesn't even know she exists. A friend of her older brother, Six is five years older than her. Plus, there's the pesky fact that he's had a steady girlfriend for months. Still, even though she knows there's no chance for her, she can't seem to let the fantasy go. Six Jagger has had a thing for Brooklyn Hall since the first time he laid eyes on her a year ago. However, after finding out her age, he wiped her off his list of possibilities. That should've been the end of it, but for some reason, he can't stop watching and admiring her from afar. Happy that he's successfully maintained his distance, all that changes on the night Brooklyn walks into Inked Edges, asking him for an illegal tattoo. After that, all his carefully constructed barriers come tumbling down, taking them on an explosive ride of lust, passion, and desire. All's well that ends well, right? Too bad that wasn't the end, but merely the beginning...

[The Contract](#) Aug 01 2019 Illustrations ONLY available in Paperback version. To live the full experience, please purchase the paperback. The Contract, by JG-Leathers was previously published as two separate books by Gord Books. The author has not only combined these powerful stories into one stunning novel, but added 40,000 words and ten of his own sketches. The complete complement of all the original illustrations by Simon Benson are also included; made available with the gracious permission of Gord." Susan Henderson is a bored young woman looking for some spice in her life. Upon reading an advertisement in an up-scale women's magazine that stated excellent pay was being offered for a five year, foreign service position, provided the applicant passed rigorous intelligence, appearance, and aptitude tests. She is soon enticed into a world of ever-increasing, inescapable bondage, then soon held deep in the fastness of a Middle Eastern Palace. Here she learns her true place in life, discovering a world within her own mind that also cannot be escaped or evaded. Susan Henderson's voyage continues when she is inducted into different deviant training programs. Much to her distress, she soon discovers what it is like to be a domestic animal and spends a substantial length of time in this role. She is eventually freed to be taken on a shopping expedition in the real world, controlled thoroughly at all times. Soon after, she becomes a human equine, undergoing intense training as a Horse Woman, then as a four legged, ridden Pony Girl, and finally, as one of the Sheikh's famous Lipizzaner Mares. JG Leather s proves he is the professor of prose with his finely tuned descriptions.

The Leather Book Dec 17 2020 Leather has been covering human bodies since hefty pelts first protected prehistoric cave-dwellers. Since then, we have chiseled leather into an infinite number of different forms, and today, top designers create stunning leather pieces crafted as finely as precious jewels. A living material that is sculpted by the body's own habits, leather has run the gamut of fashion styles in the 20th century, and is able to represent innumerable attitudes, from the tough virility of the Hells Angels to the sleek elegance of a smooth thigh boot.

What's Wrong with Money? Oct 15 2020 The expert guide to understanding and surviving monetary failure What's Wrong with Money? explores how and why money is valued and the warning signs that point to its eventual collapse. Author Michael Ashton is widely regarded as a premier expert on inflation, and in this book, he illustrates how the erosion of trust in central banks is putting us at high risk of both near- and long-term inflation—and a potentially very serious disruption. It's not about a conspiracy surrounding inflation reporting; it's about the tentative agreement we all carry that lends money its value. This value isn't necessarily inherent; while some currency is

backed by stored value, others are not. This book walks you through the history of currency and details the ways in which it can fall apart. You'll learn how to invest in any type of collapse scenario, and you'll gain expert insight into the warning signs that signal a coming shock to the financial system. Track the history of monetary value Consider how money could die slowly or quickly Learn investment strategies for both slow and quick scenarios Examine potential causes of erosion of trust in the monetary system, and the chilling results of such erosion An economic system without money is incredibly inefficient, but our shared agreement in monetary value has historically never been enough. What's Wrong with Money? shows you the lessons from the past and the reality of the present and helps you make plans for the future of money.
